The enclosed Notice of Annual Meeting and Proxy Statement describe the formal business to be transacted at the Annual Meeting. During the Annual Meeting we will also report on the operations of the Company. Directors and officers of the Company, as well as a representative of our independent auditors, will be present to respond to any questions that shareholders may have.

The Annual Meeting is being held so that shareholders may vote upon the election of directors, the ratification of the appointment of independent auditors for the year ending December 31, 2005 and amendment to our Certificate of Incorporation to provide for a staggered board of directors.

The Board of Directors of the Company has determined that approval of the matters to be considered at the Annual Meeting is in the best interests of the Company and its shareholders. For the reasons set forth in the Proxy Statement, the Board of Directors recommends a vote "FOR" the matters to be considered.

On behalf of the Board of Directors, we urge you to sign, date and return the enclosed proxy card in the postage-paid envelope as soon as possible, even if you currently plan to attend the Annual Meeting. This will not prevent you from voting in person, but will assure that your vote is counted if you are unable to attend the Annual Meeting. Your cooperation is appreciated, since a majority of the common stock must be represented at the Annual Meeting, either in person or by proxy, to constitute a quorum for the conduct of business.

ANNUAL MEETING OF SHAREHOLDERS
To be Held on April 28, 2005

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of BCB Bancorp, Inc. (the "Company") to be used at the Annual Meeting of Shareholders of the Company (the "Annual Meeting"), which will be held at The Chandelier Restaurant, 1081 Broadway, Bayonne, New Jersey 07002, on April 28, 2005, at 10:00 a.m., Eastern time, and all adjournments of the Annual Meeting. The accompanying Notice of Annual Meeting of Shareholders and this Proxy Statement are first being mailed to shareholders on or about March 14, 2005.

At the Annual Meeting shareholders will vote on the election of directors of the Company, the ratification of the appointment of independent auditors for the Company for the year ending December 31, 2005, a proposal to amend the Company's Certificate of Incorporation to provide for a staggered board of directors and such other matters as may properly come before the Annual Meeting or any adjournments thereof.

REVOCATION OF PROXIES

Shareholders who execute proxies in the form solicited hereby retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and any adjournments thereof. Proxies solicited on behalf of the Board of Directors of the Company will be voted in accordance with the directions given thereon. Where no instructions are indicated, validly executed proxies will be voted "FOR" the proposals set forth in this Proxy Statement for consideration at the Annual Meeting.

Proxies may be revoked by sending written notice of revocation to the Secretary of the Company at the address of the Company shown above, the submission of a later dated proxy or by voting in person at the Annual Meeting. The presence at the Annual Meeting of any shareholder who had returned a proxy shall not revoke such proxy unless the shareholder delivers his or her ballot in person at the Annual Meeting or delivers a written revocation to the Secretary of the Company prior to the voting of such proxy.

Edgar Filing: BCB BANCORP INC - Form DEF 14A

If your shares of common stock are held in "street name" by a broker, bank or other nominee, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted at the Annual Meeting. If you wish to change your voting instructions after you have returned your voting instructions to your broker, bank or other nominee you must contact your broker, bank or other nominee. If you want to vote your shares of common stock held in street name in person at the Annual Meeting, you will have to get a legal proxy in your name from the broker, bank or other nominee who holds your shares.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Holders of record of the company common stock as of the close of business on March 7, 2005 (the "Record Date") are entitled to one vote for each share then held. As of the Record Date, the Company had 2,993,538 shares of common stock issued and outstanding. The presence in person or by proxy of a majority of the outstanding shares of common stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining that a quorum is present.

Persons and groups who beneficially own in excess of 5% of the common stock are required to file certain reports with the Securities and Exchange Commission ("SEC") regarding such beneficial ownership. The Company is not aware of any person or group who beneficially owned in excess of 5% of the common stock on the Record Date.

