## Edgar Filing: DAKTRONICS INC /SD/ - Form 8-K

used in the Form 8-K and other reports filed by the Company with the Securities and Exchange Commission, the words *anticipate*, *believe*, *estimate*, *expect*, *future*, *intend*, *plan* or the negative of these terms and similar expressions as they relate to the Company or the Company's management identify forward looking statements. Such statements reflect the current view of the Company with respect to future events and are subject to risks, uncertainties, assumptions and other factors relating to the Company and its subsidiaries, their industry, their operations and results of operations and any businesses that may be acquired by the Company. These risks include those described in the Company's Annual Report on Form 10-K for fiscal 2006. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned.

### Item 1.01. Entry into a Material Definitive Agreement.

On January 23, 2007, the Company entered into amendments (collectively, the Amendments) to its Loan Agreement and related Revolving Note (collectively, the Credit Facility) with U. S. Bank National Association (the Bank). The Amendments increase the limit on the revolving loan amount available to \$45 million, decrease the interest rate charged under the Credit Facility, increase the amount available for letters of credit, modifies the Adjusted Fixed Charge Coverage ratio by increasing the reserve for maintenance capital expenditures to \$4,000,000 and implement a loan fee of .1% per annum on the average daily unused portion of the Credit Facility. As of January 23, 2007, the amount outstanding under the Credit Facility was approximately \$18,907,000.

As a result of investments the Company has made over the past twelve months, it has determined that additional access to funds was necessary in the short term to finance working capital needs and capital expenditures. The Company expects that these needs will diminish in the future, although these expectations could change.

The foregoing description of the Credit Facility is qualified in its entirety by reference to the Amendments, copies of which are filed as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K and incorporated herein by reference.

### Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant. The disclosure required by this item is included in Item 1.01 and is incorporated herein by reference.

The disclosure required by this item is included in Item 1.01 and is incorporated herein by reference.
