- (iii) Liens on any Property existing at the time such Property is acquired by the Company or a Restricted Subsidiary, or Liens to secure the payment of all or any part of the purchase price of such Property upon the acquisition of such Property by the Company or a Restricted Subsidiary or to secure any Indebtedness incurred prior to, at the time of, or within 270 days after, the later of the date of acquisition of such Property and the date such Property is placed in service, for the purpose of financing all or any part of the purchase price thereof, or Liens to secure any Indebtedness incurred for the purpose of financing the cost to the Company or a Restricted Subsidiary of improvements to such acquired Property or to secure any indebtedness incurred for the purpose of financing all or any part of the purchase price or the cost of construction of the Property subject to such Liens;
- (iv) Liens securing any Indebtedness of a Restricted Subsidiary owing to the Company or to another Restricted Subsidiary;

- (vi) any extension, renewal or replacement (or successive extensions, renewals or replacements) in whole or in part of any Lien referred to in the foregoing clauses (i), (ii), (iii), (iv) and (v); provided, however, that such new Lien is limited to the Property which was subject to the prior Lien immediately before such extension, renewal or replacement, and provided, further, that the principal amount of Indebtedness secured by the prior Lien

immediately prior to such extension, renewal or replacement is not increased;

- (vii) any other Liens not otherwise qualifying as a permitted Lien provided that, at the applicable time, the aggregate principal amount of the Indebtedness secured by all such other Liens, when added to the Attributable Debt determined at such time of the then outstanding Unrestricted Sale and Lease-Back Transactions (as defined below) to which the Company or a Restricted Subsidiary is a party, does not exceed 15% of the then applicable Consolidated Net Tangible Assets (as defined below); and
- (viii) any other Liens identified in the Prospectus Supplement relating to the series of Debt Securities issued.

Limitation on Sale and Lease-Back Transactions

- (i) any Sale and Lease-Back Transaction in respect of which the Company or such Restricted Subsidiary would be entitled, in the manner described in **Negative Pledge** above (other than clause (vii)), to incur Indebtedness secured by a Lien on the applicable Principal Property at least equal in amount to the Attributable Debt (as defined below) in respect of such Sale and Lease-Back Transaction without equally and ratably securing the Debt Securities; or
- (ii) any Sale and Lease-Back Transaction that is not otherwise permitted under clause (i) above and in respect of which the Company or such Restricted Subsidiary would be entitled, in the manner described in clause (vii) of **Negative Pledge** above, to incur Indebtedness secured by a Lien on the applicable Principal Property at least equal in amount to the Attributable Debt in respect of such Sale and Lease-Back Transaction without equally and ratably securing the Debt Securities (any Sale and Lease-Back Transaction entered into in compliance with this paragraph being an **Unrestricted Sale and Lease-Back Transaction**"); or
- (iii) any Sale and Lease-Back Transaction if the Company or such Restricted Subsidiary shall apply or cause to be applied, in the case of such sale or transfer for cash, an amount equal to the greater of the fair market value of the Principal Property sold or transferred and leased back pursuant to such Sale and Lease-Back Transaction or the net proceeds of such Sale and Lease-Back Transaction and, in the case of such sale or transfer otherwise than for cash, an amount equal to the fair market value of the Principal Property sold or transferred and leased back pursuant to such Sale and Lease-Back Transaction, to (x) the retirement (other than any mandatory retirement), within 180 days after the effective date of such Sale and Lease-Back Transaction, of Indebtedness of the Company (which may but need not include any Debt Securities) ranking on a parity with, or prior to, such Debt Securities and owing to a Person other than the Company or any Affiliate of the Company, or (y) the purchase, construction or improvement of real property or personal property used by the Company or its Restricted Subsidiaries in the ordinary course of business.

