PROXY STATEMENT**

INTRODUCTION

This Proxy Statement is furnished by the Board of Directors of The Swiss Helvetia Fund, Inc. (the "Fund") in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders (the "Meeting") to be held at 11:30 a.m. on Thursday, May 22, 2003 at The Drake Swissotel, 440 Park Avenue, Manhattan East and West Suites, New York, New York 10022. The purpose of the Meeting and the matters to be acted upon are set forth in the accompanying Notice of Annual Meeting of Stockholders. It is expected that the Notice of Annual Meeting of Stockholders, Proxy Statement and form of Proxy will first be mailed to Stockholders on or about April 15, 2003.

If the accompanying form of Proxy is executed properly and returned, the shares represented by it will be voted at the Meeting in accordance with the instructions on the Proxy. However, if no instructions are specified, the shares will be voted FOR the Election of Directors. A Proxy may be revoked at any time prior to the time it is voted by

written notice to the Secretary of the Fund revoking it, by submitting a properly executed proxy bearing a later date, or by attending the Meeting and voting in person. Attending the Meeting will not automatically revoke a previously executed proxy. Shares represented by a Proxy marked to withhold authority to vote, and shares represented by a Proxy that indicates that the broker or nominee stockholder thereof does not have discretionary authority to vote them, will be counted to determine the existence of a quorum at the Meeting, but will not constitute a vote in favor of a proposal. Such Proxies will not affect the plurality vote required for the election of directors. To the extent any stockholder owns shares of the Fund in violation of applicable law, including the Investment Company Act of 1940, as amended (the "1940 Act"), the Fund may determine that the vote attributable to such shares shall not be counted, or that such shares will not be counted for quorum purposes, or both. Under Section 12(d)(1) of the 1940 Act, the acquisition of more than 3% of the Fund's common stock by another fund (whether SEC-registered, private or offshore) is unlawful. The Fund will invalidate votes cast on behalf of any such fund or by any other stockholder whose holdings are unlawful, that are otherwise properly cast, only after it has obtained a decision through appropriate proceedings in a court or other forum of competent jurisdiction that such votes are not valid. The Fund may suspend the final counting of votes pending such a decision.

The Board of Directors has fixed the close of business on April 8, 2003 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting and at any adjournment thereof. On that date, the Fund had 24,270,418 shares of Common Stock outstanding and entitled to vote. Each share will be entitled to one vote at the Meeting.

Management of the Fund knows of no business other than that mentioned in the Notice of Annual Meeting of Stockholders which will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed Proxy to vote in accordance with their best judgment.

The Fund will furnish, without charge, a copy of its Annual Report for its year ended December 31, 2002 and its most recent Quarterly and Semi-Annual Reports succeeding the Annual Report, if any, to any stockholder on request. Requests for these Reports should be made in writing to The Swiss Helvetia Fund, Inc., 1270 Avenue of the Americas, Suite 400, New York, New York 10020, Attention: Rudolf Millisits, or by telephoning the Fund's toll free telephone number: 1-888-794-7700.

The Fund's Investment Advisor is Hottinger Capital Corp. ("HCC"), which is owned by the Hottinger Group ("Hottinger"). The executive offices of the Fund and HCC are located at 1270 Avenue of the Americas, Suite 400, New York, New York 10020. The Fund's administrator is Forum Administrative Services LLC, and its executive offices are located at Two Portland Square, Portland, Maine 04101.

PROPOSAL 1: TO ELECT THREE CLASS III DIRECTORS

The Fund's Certificate of Incorporation provides for three classes of Directors with overlapping three-year terms. The number of Directors is currently ten and is divided into three classes of at least three Directors each. Paul Hottinguer, Claude Mosseri-Marlio and Stephen K. West, Esq. were elected as Class III Directors in 2000 to serve until this Meeting. The Class III nominees, Paul Hottinguer, Claude Mosseri-Marlio and Stephen K. West, Esq., are the only nominees to be considered for election at the Meeting and, if elected, each will serve a three-year term of office until the Annual Meeting of Stockholders in 2006, or until his respective successor shall be elected and shall qualify. The Class III nominees were first nominated by the Governance/Nominating Committee consisting of the six Non-Interested Directors (as defined below), two of whom are Class III nominees. Thereafter, the Board of Directors of the Fund, including all of the Directors of the Fund who are not "interested persons" (as defined in the 1940 Act) of the Fund or HCC (each such Director a "Non-Interested Director"), unanimously proposed the Class III nominees for election at this Meeting.

Unless authority is withheld, it is the intention of the persons named in the accompanying form of Proxy to vote each Proxy FOR the election of the three Class III nominees of the Fund listed above. Each Class III nominee has

indicated he will serve, if elected, but if any such nominee should be unable to serve, proxies will be voted for an alternate nominee, if any, designated by the Board of Directors. The Board of Directors has no reason to believe that any of the above nominees will be unable to serve as a Director. Each of the Class III nominees is currently a member of the Board of Directors.

