In response to a request for a comment from the company, Ms. Susan Cartwright, Vice President of Corporate Communications of International Game Technology, provided the following statement to Mr. Howard Stutz of the *Las Vegas Review-Journal* on February 25, 2013, excerpts of which were published in an article by Mr. Stutz later that day.

The full text of the statement is set forth below.

“At IGT, we welcome and seek to maintain an open dialogue with all shareholders, and it is in that spirit that we have had over 35 exchanges with the Ader / Mathewson Group over the last seven months. While we typically do not comment on individual conversations with shareholders, consistent with the Company’s focus on value creation, the IGT Board of Directors and management team are always receptive to constructive suggestions.”