Modification of the Trust Indenture

With certain exceptions, the Trust Indenture, the rights and obligations of the Company and the rights of the holders of a particular series of Debt Securities may be modified by the Company with the consent of the holders of not less than a majority in aggregate principal amount of such series of Debt Securities or a majority in principal amount of such series voted at a duly constituted meeting; but no such modification may be made which would (i) reduce in any manner the amount of, or change the currency of payment of, or delay the time of any payments (whether of principal, premium, interest or otherwise), (ii) change the definition of or the manner of calculating amounts to which any holder is entitled; or (iii) reduce the above-stated percentage of Debt Securities of such series, in each case without the consent of the holder of each Debt Security of such series so affected or the consent of 100% of the principal amount of such the Debt Securities of such series voted at a duly constituted meeting.

Events of Default

The Trust Indenture provides that any one or more of the following events shall constitute an event of default with respect to any series of Debt Securities thereunder: (i) a default in the payment of the principal of (or premium, if any, on) any Debt Securities of such series when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise, or in any obligation to repurchase Debt Securities of such series when required pursuant to the Trust Indenture; (ii) a default in the payment of interest on any Debt Securities of such series when the same becomes due and payable, and such default continues for a period of 30 days; (iii) default in the performance of or breach of any other covenant or agreement of the Company with respect to such series under the Trust Indenture or the Debt Securities and such default or breach continues for a period of 60 days after written notice to the Company by the Trustee or the holders of 25% or more in aggregate principal amount of the outstanding Debt Securities of such series; (iv) if any representation or warranty made by the Company in relation to a series of Debt Securities was incorrect in any material respect when made and if it is capable of being corrected such misrepresentation is not corrected within 60 days after written notice to the Company by the Trustee or the holders of 25% or more in aggregate principal amount of the outstanding Debt Securities of such series (v) any failure to pay when due or within any applicable grace period, any payment of Indebtedness of the Company or a Subsidiary in excess of US\$75 million (or its equivalent in any other currency or currencies), or any default in respect of any Indebtedness of the Company or any Subsidiary having an aggregate principal amount exceeding US\$75 million (or its equivalent in any other currency or currencies) after the expiration of any applicable grace period, if such default has resulted in such Indebtedness in excess of such aggregate principal amount becoming due prior to its stated maturity; (vi) a distress, attachment, execution or other similar legal process for any amount exceeding US\$75 million (or its equivalent in any other currency or currencies) is levied or enforced against any part of the Property of the Company or any Subsidiary and is not paid out, satisfied or withdrawn within 60 days of the date of such levy or enforcement; or (vii) certain events of bankruptcy, insolvency or reorganization of the Company or any Subsidiary. The Company is required to file with the Trustee an annual officers' certificate as to the absence of certain defaults under the Trust Indenture.

The Trust Indenture provides that if an event of default (other than an event of default specified in clause (vii) above in relation to the Company) shall occur and be continuing with respect to a series of Debt Securities issued thereunder, the Trustee may in its discretion and shall upon request of the holders of not less than 25% in principal amount of the outstanding Debt Securities of such series declare the principal of, together with accrued interest on, all Debt Securities of such series to be due and payable. In certain cases, the holders of a majority in aggregate principal amount of such series of Debt Securities or a majority in principal amount of such series voted at a duly constituted meeting may on behalf of the holders of all such Debt Securities waive any past default or event of default and rescind and annul any such declaration and its consequences.

The Trust Indenture further provides that if an event of default specified in clause (vii) in relation to the Company occurs, the principal of and any accrued interest on the Debt Securities then outstanding shall become immediately due and payable; provided however that at any time after an automatic acceleration with respect to the Debt Securities has been made, the holders of a majority in aggregate principal amount of such series of Debt Securities or a majority in principal amount of such series voted at a duly constituted meeting may, under certain circumstances, rescind and annul such acceleration and its consequences.

The Trust Indenture contains a provision entitling the Trustee, subject to its duty during a default to act with the required standard of care, to be indemnified by the holders of Debt Securities of such series before proceeding to exercise any right or power under the Trust Indenture at the request of such holders. The Trust Indenture provides that no holder of Debt Securities of any series may pursue a remedy with respect to the Trust Indenture except in the case of failure of the Trustee to act.