Required Vote and the Board's Recommendation

In accordance with Delaware law and the Fund's Certificate of Incorporation and By-Laws, Directors are elected by a plurality of the votes cast at the Meeting by the stockholders entitled to vote.

Abstentions, withholding of authority and broker non-votes will not be included in determining the number of votes cast in a Director's favor. A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner.

THE BOARD OF DIRECTORS OF THE FUND UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF THE THREE NOMINEES AS CLASS III DIRECTORS.

Certain Information Concerning Directors and Executive Officers

The following tables set forth certain information about each person nominated by the Board for election, each person currently serving or continuing as a Director and each person who currently serves as an Executive Officer of the Fund, including his or her beneficial ownership of Common Stock of the Fund. All of the information is as of December 31, 2002. The information with respect to the Directors is separately stated for Directors who have been determined to be Non-Interested Directors and Directors who are deemed to be "interested persons" under the 1940 Act.

The Fund's officers are elected annually by the Board of Directors at its Annual Meeting following the Annual Meeting of Stockholders. In addition to the Executive Officers, the Fund's other officers are Leslie K. Klenk, Assistant Vice President, Frederick Skillen, Assistant Treasurer, and Dawn Taylor, Assistant Secretary, each of whom is an employee of Forum Financial Group, LLC.

The Board of Directors provides oversight with respect to the Fund's governance, operations, performance and stockholder relations. In that capacity the Board, directly and through permanent and ad hoc committees, provides oversight of the Fund's Investment Advisor, HCC, the Fund's independent public auditor, Deloitte & Touche LLP, the Fund's Administrator and Accountant, Forum Administrative Services LLC and Forum Accounting Services LLC, respectively, Fund Management and legal counsel.

The current Members of the Audit Committee are Messrs. Pineau-Valencienne, West and Witt. The Audit Committee makes all decisions with respect to the engagement, compensation and oversight of the independent public auditor and reviews with the independent public auditor the plan and results of the audit engagement and such other matters as is required by the Audit Committee Charter as described below under "Report of Audit Committee." The Board of Directors, in its business judgment, has determined that all Members of the Committee are "independent," as required by the applicable listing standards of the New York Stock Exchange and applicable law. The Audit Committee also oversees the administration of the Fund. The Audit Committee held eight meetings during the year ended December 31, 2002. The Board of Directors also has a Litigation Committee whose current members are Messrs. Gabus, Pineau-Valencienne, West and Witt. The principal function of the Litigation Committee is to monitor litigation arising from two complaints hereinafter discussed under "Other Matters Settlement of Litigation." The Litigation Committee held seven meetings during the year ended December 31, 2002. The Board of Directors has a Governance/Nominating Committee whose current members are Messrs. Frey, Gabus, Mosseri-Marlio, Pineau-Valencienne, West and Witt, each of whom is a Non-Interested Director. The principal function of the

Governance/Nominating Committee is to coordinate and oversee all aspects of the governance of and have principal responsibilities with respect to strategic issues related to the Fund. The Committee also has the function of recommending to the Board nominees for election of Directors. The Governance/Nominating Committee held two meetings during the year ended December 31, 2002. The Governance/Nominating Committee will consider nominees recommended by a stockholder if such recommendation is in writing and received by the Fund by the deadline specified below under "Stockholder Proposals" and otherwise complies with the requirements for such proposals contained in the Fund's By-laws. Any such recommendations should be submitted to: Secretary, The Swiss Helvetia Fund, Inc., 1270 Avenue of the Americas, Suite 400, New York, New York 10020. The Board of Directors does not have a Compensation Committee.

During the year ended December 31, 2002, the Board of Directors met four times, all of which were regularly scheduled meetings. Each incumbent Director attended at least 75% of the aggregate of (i) the total number of Meetings of the Board of Directors and (ii) the total number of Meetings held by all Committees of the Board on which he served.

Mr. Pineau-Valencienne, a non-interested director, is Vice Chairman of Credit Suisse First Boston (Europe) Limited, an indirect subsidiary of Credit Suisse Group ("CSG"). Since November 2000, the Fund's U.S. custodian has been Swiss American Securities Inc. and its Swiss sub-custodian has been Credit Suisse First Boston, both of which are subsidiaries of CSG and which received aggregate fees of \$155,737 from the Fund in 2002. Hottinger & Cie (Zurich), the parent of the Fund's Investment Advisor, and certain of its affiliated companies effect brokerage transactions for managed accounts through CSG entities. The Fund has, from time to time prior to 2002, also effected brokerage transactions in Swiss equities through a CSG unit in Switzerland, which received brokerage compensation from the Fund of \$0 in 2002, \$1,194 in 2001 and \$86,860 in 2000.

