#### Item 7.01 Regulation FD Disclosure.

On August 7, 2013, Spectrum Brands Holdings, Inc. (the “Company” or “Spectrum Brands”) scheduled a conference call with potential lenders for a proposed new debt issuance of approximately \$1.1 billion in term loans, related to a proposed refinancing (the “Refinancing”) of its outstanding 9.50% Senior Secured Notes due 2018 (the “Notes”) pursuant to a cash tender offer announced on August 6, 2013 and disclosed in a Current Report on Form 8-K filed on such date.

In connection with this conference call with potential lenders, the Company is posting on its corporate website ([www.spectrumbrands.com/investor-relations](http://www.spectrumbrands.com/investor-relations)) and filing as Exhibit 99.1 to this Form 8-K a presentation for the potential lenders entitled “Lenders Presentation – August 7, 2013”) containing information about the Company, its recent financial results and outlook for the fourth quarter of fiscal year 2013, ending on September 30, 2013, and for the full fiscal year ending September 30, 2013, and information regarding the proposed debt issuance. The Company stated during the conference call that as of August 7, 2013, management of the Company estimates that the Company has an annualized run rate of approximately \$300 million of free cash flow, which does not include the impact of the proposed Refinancing and \$700 million of adjusted EBITDA. In the conference call, management said that these statements do not constitute guidance for its 2014 fiscal year, are made based on management estimates and projections only as of August 7, 2013, and that guidance for its 2014 fiscal year, if subsequently provided for fiscal 2014, would be determined following the completion of its 2013 fiscal year and disclosed in the Company’s fiscal year-end earnings release in November 2013. The Company has presented the forecasted free cash flow (Table 6) and forecasted adjusted EBITDA (Table 7) for the fiscal year ending September 30, 2013, within the Lenders Presentation furnished as Exhibit 99.1 to this Form 8-K. This information presents the HHI business since the acquisition date of December 17, 2012, and the TLM business since the acquisition date of April 8, 2013.

The Lenders Presentation, in addition to containing results that are determined in accordance with accounting principles generally accepted in the United States of America (“GAAP”), contains certain “non-GAAP financial measures” as that term is defined in the rules and regulations of the Securities and Exchange Commission. The non-GAAP financial measures contained in the Lenders Presentation should not be considered in isolation of, as a substitute for, or superior to, financial information prepared in accordance with GAAP. The Lenders Presentation contains reconciliations of the non-GAAP financial measures disclosed therein to their most comparable GAAP measures.
