Edgar Filing: MID AMERICA APARTMENT COMMUNITIES INC - Form 8-K

We have audited the accompanying Historical Summary of Gross Income and Direct Operating Expenses (Historical Summary) of the BRE/MAAC Associates, L.L.C., as described in note 1 for each of the years in the three-year period ended December 31, 2002. This Historical Summary is the responsibility of the Company's management. Our responsibility is to express an opinion on this Historical Summary for BRE/MAAC Associates, L.L.C., (Acquired Entity) based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Historical Summary. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall presentation of the Historical Summary. We believe that our audits provide a reasonable basis for our opinion.

The accompanying Historical Summary for the Acquired Entity was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission as described in note 1 and is not intended to be a complete presentation of the Acquired Entity's revenues and expenses.

In our opinion, the Historical Summary referred to above presents fairly, in all material respects, the gross income and direct operating expenses described in note 1 to the Historical Summary for each of the years in the three-year period ended December 31, 2002, in conformity with accounting principles generally accepted in the United States of America.

(1) Accounting Policies

(a) Description

The accompanying financial statement includes the operations of BRE/MAAC Associates, L.L.C. (Acquired Entity), a Delaware limited liability company that was formed on March 31, 1999, as a joint venture between Blackstone Real Estate Acquisitions, L.L.C. (Blackstone) (66.67% ownership interest) and Mid-America Apartment Communities, L.P. (Mid-America) (33.33% ownership). Blackstone's ownership interest was acquired by Mid-America on August 25, 2003. The Acquired Entity owns and operates 10 apartment communities totaling 2,793 apartment units.

(b) Basis of Presentation

The accompanying Historical Summary is not representative of the actual operations for the periods presented. Certain expenses have been excluded because Mid-America does not anticipate that they will be incurred in future operations of the property. Expenses excluded consist of depreciation and amortization, management fees and other costs not directly related to the future operations of the Acquired Entity. Operating expenses include payroll, utilities, advertising, and other general and administrative costs. Management is not aware of any material factors relating to this Acquired Entity that would cause this Historical Summary not to be indicative of future operating results as related to gross income and direct operating expenses.