Each Non-Interested Director of the Fund or its Investment Advisor, HCC, was paid a 2002 annual fee of approximately \$15,000 plus \$750 for each meeting of the Board of Directors attended and \$750 for each committee meeting attended, if held separately. The Chairman of the Audit Committee received an annual fee of approximately \$16,500 (in lieu of the approximate \$15,000 annual fee paid to other Non-Interested Directors), plus the same \$750 meeting fee paid to the other Non-Interested Directors. The annual fee of Non-Interested Directors (including the annual fee paid to the Chairman of the Audit Committee) is adjusted annually, as of each October 1, in proportion to the increase in the Consumer Price Index "All Items Price Index - National," for the preceding twelve month period. Each Director who is a Non-Interested Director and who is a member of the Audit, Litigation or Governance/Nominating Committees is compensated for incremental work over and above attending a meeting based upon the value added to the Fund. Finally, the Fund reimburses Non-Interested Directors for certain out-of-pocket expenses, such as travel expenses in connection with board meetings. During the year ended December 31, 2002, all incumbent Non-Interested Directors as a group received from the Fund aggregate remuneration amounting to \$212,870 and individual remuneration (exclusive of reimbursed expenses), as follows:

ADDITIONAL INFORMATION RELATING TO THE FUND

Section 16(a) Beneficial Ownership Reporting Compliance

Under the securities laws of the United States, the Fund's Directors, its Executive (and certain other) Officers, its Investment Advisor and affiliated persons of its Investment Advisor and any persons beneficially owning more than ten percent of the Fund's Common Stock are required to report their ownership of the Fund's Common Stock and any changes in that ownership to the Fund, the Securities and Exchange Commission and The New York Stock Exchange. Specific due dates for these reports have been established, and the Fund is required to report in this proxy statement any failure to file by these dates during 2002. Based solely upon a review of Forms 3 and 4 and amendments thereto furnished to the Fund during its most recent fiscal year, Forms 5 and amendments thereto furnished to the Fund with respect to its most recent fiscal year and written representations received from such persons, all of these requirements appear to have been satisfied by such persons during the year ended December 31, 2002, except that Mr. Didier Pineau-Valencienne, a Director of the Fund, purchased in one transaction approximately 185 shares of Common Stock of the Fund that was not reported on a timely basis in a Form 4 filing. Mr. Pineau-Valencienne's purchase subsequently was reported on the appropriate form.

Security Ownership of Certain Beneficial Owners

As of December 31, 2002, no stockholder, to the knowledge of Management, other than the Wachovia Corporation, One Wachovia Center, Charlotte, North Carolina 28288-0137, and Lazard Frères & Co. LLC, 30 Rockefeller Plaza, New York, New York 10020, beneficially owned more than five percent of the Fund's outstanding shares of Common Stock. Wachovia Corporation, on behalf of its advisory clients, filed on February 13, 2003, a beneficial ownership report on Schedule 13G with the Securities and Exchange Commission stating that as of December 31, 2002 it beneficially owned 1,539,686 shares of Common Stock, and Lazard Frères & Co. LLC, on behalf of its advisory clients, filed on February 21, 2003, a beneficial ownership report on Schedule 13G with the Securities and Exchange Commission stating that as of December 31, 2002, it beneficially owned 1,314,600 shares of Common Stock. Based on such filings, these holdings represented approximately 6.48 percent and 5.50 percent of the Fund's outstanding shares, respectively, as of December 31, 2002.

SELECTION OF INDEPENDENT PUBLIC AUDITOR

At a meeting held on March 19, 2003, the Audit Committee of the Fund recommended, and the Board of Directors selected, Deloitte & Touche LLP (the "Firm" or "D&T") to act as the independent public auditor for the Fund for the year ending December 31, 2003. Based principally on representations from the Firm, the Fund knows of

no direct financial or material indirect financial interest of such Firm in the Fund. That Firm, or a predecessor firm, has served as the independent public auditor for the Fund since 1987.

Audit Fees

The aggregate fees billed by D&T to the Fund for professional services rendered for the Audit of the Fund's annual financial statements for the fiscal year ended December 31, 2002 were \$35,000.

Financial Information Systems Design and Implementation Fees

D&T did not render any information technology services to the Fund during the fiscal year ended December 31, 2002.

All Other Fees

The aggregate fees billed by D&T to the Fund for tax services rendered to the Fund, other than the services described above under "Audit Fees" for the fiscal year ended December 31, 2002, were \$17,600. D&T rendered no other services for the Fund, and rendered no services for the Investment Advisor or any affiliate of the Investment Advisor during the year ended December 31, 2002 or during any prior period.

The Audit Committee has considered whether and determined that the provision of non-audit services to the Fund is compatible with maintaining D&T's independence.

