PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Trustees of Eaton Vance Short Duration Diversified Income Fund (the “Short Duration Fund”) and Eaton Vance Tax-Advantaged Global Dividend Opportunities Fund (the “Tax-Advantaged Fund”) (collectively, the “Funds”). The proxies will be voted at the Annual Meeting of Shareholders of each Fund and at any adjournments or postponements thereof. The meeting will be held on Thursday, February 14, 2019 at 11:30 a.m. (Eastern Time) at the principal office of each Fund, Two International Place, Boston, Massachusetts 02110. The meeting will be held for the purposes set forth in the accompanying notice. This proxy material is being mailed to shareholders on or about December 20, 2018.

The Board of Trustees of each Fund has fixed the close of business on December 4, 2018 as the record date for the determination of the shareholders entitled to notice of and to vote at the meeting and any adjournments or postponements thereof. The number of Common Shares, \$0.01 par value per share (“Common Shares”), of each Fund outstanding on December 4, 2018, were as follows:

<u>Fund</u>	No. of Common Shares Outstanding on <u>December 4, 2018</u>
Short Duration Fund	17,880,596
Tax-Advantaged Fund	15,053,346

Each Fund will vote separately on each item; votes of multiple Funds will not be aggregated.

According to filings made pursuant to Section 13(d) of the Securities Exchange Act of 1934, as amended, one or more shareholders of a Fund owns more than 5% of the Fund's Common Shares. Information relating to such shareholders can be found on Exhibit C. As of December 4, 2018, to each Fund's knowledge: (i) no other shareholder beneficially owned more than 5% of the outstanding shares of the Fund; and (ii) the Trustees and officers of the Fund, individually and as a group, owned beneficially less than 1% of the outstanding shares of the Fund.

Shareholders as of the close of business on the record date will be entitled to one vote for each share held. All properly executed proxies received prior to the meeting will be voted at the meeting. Each proxy will be voted in accordance with its instructions; if no instruction is given, an executed proxy will authorize the persons named on the respective proxy card enclosed as proxies, or any of them, to vote in favor of the election of each Trustee. An executed proxy delivered to a Fund is revocable by the person giving it, prior to its exercise, by a signed writing filed with the Fund's Secretary, by executing and delivering a later dated proxy, or by attending the meeting and voting the shares in person. Merely attending the meeting will not revoke a previously executed proxy. If you hold Fund shares through an intermediary (such as a broker, bank, adviser or custodian), please consult with the intermediary regarding your ability to revoke voting instructions after they have been provided.

If you are a record holder of Fund shares and plan to attend the meeting in person, you must show a valid photo identification (such as a driver's license) to gain admission to the meeting. Please call 1-800-262-1122 for information on how to obtain directions to be able to attend the meeting and vote in person. If you hold Fund shares through an intermediary and plan to attend the meeting in person, you will be required to show a valid photo identification and authority to vote your shares (referred to as a "legal proxy") to gain admission to the meeting. You must contact your intermediary to obtain a legal proxy for your shares.

The Boards of Trustees of the Funds know of no business other than that mentioned in Item 1 of the Notice of Annual Meeting of Shareholders that will be presented for consideration. If any other matters are properly presented, it is the intention of the persons named as proxies to vote on such matters in accordance with their judgment.

PROPOSAL 1. ELECTION OF TRUSTEES

Each Fund's Agreement and Declaration of Trust provides that a majority of the Trustees shall fix the number of the entire Board and that such number shall be at least two and no greater than fifteen. Each Board has fixed the number of Trustees at twelve. Under the terms of each Fund's Agreement and Declaration of Trust, the Board of Trustees is divided into three classes, each class having a term of three years to expire on the date of the third annual meeting following its election. An effect of staggered terms is to limit the ability of entities or persons to acquire control of a Fund.

1 Proxy Statement dated December 20, 2018

Proxies will be voted for the election of the following nominees:

- a. For Short Duration Fund, four Class II Trustees, George J. Gorman, William H. Park, Keith Quinton and Susan J. Sutherland, to be elected by shareholders of the Fund; and
- b. For Tax-Advantaged Fund, four Class III Trustees, George J. Gorman, Helen Frame Peters, Marcus L. Smith and Susan J. Sutherland, to be elected by shareholders of the Fund.

The Board of Trustees recommends that shareholders vote FOR the election of the Trustee nominees of each Fund.

Each nominee is currently serving as a Trustee of his or her respective Fund and has consented to continue to so serve. In the event that a nominee is unable to serve for any reason (which is not now expected) when the election occurs, the accompanying proxy will be voted for such other person or persons as the Board of Trustees may recommend.

