Addendum to Form 12b-25 dated April 2, 2001

As previously reported, on January 22, 2001 the Registrant filed a petition under chapter 11 of title 11 of the US Code. The Registrant has been engaged in providing substantial data and support to its reorganization efforts, including negotiating the proposed sale of substantially all its assets. It has been unable, without unreasonable expense and effort, to simultaneously compile the information necessary to complete this filing within the prescribed time period. The Registrant intends to complete the filing no later than April 16, 2001.

The Registrant expects to report in its Form 10-K that its fiscal 2000 financial results were affected by several significant factors including: (i) the ongoing conversion of operating subsidiaries into third party licensing entities, with conversions completed for the Benelux and Italy subsidiaries, which led to a decline of approximately 11% in net revenues; (ii) continued aggressive efforts to reduce operating expenses; and (iii) the sale of the Registrant's North Reading, Massachusetts headquarters building for \$15.1 million, the proceeds of which were used to reduce the Registrant's secured debt, resulting in a gain on sale of fixed assets of approximately \$14.9 million on the Registrant's statement of operations. The Registrant is not able to provide a reasonable estimate of other changes in its results of operations for the year because it has not yet finalized its 2000 financial statements.