Defeasance

Defeasance of Certain Obligations

If the supplement to the Trust Indenture provides, the Company may elect, with respect to any series of Debt Securities, either to be discharged from its obligations or to be released from its obligations to comply with the terms, provisions or conditions relating to the negative pledge, the restriction on Sale and Lease-Back Transactions, the restrictions on amalgamations described below, any other covenants or any event of default (other than a default in the payment of principal or interest under such series of Debt Securities). Following such election, the Company will be so discharged, provided: (i) the Company has, at least 91 days prior to such discharge becoming effective, irrevocably deposited with the Trustee, as specific security pledged for, and dedicated solely to, the due payment and ultimate satisfaction of all of its obligations under the Trust Indenture with respect to the Debt Securities of the series affected, (a) funds in the currency or currencies in which such Debt Securities are payable, and/or (b) an amount of direct obligations of, or obligations the payment of principal of and interest, if any, on which are fully guaranteed by, the government that

issued the currency or currencies in which Debt Securities of such series are payable, and that are not subject to prepayment, redemption or call, as will together with the predetermined and certain income to accrue thereon without consideration of any reinvestment thereof, be sufficient (in the case of such obligations, through the payment of interest and principal thereunder) to pay (x) the principal of (and premium, if any) and interest on the outstanding Debt Securities of the particular series on their stated due dates or maturity, as the case may be, and (y) any mandatory prepayments on the day on which such prepayments are due and payable; (ii) the Company shall have delivered to the Trustee an opinion of counsel to the effect that the holders of the Debt Securities affected will not recognize income, gain or loss for Canadian federal income tax purposes as a result of such defeasance in respect of the Company's obligations and will be subject to Canadian federal income tax on the same basis as if such defeasance had not occurred; (iii) such deposit will not result in a breach or violation of, or constitute a default under, the Trust Indenture or any other material agreement or instrument to which the Company is a party or by which it is bound; (iv) no event of default with respect to the Debt Securities of such series or event that, with notice or lapse of time, would become such an event of default shall have occurred and be continuing on the date of such deposit; (v) if the Debt Securities affected are listed on any stock exchange or securities exchange, the Company shall have delivered to the Trustee an opinion of counsel to the effect that such deposit and defeasance will not cause such Debt Securities to be delisted; and (vi) the Company shall have delivered to the Trustee an officers' certificate and an opinion of counsel, each stating that all conditions precedent to the defeasance have been satisfied.

Other Defeasance Arrangements

If so described in the Prospectus Supplement related to Debt Securities of a specific series, the Company may enter into certain other arrangements providing for the due payment and ultimate satisfaction of its obligations with respect to such series of Debt Securities by the deposit with the Trustee of funds or obligations of the type referred to under **Defeasance of Certain Obligations**. The Prospectus Supplement will more fully describe the provisions, if any, relating thereto.

Amalgamation, Consolidation, Conveyance, Transfer or Lease

The Trust Indenture provides that the Company will not consolidate, merge or amalgamate with any other Person or effect any conveyance, transfer or lease of its Property substantially as an entirety, unless, in such case: (i) the person formed by such consolidation or amalgamation or with which the Company is merged (or the Person that leases or that acquires by conveyance, sale or transfer the Property of the Company substantially as an entirety) (such corporation or Person being referred to as the **Successor Corporation**) is a corporation organized and validly existing under the laws of Canada or any province thereof; (ii) the Successor Corporation shall expressly, by supplemental indenture, assume and become bound by the obligations of the Company under the terms of the Trust Indenture; (iii) after giving effect to such transaction no default or event of default shall have occurred and be continuing under the Trust Indenture or in respect of the Debt Securities of any series; and (iv) the Successor Corporation delivers to the Trustee an officer's certificate and legal opinion confirming that the foregoing conditions have been met.

Governing Law

DESCRIPTION OF SHARE CAPITAL

General

The following sets forth the terms and provisions of the existing capital of the Company. The particular terms and provisions of the Equity Securities offered by a Prospectus Supplement and the extent to which these general terms and provisions apply will be described in such Prospectus Supplement. The Company is authorized under its Memorandum to issue up to 1,000,000,000 shares of each class of first preferred shares (the First Preferred Shares), second preferred shares (the Second Preferred Shares), non-voting shares (the Non-Voting Shares) or common shares (the Common Shares). Certain of the rights and attributes of each class are described below.