In accordance with New Jersey law, a list of shareholders entitled to vote at the Annual Meeting shall be made available at the Annual Meeting.

VOTING PROCEDURES AND METHOD OF COUNTING VOTES

As to the election of directors, the proxy card being provided by the Board of Directors enables a shareholder to vote "FOR" the election of the ten nominees proposed by the Board of Directors, or to "WITHHOLD AUTHORITY" to vote for the nominees being proposed. Under New Jersey law and the Company's Certificate of Incorporation and Bylaws, directors are elected by a plurality of votes cast, without regard to either broker non-votes, or proxies as to which authority to vote for the nominees being proposed is withheld.

As to the ratification of independent auditors of the Company, by checking the appropriate box a shareholder may: (i) vote "FOR" the item; (ii) vote "AGAINST" the item; or (iii) "ABSTAIN" from voting on such item. Under the Company's Certificate of Incorporation and Bylaws, the ratification of these matters shall be determined by a majority of the votes cast, without regard to broker non-votes or proxies marked "ABSTAIN."

As to the amendment of the Company's Certificate of Incorporation by checking the appropriate box a shareholder may (i) vote "FOR" the item, (ii) vote "AGAINST" the item, or (iii) "ABSTAIN" from voting on such item. The amendment to the Certificate of Incorporation must be approved by a majority of the votes cast.

The Board of Directors will designate an independent inspector of elections.

Edgar Filing: BCB BANCORP INC - Form DEF 14A

Regardless of the number of shares of common stock owned, it is important that recordholders of a majority of the shares of the Company's common stock be represented by proxy or present in person at the Annual Meeting. Shareholders are requested to vote by completing the enclosed proxy card and returning it signed and dated in the enclosed postage-paid envelope. Shareholders are urged to indicate their vote in the spaces provided on the proxy card. PROXIES SOLICITED BY THE BOARD OF DIRECTORS OF THE COMPANY WILL BE VOTED IN ACCORDANCE WITH YOUR INSTRUCTIONS GIVEN ON THE PROXY. WHERE NO INSTRUCTIONS ARE INDICATED, SIGNED PROXIES WILL BE VOTED "FOR" EACH OF THE PROPOSALS TO BE CONSIDERED AT THE ANNUAL MEETING.

 PROPOSAL I - ELECTION OF DIRECTORS

The Company's Board of Directors is currently composed of 10 members. Each director nominee has agreed to serve until the Company's next annual meeting of shareholders and until his or her respective successors shall have been elected and qualified. Each nominee of the Board of Directors has consented to being named in this Proxy Statement.

2

The table below sets forth certain information, as of March 7, 2005, regarding the nominees for election to the Board of Directors. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to the nominee) will be voted at the Annual Meeting for the election of the nominees identified below. If a nominee is unable to serve, the shares represented by proxies will be voted for the election of such substitute as the Board of Directors may recommend. At this time, the Board of Directors knows of no reason why any of the nominees might be unable to serve, if elected. Except as indicated herein, there are no arrangements or understandings between the nominee and any other person pursuant to which such nominee was selected.

Board Independence

The Board of Directors has determined that, except as to Messrs. Collins, Coughlin and Mindiak, each member of the Board of Directors is an "independent

Edgar Filing: BCB BANCORP INC - Form DEF 14A

director" within the meaning of the Nasdaq corporate governance listing standards. Messrs. Collins, Coughlin and Mindiak are not considered independent because they are executive officers of the Company.

Meetings and Committees of the Board of Directors

The Company became the parent holding company of the Bank on May 1, 2003. The Company's Board of Directors meets on a monthly basis and may hold additional special meetings. The Company's standing committees include the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee. The Bank's standing committees include an Asset/Liability Management Committee, a Loan Committee, an Investment Committee and a Budget Committee. During the year ended December 31, 2004, our board of directors held twelve regular meetings and two special meetings. No director attended fewer than 75% in the aggregate of the total number of board meetings held and the total number of committee meetings in which he or she served during fiscal 2004.

The Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of Directors Ballance, Lyga and Pellegrini. Each member of the Nominating and Corporate Governance Committee is considered "independent" as defined in the Nasdaq corporate governance listing standards. The Company's Board of Directors has adopted a written charter for the Nominating and Corporate Governance Committee. The full Board of Directors, acting as a nominating committee, met one time during 2004.

The functions of the Nominating and Corporate Governance Committee include the following:

- o to lead the search for individuals qualified to become members of the Board of Directors and to select director nominees to be presented for shareholder approval;
- o to review and monitor compliance with the requirements for board independence;
- o to review the committee structure and make recommendations to the Board of Directors regarding committee membership;
- o to develop and recommend to the Board of Directors for its approval corporate governance guidelines; and
- o to develop and recommend to the Board of Directors for its approval a self-evaluation process for the Board of Directors and its committees.

The Nominating and Corporate Governance Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to the Company's business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining new perspectives. If any member of the Board of Directors does not wish to continue in service, or if the Nominating and Corporate Governance Committee of the Board of Directors decides not to re-nominate a member for re-election, or if the size of the Board of Directors is increased, the Nominating and Corporate Governance Committee would solicit suggestions for director candidates from all board members. In addition, the Nominating and Corporate Governance Committee is authorized by its charter to engage a third party

to assist in the identification of director nominees. The Nominating and Corporate Governance Committee would seek to identify a candidate who at a minimum satisfies the following criteria:

- o has the highest personal and professional ethics and integrity and whose values are compatible with the Company's;
- o has had experiences and achievements that have given them the ability to exercise and develop good business judgment;
- o is willing to devote the necessary time to the work of the Board of Directors and its committees, which includes being available for board and committee meetings;
- o is familiar with the communities in which the Company operates and/or is actively engaged in community activities;
- o is involved in other activities or interests that do not create a conflict with their responsibilities to the Company and its shareholders; and
- o has the capacity and desire to represent the balanced, best interests of the shareholders of the Company as a group, and not primarily a special interest group or constituency.

The Nominating and Corporate Governance Committee will also take into account whether a candidate satisfies the criteria for "independence" under the Nasdaq corporate governance listing standards, and if a nominee is sought for service on the Company's Audit Committee, the financial and accounting expertise of a candidate, including whether an individual qualifies as an audit committee financial expert.

Procedures for the Nomination of Directors by Shareholders

The Board of Directors has adopted procedures for the submission of director nominees by shareholders. If a determination is made that an additional candidate is needed for the Board of Directors, the Nominating and Corporate Governance Committee will consider candidates submitted by the Company's shareholders. Shareholders can submit the names of candidates for director by writing to our Corporate Secretary, at 104-110 Avenue C, Bayonne, New Jersey 07002. The Chairman of the Board must receive a submission not less than 90 days prior to the date of the Company's proxy materials for the preceding year's annual meeting. If the date of the annual meeting is advanced more than 30 days prior to or delayed by more than 30 days after the anniversary of the preceding year's annual meeting, the shareholder's suggestion must be so delivered not later than the close of business on the tenth day following the day on which public announcement of the date of such annual meeting is first made. The submission must include the following information:

- o the name and address of the shareholder as they appear on the Company's books, and number of shares of the Company's common stock that are owned beneficially by such shareholder (if the shareholder is not a holder of record, appropriate evidence of the shareholder's ownership will be required);

The Audit Committee

The Audit Committee consists of directors Hogan, Bielan, Brogan and Pellegrini. Each current member of the Audit Committee is considered "independent" as defined in the Nasdaq corporate governance listing standards and under SEC Rule 10A-3. The duties and responsibilities of the Audit Committee include, among other things:

- o retaining, overseeing and evaluating a firm of independent certified public accountants to audit the annual financial statements;
- o in consultation with the independent auditors and the internal auditor, reviewing the integrity of the Company's financial reporting processes, both internal and external;
- o approving the scope of the audit in advance;

- o consulting with the internal audit staff and reviewing management's administration of the system of internal accounting controls;
- o approving all engagements for audit and non-audit services by the independent auditors; and
- o reviewing the adequacy of the audit committee charter.

