Currently, the Company is not in compliance with Sections 134, 1003(d) and 1101 of the AMEX Company Guide as a result of having not filed the Quarterly Report on Forms 10-Q for the quarters ended December 31, 2005, March 31, 2006 and June 30, 2006 because of the delays in filing its Annual Report on Form 10-K. Additionally, the Company is also not in compliance with Section 1003(a) (i) of the AMEX Company Guide with shareholder's equity of less than \$2,000,000 and losses from continuing operations and/or net losses in two out of its three most recent fiscal years.

In order to maintain its AMEX listing, the Company must submit a plan by October 11, 2006 advising the Exchange of the action it has taken, or will take, that would bring it into compliance with the continued listing standards of Section 1003(a) (i) of the AMEX Company Guide no later than June 11, 2007. Additionally, the AMEX is continuing to review a compliance plan previously submitted by the Company on August 24, 2006 with respect to the actions it has taken, or will take, that will bring it into compliance with Section 134, 1003(d) and 1101 no later than November 30, 2006. At this point, the AMEX has deferred a decision on the August 24, 2006 plan until the they have received the Company's plan to be submitted no later than October 11, 2006.