First Preferred Shares

Shares Issuable in Series

The First Preferred Shares may be issued at any time or from time to time in one or more series. Before any shares of a series are issued, the Board of Directors of the Company shall fix the number of shares that will form such series and shall, subject to the limitations set out in the articles of the Company, determine the designation, rights, privileges, restrictions and conditions to be attached to the First Preferred Shares of such series, except that no series shall be granted the right to vote at a general meeting of the shareholders of the Company or the right to be convertible or exchangeable for Common Shares, directly or indirectly.

Priority

The First Preferred Shares of each series shall rank on a parity with the First Preferred Shares of every other series with respect to dividends and return of capital and shall be entitled to a preference over the Second Preferred Shares and the Common Shares and Non-Voting Shares and over any other shares ranking junior to the First Preferred Shares with respect to priority in payment of dividends and in the distribution of assets in the event of liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company among its shareholders for the purpose of winding-up its affairs.

Voting Rights

Except as required by law, holders of the First Preferred Shares as a class shall not be entitled to receive notice of, to attend or to vote at any meeting of the shareholders of the Company, provided that the rights, privileges, restrictions and conditions attached to the First Preferred Shares as a class may be added to, changed or removed only with the approval of the holders of the First Preferred Shares given in such manner as may then be required by law, subject to a minimum requirement that such approval be given by resolution signed by the holders of not less than 75% of the First Preferred Shares then outstanding, or passed by an affirmative vote of at least 75% of the votes cast at a meeting of the holders of the First Preferred Shares duly called for that purpose.

Second Preferred Shares

Shares Issuable in Series

The Second Preferred Shares may be issued at any time or from time to time in one or more series. Before any shares of a series are issued, the Board of Directors of the Company shall fix the number of shares that will form such series and shall, subject to the limitations set out in the articles of the Company, determine the designation, rights, privileges, restrictions and conditions to be attached to the Second Preferred Shares of such series, except that no series shall be granted the right to vote at a general meeting of the shareholders of the Company or the right to be convertible or exchangeable for Common Shares, directly or indirectly.

Priority

The Second Preferred Shares of each series shall rank on a parity with the Second Preferred Shares of every other series with respect to dividends and return of capital and shall, subject to the prior rights of the holders of the First Preferred Shares, be entitled to a preference over the Common Shares and the Non-Voting Shares and over any other shares ranking junior to the Second Preferred Shares with respect to priority in payment of dividends and in the distribution of assets in the event of liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company among its shareholders for the purpose of winding-up its affairs.

Voting Rights

Except as required by law, holders of the Second Preferred Shares as a class shall not be entitled to receive notice of, to attend or to vote at any meeting of the shareholders of the Company, provided that the rights, privileges, restrictions and conditions attached to the Second Preferred Shares as a class may be added to, changed or removed only with the approval of the holders of the Second Preferred Shares given in such manner as may then be required by law, subject to a minimum requirement that such approval be given by resolution signed by the holders of not less than 75% of the Second Preferred Shares then outstanding, or passed by an affirmative vote of at least 75% of the votes cast at a meeting of the holders of the Second Preferred Shares duly called for that purpose.

Common Shares and Non-Voting Shares

Priority

The holders of Common Shares and Non-Voting Shares shall be entitled to participate equally with each other as to dividends and the Company shall pay dividends thereon, as and when declared by the Board of Directors of the Company out of monies properly applicable to the payment of dividends, in amounts per share and at the same time on all such Common Shares and Non-Voting Shares at the time outstanding as the Board of Directors of the Company may from time to time determine. In the event of the liquidation, dissolution or winding-up of the Company or other distribution of assets of the Company among its shareholders for the purpose of winding-up its affairs, all the property and assets of the Company which remain after payment to the holders of any shares ranking in priority to the Common Shares and Non-Voting Shares in respect of payment upon liquidation, dissolution or winding-up of all amounts attributed and properly payable to such holders of such other shares in the event of such liquidation, dissolution or winding-up or distribution, shall be paid and distributed equally, share for share, to the holders of the Common Shares and the Non-Voting Shares, without preference or distinction.