Election of Trustees is non-cumulative. Shareholders do not have appraisal rights in connection with the proposal in this proxy statement. The Trustees of each Fund shall be elected by the affirmative vote of a plurality of the shares of the Fund entitled to vote. Proxies cannot be voted for a greater number of persons than the number of nominees named. No nominee is a party adverse to his or her respective Fund or any of its affiliates in any material pending legal proceeding, nor does any nominee have an interest materially adverse to such Fund.

The following table presents certain information regarding the current Trustees of each Fund, including the principal occupations of each such person for at least the last five years. References below to “EVG” are to Short Duration Fund and to “ETO” are to Tax-Advantaged Fund. Information in the table below about a Trustee’s position with a Fund, the period as a Trustee and the current term of each Trustee are for both Funds unless otherwise noted. (1) Year first appointed to serve as Trustee for a fund in the Eaton Vance family of funds. Each Trustee has served continuously since appointment unless indicated otherwise.

During their respective tenures, the Trustees (except for Mmes. Frost and Sutherland and Messrs. Fetting, Gorman, Quinton, Smith and Wennerholm) also served as Board members of one or more of the following funds (which operated in the years noted): eUnits™ 2 Year U.S. Market Participation Trust: Upside to Cap / Buffered Downside (launched in 2012 and terminated in 2014); and eUnits™ 2 Year U.S. Market Participation Trust II: Upside to Cap / Buffered Downside (launched in 2012 and terminated in 2014). However, Ms. Mosley did not serve as a Board member of eUnits™ 2 Year U.S. Market Participation Trust: Upside to Cap / Buffered Downside (launched in 2012 and terminated in 2014).

Each current Trustee listed above served as a Trustee of 174 funds within the Eaton Vance fund complex as of December 4, 2018 (including both master and feeder funds in a master-feeder structure). The address of each Trustee is Two International Place, Boston, Massachusetts 02110.

4Proxy Statement dated December 20, 2018

Each Trustee holds office until the annual meeting for the year in which his or her term expires and until his or her successor is elected and qualified, subject to a prior death, resignation, retirement, disqualification or removal. Under the terms of each Fund’s Trustee retirement policy as currently in effect, a Trustee must retire as a Trustee on the first day of July following his or her 74th birthday unless such retirement would cause a Fund to be out of compliance with Section 16 of the Investment Company Act of 1940, as amended (the “1940 Act”), in which case the retirement and resignation will occur on the first day thereafter on which a Fund would be in compliance with Section 16. Section 16 requires in substance that at least two-thirds of the Trustees be elected by shareholders.

Interested Trustee

Mr. Faust is an “interested person” (as defined in the 1940 Act) by reason of his affiliation with EVM, each Fund’s investment adviser, and EVC, a publicly-held holding company, which owns all the outstanding shares of EVM and of EVM’s trustee, EV. (EVM, EVC, and their affiliates are sometimes referred to collectively as the “Eaton Vance Organization.”) Mr. Faust holds positions with other Eaton Vance affiliates that are comparable to his position with Eaton Vance listed above.

Board Meetings and Committees

The Board of Trustees (the “Board”) has general oversight responsibility with respect to the business and affairs of each Fund. The Board has engaged an investment adviser and (if applicable) a sub-adviser (collectively, the “adviser”) to

manage each Fund and an administrator to administer each Fund and is responsible for overseeing such adviser and administrator and other service providers to the Fund. The Board is currently composed of twelve Trustees, including eleven Trustees who are not “interested persons” of a Fund, as that term is defined in the 1940 Act (each a “noninterested Trustee”). In addition to six regularly scheduled meetings per year, the Board holds special meetings or informal conference calls to discuss specific matters that may require action prior to the next regular meeting. As discussed below, the Board has established six committees to assist the Board in performing its oversight responsibilities.

5 Proxy Statement dated December 20, 2018

The Board has appointed a noninterested Trustee to serve in the role of Chairperson. The Chairperson's primary role is to participate in the preparation of the agenda for meetings of the Board and the identification of information to be presented to the Board with respect to matters to be acted upon by the Board. The Chairperson also presides at all meetings of the Board and acts as a liaison with service providers, officers, attorneys, and other Board members generally between meetings. The Chairperson may perform such other functions as may be requested by the Board from time to time. In addition, the Board may appoint a noninterested Trustee to serve in the role of Vice-Chairperson. The Vice-Chairperson has the power and authority to perform any or all of the duties and responsibilities of the Chairperson in the absence of the Chairperson and/or as requested by the Chairperson. Except for any duties specified herein or pursuant to each Fund's Declaration of Trust or By-laws, the designation of Chairperson or Vice-Chairperson does not impose on such noninterested Trustee any duties, obligations or liability that is greater than the duties, obligations or liability imposed on such person as a member of the Board, generally.