The Audit Committee met seven times during 2004. The Company's Board of Directors has adopted a written charter for the Audit Committee. The Audit Committee reports to the Board of Directors on its activities and findings. The Board of Directors believes that Mr. Hogan qualifies as an "audit committee financial expert" as that term is used in the rules and regulations of the SEC.

Audit Committee Report

In accordance with SEC regulations, the Audit Committee has prepared the following report. The Board of Directors has adopted a written charter for the Audit Committee.

As part of its ongoing activities, the Audit Committee has:

with Audit Committees, as amended; and

- o Received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with the independent auditors their independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 to be filed with the SEC. In addition, the Audit Committee approved the appointment of Radics & Co., LLC as independent auditors (and Beard Miller Company LLP, as successor) for the Company for the fiscal year ending December 31, 2005, subject to the ratification of the appointment by the shareholders of the Company.

This report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Audit Committee:
Mark D. Hogan, (Chairman)
Judith Q. Bielan
Joseph Brogan
Dr. August Pellegrini, Jr.

services; legal services unrelated to the audit; actuarial services; and services determined by the Audit Committee to be impermissible. All permissible non-audit services must be pre-approved by the Audit Committee. The authority to approve audit and non-audit services may be delegated by the committee to one or more of its members, provided that any delegated approvals must be reported to the full Audit Committee and all approvals of non-audit services will be disclosed in the Company's periodic reports.

Upon completion of the holding company formation, executive officers, directors and 10% beneficial owners were required to file beneficial ownership reports with the SEC. Compensation Committee Interlocks and Insider Participation. During the fiscal year ended December 31, 2004, the Compensation Committee, which consisted of Robert Ballance, Joseph Brogan, Mark D. Hogan, Joseph Lyga and Alexander Pasiechnik, met three times to review the performance of the executive officers and determine compensation programs and adjustments. Messrs. Mindiak and Coughlin do not participate in the Board of Director's determination of their respective compensation as executive officers.

Report of the Compensation Committee on Executive Compensation. The Compensation Committee evaluates the performance of the Chief Executive Officer and other executive officers, and reviews and approves increases to base compensation as well as the level of bonus, if any, to be awarded. The Compensation Committee also approves any perquisites payable to such officers. In addition, the Compensation Committee determines the budget for salaries for other executive officers, and reviews the report of the Chief Executive Officer regarding the allocation of compensation of such other officers. In determining whether the base salary of the Chief Executive Officer and other executive officers should be increased, the budget for other executive officers and whether to approve the Chief Executive Officer's allocation of such amounts, the Compensation Committee takes into account individual performance and information regarding compensation paid to executives performing similar duties for financial institutions in the Company's market area. The Compensation Committee uses a peer comparison employing at least two published compensation surveys in determining the salary and benefits of the Chief Executive Officer.

While the Compensation Committee does not use strict numerical formulas to determine changes in compensation for the Chief Executive Officer and other executive officers, it weighs a variety of different factors in its deliberations. Factors considered by the Committee in fiscal 2004 included operating performance, general management oversight of the Company, the quality of communication with the Board of Directors, and the productivity of employees. Finally, the Compensation Committee considered the standing of the Company with customers and the community, as evidenced by the level of customer/community complaints and compliments. While each of the quantitative and nonquantitative factors described above was considered by the Compensation Committee, such factors were not assigned a specific weight in evaluating the performance of each of the Company's executive officers. Rather, all factors were considered, and based upon the effectiveness of such officers in addressing each of the factors, as well as the lack of inflation generally, and the range of compensation paid to officers of peer institutions.