Voting Rights

The holders of the Common Shares shall be entitled to receive notice of and to attend (in person or by proxy) and be heard at all general meetings of the shareholders of the Company (other than separate meetings of the holders of shares of any other class of shares of the Company or any other series of shares of such other class of shares) and to vote at all such general meetings with each holder of Common Shares being entitled to one vote per Common Share held at all such meetings. The holders of Non-Voting Shares shall be entitled to receive notice of and to attend (in person or by proxy) and be heard at all general meetings of the shareholders of the Company (other than at separate meetings of the holders of shares of any other class of shares of the Company or of shares of any other series of shares of any such other class of shares other than the Common Shares) and shall be entitled to receive all notices of meetings, information circulars and other written information from the Company that the holders of Common Shares are entitled to receive from the Company but not to vote at such general meetings, unless otherwise required by law.

Anti-Dilution

Neither the Common Shares nor the Non-Voting Shares shall be subdivided, consolidated, reclassified or otherwise changed unless contemporaneously therewith the other class is subdivided, consolidated, reclassified or otherwise changed in the same proportion and in the same manner.

Non-Voting Share Conversion Rights

In the event an offer is made to purchase Common Shares that (i) must, by reason of applicable securities legislation or the requirements of a stock exchange on which the Common Shares are listed, be made to all or substantially all of the holders of

Common Shares who are in a province of Canada to which the requirement applies, and (ii) is not made concurrently with an offer to purchase Non-Voting Shares that is identical to the offer to purchase Common Shares in terms of price per share and percentage of outstanding shares to be taken up exclusive of shares owned immediately prior to the offer by the Offeror (as defined in the articles of the Company), and in all other material respects, and that has no condition attached thereto other than the right not to take up and pay for shares tendered if no shares are purchased pursuant to the offer for Common Shares, then each outstanding Non-Voting Share shall be convertible into one fully paid and non-assessable Common Share at the option of the holder thereof exercisable during the period commencing on the eighth day after the date on which the offer to purchase Common Shares was made or deemed to be made and expiring on the expiry date of such offer.

If the Canadian Telecommunication Common Carrier Ownership and Control Regulations made pursuant to the *Telecommunications Act* (Canada) (the Telecommunications Regulations) are changed so that there is no restriction on any non-Canadians (as defined in the Telecommunications Regulations) holding Common Shares of the Company, a holder of one or more Non-Voting Shares shall have the right, at his or her option, at any time after the date of change of the Telecommunications Regulations and prior to the closing of business 90 days thereafter (the Regulatory Conversion Period) to convert any one or more of such Non-Voting Shares into Common Shares on a one-for-one basis. If the Telecommunications Regulations are changed so that there is no restriction on any non-Canadians (as defined in the Telecommunications Regulations) holding Common Shares in the Company and following the Regulatory Conversion Period there are Non-Voting Shares still outstanding, all holders of Non-Voting Shares shall be deemed to have exercised their right to convert the Non-Voting Shares held by them into Common Shares upon receipt by all of the holders of written notice by the Company stating that the Company is requiring all holders to convert their Non-Voting Shares to Common Shares on the date specified in such notice.

Common Share Conversion Right

The Company shall provide notice to each holder of Common Shares at least 10 days before the record date in respect of each general meeting of shareholders of the Company at which the holders of the Non-Voting Shares will be entitled to vote as a class. In such event and to the extent that, after taking into account the conversion, the class of persons, each of whom is a non-Canadian as defined in the Telecommunications Regulations (the Constrained Class), would continue to hold no more than the maximum number of Common Shares that may be owned and controlled by persons in the Constrained Class in accordance with the Telecommunications Regulations so that, when added to all other voting shares (as defined in the Telecommunications Regulations) owned or controlled by the Constrained Class, the Company will be and will continue to be a qualified corporation as defined in the Telecommunications Regulations, each outstanding Common Share shall be convertible into one Non-Voting Share on a one-for-one basis.

