PROPOSAL TO ELECT SEVEN INDIVIDUALS TO THE BOARD OF DIRECTORS

(PROPOSAL NO. 1)

NOMINEES

The Board has fixed at seven the number of directors that will constitute the Board for the ensuing year. Each director elected at the annual meeting will serve for a term expiring at the 2005 Annual Meeting of Shareholders, or until his successor has been duly elected and qualified. Wendell R. Beard, Richard E. Gathright, Richard N. Hamlin, Larry S. Mulkey, C. Rodney O'Connor, Robert S. Picow and W. Greg Ryberg, each of whom is an incumbent director, have been nominated to be elected at the annual meeting by the holders of Common Stock and proxies will be voted for such persons absent contrary instructions.

Our Board has no reason to believe that any nominee will refuse to act or be unable to accept election; however, in the event that a nominee for a directorship is unable to accept election or if any other unforeseen contingencies should arise, it is intended that proxies will be voted for the remaining nominees and for such other person as may be designated by the Board, unless it is directed by a proxy to do otherwise.

Each of the nominees for election as a director is a current member of our Board. Mr. O'Connor has served as a director since 1999, Messrs. Beard, Gathright, Picow and Ryberg have served as directors since 2001, Mr. Mulkey has served as a director since 2002, and Mr. Hamlin has served as a director since 2003.

INDEPENDENCE

The Board of Directors has determined, after considering all of the relevant facts and circumstances, that each of Messrs. Beard, Hamlin, Mulkey, Ryberg, and Picow is independent from our management, as an "independent director" as defined under the Nasdaq Marketplace Rules. This means that none of those directors (1) is an officer or employee of the Company or its subsidiary or (2) has any direct or indirect relationship with the Company that would interfere with the exercise of his independent judgment in carrying out the responsibilities of a director. As a result, the Company has a majority of independent directors as required by the Nasdaq Marketplace Rules.

CODE OF BUSINESS CONDUCT

The Company has adopted a Code of Business Conduct that applies to all of the Company's employees, including its senior financial officer and chief executive officer, which complies with the requirements of the Sarbanes-Oxley Act of 2002 and Nasdaq Marketplace Rules. Accordingly, the Code is designed to deter wrongdoing, and to promote, among other things, honest and ethical conduct, full, timely, accurate and clear public disclosures, compliance with all applicable laws, rules and regulations, the prompt internal reporting of violations of the Code, and accountability. A copy of the Company's Code of Business Conduct is attached to this proxy statement as Appendix A.

EMPLOYMENT CONTRACTS

The Company entered into a three-year employment agreement with Stanley H. Streicher on November 7, 2000, pursuant to which Mr. Streicher formerly served as Chairman of the Board of Directors and performed other functions requested by the Company. As amended, the agreement provided for an annual salary \$270,000. By agreement dated April 1, 2002, the Company, Mr. Streicher and a company wholly owned by Mr. Streicher, Supreme Oil Company, agreed that the net proceeds of any sale of his and Supreme's shares of the Company's Common Stock would be used to repay approximately \$680,000 which he and Supreme owed to the Company. On or about June 13, 2002, Supreme sold 613,000 shares of the stock for net proceeds of approximately \$680,000, but declined to pay approximately \$200,000 of the net proceeds to the Company. As a result, beginning July 2002, the Company suspended further payments of salary to Mr. Streicher under his employment agreement because of the unpaid note receivable. As of December 31, 2003, the Company had set off all the remaining outstanding balance due. Additionally, Mr. Streicher's employment contract expired on October 31, 2003 and was not extended or renewed.

The Company entered into an employment agreement with Richard E. Gathright on October 26, 2000 pursuant to which Mr. Gathright serves as President and Chief Executive Officer of the Company. The agreement has a term of three years, commencing on October 26, 2000, provides for an annual base salary of \$300,000, participation, with other members of management, in a bonus program, whereby up to 10% of the Company's pretax profits will be set aside for bonus payments, and the grant of 500,000 options to purchase shares of the Company's Common Stock at a price of \$1.50 per share. The agreement further provides that it may be terminated by the Company at any time and for any reason. If the agreement is terminated by the Company without cause, Mr. Gathright shall be due the greater of all base salary payable through the remaining term of the agreement or eighteen months base salary. If the agreement is terminated for cause, as defined, Mr. Gathright will not be entitled to the severance payments specified. On September 13, 2004, the Company and Mr. Gathright extended the term of the agreement until October 31, 2005.

