**COMBINED PROXY STATEMENT  
Joint Annual Meeting of Stockholders  
April 29, 2010**

---

This Combined Proxy Statement, which also is available at [www.LazardNet.com](http://www.LazardNet.com), is furnished in connection with the solicitation of proxies on behalf of the Board of Directors (the Boards and each, the Board ) of each of Lazard World Dividend & Income Fund, Inc. ( LOR ) and Lazard Global Total Return and Income Fund, Inc. ( LGI and together with LOR, each, the Fund ), each a Maryland corporation, for use at the Joint Annual Meeting of Stockholders (the Annual Meeting ) to be held at 30 Rockefeller Plaza, 58th Floor, Conference Room 58B, New York, New York 10112, on Thursday, April 29, 2010, at 3:00 p.m., and at any and all adjournments thereof, for the purposes set forth in the accompanying Notice of Joint Annual Meeting dated March 31, 2010. Each Fund is a closed-end investment company registered under the Investment Company Act of 1940, as amended (the 1940 Act ).

*Although each Fund is a separate investment company that holds an annual meeting of stockholders, the Funds Proxy Statements have been combined into this Combined Proxy Statement to reduce expenses to the Funds of soliciting proxies for the Annual Meeting.*

Each Board has fixed the close of business on March 26, 2010 as the record date (the Record Date ) for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, 6,880,183 shares of LOR s Common Stock and 9,605,237 shares of LGI s Common Stock were issued and outstanding. This Combined Proxy Statement and the accompanying Notice of Joint Annual Meeting and forms of proxy were sent to stockholders on or about April 5, 2010. Stockholders are entitled to one vote for each Fund share held and fractional votes for each fractional Fund share held. Stockholders can vote only on matters affecting the Fund(s) in which they hold shares. Because the proposals in the Notice of Joint Annual Meeting are separate for each Fund, it is essential that stockholders who own shares in both Funds vote by internet, telephone or mail in accordance with the instructions on the enclosed proxy card(s), with respect to each proxy card they receive.

If the accompanying form of proxy card is properly executed and returned in time to be voted at the Annual Meeting, the shares covered thereby will be voted in accordance with the instructions marked thereon. Executed and returned proxies that are unmarked will be voted FOR the proposals and in the discretion of the persons named as proxies in connection with any other matter which may properly come before the Annual Meeting or any adjournment thereof. The Boards do not know of any matters to be considered at the Annual Meeting other than the matters described in the Notice of Joint Annual Meeting and this Combined Proxy Statement. A stockholder may revoke his or her proxy by appearing at the Annual Meeting and voting in person, or by giving written notice of such revocation to the Secretary of the Funds or by returning a later-dated proxy before the Annual Meeting.

## Edgar Filing: LAZARD GLOBAL TOTAL RETURN & INCOME FUND INC - Form DEF 14A

The presence at the Annual Meeting, in person or by proxy, of a majority of the votes entitled to be cast for a Fund shall be necessary and sufficient to constitute a quorum for the transaction of business (a Quorum) for that Fund's Annual Meeting. If a Quorum is not present at the Annual Meeting, or if a Quorum is present but sufficient votes to approve a proposal are not received, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit further solicitation of proxies. In determining whether to adjourn the Annual Meeting, the following factors may be considered: the percentage of votes actually cast, the percentage of favorable votes cast and the nature of any further solicitation. Any adjournment will require the affirmative vote of a majority of those shares that are represented at the Annual Meeting in person or by proxy. Shares represented by properly executed proxies with respect to which a vote is withheld, or for which a broker does not vote, will be treated as shares that are present and entitled to vote for purposes of determining a Quorum, but will not constitute a vote for a proposal.

In addition to soliciting proxies by mail, the Funds' officers or employees of the Funds' investment adviser may solicit proxies by telephone or in person. The costs of proxy solicitation and expenses incurred in connection with preparing this Combined Proxy Statement and its enclosures will be paid for by the Funds.

1 The address of each Director is Lazard Asset Management LLC, 30 Rockefeller Plaza, New York, New York 10112-6300.

2 For the Nominees, the term stated assumes election by stockholders at this Annual Meeting.

3 Each Director also serves as a Director of The Lazard Funds, Inc. ( LFI ) and Lazard Retirement Series, Inc. ( LRS ), open-end registered management investment companies (collectively with the Funds, comprised of 19 investment portfolios, the Lazard Funds ). All of the Independent Directors, except Mr. Lieberman, are also board members of Lazard Alternative Strategies Fund, L.L.C., a privately-offered fund registered under the 1940 Act and advised by an affiliate of LAM.

