## PROXY STATEMENT

### SOLICITATION OF PROXIES

This Proxy Statement is furnished by the Board of Directors ("the Board") of Franklin Capital Corporation, a Delaware corporation (the "Corporation", or "Franklin"), in connection with the solicitation by the Corporation of proxies for use at the Annual Meeting of Stockholders (the "Meeting") to be held on November 12, 2002, at 11:30 a.m., New York Time, at the offices of Weil, Gotshal and Manges, LLP, 767 Fifth Avenue, 25th Floor, New York, New York 10153. This proxy statement and form of proxy are first being sent to stockholders on or about October 23, 2002.

### RECENT DEVELOPMENTS

On July 1, 2002, Franklin announced that it has exercised its contractual right to terminate the Agreement and Plan of Merger (the "Merger Agreement"), dated as of December 4, 2001, between Franklin and Change Technology Partners, Inc. ("Change"). The Board of Directors of Franklin believes that, because of a change in circumstances at both companies between the time the Merger Agreement was signed and July 1, 2002, it is no longer in the best interests of Franklin and its stockholders to complete the merger. Franklin is currently exploring other opportunities to solidify its financial structure and create value for its stockholders.

On September 30, 2002, Excelsior Radio Networks, Inc. ("Excelsior"), a subsidiary of the Corporation, refinanced \$2.25 million of indebtedness owing to Change pursuant to a note entered into by Excelsior in favor of Change. The refinancing was funded by Sunshine II, LLC ("Sunshine II"), another shareholder of Excelsior, pursuant to a Credit Agreement dated as of September 30, 2002 between Excelsior and Sunshine II. The obligations under the Credit Agreement are guaranteed by Dial Communications Global Media, Inc. ("Dial"), a wholly-owned subsidiary of Excelsior, and secured by all of the accounts receivable and proceeds of accounts receivable of Excelsior and Dial. In connection with the refinancing, Excelsior issued to Sunshine II a warrant for the purchase of 816,551 shares of Excelsior common stock, \$.01 par value, at a strike price of \$1.20 per share. The warrant expires September 30, 2012. In addition, Excelsior issued to the Corporation a warrant for the purchase of 74,232 shares of Excelsior common stock, having the same strike price and expiration date as the warrant referred to above. In connection with the refinancing, Phoenix Enterprises LLC ("Phoenix") and Sunshine II also agreed to extend until October 31, 2002 the maturity of \$750,000 in aggregate principal amount of indebtedness of Excelsior owing to Phoenix and Sunshine II.

In a related transaction, Sunshine II purchased from the Corporation 773,196 shares of the common stock of Excelsior for an aggregate purchase price of \$1,500,000,

pursuant to a stock purchase agreement between Sunshine II and the Corporation. After giving effect to the purchase of the common stock, Sunshine II owns approximately 30.9% and the Corporation owns 59.1% of the issued and outstanding common stock, and voting power, of Excelsior. On a fully diluted basis, after giving effect to the exercise of all of the outstanding warrants, including the warrants referred to above, and the conversion of Sunshine II's outstanding preferred stock of Excelsior into common stock, Sunshine II and the Corporation own a total of approximately 57.0% and 29.3%, respectively, of the common stock of Excelsior. The remaining common stock of Excelsior is owned by Change. In

## Edgar Filing: FRANKLIN CAPITAL CORP - Form DEF 14A

addition, on or before the earlier of November 30, 2002 and the next annual meeting of Excelsior, the Corporation and Sunshine II have agreed, based on the current fully diluted stock ownership, to vote their shares of common stock of Excelsior to cause the election to the board of directors of Excelsior of two designees of the Corporation and five designees of Sunshine II.

### VOTING AND REVOCABILITY OF PROXIES

Stockholders who execute proxies may revoke them at any time before they are voted, by delivering to Mr. Spencer L. Brown, Secretary of the Corporation, at the offices of the Corporation at 450 Park Avenue, 10th Floor, New York, New York, 10022, before the ballot is cast, either an instrument revoking the proxy or a duly executed proxy bearing a later date, or by attending the Meeting and voting in person. A proxy, when executed and not so revoked, will be voted in accordance with the specifications contained therein. If no contrary specification is indicated on the proxy, the shares represented thereby will be voted in favor of (i) the election of the nominees for directors and (ii) the ratification of the appointment of Ernst & Young LLP as the Corporation's independent auditors.