The Company has also entered into written employment agreements with certain other Company officers. The agreements vary in length of terms up to one year and automatically renew for successive periods unless notice of termination is given by the Company prior to a renewal period.

This Committee is responsible for identifying individuals qualified to become directors of the Company, recommending to the Board director candidates to fill vacancies of the Board and to stand for election by the shareholders at the annual meeting of the Company, periodically assessing the performance of the Board, periodically reviewing and assessing the Company's Code of Business Conduct, and reviewing and recommending to the Board appropriate corporate governance policies and procedures for the Company. The Board will, as a matter of policy, give consideration to nominees recommended by shareholders. A shareholder who wishes to recommend a nominee should direct his or her recommendation in writing to the Company's Board of Directors at the Company's address. Shareholder recommendations will be evaluated under the same criteria as Board recommendations. There were no nominee recommendations provided by shareholders for consideration for inclusion in this year's proxy statement.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is established pursuant to our Bylaws and the Audit Committee Charter adopted by the Board of Directors on March 1, 2001, and as amended May 14, 2003. A copy of the Audit Committee Charter, as amended May 14, 2003, was attached to the Company's 2003 Proxy Statement as Appendix A.

Management is responsible for our internal controls and the financial reporting process. Our independent auditors are responsible for performing the independent audit of our consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and for issuing a report thereon. The Audit Committee is comprised of three non-management directors and its responsibility is generally to monitor and oversee the processes described in the Audit Committee Charter.

As of the date hereof, each member of the Audit Committee is independent in the judgment of our Board and as required by the listing standards of the Nasdaq. The Company has determined that Richard N. Hamlin is a "financial expert" as defined by the SEC's rules promulgated under Section 407 of the Sarbanes-Oxley Act of 2002.

With respect to the fiscal year ended June 30, 2004, in addition to its other work, the Audit Committee:

- o Reviewed and discussed with the Company's management and the independent auditors the quarterly reports for the periods ended September 30, 2003, December 31, 2003 and March 31, 2004; and reviewed and discussed the audited consolidated financial statements for the fiscal year ended June 30, 2004.
- o Discussed with the independent auditors the matters required to be discussed by generally accepted auditing standards; and
- o Received from the independent auditors written affirmation of their independence required by Independence Standards Board Standard No. 1 and discussed with the auditors the firm's independence. The independent auditors also met with the Audit Committee without any members of management being present.

Edgar Filing: STREICHER MOBILE FUELING INC - Form DEF 14A

The Audit Committee selected our independent accountants, KPMG LLP, for the year ended June 30, 2004.

Based upon the Audit Committee members' review of the audited consolidated financial statements for the year ended June 30, 2004 as prepared by management and audited by KPMG LLP and the discussions with management and the auditors referenced above, the Committee recommended to the Board of Directors that those audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended June 30, 2004 for filing with the Securities and Exchange Commission.

Richard N. Hamlin, Larry S. Mulkey and W. Greg Ryberg

While the Audit Committee has not established formal policies and procedures concerning pre-approval of audit or non-audit services, the Company's executive officers have been informed that all audit and non-audit services must be approved in advance by the Audit Committee. The establishment of any such formal policies or procedures in the future is subject to the approval of the Audit Committee.

REPORT OF THE COMPENSATION COMMITTEE

The Company's executive compensation program is administered by the Compensation Committee of the Board of Directors, which is composed of Messrs. Beard, Mulkey and Picow. As of the date hereof, each member of the Compensation Committee is independent in the judgment of our Board and as required by the listing standards of the Nasdaq. The Committee's general philosophy with respect to compensation of the Company's executive officers has been to offer competitive compensation designed to attract and retain key executives critical to the long-term success of the Company and to recognize an individual's contribution and personal performance. The principal component of executive compensation has been base salary. Executive officers may also be granted stock options and bonuses.

BASE SALARIES. Base salaries are initially determined by evaluating the responsibilities of the position held and by reference to the competitive marketplace for executive talent through review of an individual's background and overall expertise in the Company's line of business and the salaries of similarly situated executives. The Company believes that it is competitive with respect to initial base salaries. Increases to base salaries are also influenced by the performance of the Company and the individual against established goals and objectives.