4 Messrs. Bhutani and Carroll are interested persons (as defined in the 1940 Act) of the Funds ( Interested Directors ) because of their positions with LAM.

Additional information about each Director follows (supplementing the information provided in the chart above), which describes some of the specific experiences, qualifications, attributes or skills that each Director possesses which the Boards believe has prepared them to be effective Directors. The Boards believe that the significance of each Director s experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of Board effectiveness. However, the Boards believe that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; each Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a Director s educational background; business, professional training or practice (e.g., accounting or law), public service or academic positions; experience from service as a board member (including the Boards of the Funds) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. The charter for the Boards Nominating Committees contains certain other factors considered by the Committees in identifying potential Director nominees. To assist them in evaluating matters under federal and state law, the Independent Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with LAM; Fund and independent legal counsel to the Independent Directors has significant experience advising funds and fund board members. The Boards and their committees have the ability to engage other experts as appropriate. The Boards evaluate their performance on an annual basis.

**Boards Oversight Role; Board Composition and Structure**

The Boards' role in management of the Funds is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Funds, primarily LAM and its affiliates, have responsibility for the day-to-day management of the Funds, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of their oversight, the Boards, or their committees or delegates, interact with and receive reports from senior personnel of service providers, including senior investment personnel of LAM, the Funds and LAM's Chief Compliance Officer and portfolio management personnel with responsibility for management of the Funds. The Boards' Audit Committees (which consist of all of the Independent Directors) meet during their scheduled meetings with, and between meetings have access to, the Funds' independent registered public accounting firm and the Funds' Treasurer. The Boards also receive periodic presentations from senior personnel of LAM or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas such as trading and brokerage allocation and execution, investment research and internal audit. The Boards also receive reports from counsel regarding regulatory compliance and governance matters. The Boards have adopted policies and procedures designed to address certain risks to the Funds. In addition, LAM and other service providers to the Funds have adopted a variety of policies, procedures and controls designed to address particular risks to the Funds. However, it is not possible to eliminate all of the risks applicable to the Funds. The Boards' oversight role does not make the Boards a guarantor of the Funds' investments or activities.

The 1940 Act requires that at least 40% of a Fund's Directors be Independent Directors and as such are not affiliated with LAM. To rely on certain exemptive rules under the 1940 Act, a majority of a Fund's Directors must be Independent Directors, and for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the 1940 Act or the rules thereunder require the approval of a majority of the Independent Directors. Currently, 75% of each Fund's Directors are Independent Directors. The Boards do not have a Chairman, but the Independent Directors have designated a lead Independent Director who chairs meetings or executive sessions of the Independent Directors, reviews and comments on Board meeting agendas and facilitates communication among the Independent Directors, their counsel and management. The Boards have determined that their leadership structure, in which the Independent Directors have designated a lead Independent Director to function as described above, is appropriate in light of the services that LAM and its affiliates provide to the Funds and potential conflicts of interest that could arise from these relationships.

#### **Board Meetings; Committees of the Boards of Directors**

During the fiscal year ended December 31, 2009, the Boards of LGI and LOR each met seven times. The Board of each Fund has two committees, the Audit Committee and the Nominating Committee. Neither Fund has a standing Compensation Committee for the Board. During the fiscal year ended December 31, 2009, each Director attended at least 75% of the aggregate of all of the meetings of the Board of each Fund and 75% of the meetings held by a committee of the Board of each Fund on which he or she served. Although Directors are not required to attend stockholder meetings, Directors are available to participate at the request of stockholders. Mr. Carroll attended the 2009 annual meeting.

The function of each Audit Committee is to (1) have direct responsibility for the appointment, compensation, retention and oversight of the Fund's independent registered public accounting firm ( independent auditors ), (2) oversee the Fund's accounting and financial reporting processes and the audits of the Fund's financial statements, and (3) assist Board oversight of (i) the integrity of the Fund's financial statements, (ii) the Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting, internal control over financial reporting and independent audits, and (iii) the qualifications, independence and performance of the Fund's independent auditors. The Audit Committee of each Fund currently is comprised of all of the Independent Directors. The Audit Committee members of each Fund are also independent under the listing standards of the New York Stock Exchange. Each Audit Committee met four times during the fiscal year ended December 31, 2009. The Audit Committee Charter for the Funds is available at [http://www.lazardnet.com/lam/us/funds/pdfs/Audit\\_Committee\\_Charter.pdf](http://www.lazardnet.com/lam/us/funds/pdfs/Audit_Committee_Charter.pdf).