Ownership and Voting Restrictions

Non-Canadian shareholders shall not beneficially own or control, other than by way of security only, more than 33^{1/3}% (or such other percentage as may then be prescribed by the Telecommunications Regulations as the percentage of voting shares that may be beneficially owned or controlled, other than by Canadians, in order for a corporation to be a qualified corporation as defined in the Telecommunications Regulations, provided that if no such percentage is prescribed the relevant percentage shall be deemed to be 100%) (the Restricted Percentage) of the issued and outstanding Common Shares of the Company (the Non-Canadian Share Constraint). In the event that it appears from the central securities register of the Company that, or in the event of a Directors' determination (as provided for in the articles of the Company) that there is a contravention of the Non-Canadian Share Constraint: (a) the Company may pursuant to a Directors' determination make a public announcement, whether by press release, newspaper advertisements or otherwise, reasonably expected to inform the markets in which voting shares are traded of the contravention; and (b) the Company may refuse to (i) accept any subscription for voting shares from any non-Canadian, (ii) issue any voting shares to any non-Canadian, (iii) register or otherwise recognize the transfer of any voting shares from any Canadian to any non-Canadian, or (iv) purchase or otherwise acquire any voting shares, except as provided in the articles of the Company.

In the event of a Directors' determination that there is a contravention of the Non-Canadian Share Constraint and that to do so would be practicable and would not be unfairly prejudicial to, and would not unfairly disregard the interests of, persons beneficially owning or controlling voting shares who are non-Canadians, the Company shall send a disposition notice to the registered holders of such of those voting shares as shall be chosen on the basis of inverse order of registration of all non-Canadians. The Company may, by Directors' determination, suspend all rights of a shareholder to vote that would otherwise be attached to any voting shares beneficially owned, or controlled, by non-Canadians so that the proportion of the voting shares beneficially owned, or controlled, or considered by the Telecommunications Regulations to be beneficially owned, or controlled, by non-Canadians and with respect to which voting rights are not suspended is reduced to not more than the Restricted Percentage of the total issued and outstanding voting shares of the

Company. Any disposition notice required to be sent to a registered holder of shares pursuant to the foregoing shall, among other things:

(a) specify a date, which shall not be less than 60 days, after the date of the disposition notice, by which the excess voting shares are to be sold or otherwise disposed of or, if the Directors determine it to be in the interest of the Company to permit a conversion, converted into Non-Voting Shares; and (b) state that unless (i) the registered holder either sells or otherwise disposes of or converts the excess voting shares into Non-Voting Shares by the date specified in the disposition notice on a basis that does not result in any contravention of the Non-Canadian Share Constraint and provides to the Company written evidence satisfactory to the Company of such sale, other disposition or conversion, or (ii) provides written evidence satisfactory to the Company that no such sale, other disposition or conversion of excess voting shares is required, such default shall result in the consequence of suspension of voting rights and may result in a consequence of sale or conversion or repurchase or redemption and the disposition notice shall specify in reasonable detail the nature and timing of those consequences.

DESCRIPTION OF SHARE PURCHASE CONTRACTS AND SHARE PURCHASE OR EQUITY UNITS

The Company may issue share purchase contracts, including contracts obligating holders to purchase from the Company, and the Company to sell to the holders, a specified number of Equity Securities, at a future date or dates, or similar contracts issued on a prepaid basis (in each case, Share Purchase Contracts). The price per Equity Security and the number of Equity Securities may be fixed at the time the Share Purchase Contracts are issued or may be determined by reference to a specific formula set forth in the Share Purchase Contracts. The Share Purchase Contracts will require either the share purchase price be paid at the time the Share Purchase Contracts are issued or that payment be made at a specified future date. The Share Purchase Contracts may be issued separately or as part of units consisting of a Share Purchase Contract and Debt Securities or obligations of third parties (including U.S. treasury securities) (the Share Purchase or Equity Units), and may, or may not serve as collateral for a holder's obligations. The Share Purchase Contracts may require holders to secure their obligations thereunder in a specified manner. The Share Purchase Contracts also may require the Company to make periodic payments to the holders of the Share Purchase Contracts or *vice versa*, and such payments may be unsecured or refunded on some basis.