This report has been provided by the Compensation Committee: Robert Ballance, Joseph Brogan, Mark D. Hogan, Joseph Lyga and Alexander Pasiechnik.

Evaluation of disclosure controls and procedures

The Company has adopted controls and other procedures which are designed to ensure that information required to be disclosed in this Proxy Statement and other reports filed with the SEC is recorded, processed, summarized and reported within time periods specified by the SEC. Under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, we evaluated the effectiveness of the design and operation of our disclosure controls and procedures as of the end of the fiscal year (the "Evaluation Date"). Based upon that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that, as of the Evaluation Date, our disclosure controls and procedures were effective in timely alerting them to the material information relating to us (or our consolidated subsidiaries) required to be included in this Proxy Statement.

Related Party Transactions

Edgar Filing: BCB BANCORP INC - Form DEF 14A

The Bank leases its 40th Street branch office from a limited liability company owned by all directors other than Mr. Mindiak. Based upon a market rental value appraisal obtained prior to entering into the lease agreement, the Company believes that the terms and conditions of the lease are comparable to terms that would have been available from a third party that was unaffiliated with the Bank. During 2004 total lease payments of \$111,240 were made to the limited liability company. Payments under the lease currently total \$9,270 per month.

11

Other than as described in the preceding paragraph, no directors, executive officers or immediate family members of such individuals have engaged in transactions with the Company involving more than \$60,000 (other than through a loan) during the preceding year. In addition, no directors, executive officers or immediate family members of such individuals were involved in loans from the Company involving more than \$60,000 which were not made in the ordinary course of business and on substantially the same terms and conditions, including interest rate and collateral, as those of comparable transactions prevailing at the time with other persons, and do not include more than the normal risk of collectability or present other unfavorable features.

Section 402 of the Sarbanes-Oxley Act of 2002 generally prohibits an issuer from: (1) extending or maintaining credit; (2) arranging for the extension of credit; or (3) renewing an extension of credit in the form of a personal loan for an officer or director. There are several exceptions to this general prohibition, one of which is applicable to the Company. Sarbanes-Oxley does not apply to loans made by a depository institution that is insured by the Federal Deposit Insurance Corporation and is subject to the insider lending restrictions of the Federal Reserve Act. All loans to the Company's directors and officers are made in conformity with the Federal Reserve Act regulations.

Benefit Plans

2003 Stock Option Plan. The Company's 2003 Stock Option Plan provided for the grant of options to purchase 287,128 shares of common stock, adjusted for stock dividends. Pursuant to the 2003 Stock Option Plan, options to purchase 9,125 shares of Common Stock were each granted to each director in 2004 at an exercise price of \$14.80 per share, the fair market value of the underlying shares on the date of the award (as adjusted for the stock dividend). The term of the options is ten years from the date of grant, and the number of shares subject to awards will be adjusted in the event of any merger, consolidation, reorganization, recapitalization, stock dividend, stock split, combination or exchange of shares or other change in the corporate structure of the Company. The stock options granted vested 20% upon grant and at the annual rate of 20% per year thereafter. To the extent described below, the awards include an equal number of reload options ("Reload Options"), limited stock appreciation rights ("Limited Rights") and dividend equivalent rights ("Dividend Equivalent Rights"). A Limited Right gives the option holder the right, upon a change in control of the Company, to receive the excess of the market value of the shares represented by the Limited Rights on the date exercised over the exercise price. The Limited Rights are subject to the same terms and conditions as the stock options. Payment upon exercise of Limited Rights will be in cash, or in the event of a merger transaction, for shares of the acquiring corporation or its parent, as applicable. Limited Rights have been granted to employees only. The Dividend Equivalent Rights entitle the option holder to receive an amount of cash at the time that certain extraordinary dividends are declared equal to the amount of the extraordinary dividend multiplied by the number of options that the person holds. For these purposes, an extraordinary dividend is defined as any dividend where the rate of dividend exceeds the Company's weighted average