Each Board's Nominating Committee is currently comprised of all of the Independent Directors, and its function is to select and nominate candidates for election to the Fund's Board. The Nominating Committee of LOR and LGI each met once during the fiscal year ended December 31, 2009. Each Nominating Committee is solely responsible for the selection of nominees to the Fund's Board, and the Nominating Committee will consider recommendations for nominees from stockholders sent to the Secretary of the Fund, 30 Rockefeller Plaza, New York, New York 10112-6300. Nominations may be submitted only by a stockholder or

group of stockholders of a Fund (referred to in either case as a Nominating Stockholder ) that, individually or as a group, has beneficially owned the lesser of (a) 1% of the relevant Fund's outstanding shares or (b) \$500,000 of the Fund's shares (calculated at market value) for at least one year prior to the date the Nominating Stockholder submits a candidate for nomination, and not more than one Director nomination may be submitted by a Nominating Stockholder each calendar year.

In evaluating potential nominees, including any nominees recommended by stockholders, each Nominating Committee takes into consideration the factors listed in the Nominating Committee Charter, including character and integrity and the considerations discussed above. Although the Nominating Committees do not have a formal policy with regard to consideration of diversity in identifying potential nominees, the Committees may consider whether a potential nominee's professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Boards membership and collective attributes. Such considerations will vary based on the Boards' existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations. A nomination submission must include all information relating to the recommended nominee that is required to be disclosed in solicitations or proxy statements for the election of Directors, as well as information sufficient to evaluate the factors listed above. Nomination submissions must be accompanied by a written consent of the individual to stand for election if nominated by the Board and to serve if elected by the stockholders, and such additional information must be provided regarding the recommended nominee as reasonably requested by the Nominating Committee. A nomination submission must be received not less than 120 calendar days before the date of the Fund's proxy statement released to stockholders in connection with the previous year's annual meeting. The Nominating Committee Charter for the Funds is not available on the Funds' or LAM's website, but is attached as Appendix A to this Combined Proxy Statement.

#### **Remuneration of Directors and Officers**

The officers of the Funds and the Interested Directors receive no direct remuneration from the Funds. The Independent Directors are compensated for their services to the Lazard Funds at the rate of \$60,000 annually, plus \$4,000 per Board meeting attended in person or \$1,500 per Board meeting attended by telephone, and are reimbursed for actual out-of-pocket expenses relating to attendance at such meetings. To each Fund s knowledge, all of its officers and Directors complied with all filing requirements under Section 16(a) of the Securities and Exchange Act of 1934, as amended (the 1934 Act ), during the fiscal year ended December 31, 2009. To each Fund s knowledge, there were no beneficial holders of more than 10% of its Common Stock subject to the filing requirements under the 1934 Act during the fiscal year ended December 31, 2009. In making this disclosure, each Fund has relied solely on representations of its current Directors and officers and on copies of reports that have been filed with the SEC.

### Required Vote

A plurality of the votes cast at a meeting at which a Quorum is present shall be sufficient to elect Directors for each Fund.

**THE BOARD OF DIRECTORS OF EACH FUND, INCLUDING ALL OF  
THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT  
THE STOCKHOLDERS VOTE FOR EACH NOMINEE FOR DIRECTOR.**

**Selection of Independent Registered Public Accounting Firm**

The 1940 Act requires that each Fund's independent auditors be selected by a majority of the Independent Directors of the Fund. One of the purposes of each Fund's Audit Committee is to recommend to the Fund's Board the selection, retention or termination of the independent auditors for the Fund. At a joint meeting held on March 2, 2010, each Fund's Audit Committee recommended and each Fund's Board, including a majority of the Independent Directors, approved the selection of Deloitte & Touche LLP (Deloitte) as each Fund's independent auditors for the fiscal year ending December 31, 2010. Deloitte also served as the Funds' independent auditors for each Fund's fiscal year ended December 31, 2009. A representative of Deloitte will not be present at the Annual Meeting, but will be available by telephone and will have an opportunity to make a statement (if the representative so desires) and to respond to appropriate questions.