Each Fund is subject to a number of risks, including, among others, investment, compliance, operational, and valuation risks. Risk oversight is part of the Board's general oversight of each Fund and is addressed as part of various activities of the Board and its Committees. As part of its oversight of each Fund, the Board directly, or through a Committee, relies on and reviews reports from, among others, Fund management, the adviser, the administrator, the principal underwriter, the Chief Compliance Officer (the "CCO"), and other Fund service providers responsible for day-to-day oversight of Fund investments, operations and compliance to assist the Board in identifying and understanding the nature and extent of risks and determining whether, and to what extent, such risks can or should be mitigated. The Board also interacts with the CCO and with senior personnel of the adviser, the administrator, the principal underwriter and other Fund service providers and provides input on risk management issues during meetings of the Board and its Committees. Each of the adviser, the administrator, the principal underwriter and the other Fund service providers has its own independent interest and responsibilities in risk management, and its policies and methods for carrying out risk management functions will depend, in part, on its individual priorities, resources and controls. It is not possible to identify all of the risks that may affect a Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects. Moreover, it is necessary to bear certain risks (such as investment-related risks) to achieve a Fund's goals.

The Board, with the assistance of management and with input from the Board's various committees, reviews investment policies and risks in connection with its review of Fund performance. The Board has appointed a Fund CCO who oversees the implementation and testing of each Fund's compliance program and reports to the Board regarding compliance matters for the Funds and their principal service providers. In addition, as part of the Board's periodic review of the advisory, subadvisory (if applicable), distribution and other service provider agreements, the Board may consider risk management aspects of their operations and the functions for which they are responsible. With respect to valuation, the Board approves and periodically reviews valuation policies and procedures applicable to valuing each Fund's shares. The administrator and the adviser are responsible for the implementation and day-to-day administration of these valuation policies and procedures and provides reports to the Audit Committee of the Board and the Board regarding these and related matters. In addition, the Audit Committee of the Board or the Board receives reports periodically from the independent public accounting firm for each Fund regarding tests performed by such firm on the valuation of all securities, as well as with respect to other risks associated with mutual funds. Reports received from service providers, legal counsel and the independent public accounting firm assist the Board in performing its oversight function.

Each Fund's Declaration of Trust does not set forth any specific qualifications to serve as a Trustee. The Charter of the Governance Committee also does not set forth any specific qualifications, but does set forth certain factors that the Committee may take into account in considering noninterested Trustee candidates. In general, no one factor is decisive in the selection of an individual to join the Board. Among the factors the Board considers when concluding that an individual should serve on the Board are the following: (i) knowledge in matters relating to the mutual fund industry; (ii) experience as a director or senior officer of public companies; (iii) educational background; (iv) reputation for high ethical standards and professional integrity; (v) specific financial, technical or other expertise, and

the extent to which such expertise would complement the Board members' existing mix of skills, core competencies and qualifications; (vi) perceived ability to contribute to the ongoing functions of the Board, including the ability and commitment to attend meetings regularly and work collaboratively with other members of the Board; (vii) the ability to qualify as a noninterested Trustee for purposes of the 1940 Act and any other actual or potential conflicts of interest involving the individual and each Fund; and (viii) such other factors as the Board determines to be relevant in light of the existing composition of the Board.

Among the attributes or skills common to all Board members are their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the other members of the Board, management, sub-advisers, other service providers, counsel and independent registered public accounting firms, and to exercise effective and independent business judgment in the performance of their duties as members of the Board. Each Board member's ability to perform his or her duties effectively has been attained through the Board member's business, consulting, public service and/or academic positions and through experience from service as a member of the Boards of the Eaton Vance family of funds ("Eaton Vance Fund Boards") (and/or in other capacities, including for any predecessor funds), public companies, or non-profit entities or other organizations as set forth below. Each Board member's ability to perform his or her duties effectively also has been enhanced by his or her educational background, professional training, and/or other life experiences.