STOCK OPTIONS. The Company's 1996 and 2000 Stock Option Plans provide such an incentive through the award of stock options to executive officers and other key employees, although there are currently no shares available for grant under the 1996 Plan. The Stock Option Plans are administered by the Compensation Committee. During the fiscal year ended June 30, 2004, no options were granted to the Company's executive officers.

ANNUAL BONUS. The Company maintains an annual incentive bonus program which provides for the payment of cash bonuses to executive officers and other key employees of the Company based upon the Company's financial performance and individual performance. No bonuses were awarded to the Company's Chief Executive Officer or other executive officers during the fiscal year ended June 30, 2004.

EMPLOYMENT AGREEMENTS.

Beginning July 2002, the Company suspended further payments of salary to Stanley H. Streicher, the Company's former chairman, under his November 7, 2000, employment agreement because of an unpaid note receivable. As of December 31, 2003, the Company had set off all the remaining outstanding balance due. Additionally, his employment agreement expired on October 31, 2003 and was not extended or renewed.

In October 2000, the Company entered into an employment agreement with Richard E. Gathright, the Company's President and Chief Executive Officer. The Company has entered into employment agreements with other executive officers which automatically renew for successive periods unless notice of termination is given by the Company prior to a renewal period and which provide for severance payments of up to six months upon a termination without cause. On September 13, 2004, the Committee voted to extend Mr. Gathright's employment agreement, which would have expired on October 25, 2004, for another year without changing any of the other terms, so that it now expires on October 31, 2005.

Wendell R. Beard, Larry S. Mulkey and Robert S. Picow

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Beard, Mulkey and Picow, all members of the Company's Compensation Committee, loaned the Company money in exchange for unsecured subordinated promissory notes and common stock purchase warrants to purchase shares of the Company's Common Stock on May 20, 2003. The notes were repaid in May 2004. See "Certain Relationships and Related Transactions" below.

DIRECTOR COMPENSATION

The Company compensates each non-employee director with a director's fee of \$1,500 per quarter. In addition, the Company's directors are reimbursed for any out-of-pocket expense incurred by them for attendance at meetings of the Board of Directors or committees thereof. Mr. Hamlin received a quarterly fee of \$2,500 plus reimbursement of out of pocket expenses on account of his service as chairman of the Audit Committee during the 3rd quarter of fiscal 2004. He continues to receive the same quarterly fees in fiscal 2005. Mr. Mulkey received \$2,500 for each of the two quarters he served as chairman of the Audit Committee in fiscal 2004.

Each non-employee who served as a member of the Company's Board of Directors as of the May 10, 2001, effective date of the Directors Plan, and each non-employee who is elected or otherwise appointed as one of the Company's directors thereafter, received a fully vested option to purchase 20,000 shares of stock exercisable at the closing price on the date of grant. In addition, on the last day of each fiscal quarter while the Directors Plan is in effect, each non-employee director receives an additional grant of an option to purchase 625 shares of stock at the closing price on the business day immediately preceding the last day in the quarter. Further, in accordance with the Directors Plan, additional options may be granted to non-employee directors from time to time on a discretionary basis.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On December 23, 2002, the Company issued a \$150,000 short-term promissory note to Active Investors III Limited, a principal shareholder. The note was due on January 31, 2003, with interest at 5% over the prime interest rate. On January 21, 2003 the Company and the holder of the note substituted the note for a \$150,000 subordinated promissory note due on January 31, 2005, bearing interest at an annual rate of 9%. On January 21, 2003, the Company issued \$150,000 of subordinated promissory notes to each of Rodney C. O'Connor, a director, and to Active Investors III. The notes were also due on January 31, 2005 and bore interest at an annual rate of 9%. With the consent of the holders, interest on the notes could be paid in the Company's Common Stock, with the stock value based on the closing bid price of the stock for the five trading days before the last day of the quarter in which the interest is due but in no event less than the closing bid price at the time of issuance or the average of the closing bid prices for the five trading days prior to such time, whichever is lower (the "January 2003 Notes"). Active Investors III is one of two private funds managed by Fundamental Management Corporation. Mr. O'Connor and Robert Picow, another director of the Company, are members of the board of directors of Fundamental Management Corporation. During the fiscal year ended June 30, 2003, the Company issued 7,155 shares of Common Stock to the holders of the January 2003 Notes for interest earned at \$1.07 per share.

