CHANGE IN CONTROL AGREEMENTS

On February 1, 2017, Integra LifeSciences Holdings Corporation (the “Company”) entered into change in control severance agreements (collectively, the “Agreements”) with Glenn G. Coleman, Corporate Vice President and Chief Financial Officer, Robert T. Davis, Jr., Corporate Vice President, President – Orthopedics and Tissue Technologies, Richard D. Gorelick, Corporate Vice President, General Counsel, Administration and Secretary, and Dan Reuvers, Corporate Vice President, President – Specialty Surgical Solutions (each, an “executive”).

Each Agreement provides for the payment of severance and other benefits to the executives in the event of a “qualifying termination,” which means a termination of employment with the Company without “cause” or for by the executive for “good reason,” in either case, on or within two years following a “change in control” of the Company and so long as such Change in Control occurs by January 31, 2018 (each, as defined in the Agreements). In the event of a qualifying termination, the Agreements provide for:

- a lump sum payment equal to 1.5 times (or 2 times for Mr. Coleman) the sum of the executive’s annual base salary and target cash bonus;
 - a lump sum payment equal to a pro rata portion of the executive’s target cash bonus for the partial fiscal year in which the termination occurs;
 - Company-subsidized COBRA premium payments for up to eighteen months following the termination date;
 - Company-paid outplacement services for up to twelve months following the termination date; and
- to the extent the executive has not yet received his short term annual cash bonus for his prior year performance with the Company, the executive shall still receive such short term annual cash bonus for prior year performance at the time non-terminated employees receive such short term annual cash bonus if such payment is due.

The executive’s right to receive the severance payments and benefits described above is subject to his delivery and non-revocation of an effective general release of claims in favor of the Company.

In addition, under the Agreements, to the extent that any change in control payment or benefit would be subject to an excise tax imposed in connection with Section 4999 of the Internal Revenue Code, such payments and/or benefits may be subject to a “best pay cap” reduction to the extent necessary so that the executive receives the greater of the (i) net amount of the change in control payments and benefits reduced such that such payments and benefits will not be subject to the excise tax and (ii) net amount of the change in control payments and benefits without such reduction.

The term of each Agreement expires on January 31, 2018. However, upon the occurrence of a change in control, the term will automatically be extended until the two-year anniversary of the date on which the change in control occurs. In addition, if the executive incurs a qualifying termination during the term of this Agreement, the term automatically will be further extended until each party’s rights and obligations are fully satisfied.

The foregoing description of the Agreements is not complete and is subject to and qualified in its entirety by the terms of the form of Agreement, a copy of which is filed herewith as Exhibit 10.1 and incorporated herein by reference.