In the event that the persons named as proxies propose one or more adjournments to permit further solicitation with respect to any proposal to be voted upon at the Meeting, any such adjournments would require the affirmative vote of a majority of the shares present in person or by proxy at the session of the Meeting to be adjourned. The proxyholders will vote in favor of such an adjournment with respect to those proxies which instruct them to vote in favor of such proposal (including proxies which have no contrary specification with respect to such proposal), and will vote against such an adjournment with respect to those proxies which instruct them to vote against or abstain from voting with respect to such proposal. No adjournment will be for any period later than December 23, 2002.

Except as stated specifically and except with respect to the election of directors, which is by plurality of votes cast, each of the matters being submitted to stockholder vote pursuant to the Notice of Annual Meeting will be approved if a quorum is present in person or by proxy and a majority of the votes cast on a particular matter are cast in favor of that matter. In tallying the vote, abstentions and broker non-votes will be considered to be shares of Common Stock or Preferred Stock present at the Meeting, but not voting in favor of the election of the nominees (i.e., they will have the same legal affect as a vote "against" the election of the nominees).

2

### EXPENSES OF SOLICITATION OF PROXIES

The solicitation will be made by the Corporation and all expenses will be borne by the Corporation. The solicitation will be conducted by mail, except that in a limited number of instances proxies may be solicited by directors, officers and other employees of the Corporation personally, by telephone or by facsimile. Accompanying this Proxy Statement is a copy of the Corporation's Annual Report. THE CORPORATION WILL FURNISH, WITHOUT CHARGE, ADDITIONAL COPIES OF THE ANNUAL REPORT TO ANY STOCKHOLDER UPON REQUEST IN WRITING ADDRESSED TO "FRANKLIN CAPITAL CORPORATION, 450 PARK AVENUE, NEW YORK, NEW YORK 10022, ATTENTION: STOCKHOLDER RELATIONS" OR BY CALLING COLLECT TO (212) 486-2323.

The Term will automatically renew from year to year thereafter, unless the Corporation notifies Mr. Brown not less than 120 days prior to the end of any Term in writing that the Corporation will not be renewing the Stephen Brown Employment Agreement.

### COMPENSATION PURSUANT TO PLANS

On September 9, 1997, Franklin's stockholders approved two Stock Option Plans: a Stock Incentive Plan ("SIP") to be offered to the Corporation's consultants, officers and employees (including any officer or employee who is also a director of the Corporation) and a Non-Statutory Stock Option Plan ("SOP") to be offered to the Corporation's "outside" directors, i.e., those directors who are not also officers or employees of Franklin. 112,500 shares of the Corporation's Common Stock have been reserved for issuance under these plans, of which 67,500 shares have been reserved for the SIP and 45,000 shares have been reserved for the SOP. Shares subject to options that terminate or expire prior to exercise will be available for future grants under the Plans. Because the issuance of options to "outside" directors is not permitted under the 1940 Act without an exemptive order by the Commission, the issuance of options under the SOP was conditioned upon the granting of such order. The order was granted by the Commission on January 18, 2000. No options were issued during 2001.

### COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

During the year ended December 31, 2001, the Board met on seven occasions and acted by unanimous written consent on one occasion.

The Audit Committee held one meeting during the year ended December 31, 2001. The Audit Committee meets with the Corporation's independent auditors to

## Edgar Filing: FRANKLIN CAPITAL CORP - Form DEF 14A

review the Corporation's financial statements and the adequacy of internal controls and accounting systems. The members of the Audit Committee as of December 31, 2001 were Messrs. Levine (Chairman), Lender and Jonathan Marshall. In connection with Mr. Marshall becoming a partner of Weil, Gotshal & Manges LLP, outside counsel to Franklin, Mr. Marshall resigned from the Board and its committees on April 22, 2002 and will be replaced on the Audit Committee by Mr. Foster upon his election to the Board.