On May 12, 2003, the Company issued \$300,000 of promissory notes to Mr. O'Connor and Active Investors III, \$100,000 and \$200,000, respectively (the "Shareholder Notes"). The notes bore interest at an annual rate of 14% and were payable on demand. The Company repaid \$235,500 of those Shareholder Notes with the proceeds of the May 20, 2003 private placement issuance of subordinated promissory notes and common stock purchase warrants.

Edgar Filing: STREICHER MOBILE FUELING INC - Form DEF 14A

On May 20, 2003, the Company issued \$235,500 of subordinated promissory notes to all of the Company's executive officers and directors and to certain shareholders (the "May 2003 Notes"). The notes were due on November 19, 2003 and bore interest at an annual rate of 14%. With the consent of the holders, the Company could elect to pay interest on the notes in shares of the Company's Common Stock, with the stock value based on the most recent closing bid price of the stock at the time the notes were executed or for the five trading days before such date, whichever is lower. The Company also issued warrants to purchase 82,425 shares of Common Stock exercisable at \$0.86 per share in connection with the notes.

The Company repaid the January 2003 Notes, the remaining balance of the Shareholder Notes and the May 2003 Notes in September 2003 with the proceeds of a private placement in August 2003 of \$6,925,000 in promissory notes and common stock purchase warrants. The Company issued warrants to purchase 2,008,250 shares of Common Stock exercisable at \$1.00 per share in connection with those August 2003 notes.

Mr. O'Connor is also Chairman and Chief Executive Officer of Cameron Associates, Inc., a financial consulting and investor relations public relations firm, which has provided investor relations services to the Company since 1997. During the fiscal year ended June 30, 2004, the Company paid \$71,500 to Cameron Associates, Inc. for such services.

The Company believes that all of the foregoing transactions were entered into in good faith on fair and reasonable terms that are no less favorable to the Company than those that would be available in comparable transactions in arm's length dealings with unrelated third parties.

TRANSACTIONS WITH STANLEY H. STREICHER AND RELATED ENTITIES. In April 2001, the Company relocated its corporate offices and entered into a lease agreement for its new corporate offices. At that time, the Company was obligated under a July 31, 1993 lease agreement covering the former corporate offices with the Company's Chairman, Stanley H. Streicher, the expiration of which lease was July 31, 2013. In May 2001, the Company entered into a sub-lease agreement with an unrelated third party for the lease of the Company's former corporate offices. In January 2002, Mr. Streicher canceled the lease covering the Company's former corporate offices and the Company assigned the sublease to Mr. Streicher, effective February 1, 2002. Under the terms of the lease cancellation and assignment of sublease, it was provided that Mr. Streicher would reimburse the Company on or before March 31, 2002 for the net book value of all leasehold improvements to its former corporate offices paid for by and carried on the books of the Company, as of April 30, 2001, which amount was \$59,600.

The Company has also been obligated to Mr. Streicher under two operating leases covering property utilized for division truck yards and offices, one of which expired in April 2002. While the second lease does not expire until August of 2015, Mr. Streicher sold the property covered by it to an unrelated third party in April 2003. In conjunction with the sale, Mr. Streicher assigned the lease to the purchaser of the property extinguishing any further obligation of the Company to Mr. Streicher under it. Rent expense paid to Mr. Streicher by the Company for the lease of its former corporate offices and the two division facilities was \$12,000, \$30,000, \$23,000 and \$88,000, for the fiscal years ended June 30, 2003 and 2002, the transition period ended June 30, 2001, and the fiscal year ended January 31, 2001.