No representative of D&T is expected to be present at the Meeting.

REPORT OF AUDIT COMMITTEE

The Audit Committee has exclusive oversight of the Fund's financial reporting process. The Committee operates pursuant to a Charter which was last approved by the Board on March 20, 2002, a copy of which is attached to this Proxy Statement as Appendix "A." As set forth in the Charter, Management of the Fund is responsible for the preparation, presentation and integrity of the Fund's financial statements, the Fund's accounting and financial and reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent public auditor, D&T, is responsible for auditing the Fund's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Committee has considered and discussed the December 31, 2002 audited financial statements with Management and with D&T. The Committee has also discussed with D&T the matters required to be discussed by the Statement on Auditing Standards No. 61, *Communication With Audit Committees*, as currently in effect. Finally, the Committee has reviewed the written disclosures and the letter from D&T required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as currently in effect, has considered whether the provision of other non-audit services by D&T to the Fund is compatible with maintaining the auditor's independence, and has discussed with D&T the auditor's independence.

Stockholders are reminded, however, that the Members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. Members of the Committee rely without independent verification on the information provided to them and on the representations made by Management and D&T. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that Management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements

are presented in accordance with generally accepted accounting principles or that the Fund's auditors are, in fact, "independent".

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee determined that the audited financial statements be included in the Fund's Annual Report to Stockholders for the year ended December 31, 2002, as filed with the Securities and Exchange Commission.

OTHER MATTERS

General

The Fund's Investment Advisor is HCC, 1270 Avenue of the Americas, Suite 400, New York, New York 10020, and the Fund's Administrator is Forum Administrative Services LLC, Two Portland Square, Portland, Maine 04101. The Fund currently does not have a principal underwriter.

No business other than as set forth herein is expected to come before the Meeting, but should any other matter requiring a vote of stockholders properly arise, including any question as to an adjournment of the Meeting, the persons named in the enclosed Proxy will vote thereon according to their best judgment in the interest of the Fund.

Settlement of Litigation

In April and May 2001, two complaints were filed in purported class actions on behalf of stockholders of the Fund, in the Court of Chancery of the State of Delaware, against the Fund, each of its Directors and HCC (collectively, the "defendants"). As discussed below, the parties agreed on settlement terms for one of the claims and the remaining ones have been dismissed.

The complaints in these cases entitled *Kimberly Kahn v. Paul Hottinguer et al.* and *Charles Miller v. Paul Hottinguer et al.* alleged that the defendants: (A) breached fiduciary duties to stockholders and violated Section 109(a) of the Delaware General Corporation Law by adopting amendments to the Fund's By-Laws requiring a vote of 75% of the Fund's outstanding shares to alter, amend or repeal the By-Laws or to adopt other bylaws; (B) breached fiduciary duties to stockholders by adopting amendments to the Fund's By-Laws requiring nominees for election as directors to satisfy certain qualifications; and (C) breached fiduciary and contractual duties through the manner in which the Fund effected a capital gains distribution in December 2000. The complaints sought as relief among other things: (i) a declaration that the defendants have breached their fiduciary duties to stockholders and that the amendments to the By-Laws are null and void; (ii) an injunction in connection with any meeting of stockholders preventing the defendants from enforcing the By-Law amendments; and (iii) certain unspecified damages.

After the Fund announced in May 2001 that it would put the By-Law amendments challenged in the litigation to a vote of stockholders at the 2002 annual meeting, plaintiffs voluntarily dismissed all claims relating to the By-Laws as moot. The parties subsequently reached agreement on the terms of a settlement of the claims regarding the capital gains distribution. The agreement involves a prospective change in the Fund's dividend policy through 2012 limiting the issuance of dividends or capital gains distributions in the form of stock with an option to take cash

unless any resulting net asset value dilution is offset through stock repurchases in accordance with a formula in the settlement. A hearing to approve the settlement has been scheduled for June 3, 2003 before the Chancery Court for the State of Delaware. The details of the settlement are set out in the "Notice of Pendency of Class Action, Proposed Settlement of Class Action and Settlement Hearing" enclosed herewith.

STOCKHOLDER PROPOSALS

Stockholder proposals intended to be presented at the Fund's Annual Meeting of Stockholders in 2004 must be received by the Fund on or before December 17, 2003 in order to be included in the Fund's proxy statement and form of proxy relating to that Meeting. In addition, the Fund's By-Laws provide that if a stockholder of record entitled to vote desires to bring proposals (including director nominations) before the 2004 Annual Meeting, written notice of such proposals as prescribed in the By-Laws must be received by the Fund's Secretary, The Swiss Helvetia Fund, Inc., 1270 Avenue of the Americas, Suite 400, New York, New York 10020, between January 22, 2004 and February 21, 2004. For additional requirements, stockholders may refer to the By-Laws, a current copy of which may be obtained without charge upon request from the Fund's Secretary. If the Fund does not receive timely notice pursuant to the By-Laws, the proposal will be excluded from consideration at the meeting.

