**PROXY STATEMENT**

**PARKE BANCORP, INC.**

**601 DELSEA DRIVE**

**WASHINGTON TOWNSHIP, NEW JERSEY 08080**

**ANNUAL MEETING OF SHAREHOLDERS**

**APRIL 22, 2008**

**GENERAL**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Parke Bancorp, Inc., the bank holding company of Parke Bank, a New Jersey chartered commercial bank, to be used at an Annual Meeting of Shareholders to be held at The Terra Nova, 590 Delsea Drive, Washington Township, New Jersey, on April 22, 2008, at 10:00 a.m. The accompanying Notice of Annual Meeting and this Proxy Statement are being first mailed to shareholders on or about March 24, 2008.

At the Annual Meeting, shareholders will consider and vote upon (i) the election of four directors of the Company and (ii) the ratification of the appointment of McGladrey & Pullen, LLP as the Company's independent auditor for the fiscal year ending December 31, 2008.

The Board of Directors knows of no additional matters that will be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers on the designated proxyholder the discretionary authority to vote the shares represented by such proxy in accordance with their best judgment on such other business, if any, that may properly come before the Annual Meeting or any adjournment thereof.

**VOTING AND PROXY PROCEDURES**

**Who Can Vote at the Annual Meeting**

You are only entitled to vote at the Annual Meeting if our records show that you held shares of our common stock, \$.10 par value (the "Common Stock"), as of the close of business on March 14, 2008 (the "Record Date"). If your shares are held by a broker or other intermediary, you can only vote your shares at the Annual Meeting if you have a properly executed proxy from the record holder of your shares (or their designee). As of the Record Date, a total of 3,231,734 shares of Common Stock were outstanding. Each share of Common Stock has one vote on each matter presented.

**Voting by Proxy**

The Board of Directors is sending you this Proxy Statement for the purpose of requesting that you allow your shares of Common Stock to be represented at the Annual Meeting by the persons named in the enclosed Proxy Card. All shares of Common Stock represented at the Annual Meeting by properly executed and dated proxies will be voted according to the instructions indicated on the Proxy Card. If you sign, date and return the Proxy Card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. **The Board of Directors recommends a vote "FOR" its nominees for director and a vote "FOR" the ratification of the appointment of McGladrey & Pullen, LLP as our independent auditors.**

## Edgar Filing: PARKE BANCORP, INC. - Form DEF 14A

If any matters not described in this Proxy Statement are properly presented at the Annual Meeting, the persons named in the Proxy Card will vote your shares as determined by a majority of the Board of Directors. If the Annual Meeting is postponed or adjourned, your Common Stock may be voted by the persons named in the Proxy Card on the new Annual Meeting dates as well, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the Annual Meeting.

You may revoke your proxy at any time before the vote is taken at the Annual Meeting. To revoke your proxy you must advise the Company's Secretary in writing before your Common Stock has been voted at the Annual Meeting, deliver a later-dated proxy, or attend the Annual Meeting and vote your shares in person. Attendance at the Annual Meeting will not in itself revoke your proxy.

If you hold your Common Stock in "street name," you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this Proxy Statement.

### **Vote Required**

The Annual Meeting can only transact business if a majority of the outstanding shares of Common Stock entitled to vote is represented at the Annual Meeting. If you return a valid proxy or attend the Annual Meeting in person, your shares will be counted for purposes of determining whether there is a quorum even if you abstain or withhold your vote or do not vote your shares at the Annual Meeting. Broker non-votes will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not have discretionary voting power with respect to the agenda item and has not received voting instructions from the beneficial owner.

In voting on the election of a director, you may vote in favor of the nominee or withhold votes as to the nominee. There is no cumulative voting in the election of directors. Directors must be elected by a plurality of the votes cast at the Annual Meeting. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In voting to ratify the appointment of McGladrey & Pullen LLP as our independent auditors, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, this proposal requires the affirmative vote of a majority of the votes cast at the Annual Meeting. Broker non-votes and abstentions will not be counted as votes cast and will have no effect on the voting on this proposal.

### **PRINCIPAL HOLDERS OF OUR COMMON STOCK**

Persons and groups beneficially owning more than 5% of the Common Stock are required to file certain reports regarding their ownership with the Securities and Exchange Commission. A person is the beneficial owner of shares of Common Stock if he or she has or shares voting or investment power over the shares or has the right to acquire beneficial ownership of the shares at any time within 60 days from the Record Date. The following table sets forth information as of the Record Date with respect to the persons or groups known to the Company to beneficially own more than 5% of the Common Stock as well as directors and executive officers as a group.