6Proxy Statement dated December 20, 2018

In respect of each current member of the Board, the individual's substantial professional accomplishments and experience, including in fields related to the operations of registered investment companies, were a significant factor in the determination that the individual should serve as a member of the Board. The following is a summary of each Board member's particular professional experience and additional considerations that contributed to the Board's conclusion that he or she should serve as a member of the Board:

Thomas E. Faust Jr. Mr. Faust has served as a member of the Eaton Vance Fund Boards since 2007. He is currently Chairman, Chief Executive Officer and President of EVC, Director and President of EV, Chief Executive Officer and President of Eaton Vance and BMR, and Director of EVD. Mr. Faust has served as a Director of Hexavest Inc. since 2012 and of SigFig Wealth Management LLC since 2016. Mr. Faust previously served as an equity analyst, portfolio manager, Director of Equity Research and Management and Chief Investment Officer of Eaton Vance from 1985-2007. Gorman and Park, each a noninterested Trustee, as audit committee financial experts. Each Audit Committee member is independent under applicable listing standards of the New York Stock Exchange. Each Fund's Board of Trustees has adopted a written charter for its Audit Committee, a copy of which is attached as Exhibit A. The written charter is also available on the Eaton Vance website, <https://funds.eatonvance.com/corporate-governance.php>. Mmes. Sutherland (Chairperson) and Taggart and Messrs. Gorman, Quinton and Wennerholm are members of the Compliance Reports and Regulatory Matters Committee. The purposes of the Compliance Reports and Regulatory Matters Committee are to: (i) assist the Board in its oversight role with respect to compliance issues and certain other regulatory matters affecting the Funds; (ii) serve as a liaison between the Board of Trustees and the Funds' CCO; and (iii) serve as a "qualified legal compliance committee" within the rules promulgated by the SEC.

9Proxy Statement dated December 20, 2018

Mmes. Mosley (Chairperson) and Peters and Mr. Gorman are members of the Ad Hoc Committee for Closed-End Fund Matters. The purpose of the Ad Hoc Committee for Closed-End Fund Matters is to consider, evaluate and make recommendations to the Board with respect to issues specifically related to Eaton Vance Closed-End Funds.

Mmes. Mosley (Chairperson), Frost, Peters, Sutherland and Taggart and Messrs. Fetting, Gorman, Park, Quinton, Smith and Wennerholm are members of the Governance Committee. Each Governance Committee member is independent under applicable listing standards of the New York Stock Exchange. The purpose of the Governance Committee is to consider, evaluate and make recommendations to the Board with respect to the structure, membership and operation of the Board and the Committees thereof, including the nomination and selection of noninterested Trustees and a Chairperson of the Board and the compensation of such persons.

Each Fund's Board of Trustees has adopted a written charter for its Governance Committee, a copy of which is available on the Eaton Vance website, <https://funds.eatonvance.com/corporate-governance.php>. The Governance Committee identifies candidates by obtaining referrals from such sources as it deems appropriate, which may include current Trustees, management of the Fund, counsel and other advisors to the Trustees, and shareholders of the Funds who submit recommendations in accordance with the procedures described in the Committee's charter. In no event shall the Governance Committee consider as a candidate to fill any vacancy an individual recommended by management of the Funds, unless the Governance Committee has invited management to make such a recommendation. The Governance Committee will, when a vacancy exists, consider a nominee for Trustee recommended by a shareholder, provided that such recommendation is submitted in writing to the Fund's Secretary at the principal executive office of the Fund. Such recommendations must be accompanied by biographical and occupational data on the candidate (including whether the candidate would be an "interested person" of the Fund), a written consent by the candidate to be named as a nominee and to serve as Trustee if elected, record and ownership information for the recommending shareholder with respect to the Fund, and a description of any arrangements or understandings regarding recommendation of the candidate for consideration. The Governance Committee's procedures for evaluating candidates for the position of noninterested Trustee are set forth in an appendix to the Committee's charter.

The Governance Committee does not have a formal policy to consider diversity when identifying candidates for the position of noninterested Trustee. Rather, as a matter of practice, the Committee considers the overall diversity of the Board's composition when identifying candidates. Specifically, the Committee considers how a particular candidate could be expected to contribute to overall diversity in the backgrounds, skills and experiences of the Board's members and thereby enhance the effectiveness of the Board. In addition, as part of its annual self-evaluation, the Board has an opportunity to consider the diversity of its members, including specifically whether the Board's members have the right mix of characteristics, experiences and skills. The results of the self-evaluation are considered by the Governance Committee in its decision-making process with respect to candidates for the position of noninterested Trustee.