EXPENSES OF PROXY SOLICITATION

The Fund will bear the cost of soliciting proxies on behalf of the Board of Directors. The Fund has engaged Georgeson Shareholder Communications Inc. to serve as proxy solicitor at an anticipated cost of between \$7,000 and \$10,000, plus disbursements. In addition to the use of mails, proxy solicitations may be made by telephone, fax and personal interview by the Fund's Officers and Directors and the Fund's Investment Advisor. Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their customers to obtain authorization for the execution of proxies, and they will be reimbursed by the Fund for out-of-pocket expenses incurred in this connection. APPENDIX "A"

AUDIT COMMITTEE CHARTER THE SWISS HELVETIA FUND, INC. (SUBJECT TO REVISION)

- I. Composition of the Audit Committee: The Audit Committee of The Swiss Helvetia Fund, Inc. ("Fund") shall be comprised of three directors, each of whom shall have no relationship to the Fund or any of its investment advisors, administrators, or custodians that may interfere with the exercise of his or her independence from Management and the Fund and, as to his or her relationship to the Fund, shall otherwise satisfy the applicable membership requirements under the rules of the New York Stock Exchange, Inc., as such requirements are interpreted by the Board of Directors in its business judgment.
- II. Purposes of the Audit Committee: The purposes of the Audit Committee are to assist the Board of Directors:
1. in its oversight of the Fund's accounting and financial reporting principles and policies and internal audit controls and procedures;
 2. in its oversight of the Fund's financial statements and the independent audit thereof;
 3. in selecting, evaluating and, where deemed appropriate, replacing the outside auditors or nominating the outside auditors to be proposed for stockholder approval in any proxy statement; and
 4. in evaluating the independence of the outside auditors.

The function of the Audit Committee is oversight. Management of the Fund is responsible for the preparation, presentation and integrity of the Fund's financial statements. Management is also responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The outside auditors are responsible for planning and carrying out a proper audit of the Fund's annual financial statements. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Fund and are not, and do not represent themselves to be, accountants or auditors by profession or experts in the fields of accounting or auditing including in respect of auditor independence. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards, and each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Fund from which it receives information; (ii) the accuracy of the financial and other information provided to the Audit Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors); and (iii) representations made by Management as to any information technology, internal audit and other non-audit services provided by the auditors to the Fund.

The outside auditors for the Fund are ultimately accountable to the Board of Directors (as assisted by the Audit Committee). The Board of Directors, with the assistance of the Audit Committee, has the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the outside auditors or to nominate the outside auditors to be proposed for stockholder approval in the proxy statement.

The outside auditors shall submit to the Fund annually a formal written statement delineating all relationships between the outside auditors and the Fund ("Statement as to Independence"), addressing each non-audit service provided to the Fund and at least the matters set forth in Independence Standards Board No. 1.

The outside auditors shall submit to the Fund annually a formal written statement of the fees billed for each of the following categories of services rendered by the outside auditors: (i) the audit of the Fund's annual financial statements for the most recent fiscal year; (ii) information technology consulting services provided to the Fund for the most recent fiscal year, in the aggregate and by each service (and separately identifying fees for such services relating to financial information systems design and implementation); (iii) all other services rendered by the outside auditors to the Fund for the most recent fiscal year, in the aggregate and by each service; and (iv) any services rendered by the outside auditors to any of the Fund's investment advisors, administrators, or custodians for the most recent fiscal year, in the aggregate and by each service.

III. Meetings of the Audit Committee: The Audit Committee shall meet four times annually, or more frequently if circumstances dictate, to discuss with Management the annual audited financial statements and periodic performance results. In addition, the Audit Committee shall meet separately at least annually with Management and the outside auditors to discuss any matters that the Audit Committee, Management or the outside auditors believe should be discussed privately. The Audit Committee may request any officer of the Fund or the Fund's outside counsel or outside auditors to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other.