The related party account receivable from Streicher Enterprises, Inc. ("Enterprises"), an entity wholly owned by the Company's former Chairman, Stanley H. Streicher, amounted to approximately \$52,000 and \$204,000, and \$583,000 at June 30, 2003, 2002 and 2001, respectively, and \$540,000 at January 31, 2001 bearing interest at 8.25 percent per annum. Two promissory notes to the Company, one dated January 31, 1997, in the amount of \$319,043 due January 31, 2007, and the second in the amount of \$94,850 dated January 31, 1998 due January 31, 2007 (the "Notes"), represented most of the above account. Mr. Streicher personally guaranteed the principal of, and interest on, the Notes. Interest income on the account included approximately \$25,000, \$41,000 and \$18,000 for the years ended June 30, 2003 and 2002 and the transition period ended June 30, 2001, respectively, and approximately \$42,000 for the fiscal year ended 2001 relating to the account receivable from Enterprises. Enterprises was required to make annual payments of interest only with a final payment of all accrued interest and unpaid principal due on January 31, 2007. The account receivable was secured by a pledge of 360,213 shares of the Company's Common Stock owned by Supreme Oil Company, another entity wholly owned by Mr. Streicher.

On April 1, 2002, Mr. Streicher and Supreme Oil Company Inc. and the Company entered into an agreement with respect to the repayment by Mr. Streicher and Supreme of the Notes and certain other debt (collectively, the "Debt"). In connection therewith, Supreme delivered to the Company additional shares of the Company's stock owned by Supreme, so that an aggregate of 533,088 shares of the Company's Common Stock owned by Supreme (the "Certificates") were pledged as security for the Debt.

On June 12, 2002, Supreme sold 613,000 shares of the Company's Common Stock for aggregate gross proceeds of \$711,080 and net proceeds of at least \$680,000. On June 29, 2002, Mr. Streicher tendered \$480,000 to the Company as partial repayment of the Debt. The Company informed Mr. Streicher and Supreme that it considered the failure to pay the remaining \$200,000 to be a breach of the April 1, 2002 agreement and demanded immediate payment.

On July 19, 2002, after Mr. Streicher and Supreme refused the Company's demand, the Company suspended further payments of salary to Mr. Streicher under his November 1, 2000 employment agreement because of the unpaid note receivable. As of December 31, 2003, the Company had set off all the remaining outstanding balance due. Additionally, Mr. Streicher's employment agreement expired on October 31, 2003 and was not extended or renewed.

PROPOSAL TO INCREASE THE NUMBER OF SHARES RESERVED UNDER THE 2001 DIRECTORS STOCK OPTION PLAN

(PROPOSAL NO. 2)

The 2001 Directors Stock Option Plan (the "Plan") was adopted by the Board of Directors on May 10, 2001 and approved by the shareholders on July 19, 2001. The purpose of the Plan is to provide an additional incentive to attract and retain qualified and competent directors whose efforts and judgment are important to the success of the Company, through the encouragement of stock ownership in the Company by such persons.

On October 12, 2004, the Board of Directors approved an amendment to the Plan to increase the number of shares reserved under the Plan. The Company's Board believes an increase in the number of options available for grant is important to permit the Company to continue to attract and retain directors and to encourage stock ownership by them. Accordingly, the shareholders are being asked to increase the number of shares reserved under the Plan from 250,000 to

For purposes of determining fair market value, the closing price on any business day is (a) if there is an established market for the Company's Common Stock on a national securities exchange, or if actual transactions are otherwise reported on a consolidated transaction reporting system, the last report sale price of the Common Stock on such exchange or reporting system, (b) if quoted on Nasdaq or any similar system of automated dissemination of

23

quotations of securities prices in common use, the last reported sale price on such system, or if sales prices are not reported, the mean between the closing high bid and low asked quotations for such day as reported in any newspaper of general circulation, or (c) if neither (a) or (b) is applicable, the mean between the high bid and low asked quotations as reported by the National Quotation Bureau, Incorporated if at least two securities dealers have inserted both bid and asked quotations for the Common Stock on at least five of the ten preceding days.