13 Proxy Statement dated December 20, 2018

All proxy cards solicited by the Board of Trustees that are properly executed and received by the Secretary prior to the meeting, and which are not revoked, will be voted at the meeting. Shares represented by such proxies will be voted in accordance with the instructions thereon. If no specification is made on the proxy card with respect to Proposal 1, it will be voted FOR the matters specified on the proxy card. All shares that are voted and votes to ABSTAIN will be counted towards establishing a quorum, as will broker non-votes. (Broker non-votes are shares for which (i) the beneficial owner has not voted and (ii) the broker holding the shares does not have discretionary authority to vote on the particular matter.) Accordingly, abstentions and broker non-votes, which will be treated as shares that are present at the meeting but which have not been voted, will assist a Fund in obtaining a quorum but will have no effect on the outcome of Proposal 1.

A quorum requires the presence, in person or by proxy, of a majority of the outstanding shares of a Fund entitled to vote. In the event that a quorum is not present at the meeting, or if a quorum is present at the meeting but sufficient votes by the shareholders of a Fund in favor of the Proposal set forth in the Notice of this meeting are not received by February 14, 2019, the persons named as proxies may propose one or more adjournments of the meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the shares of that Fund present in person or by proxy at the session of the meeting to be adjourned. The persons named as proxies will vote in favor of such adjournment those proxies which they are entitled to vote in favor of the Proposal for which further solicitation of proxies is to be made. They will vote against any such adjournment those proxies required to be voted against such Proposal. The costs of any such additional solicitation and of any adjourned session will be borne by the Funds.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely upon a review of the copies of the forms received by the Funds, all of the Trustees and officers of each Fund, EVM and its affiliates, and any person who owns more than ten percent of a Fund's outstanding securities have complied with the filings required under Section 16(a) of the Securities Exchange Act of 1934 regarding ownership of shares of the Funds for the Funds' most recent fiscal year end.

Each Fund will furnish without charge a copy of its most recent Annual and Semi-Annual Reports to any shareholder upon request. Shareholders desiring to obtain a copy of such reports should call 1-866-864-4942, send an email to corporateservices@astfundolutions.com or write to the Fund c/o AST Fund Solutions, LLC, 55 Challenger Road, Suite 201, Ridgefield Park, NJ 07660. Shareholder reports are also available on the Eaton Vance website at <https://funds.eatonvance.com/closed-end-fund-and-term-trust-documents.php>.

Timely submission of a proposal does not guarantee that such proposal will be included.

The Board of Trustees or Directors (the “Board”) of each registered investment company or series thereof (each, a “Fund” and collectively, the “Funds”) sponsored by the Eaton Vance organization (“Eaton Vance”) has established an Audit Committee (the “Committee”) of the Board and has approved this Charter for the operation of the Committee. The purposes of the Committee are as follows:

1. To oversee each Fund’s accounting and financial reporting processes, its internal control over financial reporting, and, as appropriate, the internal control over financial reporting of certain service providers;
2. To oversee or, as appropriate, assist Board oversight of the quality and integrity of the Funds’ financial statements and the independent audit thereof;
To oversee or, as appropriate, assist Board oversight of the Funds’ compliance with legal and regulatory
3. requirements that relate to the Funds’ accounting and financial reporting, internal control over financial reporting and independent audits;
4. To approve prior to appointment the engagement and, when appropriate, replacement of the independent registered public accountants (“independent auditors”), and, if applicable, nominate independent auditors to be proposed for shareholder ratification in any proxy statement of a Fund;
5. To evaluate or, as appropriate, assist Board evaluation of the qualifications, independence and performance of the independent auditors and the audit partner in charge of leading the audit; and
To prepare such audit committee reports consistent with the requirements of applicable Securities and Exchange
6. Commission, NYSE American LLC (“NYSE American”, formerly NYSE MKT LLC) and New York Stock Exchange rules for inclusion in the proxy statement for the annual meeting of shareholders of a Fund.

The primary function of the Committee is oversight. The Committee is not responsible for managing the Funds or for performing tasks that are delegated to the officers of any Fund, any investment adviser to a Fund, the custodian of a Fund, and other service providers for the Funds, including the independent auditors, and nothing in this Charter shall be construed to reduce the responsibilities or liabilities of management or the Funds’ service providers. It is management’s responsibility to maintain appropriate systems for accounting and internal control over financial reporting. Specifically, management is responsible for: (1) the preparation, presentation and integrity of the financial statements of each Fund; (2) the maintenance of appropriate accounting and financial reporting principles and policies; and (3) the maintenance of internal control over financial reporting and other procedures designed to assure compliance with accounting standards and related laws and regulations. The independent auditors are responsible for planning and carrying out an audit consistent with applicable legal and professional standards and the terms of their engagement letter, and shall report directly to the Committee. In performing its oversight function, the Committee shall be entitled to rely upon advice and information that it receives in its discussions and communications with management, the independent auditors and such experts, advisors and professionals as may be consulted by the Committee.