The Executive Committee meets between meetings of the Board. The Executive Committee generally may exercise the authority of the Board and may approve financings not to exceed \$500,000. The Executive Committee did not meet during the year ended December 31, 2001. The members of the Executive Committee as of December 31, 2001 were Messrs. Brown, Levine and Marshall.

The Compensation Committee meets to consider compensation of executive officers of the Corporation. The Compensation Committee did not meet during the year ended December 31, 2001. The members of the Compensation Committee as of

10

December 31, 2001 were Messrs. Marshall (Chairman) and Levine. Mr. Marshall will be replaced on the Compensation Committee by David T. Lender.

Each director attended at least 75% of the aggregate number of meetings of the Board and of Board Committees on which he served. The Board determines and appoints director nominees for election.

### AUDIT COMMITTEE REPORT

The Audit Committee reviewed and discussed with management the Corporation's audited financial statements as of and for the year ended December 31, 2001. The Audit Committee also discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, COMMUNICATION WITH AUDIT COMMITTEES, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee's responsibilities are set forth in the Audit Committee Charter adopted by the Board. A copy of the Audit Committee Charter is attached as Appendix A. Each of the members of the Audit Committee qualifies as an "independent" director under the applicable listing standards of the American Stock Exchange.

The Audit Committee received and reviewed the written disclosures and the letter from the independent accountants required by Independence Standard No. 1, INDEPENDENCE DISCUSSIONS WITH AUDIT COMMITTEES, as amended, by the Independence Standards Board, and have discussed with the accountants the accountants' independence. The Audit Committee considered whether the provisions of non-financial audit services were compatible with Ernst & Young LLP's independence in performing financial audit services.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the financial statements referred to above be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the Commission. The Audit Committee also recommends the selection of Ernst & Young to serve as independent accountants for the year ending 2002.

### BROKERAGE TRANSACTIONS

During the year ended December 31, 2001, the Corporation paid aggregate brokerage commissions of approximately \$43,000.

Brokers are selected by the Board, whose primary considerations are the cost and efficiency of execution of brokerage orders. No person acting on behalf of the

11

Corporation is authorized to pay a brokerage commission to a broker in excess of that which another broker might have charged for effecting the same transaction in recognition of the value of research services provided by the broker.

### INVESTMENT ADVISOR

The Corporation does not engage the services of an investment advisor, principal underwriter or administrator.

### AFFILIATED TRANSACTIONS

On February 1, 2001, the Corporation sold to Avery Communications, Inc. ("Avery") 1,183,938 shares of common stock and 350,000 shares of preferred stock of Avery representing its entire holding in Avery, for \$1,557,617 plus accrued dividends on the preferred stock for a realized gain net of expenses of \$137,759. As part of the sale the Corporation retained the right to receive 1,533,938 shares of Primal Solutions, Inc. ("Primal"), a wholly-owned subsidiary of Avery. On February 13, 2001, Primal announced that Avery had completed a spin-off of Primal and Franklin received 1,533,938 fully registered and marketable shares of Primal. During the year ended December 31, 2001, Franklin sold 1,150,000 shares of Primal for total proceeds of \$53,861, realizing a loss of \$130,139.

On August 28, 2001, Franklin purchased the assets of Winstar Radio Networks, Global Media and Winstar Radio Productions (collectively "WRN"), for a total purchase price of \$6.25 million. Change provided \$2.25 million of senior financing for the deal. Prior to this financing, Franklin had no prior transactions or affiliations with Change. The acquisition was consummated through eCom Capital Inc., subsequently renamed Excelsior Radio Networks, Inc., a then wholly-owned subsidiary of Franklin. Franklin's total investment was \$2.5 million consisting of \$1.5 million in cash and a \$1 million note payable to WRN. The note by its terms became due February 28, 2002 with interest at 3.54% and has a right of set-off against certain representations and warranties made by WRN. In October 2001, a legal proceeding (described in detail below) was filed against WRN, which also named Franklin as a defendant, in which the representations and warranties made by WRN have been challenged. Until the time that this action is settled the due date of the note is extended indefinitely. Additionally, Franklin loaned \$150,000 to Excelsior pursuant to a Note. The note bore interest at 10% per annum and is issued for a ninety-day rolling period. In connection with this note, Franklin was granted warrants to acquire 12,879 shares of Excelsior common stock at an exercise price of \$1.125 per share. As of December 31, 2001, \$75,000 of this note had been repaid. The balance of the note was repaid in full on February 28, 2002. In connection with the then proposed

## Edgar Filing: FRANKLIN CAPITAL CORP - Form DEF 14A

merger between Franklin and Change, Change purchased from Franklin 250,000 shares of common stock of Excelsior for \$250,000.

