Edgar Filing: AMCON DISTRIBUTING CO - Form 8-K

On January 29, 2008, the compensation committee of the board of directors of our company, AMCON Distributing Company, authorized and approved the issuance of a total of 7,500 shares of our company's common stock pursuant to awards of restricted stock granted under the AMCON Distributing Company 2007 Omnibus Incentive Plan. These shares of restricted stock are being issued to five non-employee members of our board of directors in furtherance of the plan's purpose of (i) encouraging non-employee directors of our company and its affiliates to acquire a proprietary and vested interest in the growth and performance of our company, and (ii) assisting in the retention of non-employee directors by providing them with the opportunity to participate in the success and profitability of our company. Each of our five non-employee directors -- Raymond Bentele, Jeremy Hobbs, Stanley Mayer, John Loyack and Timothy Pestotnik received an award of 1,500 shares of restricted stock. The recipients of the shares did not pay or agree to provide any consideration to our company for the shares of restricted stock issued to them.

The shares of restricted stock may not be sold, assigned, or otherwise transferred by any award recipient prior to the vesting date for such shares.

The award recipient will be entitled to exercise all voting rights and to receive all dividends or other distributions with respect to the shares awarded to him. However, any cash dividends payable with respect to unvested shares of restricted stock will be held in escrow by our company and subject to the same conditions regarding vesting as the shares of restricted stock.

The issuance of the shares of restricted stock was made in reliance on the exemption from registration provided by Section 4(2) of the Securities Act of 1933. The issuance was an isolated transaction made without general solicitation or advertising, and the recipients were accredited investors and otherwise were provided with access to material information concerning our company.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

At a meeting of our company's board of directors held on January 29, 2008, our board approved the amendment and restatement of our Bylaws. This amendment and restatement reflects the following amendments:

- Our bylaws were amended to eliminate the concept of the Office of the Chairman, which was comprised of our company's chairman, vice chairman and chief financial officer. Prior to the amendment, our president and our other executive officers reported to the Office of the Chairman. As a result of the amendment, our president, our chief executive officer and our other executive officers will report to our board of directors.

- Our bylaws were amended to provide that at any time in which the offices of our chairman and chief executive officer are held by the same person, our board of directors will appoint one outside independent member of our board to serve as the "lead director." If a lead director is appointed, he or she will be subject to annual election by our board at a meeting of our board held in conjunction with the annual meeting of our company's shareholders, or at such other time as our board may establish. The lead director will have such rights, duties and responsibilities as may be assigned to him or her by our board of directors, including:

- Calling special meetings of our board of directors.
- Calling and presiding at executive sessions of our board of directors at which only outside, independent directors are permitted to be present, along with other persons invited to

attend such sessions by the lead director or a majority of the outside, independent directors.

- Presiding at any special meetings of our board of directors.
- Establishing, creating and approving, in collaboration with our chairman, the agendas, meeting dates, meeting locations and materials for all regular meetings of our board of directors and all special meetings of our board called by our chairman or the lead director.
- Consulting regularly with our chief executive officer regarding appropriate follow-up on items determined by the lead director to be of importance to our board of directors.
- Consulting regularly with our chief executive officer when requested by our board or any director, or otherwise as the lead director deems appropriate, to bring various matters of interest or concern to the attention of our chief executive officer.
- Consulting regularly with our board of directors or any committee of our board when requested by our chief executive officer, or otherwise as the lead director deems appropriate, to bring various matters of interest or concern to their attention.
- Consulting regularly with our chief executive officer on his or her annual and long-term objectives in preparation for discussion and approval by our board of directors, and coordinating the annual performance review of our chief executive officer by the board.
- Consulting with our chief executive officer or his or her designees regarding proposals, reports, budgets, presentations, and other material matters prior to their presentation to our board of directors in sufficient time prior to the board meeting to allow for their meaningful review and consideration.
- Serving as an independent point of contact for any shareholder of our company who seeks to communicate with one or more members of our board of directors without the participation, assistance or cooperation of management.

- Our bylaws were amended to provide that special meetings of our stockholders may be called by the lead director (if one is appointed), in addition to being called by our chairman of the board, a majority in number of our full board of directors or our president.

- Our bylaws were amended to provide that special meetings of our board of directors may be called by the lead director (if one is appointed), in addition to being called by our chairman of the board, our president or any vice president.

- Our bylaws were amended to provide that our chairman will preside at all meetings of our stockholders, at all regular meetings of our board of directors and at all special meetings of our board of directors at which the lead director (if one is appointed) is not present. However, our chairman will not preside at any executive sessions of our board of directors.

- Our bylaws were amended to provide that the lead director may specify any duties to be performed by our corporate secretary, in addition to any duties as may be prescribed by our board of directors, chairman, vice chairman or president.

Edgar Filing: AMCON DISTRIBUTING CO - Form 8-K

The amendment and restatement of our bylaws, which includes the amendments summarized above, became effective on January 29, 2008. A copy of our amended and restated bylaws is attached hereto as exhibit 3.2 and is incorporated herein by reference. The description contained in this report of the amendments made as a part of the amendment and restatement of our bylaws is qualified in its entirety by reference to our amended and restated bylaws.

Following adoption of the amended and restated bylaws, our board of directors elected our chief executive officer, Christopher Atayan, as our chairman. Since the offices of our chairman and chief executive officer are now held by the same person, our board of directors appointed Timothy Pestotnik, an outside independent member of our board, to serve as the lead director.