II. Composition of the Committee.

The Committee shall be comprised of at least three members appointed by the Board, which shall also determine the number and term, if any, of such members, in each case upon the recommendation of the Governance Committee of the Board. All members of the Committee shall be Trustees or Directors who are not “interested persons” (as defined in the Investment Company Act of 1940, as amended (the “1940 Act”)) of any Fund or of the investment adviser, sub-adviser or principal underwriter of any Fund (each, an “Independent Trustee” and collectively, the “Independent

Trustees”). In the event that a resignation, retirement, removal or other event or circumstance causes the number of Committee members to fall below the minimum set forth above, the Committee shall nevertheless be authorized to take any and all actions otherwise permitted under this Charter pending the appointment, within a reasonable time, of one or more Independent Trustees to fill the vacancy created thereby.

A-1

The following requirements shall also be satisfied with respect to the membership and composition of the Committee:

1. each member of the Committee shall have been determined by the Board to have no material relationship that would interfere with the exercise of his or her independent judgment;
2. no member of the Committee shall receive any compensation from a Fund except compensation for service as a member or Chairperson of the Board or of a committee of the Board;
3. each member of the Committee shall also satisfy the Committee membership requirements imposed under the applicable rules of NYSE American and New York Stock Exchange (and any other national securities exchange on which a Fund's shares are listed), as in effect from time to time, including with respect to the member's former affiliations or employment and financial literacy;
4. at least one member of the Committee must have the accounting or related financial management expertise and financial sophistication required under applicable rules of the NYSE American and New York Stock Exchange; and
5. Item 3 of Form N-CSR, the Board will identify one (or in its discretion, more than one) member of the Committee as an audit committee financial expert.

III. Meetings of the Committee.

Meetings of the Committee shall be held, upon reasonable notice, at such times (but not less frequently than annually with respect to each Fund), at such places and for such purposes (consistent with the purposes of the Committee set forth in this Charter) as determined from time to time by the Committee, the Chairperson of the Committee, the Board or the Chairperson of the Board. The Committee shall periodically meet separately with any independent auditors rendering reports to the Committee. A majority of the members of the Committee shall constitute a quorum for the transaction of business at any meeting, and the decision of a majority of the members present and voting at a meeting at which a quorum is present shall determine any matter submitted to a vote. The Committee may adopt such procedures or rules not otherwise inconsistent with the terms of this Charter as it deems appropriate to govern its conduct under this Charter, which procedures or rules, if any, shall be included as an appendix to this Charter. Notices of all meetings of the Committee shall be provided to all Independent Trustees and all Independent Trustees shall be entitled to attend such meetings. Materials provided to the members of the Committee in connection with meetings of the Committee shall be made available to each Independent Trustee.

IV. Chairperson of the Committee.

A member of the Committee shall be appointed Chairperson of the Committee by the Board, upon the recommendation of the Governance Committee, for a term of not more than four years, and such member may serve as Chairperson of the Committee for more than one term. The Chairperson of the Committee, or another member of Committee designated by the Chairperson, shall preside at meetings of the Committee. The Chairperson of the Committee shall be authorized to determine the agenda of such meetings, the materials to be provided in connection with such meetings, the topics to be discussed, the amount of time to be devoted to such topics and the order in which the topics are to be addressed. The Chairperson of the Committee may from time to time establish one or more working groups comprised of members of the Committee to assist the Chairperson and the Committee in performing their duties and responsibilities, and shall promptly notify the Chairperson of the Board upon the establishment of any such working group. The Chairperson of the Committee shall provide oral or written reports to the Board at regular meetings of the Board regarding the activities of the Committee (and any working group thereof), including any approval by the Chairperson of the Board of expenditures by the Committee not previously reported to the Board. The Chairperson of the Committee shall be primarily responsible for interfacing with the Chairperson of the Board and with the Chairperson of each other committee of the Board with respect to matters potentially affecting the activities of the Committee. The Chairperson of the Committee shall also be primarily responsible, on behalf of the Committee, for interfacing with those individuals identified by Eaton Vance from time to time as being primarily responsible for responding to requests of the Committee. The Board may, upon the recommendation of the Governance Committee, appoint a Vice-Chairperson of the Committee with the power and authority to perform any or all of the duties and

responsibilities of the Chairperson of the Committee in the absence of the Chairperson of the Committee and/or as requested by the Chairperson of the Committee. The Chairperson and Vice-Chairperson, if any, of the Committee shall receive such compensation as determined from time to time by the Board upon the recommendation of the Governance Committee.

