SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this Report to be signed on its behalf by the undersigned thereunto duly authorized.

United Bancshares, Inc.

Date: February 2, 2004

By: /s/ Brian D. Young

Brian D. Young

CFO

Exhibit 99.1

On February 2, 2004, United Bancshares, Inc. issued the following press release:

United Bancshares, Inc. (Nasdaq: UBOH news), a bank holding company headquartered in Columbus Grove, Ohio with consolidated assets of \$498 million, today announced 2003 operating results.

For the year ended December 31, 2003, United Bancshares, Inc. reported net income of \$3,691,000 or \$1.01 basic earnings per share. This compares to 2002 net income of \$3,190,000, or \$0.88 basic earnings per share, excluding \$3,807,000, \$1.06 per share, resulting from a change in accounting principle and \$631,000, (\$0.17) per share, resulting from the recapture of a tax bad debt reserve for federal income tax purposes. Compared with the same period in 2002, excluding the impact of the change in accounting principle and recapture of a tax bad debt reserve, 2003 net income increased \$501,000 or 16%. Such increase was the result of increases in net interest income and non-interest income of \$1,462,000 and \$969,000, respectively and decreases in the provision for income taxes and the provision for loan losses of \$10,000 and \$272,000, respectively. These increases were offset by an increase of \$2,211,000 in non-interest expenses.

The increases in net interest income and non-interest expenses are largely due to a growing earning asset base and expanded operations as a result of the Company's purchase of branches located in Pemberville, Gibsonburg and the Otterbein-Portage Valley Retirement Village from RFC Banking Company on March 28, 2003. The increase in non-interest expenses also resulted from additional one-time conversion costs relating to the branch acquisitions and the merger of the Company's three bank charters into one.

Excluding the change in accounting principle and recapture of a tax bad debt reserve, return on average assets was 0.77% for 2003, compared to 0.78% for 2002 and return on average equity was 8.79% for 2003 compared to 8.00% for the same period of 2002.

United Bancshares, Inc. is a locally owned and operated holding company of The Union Bank Company which serves Allen, Putnam, Sandusky, Van Wert and Wood Counties, with office locations in Bowling Green, Columbus Grove, Delphos, Gibsonburg, Kalida, Leipsic, Lima, Ottawa, and Pemberville.

This release may contain certain forward-looking statements that are provided to assist in the understanding of anticipated future financial performance. However, such performance involves risk and uncertainties that may cause actual results to differ materially. Factors that could cause actual results to differ from those discussed in the forward-looking statements include, but are not limited to, the strength of the local economies in which operations are conducted, the effects of and changes in policies and laws of regulatory agencies, inflation, and interest rates. For further discussion of certain factors that may cause such forward-looking statements to differ materially from actual results, refer to the 2002 Form 10-K.
