[Address 5% ebix Stockholder]

Dear _____:

I am writing to you to seek your assistance on a matter of importance to ebix.com, which I am confident you will agree is also important to you. As I am sure you know, ebix has entered into a Share Exchange and Purchase Agreement with BRiT Insurance Holdings plc providing for BRiT to acquire a 38% equity position in ebix, investing \$7 million in cash in ebix (and transferring a 28% equity position in Insurance Broadcast Systems, Inc., a privately held company in the insurance related electronic education business). The Agreement also contemplates that BRiT and ebix will negotiate an agreement for ebix to furnish e-commerce related services to BRiT for fees; although we have not yet worked out the terms, we regard this as an exciting opportunity that may assist the Company's efforts to return to profitability.

ebix expects to obtain shortly, at the first closing of the BRiT Agreement, \$2.8 million of this important capital infusion, in exchange for approximately 16.4% of ebix's common stock. The second closing, at which ebix would obtain the balance of the BRiT investment, requires stockholder approval, in order to comply with NASDAQ rules and also to amend the ebix charter to authorize sufficient shares to permit the second closing stock issuance to BRiT. That stockholder approval is being sought at the Company's annual meeting on May 30, and thus the second closing will not be able to occur before, at the earliest, the beginning of June. The Company has filed with the Securities and Exchange Commission preliminary proxy material for that meeting, furnishing additional information about the BRiT transaction, and I am enclosing a copy for your convenience.

As we have previously announced, the Company has received notification from NASDAQ that the Company is subject to delisting for failure to comply with the requirement that a listed company satisfy any one of NASDAQ's minimum net tangible assets, market capitalization, or earnings standards. The Company's appeal of the delisting has been set for a May 24 hearing. Although ebix cannot in the near term satisfy either the market capitalization or earnings standards, the second closing will bring ebix into compliance with this NASDAQ rule

by satisfying the net tangible assets standard. Accordingly, we believe it is of substantial importance to be able to demonstrate to NASDAQ at the May 24 hearing

(or even better, in the Company's written submission to NASDAQ which is required by April 30), that the BRiT Agreement (and the related charter amendment) has the support of large ebix stockholders. Such letters from ebix stockholders other than BRiT holding an aggregate of more than 50% of ebix common stock (held by holders other than BRiT), will demonstrate to NASDAQ the Company's ability to obtain the needed stockholder approval at the 2001 Annual Meeting which - we expect - will position us to consummate the second closing and satisfy the net tangible assets requirement.

Accordingly, if you agree with our strong conviction that the BRiT transaction is in the best interests of the Company and its stockholders, we are asking that you furnish us with your letter expressing that view, addressed to The NASDAQ Stock Market. We will deliver your letter of support to NASDAQ. For your convenience, we have enclosed a form of such a letter, which we suggest be printed on your stationery.

We appreciate your consideration of this matter and your assistance, and would be pleased to discuss any questions you may have.

Very truly yours,

Robin Raina
President and Chief Executive Officer
