13

CUSIP No. 786449207

Item 4.

Purpose of Transaction.

The Reporting Persons acquired the shares of Common Stock based on the Reporting Persons' belief that the shares of Common Stock, when purchased, were undervalued and represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of shares of Common Stock at prices that would make the purchase or sale of such shares desirable, the Reporting Persons may endeavor to increase or decrease their position in the Issuer through, among other things, the purchase or sale of shares of Common Stock on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

Over the past four years, the Reporting Persons have actively followed the Issuer's performance and engaged in over a dozen discussions with the one or more members of the Issuer's management and Board of Directors (the "Board"). These discussions covered various topics including, but not limited to, management, expenses, capital allocation, the Issuer's strategy, investor relations, and corporate governance.

As a result of these discussions, the Reporting Persons delivered a private letter to the Board on November 3, 2017 advocating that the Issuer take steps to rejuvenate its Board, reduce operating expenses and realign incentives, and improve transparency with its shareholders. Subsequent to their November 3, 2017 letter, the Reporting Persons continued their discussions with the Issuer and met with Robert Rosenthal, the Chairman of the Board, on December 27, 2017 to discuss their concerns. On January 17, 2018, the Issuer issued a press release announcing a change in its strategy and operations. On January 18, 2018, the Reporting Persons had a phone conversation with Mr. Rosenthal, in which the Reporting Persons commended the Board on reevaluating the Issuer's flawed model but that they were disappointed the Issuer failed to refresh its Board with candidates who have the requisite abilities to execute the Issuer's new strategy. In an effort to move discussions forward, the Reporting Persons submitted a confidential list of highly qualified candidates, per Mr. Rosenthal's invitation, for consideration by the Issuer's Nominating and Corporate Governance Committee as potential Board members.

The Reporting Persons believe that each of their recommended candidates has the experience currently lacking on the Board and that if appointed as a director of the Issuer, would help protect shareholder value as well as bring fresh perspective and objectivity into the boardroom to help improve oversight of the Issuer. Importantly, the list of qualified individuals includes proven business leaders with extensive experience in the investment management, private equity and venture capital industries, who are committed to working towards executing the revised strategy, reducing costs, improving governance and transparency, and ultimately creating value for all shareholders of the Issuer.

The Reporting Persons delivered a follow-up letter to the Chairman of the Board on January 29, 2018 reiterating their belief that significant change is required at the Issuer in order to drive shareholder value creation. A copy of the January 29, 2018 letter is filed as Exhibit 99.2 to this Schedule 13D and is incorporated herein by reference.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein.

CUSIP No. 786449207

The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, engaging in additional communications with management and the Board of the Issuer, engaging in discussions with stockholders of the Issuer and others about the Issuer and the Reporting Persons' investment, making proposals to the Issuer concerning changes to the capitalization, ownership structure, board structure (including board composition) or operations of the Issuer, purchasing additional shares of Common Stock, selling some or all of their shares of Common Stock, or changing their intention with respect to any and all matters referred to in Item 4.

Item 5. Interest in Securities of the Issuer.

The percentages used herein are calculated based upon 20,412,398 shares of Common Stock issued and outstanding as of October 24, 2017, as reported in the Quarterly Report on Form 10-Q filed by the Issuer with the SEC on October 26, 2017.