Edgar Filing: BCB BANCORP INC - Form DEF 14A

cost of funds on interest-bearing liabilities for the current and preceding three quarters. The Reload Options entitle the option holder, who has delivered shares that he or she owns as payment of the exercise price for option stock, to a new option to acquire additional shares equal in amount to the shares he or she has delivered. Reload Options may also be granted to replace option shares retained by the employer for payment of the option holder's withholding tax. The option price at which additional shares of stock can be purchased by the option holder through the exercise of a Reload Option is equal to the market value of the previously owned stock at the time it was surrendered. The option period during which the Reload Option may be exercised expires at the same time as that of the original option that the holder has exercised.

The Company currently has no intention of paying cash dividends in the foreseeable future, and may not be permitted to do so by state and Federal regulations and regulatory policy. Payment of cash dividends is conditioned on earnings, financial condition, cash needs, the discretion of the Board of Directors and compliance with state corporate law requirements. Under New Jersey law, the Company is not permitted to declare dividends on its common stock if, after payment of the dividend, the Company would be unable to pay its debts as they become due in the usual course of business, or if its total assets would be less than its total liabilities.

 PROPOSAL II - RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

Edgar Filing: BCB BANCORP INC - Form DEF 14A

The Company's independent auditors for the year ended December 31, 2004 were Radics & Co., LLC ("Radics"). The Audit Committee of the Board of Directors has approved the engagement of Radics to be the Company's auditors for the year ending December 31, 2005, subject to the ratification of the engagement by the Company's shareholders at this Annual Meeting. On February 24, 2005, Radics entered into an agreement to combine with Beard Miller Company LLP ("Beard Miller") effective April 1, 2005. The Audit Committee of the Board of Directors has approved Beard Miller as independent auditors upon completion of the combination described above. Representatives of the independent auditors are expected to attend the Annual Meeting, will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions.

Shareholder ratification of the selection of the independent auditors is not required by the Company's bylaws or otherwise. However, the Board of Directors is submitting the selection of the independent auditors to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify independent auditors selected by the Audit Committee, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such change is in the best interests of the Company and its shareholders.

Fees Paid to Radics

Set forth below is certain information concerning aggregate fees billed for professional services rendered by Radics during 2004 and 2003:

Audit Fees. The aggregate fees billed to the Company by Radics for professional services rendered by Radics for the audit of the Company's annual financial statements, review of the financial statements included in the Company's Quarterly Reports on Form 10-Q and services that are normally provided by Radics in connection with statutory and regulatory filings and engagements was \$47,000 and \$28,750 during the fiscal years ended December 31, 2004 and 2003, respectively.

Audit Related Fees. The aggregate fees billed to the Company by Radics for assurance and related services rendered by Radics that are reasonably related to the performance of the audit of and review of the financial statements and that are not already reported in "--Audit Fees," above, was \$5,500 and \$600 during the fiscal years ended December 31, 2004 and 2003, respectively. These services included a review of the Company's Form 10-K and proxy statement filing for the years ended December 31, 2004 and December 31, 2003.

Tax Fees. The aggregate fees billed to the Company by Radics for professional services rendered by Radics for tax compliance, tax advice and tax planning was \$3,000 and \$3,000 during the fiscal years ended December 31, 2004 and 2003, respectively. These services include but are not limited to the calculation of and preparation of all pertinent federal and state tax forms relative to the Company and its subsidiaries, and the maintenance of all applicable schedules and work papers relative to the same.

16

All Other Fees. There were no fees billed to the Company by Radics that are not described above during the fiscal years ended December 31, 2004 and 2003, respectively.

The Audit Committee has considered whether the provision of non-audit

Edgar Filing: BCB BANCORP INC - Form DEF 14A

services, which relate primarily to costs incurred with the management consulting services rendered, is compatible with maintaining Radics' independence. The Audit Committee concluded that performing such services does not affect Radics' independence in performing its function as auditor of the Company.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chairman when expedition of services is necessary. The independent auditors and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. All of the fees paid in the audit-related, tax and all other categories were approved per the pre-approval policies.