1. with respect to the outside auditor,
 - (i) to provide advice to the Board of Directors in selecting, evaluating or replacing outside auditors;
 - (ii) to review the fees charged by the outside auditors for audit and non-audit services;
 - (iii) to ensure that the outside auditors prepare and deliver annually a Statement as to Independence (it being understood that the outside auditors are responsible for the accuracy and completeness of this Statement), to discuss with the outside auditors any relationships or services disclosed in this Statement that may impact the objectivity and independence of the Fund's outside auditors and to recommend that the Board of Directors take appropriate action in response to this Statement to satisfy itself of the outside auditors' independence; and
 - (iv) to consider whether the outside auditors' provision of (a) information technology consulting services relating to financial information systems design and implementation, (b) other non-audit services to the Fund, and (c) any services to the Fund's investment advisors, administrators or custodians is compatible with maintaining the independence of the outside auditors; and
 - (v) to instruct the outside auditors that the outside auditors are ultimately accountable to the Board of Directors and Audit Committee;

2. with respect to financial reporting principles and policies and related controls and procedures,
 - (i) to advise Management and the outside auditors that they are expected to provide to the Audit Committee a timely analysis of significant financial reporting issues and practices;
 - (ii) to consider any reports or communications (and Management's responses thereto) submitted to the Audit Committee by the outside auditors required by or referred to in SAS 61 (as codified by AU Section 380), as may be modified or supplemented, including reports and communications related to:

The purpose of this Notice is to inform you that a hearing will be held before the Delaware Court of Chancery, in the New Castle County Courthouse, 500 North King Street, Wilmington, Delaware 19801 on June 3, 2003, at 11:30 a.m. (the "Settlement Hearing"), to (i) determine whether a proposed settlement (the "Settlement") of the above captioned action (the "Action"), is fair, reasonable and adequate and in the best interests of the Class; (ii) determine whether a class should be finally certified in the Action; (iii) determine whether the Class has been adequately represented by plaintiffs and their attorneys; (iv) determine whether final judgment should be entered dismissing the Action as to all defendants with prejudice as against the plaintiffs and all members of the Class (the "Order and Final Judgment"); (v) hear and determine any objections to the Settlement; and (vi) if the Court approves the Settlement to determine whether it should award attorneys' fees and expenses to plaintiffs' attorneys.

2. The Court has reserved the right to adjourn the Settlement Hearing, by oral announcement at such hearing or any adjournment thereof, and without further notice of any kind. The Court also has reserved the right to approve the Settlement at or after the Settlement Hearing with any modifications to which the parties to the Action agree and without further notice to the Class.

THE FACTUAL BACKGROUND

THE DESCRIPTION OF THE ACTION AND THE SETTLEMENT WHICH FOLLOW HAVE BEEN PREPARED BY COUNSEL FOR THE PARTIES. THE COURT HAS MADE NO FINDINGS WITH RESPECT TO SUCH MATTERS, AND THIS NOTICE IS NOT AN EXPRESSION BY THE COURT OF FINDINGS OF FACT.

A. In May and October 2000, the directors of the Swiss Helvetia Fund, Inc. (the "Fund") adopted certain amendments to its bylaws, which (i) specified minimum director qualifications, (ii) eliminated the stockholders' ability to call special stockholder meetings, (iii) limited to record holders of the Fund's stock the ability to submit proposals under an advance notice bylaw, (iv) required that record holders who submit such proposals indicate whether they will solicit proxies, and (v) increased the percentage of shares required to amend the Bylaws of the Fund from a majority to 75% (the "Bylaw Amendments").

B. In December 2000, the Fund announced that stockholders in the Fund would receive capital gains distributions for calendar year 2000 either in newly issued shares in the Fund or, if they affirmatively opted, in cash (the "New Shares Option").

C. On April 2 and May 8, 2001, plaintiffs, purported stockholders in the Fund, filed putative class actions in the Court (as consolidated, the "Action") alleging, among other things, (i) that the individual defendants breached their fiduciary duties in voting to approve the Bylaw Amendments and in connection with the Fund's distribution of capital gains pursuant to the New Shares Option, (ii) that the Fund breached a contractual obligation contained in its prospectuses that, in the event the Fund's net asset value ("NAV") exceeded the market value of its shares, it would distribute capital gains to stockholders only in cash or shares in the Fund repurchased on the open market, and that the Fund's failure to distribute capital gains in this manner diluted stockholder interests and increased the discount to NAV at which the Fund's shares traded and (iii) that the amendment increasing the percentage of shares required to amend the bylaws from a majority to 75% violated 8 Del. C. § 109(a) and constituted a further breach of the individual defendants' fiduciary duties.

D. On May 15, 2001, the Fund announced that it would put the Bylaw Amendments to a vote of stockholders at the 2002 annual meeting of the Fund, with such bylaws to be maintained in effect only if a majority of shares voted "yes" or "no" on the bylaws at the meeting, and excluding abstentions and broker non-votes, voted for their retention. Subsequently, the Board rescinded the bylaw amendment which had eliminated the stockholders' ability to call a special meeting of stockholders. At the 2002 annual meeting of the Fund, the requisite majority vote was obtained with respect to the continuation of the other four Bylaw Amendments.

E. The portions of the complaint relating to (i) alleged breaches of fiduciary duty arising out of the defendants' implementation of the Bylaw Amendments and (ii) the alleged violation of 8 Del. C. ss. 109(a) were then dismissed as moot by stipulation of the parties (without waiver of the right of plaintiffs' counsel to seek an award of attorneys' fees in connection therewith), as a consequence of the Fund's announcement as described above.