After reviewing each Fund's audited financial statements for the fiscal year ended December 31, 2009, each Fund's Audit Committee recommended to the Fund's Board that such statements be included in the Fund's Annual Report to stockholders. A copy of the Audit Committees' joint report for the Funds is attached as Appendix B to this Combined Proxy Statement.

*Audit Fees.* The aggregate fees billed for each of the last two fiscal years for professional services rendered by Deloitte for the audit of LOR's and LGI's annual financial statements, or services that are normally provided by Deloitte in connection with the statutory and regulatory filings or engagements, in each of 2008 and 2009 were \$60,000 for each Fund.

*Audit-Related Fees.* There were no fees billed in each of the last two fiscal years by Deloitte to either LOR or LGI for assurance and related services that are reasonably related to the performance of the audits of either Funds' financial statements, which are not reported above.

*Tax Fees.* The aggregate fees billed for each of the last two fiscal years for professional services rendered by Deloitte for tax compliance, tax advice and tax planning (Tax Services) in 2008 were \$6,375 for each Fund and in 2009 were \$6,562.50 for each Fund. For each Fund, these Tax Services consisted of (i) review or preparation of U.S. federal, state, local and excise tax returns; and (ii) U.S. federal, state and local tax planning, advice and assistance regarding statutory, regulatory or administrative developments.

*All Other Fees.* There were no fees billed to the Funds in each of the last two fiscal years for products and services provided by Deloitte, other than the services reported above.

*Non-Audit Fees.* The aggregate non-audit fees billed by Deloitte for services rendered to each Fund and rendered to LAM or any entity controlling, controlled by or under common control with LAM that provides ongoing services to the Funds (Service Affiliates) in 2008 were \$1,054,841 with respect to each Fund and in 2009 were \$863,611 and \$863,606 with respect to LOR and LGI, respectively.

*Audit Committee Pre-Approval Policies and Procedures.* Each Fund's Audit Committee pre-approves Deloitte's engagements for audit and non-audit services to the Fund and, as required, non-audit services to Service Affiliates on a case-by-case basis. Pre-approval considerations include whether the proposed services are compatible with maintaining Deloitte's independence. There were no services provided by Deloitte to either Fund or Service Affiliates that were approved pursuant to paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X during the last two fiscal years of the Funds.

## Edgar Filing: LAZARD GLOBAL TOTAL RETURN & INCOME FUND INC - Form DEF 14A

There were no fees billed by Deloitte to Service Affiliates for the fiscal years ended December 31, 2008 and December 31, 2009 that required pre-approval by the Funds' Audit Committees. The Funds' Audit Committees have considered whether the provision of non-audit services rendered to Service Affiliates that did not require pre-approval by the Audit Committees is compatible with maintaining Deloitte's independence.

By Order of the Boards of Directors

*Nathan A. Paul*

New York, New York  
March 31, 2010

**APPENDIX A**

**NOMINATING COMMITTEE CHARTER AND PROCEDURES**

**Lazard Global Total Return and Income Fund, Inc.  
Lazard World Dividend & Income Fund, Inc.**

**ORGANIZATION**

The Nominating Committee (the Committee) of each Fund shall be composed solely of Directors (Directors) who are not interested persons of the Fund as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the 1940 Act) (Independent Directors). The Board of Directors of the Fund (the Board) shall select the members of the Committee and shall designate the Chairperson of the Committee.

**RESPONSIBILITIES**

The Committee shall select and nominate persons for election or appointment by the Board as Directors of the Fund.

**EVALUATION OF POTENTIAL NOMINEES**

The Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. In evaluating potential Director nominees (including any nominees recommended by stockholders as provided below) in light of this standard, and to address certain legal and other requirements and considerations associated with composition of the Board, the Committee shall consider, among other factors it may deem relevant:

the character and integrity of the person;

whether or not the person is qualified under applicable laws and regulations to serve as a Director of the Fund;

whether or not the person has any relationships that might impair his or her service on the Board;

whether nomination of the person would be consistent with Fund policy and applicable laws and regulations regarding the number and percentage of Independent Directors on the Board;

whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related fund complexes;

whether or not the person is willing to serve and is willing and able to commit the time necessary for the performance of the duties and responsibilities of a Director of the Fund; and

the educational background; business, professional training or practice (*e.g.*, accounting or law), public service or academic positions; experience from service as a board member (including the Board) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences.

In addition, the Committee may consider whether a potential nominee's professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations.

