FOR IMMEDIATE RELEASE

ICAHN INVESTOR GROUP ANNOUNCES AGREEMENT WITH TIME WARNER

COMPANY TO REPURCHASE \$20 BILLION OF STOCK

COMMITTS TO \$1 BILLION OF COST SAVINGS

NEW YORK, NY, FEBRUARY 17, 2006 - Carl Icahn and his investor group today announced that they have reached an agreement with Time Warner regarding specific actions the company will take to improve its capital, corporate and cost structures.

These actions are key to achieving the Icahn Group's long-stated goal of creating value for all shareholders and have proved again that shareholder activism can be extremely effective.

Time Warner's actions include the following:

- o Time Warner will increase its existing share repurchase program from \$12.5 billion to \$20 billion. The company will commit to maintaining an accelerated pace of repurchases that enables it to repurchase a total of \$15 billion by year end 2006. The remaining \$5 billion will be purchased during 2007
- o Time Warner will implement a \$1 billion company-wide cost-cutting program

Edgar Filing: TIME WARNER INC - Form DFAN14A

- o Management confirmed that a different capital and corporate structure for Time Warner Cable may be appropriate. Management committed to continue to discuss this with the Icahn Group
- o Time Warner will work with the Icahn Group in reviewing the other initiatives proposed in the Lazard Report o Time Warner will appoint two new independent members to its Board of Directors and will consult with the Icahn Group in this process

Furthermore, since the Icahn Group's public, shareholder-activist involvement in Time Warner, the Company has taken several other significant steps to enhance long term value. These include beginning initial strategic initiatives at AOL, the divestiture of Warner Books and the merger of the WB network with the UPN network.

"By agreeing to implement the critical corporate reforms we have supported for several months, Dick Parsons is making great strides toward enhancing shareholder value," said Icahn. "He has also agreed to work with us to identify other initiatives we believe will unlock further value in the company."

Mr. Icahn concluded, "I am pleased by the many initiatives Dick Parsons has agreed to undertake and as a result I do not intend to nominate directors this year. However, I remain committed to the tenets of the Lazard Report and hope to be able to convince Dick, in our future meetings, to accept a number of its recommendations."
