The Company elected to adopt the standards using the full retrospective method, which requires the Company to recast each prior reporting period presented consistent with the standards.

The updated historical financial statements, and other conforming changes to the Company's Annual Report on Form 10-K, described above and as filed hereto as Exhibit 99.1 to this Current Report on Form 8-K, have been updated solely to include the retrospective adjustments and new footnote disclosure. All other information provided in the Form 10-K, unless otherwise provided in Exhibit 99.1 hereto, remains unchanged, and this Current Report on Form 8-K does not modify or update the remaining disclosures in the Form 10-K in any other way.