The applicable Prospectus Supplement will describe the terms of the Share Purchase Contracts or Share Purchase or Equity Units. The description in the Prospectus Supplement will not necessarily be complete, and reference will be made to the Share Purchase Contracts, and, if applicable, collateral, depository or custodial arrangements, relating to the Share Purchase Contracts or Share Purchase or Equity Units. Material United States and Canadian federal income tax considerations applicable to the holders of the Share Purchase or Equity Units and the Share Purchase Contracts will also be discussed in the applicable Prospectus Supplement.

DENOMINATIONS, REGISTRATION AND TRANSFER

The Securities will be issued in fully registered form without coupons attached in either global or definitive form and in denominations and integral multiples as set out in the applicable Prospectus Supplement (unless otherwise provided with respect to a particular series of Debt Securities pursuant to the provisions of the Trust Indenture, as supplemented by a supplemental indenture). Other than in the case of book-entry only securities, Securities may be presented for registration of transfer (with the form of transfer endorsed thereon duly executed) in the city specified for such purpose at the office of the registrar or transfer agent designated by the Company for such purpose with respect to any issue of Securities referred to in the Prospectus Supplement. No service charge will be made for any transfer, conversion or exchange of the Securities but the Company may require payment of a sum to cover any transfer tax or other governmental charge payable in connection therewith. Such transfer, conversion or exchange will be effected upon such registrar or transfer agent being satisfied with the documents of title and the identity of the Person making the request. If a Prospectus Supplement refers to any registrar or transfer agent designated by the Company with respect to any issue of Securities, the Company may at any time rescind the designation of any such registrar or transfer agent and appoint another in its place or approve any change in the location through which such registrar or transfer agent acts.

In the case of book-entry only securities, a global certificate or certificates representing the Securities will be held by a designated depository for its participants. The Securities must be purchased or transferred through such participants, which includes securities brokers and dealers, banks and trust companies. The depository will establish and maintain book-entry accounts for its participants acting on behalf of holders of the Securities. The interests of such holders of Securities will be represented by entries in the records maintained by the participants. Holders of Securities issued in book-entry only form will not be entitled to receive a certificate or other instrument evidencing their ownership thereof, except in limited circumstances. Each holder will receive a customer confirmation of purchase from the participants from which the Securities are purchased in accordance with the practices and procedures of that participant.

RISK FACTORS

Prospective investors in the Securities should consider carefully the matters set forth in the section entitled "Risks and Uncertainties" in the AIF incorporated herein by reference. The major risk factors that could affect TELUS include general business and economic conditions in TELUS service territories across Canada and future demand for services; competition in wireline and wireless services, including voice, data and Internet services and within the Canadian telecommunications industry generally; re-emergence from receivership of newly restructured competitors; levels of capital expenditures; success of operational and capital efficiency programs including maintenance of customer service levels; success of integrating acquisitions; network upgrades, billing system conversions, and reliance on legacy systems; implementation of new customer relationship management software; realization of tax savings; the impact of credit rating changes; availability and cost of capital including renewal of credit facilities; financial condition and credit risk of customers affecting collectibility of receivables; ability to maintain an accounts receivable securitization program; adverse regulatory action; attraction and retention of key personnel; collective labour agreement negotiations and outcome of conciliation efforts; future costs of retirement and pension obligations and returns on invested pension assets; technological advances; the final outcome of pending or future litigation; and the effect of environmental, health and safety concerns.

PLAN OF DISTRIBUTION

The Company may sell the Securities to or through underwriters or dealers, and also may sell Securities to one or more other purchasers directly or through agents. Each Prospectus Supplement will set forth the terms of the offering, including the name or names of any underwriters or agents, the purchase price or prices of the Securities and the proceeds to the Company from the sale of the Securities.

The Securities may be sold, from time to time in one or more transactions at a fixed price or prices which may be changed or at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices.

Underwriters, dealers and agents who participate in the distribution of the Securities may be entitled under agreements to be entered into with the Company to indemnification by the Company against certain liabilities, including liabilities under securities legislation, or to contribution with respect to payments which such underwriters, dealers or agents may be required to make in respect thereof. Such underwriters, dealers and agents may be customers of, engage in transactions with, or perform services for, the Company in the ordinary course of business.

