ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER.

Lock-Up Agreement

The Option Agreement contained a Lock-Up Agreement provision whereby GSCP Recovery, Inc. agreed that from the date of the Option Agreement and until the first business day after the first anniversary of the closing date (July 9, 2003) of the issuance of shares of Common Stock pursuant to the Option Agreement, GSCP Recovery, Inc. will not offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly, any of the Common Stock issued to it pursuant to the Option Agreement, enter into a transaction that would have the same effect, or enter into any short sale, swap, hedge or other arrangement that transfers, in whole or in part, any of the economic consequences of ownership of the Common Stock, whether any such aforementioned transaction is to be settled by delivery of the Common Stock, in cash or otherwise, or publicly disclose the intention to make any such offer, sale, pledge or disposition, or to enter into any such transaction, short sale, swap, hedge or other arrangement, without, in each case, the prior written consent of the Issuer. The restrictions under the Lock-Up Agreement shall terminate automatically in the event that the average closing sales price of the Common Stock on the New York Stock Exchange for five (5) consecutive trading days exceeds \$30.00 per share (as adjusted for stock splits, stock dividends and recapitalizations). The Common Stock owned by GSCP Recovery, Inc. prior to the Issuer's issuance of shares under the Option Agreement, as well as any after-acquired shares, are not subject to the restrictions under the Lock-Up Agreement provision.

Regal Stockholders' Agreement

On March 8, 2002 the Issuer and some of its stockholders, including GSCP Recovery, Inc., entered into an agreement (the "Original Agreement") providing for certain rights and obligations among the stockholders. The agreement was subsequently amended on May 14, 2002 and preserved the registration and piggyback rights under the Original Agreement.

Registration Rights on Secondary Offerings. After the six-month period following the Issuer's initial public offering, The Anschutz Corporation or any Anschutz Affiliate or Oaktree Capital Management, LLC or any Oaktree Affiliate could require the Issuer to register all or a portion of the shares of Common Stock then held or underlying shares of Class B common stock then held by such stockholder, provided that such requests cover the registration of Common Stock with an anticipated aggregate offering price of at least \$25,000,000. Within thirty (30) days after receipt by the

Issuer of such request, the Issuer shall promptly give written notice to all other stockholders party to the Stockholders' Agreement of the proposed demand registration, and such other stockholders shall have the right to join in such proposed registration and sale. The Issuer shall not be required to effect a demand registration if (i) the Issuer receives such request for registration within one hundred twenty (120) days preceding the anticipated effective date of a proposed underwritten public offering of securities of the Issuer approved by the Issuer's board of directors prior to the Issuer's receipt of such request; (ii) within twelve (12) months prior to any such request for registration, a registration of securities of the Issuer has been effected in which the stockholders had the right to participate; or (iii) the board of directors of the Issuer reasonably determines in good faith that effecting such a demand registration at such time would have a material adverse effect upon a proposed sale of all (or substantially all) the assets of the Issuer, or a merger, reorganization, recapitalization, or similar transaction materially affecting the capital structure or equity ownership of the Issuer; provided, however, that the Issuer may only delay a demand registration for a period not exceeding six (6) months (or until such earlier time as such transaction is consummated or no longer proposed).

Piggyback Rights on Original Issuance Offerings. If at any time or times after the effective date of the Stockholders' Agreement the Issuer proposes to make a registered public offering of any of its equity securities (whether to be sold by it or by one or more third parties), other than (a) the Issuer's initial public offering, (b) an offering pursuant to a demand registration described above or (c) an offering registered on Form S-8, Form S-4, or comparable forms, the Issuer shall, not less than ten (10) business days prior to the proposed filing date of the registration form, give written notice of the proposed registration to each stockholder party to the Stockholders' Agreement, and at the written request of any such stockholder delivered to the Issuer within five (5) business days after the receipt of such notice, shall include in such registration and offering, and in any underwriting of such offering, all shares of Common Stock as may have been designated in such stockholder's request.
