CUSIP NO. 067532101

The following constitutes Amendment No. 4 to the Schedule 13D filed by the undersigned (“Amendment No. 4”). This Amendment No. 4 amends the Schedule 13D as specifically set forth herein.

Item 4. Purpose of Transaction.

Item 4 as set forth in Amendment No. 3 to the Schedule 13D is hereby amended to replace the last two paragraphs as follows:

As previously disclosed in Amendment No. 3 to the Schedule 13D, the Reporting Persons expressed a desire to the Issuer to have an employee of WAM be appointed to the Issuer’s Board of Directors (the “Board”) and/or have the Board take the steps required to be composed of a majority of independent directors. The Reporting Persons have engaged in constructive discussions with the Issuer regarding the addition of director candidates to the Board. The Issuer has communicated to the Reporting Persons that it is open to recommendations of director candidates from WAM as well as other major shareholders. The Issuer has informed the Reporting Persons that it plans to appoint a director with requisite capital markets expertise within 45 days and that it is in the process of interviewing several candidates for this appointment, including a candidate recommended by WAM in lieu of an employee of WAM. In addition, the Issuer has indicated that it will seek to add a second director who has relevant audit experience (such as a CFO, CPA or someone similar). WAM has submitted the names of several CPA/Audit candidates at the Issuer’s request. These appointments, if made, would certainly alleviate some of the concerns expressed by the Reporting Persons, and therefore, for the time being, the Reporting Persons are deemphasizing their desire to have an employee of WAM join the Board, but instead are working with the Issuer to find suitable candidates for the above two appointments.

In light of these developments and the Reporting Persons’ expectation that two director candidates will be appointed to the Board that meet the Reporting Persons’ approval, the Reporting Persons have determined not to nominate an alternate slate of director candidates for election to the Board at the 2016 Annual Meeting of the Issuer.

Although the Issuer has expressed its desire to have an independent Board as soon as possible, it has not committed to such an outcome by the time of its 2016 Annual Meeting. Given that lack of commitment and the overall delay by the Issuer in commencing the process of reconstituting its Board, the Reporting Persons reserve the right to take any actions that they deem appropriate or required in furtherance of seeking shareholder representation on the Board, engaging in discussions with other stockholders of the Issuer regarding the composition of the Board and continuing to engage in discussions with management and the Board with the ultimate goal of having a majority independent Board.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the Issuer’s financial position and investment strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, engaging in communications with management and the Board of the Issuer, engaging in discussions with stockholders of the Issuer and others about the Issuer and the Reporting Persons’ investment, making proposals to the Issuer concerning changes to the capitalization, ownership structure, board structure (including board composition and suggestions in regard to enhancing the composition of the Board) or operations of the Issuer, purchasing additional Shares, selling some or all of their Shares, entering into financial instruments or other agreements that increase or decrease the Reporting Persons’ economic or beneficial exposure with respect to their investment in the Issuer, engaging in short selling of or any hedging or similar transaction with respect to the Shares, including swaps and other derivative

instruments, or changing their intention with respect to any and all matters referred to in Item 4.