In connection with any offering of Securities, the underwriters may over-allot or effect transactions which stabilize or

maintain the market price of the Securities offered at a level above that which might otherwise prevail in the open market. Such transactions, if commenced, may be discontinued at any time.

LEGAL MATTERS

Certain legal matters in connection with any offering hereunder will be passed upon by Blake, Cassels & Graydon LLP, Toronto, Ontario and by Skadden, Arps, Slate, Meagher & Flom LLP, New York, New York for the Company. The partners and associates of such law firms as a group beneficially own, directly or indirectly, less than one percent of the outstanding securities of the Company.

Indemnification

Section 128 of the *Company Act* (British Columbia) as amended, provides, as follows:

- (1) A company, with the approval of the court, may indemnify a person who is a director or former director of the company or is a director or former director of a corporation of which the company is or was a shareholder, and the person's heirs and personal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, actually and reasonably incurred by the person, including an amount paid to settle an action or satisfy a judgment in a civil, criminal or administrative action or proceeding to which the person is made a party because of being or having been a director, including an action brought by the company or corporation, if
 - (a) the person acted honestly and in good faith with a view to the best interests of the corporation of which the person is or was a director, and
 - (b) in the case of a criminal or administrative action or proceeding, the person had reasonable grounds for believing that the person's conduct was lawful.
- (2) The court, on the application of a company, director or a former director, may make an order approving an indemnity under this section, and the court may make any further order it considers appropriate.
- (3) On an application under subsection (2), the court may order notice to be given to any interested person.
- (4) A company may purchase and maintain insurance for the benefit of a person referred to in this section against any liability incurred by the person as a director or officer.
- (5) Subsections (1) to (3) apply to officers or former officers of a company or of a corporation of which the company is or was a shareholder.

Article 19 of the Articles of the Registrant provides as follows:

Indemnity and Protection of Directors, Officers and Employees

19.1 Subject to the provisions of the *Company Act*, the Directors shall cause the Company to indemnify a Director or former Director of the Company and the Directors shall cause the Company to indemnify a director or former director of a corporation of which the Company is or was a shareholder and the heirs and personal representatives of any such person against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, actually and reasonably incurred by him or her or them including an amount paid to settle an action or satisfy a judgment in a civil, criminal or administrative action or proceeding to which he or she is or they are made a party by reason of his or her being or having been a Director of the Company or a director of such corporation, including any action brought by the Company or any such corporation. Each Director of the

Company on being elected or appointed shall be deemed to have contracted with the Company on the terms of the foregoing indemnity.

19.2 Subject to the provisions of the *Company Act*, the Directors shall cause the Company to indemnify any officer, employee or agent of the Company or of a corporation of which the Company is or was a shareholder (notwithstanding that he or she is also a Director) and his or her heirs and personal representatives against all costs, charges and expenses whatsoever incurred by him or her or them and resulting from his or her acting as an officer, employee or agent of the Company or such corporation. In addition the Company shall indemnify the Secretary or an Assistant Secretary of the Company (if he or she shall not be a full time employee of the Company and notwithstanding that he or she is also a Director) and his or her respective heirs and legal representatives against all costs, charges and expenses whatsoever incurred by him or her or them and arising out of the functions assigned to the Secretary by the Company Act or these Articles and each such Secretary and Assistant Secretary shall on being appointed be deemed to have contracted with the Company on the terms of the foregoing indemnity.

19.3 The failure of a Director or officer of the Company to comply with the provisions of the *Company Act* or of the Memorandum or these Articles shall not invalidate any indemnity to which he or she is entitled under this Part.

19.4 The Directors may cause the Company to purchase and maintain insurance for the benefit of any person who is or was serving as a Director, officer, employee or agent of the Company or as a director, officer, employee or agent of any corporation of which the Company is or was a shareholder and his or her heirs or personal representatives against any liability incurred by him or her as such Director, director, officer, employee or agent.

The Company carries liability insurance which provides for officers and directors of the Company and its subsidiaries, subject to a deductible for executive indemnification. The policy does not provide coverage for losses arising from the breach of fiduciary responsibilities under statutory or common law or from violations of, or the enforcement of, pollutant laws and regulations, except for certain defense costs and derivative actions.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is therefore unenforceable.