A-2

V. Duties and Responsibilities of the Committee.

To carry out its purposes, the Committee shall have the following duties and responsibilities:

1. With respect to each Fund the securities of which are listed on a national securities exchange, to meet to review and discuss with management and the independent auditors the audited financial statements and other periodic financial statements of the Fund (including the Fund's specific disclosures under the item "Management's Discussion of Fund Performance"); provided that discussion with the independent auditors shall not be required with respect to any periodic financial statement of the Fund that was not the subject of a review by such auditors.
2. To consider the results of the examination of the Fund's financial statements by the independent auditors, the independent auditors' opinion with respect thereto, and any management letter issued by the independent auditors.
3. To review and discuss with the independent auditors: (a) the scope of audits and audit reports and the policies relating to internal auditing procedures and controls and the accounting principles employed in the Fund's financial reports and any proposed changes therein; (b) the personnel, staffing, qualifications and experience of the independent auditors; and (c) the compensation of the independent auditors.
4. To review and assess the performance of the independent auditors and to approve, on behalf of the Board, the appointment and compensation of the independent auditors. Approval by the Committee shall be in addition to any approval required under applicable law by a majority of the members of the Board who are not "interested persons" of the Fund as defined in Section 2(a)(19) of the 1940 Act. In performing this function, the Committee shall: (a) consider whether there should be a regular rotation of the Fund's independent auditing firm; (b) discuss with the independent auditors matters bearing upon the qualifications of such auditors as "independent" under applicable standards of independence established from time to time by the Securities and Exchange Commission ("SEC"), the Public Company Accounting Oversight Board and other regulatory authorities; and (c) shall secure from the independent auditors the information required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as in effect from time to time. The Committee shall actively engage in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditors.
5. To pre-approve: (a) audit and non-audit services provided by the independent auditors to the Fund; and (b) non-audit services provided by the independent auditors to the adviser or any other entity controlling, controlled by or under common control with the adviser that provides on-going services to the Fund ("Adviser Affiliates") if the engagement of the independent auditors relates directly to the operations and financial reporting of the Fund, as contemplated by the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act") and the rules issued by the SEC in connection therewith (except, in the case of non-audit services provided to the Fund or any Adviser Affiliate, those within applicable de minimis statutory or regulatory exceptions), and to consider the possible effect of providing such services on the independence of the independent auditors.
6. To adopt, to the extent deemed appropriate by the Committee, policies and procedures for pre-approval of the audit or non-audit services referred to above, including policies and procedures by which the Committee may delegate to one or more of its members authority to grant such pre-approval on behalf of the Committee (subject to subsequent reporting to the Committee). The Committee hereby delegates to each of its members the authority to pre-approve any non-audit services referred to above between meetings of the Committee, provided that: (i) all reasonable efforts shall be made to obtain such pre-approval from the Chairperson of the Committee prior to seeking such pre-approval from any other member of the Committee; and (ii) all such pre-approvals shall be reported to the Committee not later than the next meeting thereof.
7. To consider the controls implemented by the independent auditors and any measures taken by management to ensure that all items requiring pre-approval by the Committee are identified and referred to the Committee in a timely fashion.

To receive at least quarterly a report from such independent auditors of: (i) all critical accounting policies and practices used by the Fund (or, in connection with any update, any changes in such accounting policies and practices), (ii) all material alternative accounting treatments within GAAP that have been discussed with management since the last annual report or update, including the ramifications of the use of the alternative treatments and the treatment preferred by the accounting firm, (iii) other material written communications between 8. the independent auditors and the management of the Fund since the last annual report or update, (iv) a description of all non-audit services provided, including fees associated with the services, to any fund complex of which the Fund is a part since the last annual report or update that was not subject to the pre-approval requirements as discussed above; and (v) any other matters of concern relating to the Fund's financial statements, including any uncorrected misstatements (or audit differences) whose effects management believes are immaterial, both individually and in aggregate, to the financial statements taken as a whole.