#### **SOURCES FOR IDENTIFICATION OF NOMINEES**

In identifying potential nominees for the Board, the Committee may consider candidates recommended by one or more of the following sources: (1) the Fund's current Directors, (2) the Fund's officers, (3) the Fund's stockholders (see below) and (4) any other source the Committee deems to be appropriate. The Committee may, but is not required to, retain a third party search firm, at the Fund's expense, to identify potential candidates.

#### **SUBMISSION OF NOMINATIONS**

While the Committee is solely responsible for the selection and nomination of Directors, the Committee may consider nominees recommended by Fund stockholders. The Committee will consider recommendations for nominees from stockholders sent to the Secretary of the Fund, 30 Rockefeller Plaza, New York, New York 10112-6300. The following procedures must be followed to submit Director nominations.

1. Nominations must be submitted in writing.
2. Nominations may be submitted only by a stockholder or group of stockholders (referred to in either case as a Nominating Stockholder) that, individually or as a group, has beneficially owned the lesser of (a) 1% of the Fund's outstanding shares or (b) \$500,000 (at market value) of the Fund's shares for at least one year prior to the date the Nominating Stockholder submits a candidate for nomination, and not more than one Director nomination may be submitted by a Nominating Stockholder each calendar year.
3. A nomination submission must be received at the address above not less than 120 calendar days before the date of the Fund's proxy statement released to stockholders in connection with the previous year's annual meeting. If an annual meeting of stockholders was not held in the previous year, the nomination submission must be received by December 31 of the year preceding the meeting.
4. The nomination submission must include the following information:

the Nominating Stockholder's name as it appears on the Fund's books and the class and number of shares of the Fund owned of record and beneficially by the Nominating Stockholder;

whether the Nominating Stockholder believes that the candidate is an interested person (as defined in the 1940 Act) of the Fund and, if believed not to be an interested person, information regarding the candidate that will be sufficient for the Fund to make such determination;

all information relating to the nominee that is required to be disclosed in solicitations or proxy statements for the election of Directors;

information sufficient to evaluate the factors listed above under Evaluation of Potential Nominees ;

a written consent of the nominee to stand for election if nominated by the Board and to serve if elected by the stockholders; and

such other information as may be reasonably requested by the Committee.

**NOMINATIONS OF DIRECTORS**

After a determination by the Committee that a person should be selected and nominated as a Director of the Fund, the Committee shall present its recommendation to the full Board for its consideration.

**REVIEW OF CHARTER AND PROCEDURES**

The Committee shall review the charter and procedures from time to time, as it considers appropriate.

As Revised: March 2, 2010

**APPENDIX B**

**JOINT REPORT OF THE AUDIT COMMITTEES**

The Audit Committee of the Board of Directors of each Fund oversees the Fund's accounting and financial reporting processes and the audits of the Fund's financial statements. Each Committee operates pursuant to an Audit Committee Charter. As set forth in the Charter, management of each Fund is responsible for the preparation, presentation and integrity of the Fund's financial statements, the Fund's accounting and financial and reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations.

In the performance of its oversight function, each Committee has considered and discussed the December 31, 2009 audited financial statements of the relevant Fund with management and with Deloitte & Touche LLP ( "Deloitte" ), each Fund's independent registered public accounting firm. The Committee has also discussed with Deloitte the matters required to be discussed by the PCAOB Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence*, as currently in effect. The Committee reviewed with Deloitte, who is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgment as to the quality, not just the acceptability, of each Fund's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. Finally, each Committee has reviewed the written disclosures and the letter from Deloitte required by Independence Standards Board Standard No. 1, *Independence Discussions With Audit Committees*, as currently in effect and has discussed with Deloitte the independence of the independent registered public accounting firm.

Each Committee discussed with Deloitte the overall scope and plans for the audit. The Committees met with Deloitte, with and without management present, to discuss the results of its examinations, its evaluations of each Fund's internal controls, and the overall quality of the Fund's financial reporting. Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to below and in the Charter, each Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in each Fund's Annual Report to Stockholders for the fiscal year ended December 31, 2009 and filed with the Securities and Exchange Commission.

Stockholders are reminded, however, that the Members of the Committees rely without independent verification on the information provided to them and on the representations made by management and Deloitte. Accordingly, each Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Committees' considerations and discussions referred to above do not assure that the audit of each Fund's financial statements has been carried out in accordance with generally

Edgar Filing: LAZARD GLOBAL TOTAL RETURN & INCOME FUND INC - Form DEF 14A

accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that Deloitte is, in fact, independent.