On October 15, 2001, Jeffrey A. Leve and Jeffrey Leve Family Partnership, L.P. filed a lawsuit against Franklin, Sunshine Wireless, LLC ("Sunshine") and four other defendants affiliated with Winstar Communications, Inc. in the Superior Court of the

12

State of California for the County of Los Angeles. The lawsuit, which has subsequently been removed to the United States District Court for the Central District of California, alleges that the Winstar defendants conspired to commit fraud and breached their fiduciary duty to the plaintiffs in connection with the acquisition of the plaintiffs' radio production and distribution business. The complaint further alleges that Franklin and Sunshine joined the alleged conspiracy. The business was initially acquired by certain entities affiliated with Winstar Communications and, subsequently, the assets of such business were sold to Franklin and Sunshine. Concurrently with such purchase, Franklin transferred such assets to Excelsior. The plaintiffs seek recovery of damages in excess of \$10,000,000, costs and attorneys' fees. On January 7, 2002, Franklin filed a motion to dismiss the lawsuit or, in the alternative, to transfer venue to the United States District Court of the Southern District of New York. The plaintiffs filed a motion opposing Franklin's request on January 28, 2002. Franklin's motion for dismissal was granted on February 25, 2002, due to improper venue. On June 7, 2002, the plaintiffs filed their complaint to the United States District Court of the Southern District of New York. On July 12, 2002, Franklin filed a motion to dismiss the complaint. Franklin believes that plaintiffs' claims are without merit and intends to defend this lawsuit vigorously, though the outcome cannot be predicted at this time. An unfavorable outcome in this lawsuit may have a material adverse effect on Franklin's business, financial condition and results of operations.

In connection with the closing of the asset acquisition from WRN, Franklin entered into a services agreement with Excelsior whereby Franklin agreed to provide Excelsior with certain services through December 31, 2003. In consideration for the services provided, for a period of six months Franklin will receive \$30,000 per month and be reimbursed for all direct expenses. Subsequently, Franklin's monthly fee will be determined by a majority of the non-Franklin directors but will be no less than \$15,000 per month. Franklin will continue to be reimbursed for all direct expenses. Finally, the agreement provides that Franklin's chief financial officer will serve in that capacity for Excelsior and his salary and benefits will be allocated between Excelsior and Franklin on an 80/20 basis. During the year ended December 31, 2001, Franklin earned \$120,000 in management fees and was reimbursed by Excelsior \$40,156 for salary and benefits for Franklin's chief financial officer, which was recorded as a reduction of expenses on Franklin.

During the year ended December 31, 2000, the Corporation invested \$140,000 in Excom Ventures, LLC. ("Excom"). Excom was formed as a holding company for the purpose of investing in Expert Commerce, Inc., a Business-to-Business purchase evaluation engine that simulates the way people make decisions. At December 31, 2001, the Corporation determined that this investment has no value and has marked these securities down to reflect that determination.

RECOMMENDATION OF THE BOARD OF DIRECTORS

## Edgar Filing: FRANKLIN CAPITAL CORP - Form DEF 14A

The Board recommends that stockholders vote "FOR" the persons named herein to serve as directors until the next Annual Meeting of Stockholders and until their

13

respective successors have been duly elected and have qualified. Under Delaware law, directors are elected by a plurality of the votes of the shares present in person or represented by proxy and entitled to vote in the election of directors.

All nominees have consented to stand for election and to serve if elected. If any nominee should be unable to serve in such position, an event not presently anticipated, the proxies voted for such a person, if any, as shall be designated by the Board to replace any such nominee, unless the Board reduces the number of directors constituting the whole Board.

In the absence of contrary instructions, the Corporation intends to vote all proxies "FOR" the election of the nominees listed above as Directors of the Corporation. In tallying the vote, abstentions and broker non-votes will be considered to be shares of Common Stock or Preferred Stock present at the Meeting, but not voting in favor of the election of the nominees (i.e., they will have the same legal affect as a vote "against" the election of the nominees).

### SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the 1934 Act requires the Corporation's executive officers and directors, and persons who beneficially own more than 10% of the Common Stock, to file initial statements of beneficial ownership (Form 3), and statements of changes in beneficial ownership (Form 4 or 5), of securities of the Corporation with the Commission and the American Stock Exchange. Executive officers, directors and greater than 10% stockholders also are required to furnish the Corporation with copies of all forms that they file pursuant to Section 16(a).

To the Corporation's knowledge, based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no additional forms were required for those persons, the Corporation believes that its executive officers, directors and greater than 10% beneficial owners complied with the Section 16(a) filing requirements applicable to them during 2001.

### OTHER MATTERS

The Board of Directors does not know of any other matters that may properly be brought, and which are likely to be brought, before the Meeting. However, should other matters be properly brought before the Meeting, the persons named on the enclosed proxy or their substitutes will vote in accordance with their best judgment on such matters.

## Edgar Filing: FRANKLIN CAPITAL CORP - Form DEF 14A

This charter governs the operations of the audit committee (the "Committee") of the Board of Directors of Franklin Capital Corporation (the "Corporation"). The Committee shall review and reassess the charter at least annually and obtain the approval of the board of directors. The Committee shall be appointed by the board of directors and shall comprise at least three directors, each of whom are independent of management and the Corporation. Members of the Committee shall be considered independent if they have no relationship that may interfere with the exercise of their independence from management and the Corporation. All Committee members shall be financially literate, or shall become financially literate within a reasonable period of time after appointment to the Committee, and at least one member shall have accounting or related financial management expertise.

### STATEMENT OF POLICY

The audit Committee shall provide assistance to the board of directors in fulfilling their oversight responsibility to the shareholders, potential shareholders, the investment community, and others relating to the Corporation's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of the Corporation's financial statements, and the legal compliance and ethics programs as established by management and the board. In so doing, it is the responsibility of the Committee to maintain free and open communication between the Committee, independent auditors, the internal auditors and management of the Corporation. In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Corporation and the power to retain outside counsel, or other experts for this purpose.

### RESPONSIBILITIES AND PROCESSES

The primary responsibility of the Committee is to oversee the Corporation's financial reporting process on behalf of the board and report the results of their activities to the board. Management is responsible for preparing the Corporation's financial statements, and the independent auditors are responsible for auditing those financial statements. The Committee in carrying out its responsibilities believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The Committee should take the appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices, and ethical behavior.

16

The following shall be the principal recurring processes of the Committee in carrying out its oversight responsibilities. The processes are set forth as a guide with the understanding that the Committee may supplement them as appropriate.

- o The Committee shall have a clear understanding with management and the independent auditors that the independent auditors are ultimately accountable to the board and the Committee, as representatives of the Corporation's shareholders. The Committee shall have the ultimate authority and responsibility to evaluate and, where appropriate, recommend the replacement of the independent auditors. The Committee shall discuss with the auditors their independence from management and the Corporation and the matters included in the written disclosures required by the Independence Standards Board. Annually, the Committee

## Edgar Filing: FRANKLIN CAPITAL CORP - Form DEF 14A

shall review and recommend to the board the selection of the Corporation's independent auditors, subject to shareholders' approval.

- o The Committee shall discuss with the internal auditors and the independent auditors the overall scope and plans for their respective audits including the adequacy of staffing and compensation. Also, the Committee shall discuss with management, the internal auditors, and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Corporation's system to monitor and manage business risk, and legal and ethical compliance programs. Further, the Committee shall meet separately with the internal auditors and the independent auditors, with and without management present, to discuss the results of their examinations.
- o The Committee shall review the interim financial statements with management and the independent auditors prior to the filing of the Corporation's Quarterly Report on Form 10-Q. Also, the Committee shall discuss the results of the quarterly review and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards. The chair of the Committee may represent the entire Committee for the purposes of this review.
- o The Committee shall review with management and the independent auditors the financial statements to be included in the Corporation's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the Committee shall discuss the results of the annual audit and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards.