Required Vote and Recommendation of the Board of Directors

In order to ratify the selection of Radics as independent auditors for the 2005 fiscal year, the proposal must receive the affirmative vote of at least a majority of the votes cast at the Annual Meeting, either in person or by proxy.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF RADICS & CO., LLC AS INDEPENDENT AUDITORS

PROPOSAL III - AMENDING ADOPTION OF A STAGGERED BOARD OF DIRECTORS

If this proposal is approved, our Certificate of Incorporation will be amended to divide our Board of Directors into three classes based on their terms of office: Class I, Class II and Class III. Such classes shall be as nearly equal in number of directors as possible. Each director shall serve for a term ending on the third annual meeting of shareholders following the annual meeting at which that director was elected. However, the directors first designated as Class I directors shall serve for a term expiring at the next annual meeting of shareholders following the date of the 2004 Annual Meeting of shareholders, the directors first designated as Class II directors shall serve for a term expiring at the second annual meeting of shareholders following the date of the 2004 Annual Meeting of shareholders, and the director first designated as a Class III director shall serve for a term expiring at the third annual meeting of shareholders following the date of the 2004 Annual Meeting of shareholders. If this proposal is adopted, the directors named herein, if elected, will be classified as follows: Class I: Thomas Coughlin, Joseph Lyga and Alexander Pasiechnik; Class II: Judith Q. Bielan, James E. Collins and Mark D. Hogan; Class III: Robert Ballance, Joseph Brogan, Donald Mindiak and Dr. August Pellegrini, Jr.

Our Board of Directors believe that dividing the directors into three classes is advantageous to us and our shareholders because by providing that directors will serve three-year terms rather than one-year terms the likelihood of continuity and stability in the policies formulated by the Board of Directors will be enhanced. While management has not experienced any problems with continuity in the past, it wishes to ensure that this experience will continue and believes that the staggered election of directors will promote continuity because only one class of directors will be subject to election each year.

Edgar Filing: BCB BANCORP INC - Form DEF 14A

The amendment would significantly extend the time required to make any change in control of our Board of Directors and will tend to discourage any hostile takeover bid for the Company. Presently, a change in control of the Board of Directors can be made by the holders of a majority of our shares of common stock at a single annual

17

meeting. Under the proposed amendment, it will take at least two annual meetings for such shareholders to make a change in control of our Board of Directors, because only a minority of the directors will be elected at each meeting. Staggered terms would guarantee that approximately two-thirds of the directors, or more, at any one time have at least one year's experience as directors of the Company.

One method for a takeover bidder to obtain control is to acquire a majority of the outstanding shares of a company through a tender offer or open market purchases and then using its voting to remove the existing directors. Requiring cause in order to remove a director would defeat this strategy. Potential takeover bidders will therefore be more likely to negotiate with the existing Board regarding a change of control. The Board believes that the adoption of the proposed amendment to our Certificate of Incorporation would properly condition a directors' continued service upon his ability to serve rather than his position relative to a dominant shareholder.

The approval of this proposal would eliminate the right of shareholders to remove directors without cause even if shareholders believe such a change would be desirable. Removing a director where cause is required is more difficult, unless cause is readily apparent. If shareholders cannot remove directors without cause, directors might be less responsive to shareholders.

Shareholders should recognize that this proposal will make more difficult the removal of a director in circumstances which do not constitute a takeover attempt and where, in the opinion of the holders of a majority of our outstanding shares, cause for such removal may exist. Moreover, this proposal may have the effect of delaying an ultimate change in existing management which might be desired by a majority of the shareholders.

The affirmative vote of a majority of the votes cast and eligible to vote will be required to alter, amend, rescind or repeal this provision of our Certificate of Incorporation.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL III.