To review and discuss with the independent auditors the matters required to be communicated with respect to the Fund pursuant to communications pursuant to applicable auditing standards, as in effect from time to time, and to receive such other communications or reports from the independent auditors (and management's responses to such reports or communications) as may be required under applicable listing standards of the national securities exchanges on which the Fund's shares are listed, including a report describing: (1) the internal quality-control procedures of the independent auditors, any material issues raised by the most recent internal quality-control review, 9. or peer review, of the independent auditors, or by any inquiry or investigation by governmental or professional regulatory authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditors, and any steps taken to deal with any such issues; and (2) all relationships between the independent auditors and the Fund and any other relationships or services that may impact the objectivity and independence of the independent auditors. To the extent unresolved disagreements exist between management and the independent auditors regarding the financial reporting of the Fund, it shall be the responsibility of the Committee to resolve such disagreements.

To consider and review with the independent auditors any reports of audit problems or difficulties that may have 10. arisen in the course of the audit, including any limitations on the scope of the audit, and management's response thereto.

To establish hiring policies for employees or former employees of the independent auditors who will serve as 11. officers or employees of the Fund.

With respect to each Fund the securities of which are listed on a national securities exchange, to: (a) provide a recommendation to the Board regarding whether the audited financial statements of the Fund should be included in 12. the annual report to shareholders of the Fund; and (b) prepare an audit committee report consistent with the requirements of applicable regulations under Regulation S-K for inclusion in the proxy statement for the Fund's annual meeting of shareholders.

To discuss generally the Fund's earnings releases, as well as financial information and guidance provided to analysts and rating agencies, in the event a Fund issues any such releases or provides such information or 13. guidance. Such discussions may include the types of information to be disclosed and the type of presentation to be made. The Committee need not discuss in advance each earnings release or each instance in which earnings guidance may be provided.

To consider the Fund's major financial risk exposures and the steps management has taken to monitor and control 14. such exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken.

To review and report to the Board with respect to any material accounting, tax, valuation, or record-keeping issues 15. which may affect the Fund, its respective financial statements or the amount of their dividend or distribution rates.

To establish procedures for: (a) the receipt, retention, and treatment of complaints received by the Fund regarding accounting, internal accounting controls, or auditing matters; and (b) the confidential, anonymous submission by 16. employees of the Fund or its service providers (including its investment advisers, administrators, principal underwriters and any other provider of accounting related services to the Fund) of concerns regarding questionable accounting or auditing matters.

To direct and supervise investigations with respect to the following: (a) evidence of fraud or significant deficiencies in the design or implementation of internal controls reported to the Committee by the principal 17. executive or financial officers of the Fund pursuant to the requirements of the Sarbanes-Oxley Act and related rules; and (b) any other matters within the scope of this Charter, including the integrity of reported facts and figures, ethical conduct, and appropriate disclosure concerning the financial statements of the Funds.

To review and recommend to the Board policies and procedures for valuing portfolio securities of the Fund and to 18. make recommendations to the Board with respect to specific fair value determinations and any pricing errors involving such portfolio securities.

To coordinate its activities with the other committees of the Board as necessary or appropriate to carry out its 19. purposes effectively and efficiently, and to communicate with such other committees regarding matters that the Committee or such other committees may wish to consider in exercising their respective powers.

To review the adequacy of this Charter and evaluate the Committee's performance of its duties and responsibilities 20. hereunder at least annually, and to make recommendations to the Board for any appropriate changes or other action.

To take such other actions as may be requested by the Board or Chairperson of the Board from time to time 21. consistent with carrying out the purposes of the Committee.

VI. Powers and Authority of the Committee.

In performing its duties and responsibilities, the Committee shall have the following powers and authority:

1. To make recommendations to the Board with respect to any of the foregoing matters and such other matters as the Committee may determine to be necessary or appropriate to carry out its purposes, including recommendations with respect to industry trends, best practices and educational or training opportunities for Independent Trustees to enhance the Board's understanding of such matters.
2. To exercise such additional powers as from time to time may be authorized by the Board.

VII. Resources of the Committee.

The Committee shall have the resources appropriate to exercise its powers and fulfill its responsibilities hereunder. Subject to the prior approval of the Board or the Chairperson of the Board, the Committee may engage counsel, consultants and other experts, at the expense of the Funds, and may determine the appropriate levels of funding for payment of compensation to such counsel, consultants and other experts, as well as the ordinary administrative expenses necessary or appropriate in exercising its powers and fulfilling its responsibilities under this Charter, including the reasonable costs of specialized training for Committee and Board members. The Committee may access directly such officers and employees of the Funds, Eaton Vance and the Funds' other services providers, as it deems necessary or desirable in accordance with such communication protocols, if any, as may be established from time to time by the Board.
