IMPORTANT UPDATE

Dear Fellow Shareholder:

We wanted to take this opportunity to update you with regard to your Fund's proposed share repurchase policy. As you may recall, we are asking shareholders to adopt a share repurchase policy that would require the Fund to periodically offer to repurchase at least 5% of its shares on an annual basis in-kind at no less than 98% of net asset value (NAV) (Proposal 3 on the enclosed proxy card).

Board Announces Intention to Offer to Repurchase 20% of the Fund's Shares

As part of our continuing efforts to increase shareholder value, your Board announced today its intention to offer to repurchase 20% of the Fund's outstanding shares at no less than 98% of net asset value during the first twelve months of operation of its proposed in-kind repurchase policy. An in-kind share repurchase offer for 10% of the Fund's outstanding shares would commence as soon as practicable following the approval by shareholders and the Securities and Exchange Commission (SEC) of the Fund's proposed in-kind repurchase policy. The Fund intends to make a second in-kind repurchase offer for an additional 10% of the Fund's outstanding shares six months following the completion of the first repurchase offer under the Fund's proposed in-kind repurchase policy.

Fund Sees Significant Progress with SEC Review

The Fund also is pleased to announce that it has filed with the SEC amendment number 1 to its exemptive application seeking regulatory authority to conduct the in-kind share repurchases that are the subject of the in-kind repurchase

policy. This filing reflects the Fund's understanding that it has responded to comments received from the staff of the SEC and indicates significant progress in the SEC's review and consideration of the application. Although the Fund has received and responded to the comments of the staff of the SEC, the Fund can provide no assurance regarding the SEC's final decision and its timing.

Your Board of Directors unanimously recommends you vote the WHITE Proxy Card FOR Proposals 1, 2 & 3 and AGAINST Proposal 4.

Final Fight Letter-Version 4-draft #6 2/27/2002 Prepared by Morrow & Co., Inc.

You may have recently received proxy material from Laxey Partners Ltd. seeking your vote at next week's annual meeting to elect two new directors and terminate the agreement between the Fund and its investment adviser. We urge you not to return any Gold proxies to Laxey. We believe that Laxey does not represent the interests of all shareholders, and that its agenda poses substantial risk to your Fund and the initiatives your Board is putting in place

Your Board is Taking Action!

On February 26th, your Board announced its intention to offer to repurchase 20% of the Fund's outstanding shares at no less than 98% of net asset value during the first twelve months of operation of its proposed in-kind repurchase policy. While Laxey talks about exploring a plan at some point in the future, your Board is already moving forward with your Fund's in-kind repurchase policy.

Your Board has a plan; Laxey wants to "explore methods."

Laxey wants shareholders to elect two new directors and terminate the agreement between the Fund and its investment adviser. Only then, after months of critical delay, Laxey says that their new directors and new adviser can start the process

to "...explore methods to offer Stockholders at least 98% of NAV..."

Don't Put Your Fund in Jeopardy.

We believe Laxey's proposed agenda poses substantial risk to your Fund and the initiatives your Board has already put in place. Please consider the following:

- o The implementation of the in-kind repurchase policy could be hindered.

We believe that implementation of the in-kind repurchase policy (Proposal 3) could be hindered by the replacement of the current adviser as it would require a new adviser to become conversant with the procedural and regulatory matters unique to the in-kind structure.

- o Your Fund could be forced to operate without an adviser for a period of time.

At this point, there is no logic to Laxey's proposal to terminate the investment advisory agreement. Under Laxey's proposal, the Fund would be required to terminate the investment advisory agreement with the Fund's adviser within 60 days and find a replacement. Given the unique nature of the

Edgar Filing: MEXICO FUND INC - Form DEFA14A

Fund and the short period of time allowed to find a replacement, it is possible that your Fund may not find a qualified replacement. The result is more delay and no benefit. We believe this could put your Fund at risk and shows that Laxey lacks business judgement if it is willing to put your Fund in such a position.

Vote the WHITE Proxy to Support Your Fund

Please Discard any Gold Proxy Sent by Laxey

This is a critical time in your Fund's history. We have taken significant steps to reduce the discount, more completely align the interests of our investment adviser with those of our fellow shareholders, and enhance performance through a new non-diversified structure.

We urge you to support your Board and not allow the Laxey Group to disrupt the new initiatives introduced by your Fund's Board and your investment adviser. We urge you to sign and return the enclosed WHITE proxy card today.

Thank You for Your Support,

Your Board of Directors
