Nicholas-Applegate Convertible & Income Fund Schedule of Investments

November 30, 2007 (unaudited)

Notes to Schedule of Investments:

- * Portfolio securities and other financial instruments for which market quotations are readily available are stated at market value. Portfolio securities that are not readily available or if a development/event occurs that may significantly impact the value of a security, are fair-valued, in good faith by persons acting at their discretion pursuant to guidelines established by the Board of Trustees. The Fund's investments are valued at market quotations, or by using the last sale price on the exchange that is the primary market for such securities, or the mean between the bid and ask market is the primary market or for listed securities in which there were no sales. Independent pricing services use information provided relating to investments or securities with similar characteristics. Short-term securities maturing in 60 days or less are valued at an amortizing their value on the 61st day prior to maturity, if the original term to maturity exceeded 60 days. The prices used by the Fund for securities were sold. The Fund's net asset value is normally determined as of the close of regular trading (normally, 4:00 p.m. Eastern Standard Time, open for business).
- (a) 144A Security-security exempt from registration under Rule 144A of the Securities Act of 1933. These securities may be resold in the future to buyers. Unless otherwise indicated, these securities are not considered to be illiquid.
- (b) Private Placement. Restricted as to resale and may not have a readily available market. Securities with an aggregate market value of less than \$100,000.
- (c) Credit-linked trust certificate.
- (d) Variable rate security. Interest rate disclosed reflects the rate in effect on November 30, 2007.
- (e) Securities exchangeable or convertible into securities of an entity different than the issuer. Such entity is identified in the parentheses.