F. Plaintiffs' counsel and counsel for defendants subsequently engaged in arm's-length negotiations concerning a possible settlement of the remaining claims in the Action.

G. In light of the events, negotiations and agreements described above, analysis of applicable law, and after consulting with an industry expert, counsel for plaintiffs in the Action have concluded that the terms and conditions of the settlement described below are fair, reasonable, adequate, and in the best interests of the plaintiffs and the Class.

H. Plaintiffs enter into this Stipulation after taking into account (i) the substantial benefits to the members of the Class (as defined below), (ii) the risk of continued litigation, (iii) the desirability of permitting the Settlement to be consummated as provided by the terms of this Stipulation, and (iv) the conclusion of counsel for plaintiffs that the terms and conditions of the Settlement are fair, reasonable, adequate and in the best interests of the Class. Plaintiffs and plaintiffs' counsel have agreed to the terms of the Settlement because, in their view, the Settlement substantially achieves plaintiffs' principal objectives in the Action.

I. Defendants in the Action have denied and continue to deny vigorously any wrongdoing or any liability with respect to all claims alleged in the Action. While denying any fault or wrongdoing, and relying on the provision of the Stipulation that it shall in no event be construed as or deemed to be evidence of an admission or concession on the part of defendants or any Released Person (as defined below) of any fault or liability whatsoever, and without conceding any infirmity in their defenses against the claims alleged in the Action, defendants consider it desirable that the Action be settled and dismissed, subject to the terms and conditions of the Stipulation, because the Settlement will (i) be beneficial to the Class members; (ii) halt the substantial expense, inconvenience and distraction of continued litigation of plaintiffs' claims; (iii) finally put to rest those claims; and (iv) dispel any uncertainty that may exist as a result of the Action.

THE SETTLEMENT TERMS

1. The Fund's dividend policy shall be modified as follows:

a. If on December 31, 2002 or on December 31 of any subsequent year through December 31, 2012, cumulative net NAV anti-dilution, as defined in subsection (b) below, is no longer positive, the Fund will use its reasonable efforts, such as through open market stock repurchases, to restore cumulative net NAV anti-dilution to a positive balance within 12 months, and in any event will not issue dividends or capital gains distributions in stock with an option to take cash if the stock would be issued at a price below net asset value per share until either cumulative net NAV anti-dilution has been restored to a positive balance or such issuance has been approved by the vote of a majority of the Fund's outstanding voting securities (as defined in the Investment Company Act of 1940).

b. Cumulative net NAV anti-dilution equals:

(i) the total dollar amount by which the Fund's purchase price of its stock is below its net asset value at the time of purchase, less

(ii) the total dollar amount by which the Fund's issuance price of stock in dividends and capital gains distributions in stock with an option to take cash is below its net asset value at the time of issuance, all calculated on a cumulative basis from January 1, 2002 to the date of calculation.

2. If the Court approves the Settlement, the Court will enter an Order and Final Judgment which, among other things, will provide that any and all claims, demands, rights, actions or causes of action, liabilities, damages, losses, obligations, judgments, suits, matters and issues of any kind or nature whatsoever, whether known or unknown, contingent or absolute, suspected or unsuspected, disclosed or undisclosed, hidden or concealed, matured or unmatured, that have been or could have been asserted in the Action or in any court, tribunal or proceeding (including, but not limited to, any claims arising under federal or state law relating to alleged fraud, breach of any duty, negligence, violations of the federal securities laws, or otherwise) by or on behalf of any member of the Class, whether individual, class, derivative, representative, legal, equitable or any other type or in any other capacity (collectively, the "Releasing Parties") against the Fund, the individual defendants, Hottinger Capital Corp., and any of their families, parent entities, affiliates, subsidiaries, predecessors, successors or assigns, and each and all of their respective past or present officers, directors, associates, stockholders, members, controlling persons, representatives, employees, attorneys, counselors, financial or investment advisors, consultants, accountants, investment bankers, commercial bankers, engineers, advisors or agents, heirs, executors, trustees, general or limited partners or partnerships, personal representatives, estates or administrators of any of the foregoing (collectively, the "Released Persons"), relating to the allegations, facts, events, transactions, acts, occurrences, statements, representations, misrepresentations, omissions or any other matter, thing or cause whatsoever, or any series thereof, embraced, involved, set forth in or otherwise related to the complaints filed in the Action, and any public filings or statements (including but not limited to public statements) by any of the Released Persons in connection with the foregoing (collectively, the "Released Claims") shall be fully, finally, and forever compromised, settled, discharged, dismissed with prejudice, released and barred pursuant to the terms and conditions set forth herein; provided, however, that the claims to be released shall not include the right of any members of the proposed Class (as defined herein) or any of the defendants to enforce the terms of the Settlement.