EXERCISE OF OPTIONS AND PAYMENT FOR STOCK

Options are exercisable in accordance with the terms and conditions of the grant to the participant. The exercise price of options may be paid in cash or in shares of the Company's Common Stock (valued at the fair market value of the shares on the date of exercise) or by a combination thereof. The Board in its discretion may agree to lend money to a participant, guarantee a loan to a participant, or otherwise assist a participant to obtain the cash necessary to

Edgar Filing: STREICHER MOBILE FUELING INC - Form DEF 14A

exercise all or a portion of an option granted under the Plan or to pay any tax liability of the participant attributable to such exercise. If the exercise price is paid in whole or in part with the participant's promissory note, such note shall (i) provide for full recourse to the maker, (ii) be collateralized by the pledge of the shares that the participant purchases upon exercise of such option, (iii) bear interest at the prime rate of the Company's principal lender, and (iv) contain such other terms as the Board in its sole discretion shall reasonably require. The Board may elect to permit a participant to effect a net exercise of an option without tendering shares of the Company's stock as payment for the option. In such an event, the participant would be deemed to have paid for the exercise of the option with shares of the Company's stock and would receive from the Company a number of shares equal to the difference between the shares that would have been tendered and the number of options exercised. Also, the Board may elect to permit a participant to effect a cashless exercise through a broker acceptable to the Company and delivery to the Company by the broker of proceeds from the sale of shares or a margin loan sufficient to pay the exercise price and any applicable income taxes.

NONTRANSFERABILITY OF OPTIONS

Unless the prior written consent of the Board is obtained and the transaction does not violate the requirements of Rule 16b-3 promulgated under the Securities Exchange Act, no option shall be subject to alienation, assignment, pledge, charge or other transfer other than by the participant by will or the laws of descent and distribution. Each option is exercisable during a participant's lifetime, or in the case of an option that has been assigned or transferred with the prior written consent of the Board, only by the permitted assignee.

24

TERMINATION OF OPTION PERIOD

Unless otherwise provided in any option agreement, the unexercised portion of any option shall automatically and without notice terminate and become null and void at the time of the earliest to occur of the following: (i) immediately upon the removal of the optionee as a director for Cause which, for purposes of the Plan, shall mean the removal of the optionee as a director by reason of any act by the optionee of (x) fraud or intentional misrepresentation, (y) embezzlement, misappropriation, or conversion of assets or opportunities of the Company or any subsidiary or (z) willful misconduct or gross negligence, (ii) immediately in the event that the optionee shall file any lawsuit or arbitration claims against the Company or any subsidiary, or any of their respective officers, directors or shareholders, other than a claim for indemnification, whether by contract or under applicable law, or (iii) ten years from the date of grant of the option.

AMENDMENT, SUSPENSION AND TERMINATION

The Committee may at any time amend, suspend or terminate the Plan or any option, provided, however, that, any amendment to the Plan shall be subject to the approval of the Company's shareholders if such shareholder approval is required by any federal or state law or regulation (including, without limitation, Rule 16b-3 or the rules of any stock exchange or automated quotation system on which the Common Stock may then be listed or granted. Except as

Edgar Filing: STREICHER MOBILE FUELING INC - Form DEF 14A

otherwise provided by the Plan, no amendment, suspension or termination of the Plan or any option under the Plan shall substantially impair the rights or benefits of any optionee pursuant to any option previously granted without the consent of the optionee.

FEDERAL INCOME TAX CONSEQUENCES

NONQUALIFIED OPTIONS. Nonqualified options are taxed in accordance with Section 83 of the Code and the Regulations issued thereunder. The following general rules are applicable to United States holders of such options and to the Company for Federal income tax purposes under existing law:

- i. The optionee does not realize any taxable income upon the grant of a nonqualified option, and the Company is not allowed a business expense deduction by reason of such grant.
- ii. The optionee will recognize ordinary compensation income at the time of exercise of a nonqualified option in an amount equal to the excess, if any, of the fair market value of the shares on the date of exercise over the exercise price.
- iii. When the optionee sells the shares, he or she will recognize a capital gain or loss in an amount equal to the difference between the amount realized upon the sale of the shares and his or her basis in the shares (i.e., the exercise price plus the amount taxed to the optionee as compensation income). If the optionee holds the shares for longer than one year, this gain or loss will be a long-term capital gain or loss.

25

- iv. In general, the Company will be entitled to a tax deduction in the year in which compensation income is recognized by the optionee.

Employees are expected to conduct themselves as responsible and useful corporate citizens of their local communities, supporting selected civic, charitable, educational, and other activities as appropriate.

INSIDER TRADING

Employees may have access to material information obtained in the course of their employment or from other employees which is not known to the public. This is inside information. It includes material information, verbal or written, about the Company and other companies dealing with the Company.