The release will extend to claims that the Releasing Parties do not know or suspect to exist at the time of the release, which if known, might have affected any Releasing Parties' decision regarding the release contained in the Settlement. The Releasing Parties shall be deemed to relinquish, to the full extent permitted by law, the provision, rights and benefits of § 1542 of the California Civil Code which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

It is the intention of the parties to extinguish all Released Claims and consistent with such intention the Releasing Parties waive their rights, to the extent permitted by law, under the provisions of Section 1542 of the California Civil Code or any other similar state law, federal law or principle of common law, which may have the effect of limiting the release set forth above.

3. THE COURT HAS NOT FINALLY DETERMINED THE MERITS OF THE CLAIMS MADE BY PLAINTIFFS AGAINST, OR THE DEFENSES OF, THE DEFENDANTS. THIS NOTICE DOES NOT IMPLY THAT THERE HAS BEEN OR WOULD BE ANY FINDING OF VIOLATION OF THE LAW OR THAT RELIEF IN ANY FORM OR RECOVERY IN ANY AMOUNT COULD BE HAD IF THE ACTIONS WERE NOT SETTLED.

DISMISSAL AND RELEASE

4. The parties to the Action intend that the Court's approval of the proposed Settlement shall extinguish for all time all rights, claims and causes of action that are or relate to the Released Claims against any of the Released Persons.

5. If the Court approves the Settlement, it will become effective when the Order and Final Judgment is not subject to further appeal or review. If the Court does not approve the Settlement or it does not become effective, then the Settlement shall be of no further force and effect and each party shall be restored to his, her or its prior position, except that all costs incurred in connection with notifying the Class of the Settlement shall be the obligation of the Fund.

6. If the Court approves the Settlement, the Action will be dismissed on the merits with respect to all defendants and with prejudice against plaintiffs and all members of the Class. The Settlement is intended to be a full compromise, settlement and release of all claims, known or unknown, which have been or which might have been asserted by plaintiffs or any other member of the Class against any of the Released Persons arising now or hereafter from or relating to matters alleged in the Action. Such release and dismissal will bar the institution or prosecution by plaintiffs or any member of the Class of any other action asserting any Released Claim against any of the Released Persons.

ATTORNEYS' FEES

7. At or before the Settlement Hearing, plaintiffs' counsel intend to apply for an award of attorneys' fees and expenses in an amount not to exceed \$290,000. The Fund has agreed to pay the amount the Court awards up to \$290,000. Defendants have agreed they will not object to such an application by plaintiffs' counsel, and plaintiffs' counsel have agreed not to make any other application for fees or disbursements. Defendants retain the right to oppose any other application for fees or disbursements by any other person. The Court may consider the fairness, reasonableness and adequacy of the Settlement independently of any application for an award of attorneys' fees and reimbursement of expenses.

CLASS CERTIFICATION

8. On March 27, 2003, the Court entered an order (the "Scheduling Order") determining preliminarily and solely for purposes of the Settlement, that the Action may be maintained as a class action, with no opt out rights, by plaintiffs as representatives of the Class, and naming the law firm of Rosenthal, Monhait, Gross & Goddess, P.A. as

Delaware Liaison Counsel and naming the law firms of Harnes Keller LLP and Wechsler Harwood LLP as counsel for the Class (together, "Class Counsel"), pursuant to Court of Chancery Rules 23(a), (b)(1) and (b)(2), on behalf of the Class. The Court will consider these issues further at the Settlement Hearing to determine whether the Action should be finally certified as a class action.

RIGHT TO APPEAR AT THE SETTLEMENT HEARING

9. Any Class member who objects to the Settlement, the class action determination, the Order and Final Judgment to be entered, and/or the application for attorneys' fees and expenses, or who otherwise wishes to be heard, may appear in person or by his, her or its attorney at the Settlement Hearing and present any evidence or argument that may be proper and relevant. If you want to do so, however, you must file the following with the Register in Chancery, New Castle County Courthouse, 500 King Street, Wilmington, Delaware 19801 no later than ten days prior to the Settlement Hearing (unless the Court otherwise directs, for good cause shown): (i) a written notice of your intention to appear; (ii) proof of your membership in the Class; (iii) a detailed statement of your objections to any matter before the Court; (iv) the grounds therefor or the reasons why you want to appear and to be heard; and (v) all documents and writings you want the Court to consider. INTERIM INJUNCTION

10. Pending final determination of whether the Stipulation should be approved, the plaintiffs and all members of the Class, and each of them, and any of their respective representatives, trustees, successors, heirs and assigns are barred and enjoined from commencing or prosecuting any action either directly or in any other capacity which asserts Released Claims against any of the Released Persons.