Employees are prohibited from using inside information for their own benefit and from disclosing inside information to other persons for the other person's financial gain, profit or other benefit.

For additional information, see Insider Trading Rules (Exhibit C).

EMPLOYEE RESPONSIBILITIES

Employees shall carry out their responsibilities in accordance with the policies stated in this Code. Specific guidelines or directives which may be issued from time to time by the Board of Directors or management officers to implement these policies with respect to particular matters shall be followed.

CONFLICTS OF INTEREST

Edgar Filing: STREICHER MOBILE FUELING INC - Form DEF 14A

Employees have a responsibility to act in accordance with the best interests of the Company. An outside interest or relationship which would or could have an adverse effect on the Company (or on the employee's business judgment) constitutes an unacceptable conflict of interest, as does any dealing for personal profit or gain on the basis of inside knowledge or confidential information obtained in the course of employment.

A-3

GUIDELINES OF EMPLOYEE CONFLICTS OF INTEREST

The Company's CODE OF BUSINESS CONDUCT (the "CODE") sets forth principles for the conduct of business based upon concepts of integrity and responsibility. Included is the responsibility of all employees to avoid conflicts of interest.

The CODE states that employees have a responsibility to act in accordance with the best interests of the Company. An outside interest or relationship which would or could have an adverse effect on the Company (or on the employee's business judgment), constitutes an unacceptable conflict of interest, as does any dealing for personal profit or gain on the basis of inside knowledge or confidential information obtained in the course of employment.

These guidelines are issued to implement the policy set forth in the CODE, prohibiting employee conflicts of interest, and to assist employees in avoiding such conflicts.

Activities or interests prohibited under this policy include:

1. Employment by, or affiliation in any capacity with, a customer, supplier, or competitor of the Company, including any firm which the employee has reason to believe may be a prospective customer, supplier or competitor.
2. Investment (see footnote 1) by directors, officers and management employees in any customer (see footnote 2), supplier (see footnote 2), or competitor of the Company, including any firm which the individual has reason to believe may be prospective customer, supplier, or competitor.
 - a. Such investments violate these Guidelines because they create a threat that the individual's business judgment will be influenced by the investments rather than the interests of the Company.
 - b. Exceptions to these Guidelines may be made on a case-by-case basis, in order to avoid inequitable results.

Example: Exceptions may be granted for investments or rights the individual has acquired prior to the commencement of employment by the Company. However, employees should avoid making new investments in customers, suppliers or competitors, other than indirect investments acquired through mutual funds or other pooled investments managed by others.

3. Acceptance of any commission or other form of compensation, or of excessive

Edgar Filing: STREICHER MOBILE FUELING INC - Form DEF 14A

gifts or entertainment, from any person or firm with whom the Company is doing or might do business, or with whom the individual has reason to believe the Company might do business.

A-4

4. Personal exploitation of a corporate opportunity, such as the purchase of property or investment in an enterprise in which the Company has an existing interest, or in which the employee has reason to believe the Company may have a prospective interest.
5. Any other dealing for personal profit or gain, based upon inside information obtained in the course of employment, concerning important business of the Company, such as acquisitions, financial projects, or any other material, non-public information.

For the purpose of these Guidelines, the prohibited activities, investments and interests of the employee are considered to include not only those in which the employee may be engaged or interested directly, but also those in which the employee might engage or be interested indirectly through his or her spouse or other immediate family members.

Questions concerning the meaning or interpretation of these Guidelines should be referred to your immediate supervisor who, in turn, may wish to consult with the Chief Executive Officer.

FOOTNOTE 1: For purposes of these Guidelines, prohibited activities include investments in stock, bonds and options of, as well as loans to, a customer or supplier.

FOOTNOTE 2: Questions have arisen as to whether investments in publicly traded companies that are customers or suppliers of the Company violate the Guidelines. While it is not possible to answer all such questions in advance, as a general rule, an investment in a publicly traded customer or supplier is permissible if (a) the sales made to the customer, or the orders with the supplier placed by the Company's employee will not have a substantial effect on the customer's or supplier's performance; AND (b) the investment is made without the benefit of inside information as that term is described in paragraph 5 of these Guidelines; AND (c) the Company's employee does not acquire 1% or more of any class of the customer's or supplier's stock, bonds, or options.