Additionally, the Board will consider persons recommended by shareholders of the Company in selecting the Board's nominees for election. There is no difference in the manner in which persons recommended by directors or officers versus persons recommended by shareholders in selecting Board nominees are evaluated.

To be considered in the selection of Board nominees, recommendations from shareholders must be received by the Company in writing by at least 120 days prior to the date the proxy statement for the previous year's annual meeting was first distributed to shareholders. Recommendations should identify the submitting shareholder, the person recommended for consideration and the reasons the submitting shareholder believes such person should be considered. The Board believes potential directors should be knowledgeable about the business activities and market areas in which the Company engages.

**Compensation Committee.** The Compensation Committee is comprised of Directors Choate, Dalton, Hedenberg, Jannetti, Pennoni and Phalines. The Committee met one time during the 2007 fiscal year. The Compensation Committee has not adopted a written charter. The Committee uses financial performance of the Company relative to targeted goals and industry performance as well as the specific goals of the executive officers against annual goals as the primary consideration for compensation. The Committee also considers compensation in the marketplace for consideration of executive compensation. The Committee uses peer comparison to other financial institutions in considering director compensation and considers meetings attended, both full board and committee meetings, as the primary factor for compensation. Specifically, the board now targets director fees at the 75<sup>th</sup> percentile against peer comparisons in arriving at director compensation.

**Audit Committee.** The Audit Committee is comprised of Directors Choate, Dalton, Phalines and Pennoni. The Committee met nine times in fiscal year 2007. The Board of Directors has adopted a written audit committee charter for the Audit Committee, a copy of which was attached as an appendix to the proxy statement for the 2006 annual meeting.

**Audit Committee Financial Expert.** The Board of Directors has determined that Fred G. Choate is an Audit Committee “financial expert” as that term is defined in Item 407(d)(5) of Regulation S-K of the Securities and Exchange Commission. Mr. Choate would be considered an independent director, under the rules of The Nasdaq Stock Market including the specific independence requirements for audit committee members.

**Compensation Committee Interlocks and Insider Participation.** No member of our Compensation Committee is or formerly was an officer or employee of the Company. During 2007, none of our executive officers served on the Compensation Committee (or equivalent), or the Board of Directors, of another entity whose executive officer or officers served on our Compensation Committee or Board.

#### **Shareholder Communications**

The Board of Directors does not have a formal process for shareholders to send communications to the Board. In view of the infrequency of shareholder communications to the Board of Directors, the Board does not believe that a formal process is necessary. Written communications received by the Company from shareholders are shared with the full Board no later than the next regularly scheduled Board meeting. The Board encourages, but does not require, directors to attend the annual meeting of shareholders. Ten of the Board’s twelve members attended the 2007 annual meeting of shareholders.

The Black-Scholes option pricing model was used to estimate the fair value of stock-based awards, which represents the compensation cost recognized by the Company for fiscal 2007 and 2006 in connection with options to purchase shares of Company common stock granted to the individual, regardless of the year of grant and calculated in accordance with Statement of Financial Accounting Standard ("SFAS") 123R for financial statement purposes. For more information concerning the assumptions used for these calculations, please see Note 13 of Notes to Consolidated Financial Statements in the 2007 Annual Report to Stockholders.

**Option Exercises and Stock Vested.** There were no exercises of options or stock awards during the last fiscal year for the Named Executive Officers.

**Supplemental Executive Retirement Plan (“SERP”)**The Bank implemented a SERP program effective January 1, 2003. Vito S. Pantilione, President and David O. Middlebrook, Senior Vice President, are each participants in the SERP. Under the SERP, retirement benefits are payable to such participant commencing upon retirement after attainment of age 60 at the rate of 50% of their highest base salary paid while an employee of the Bank for the remainder of their life. If such retirement benefit payments are made for less than ten years, a survivor benefit will continue to be paid for the balance of such ten year period. Such benefits are in addition to any social security benefits. Upon a change of control of the Bank prior to the date of retirement of a participant, all benefits shall be deemed earned and non-forfeitable as if such participant had attained his or her retirement date at age 60. A participant may elect to retire after age 55 and such benefits payable shall be actuarially reduced to reflect the earlier payment commencement date. If a participant dies prior to age 60 while employed by the Bank, a survivor benefit will be paid equal to 100% of the participant’s highest salary for one year and 50% of such salary for four additional years. Benefits under the plan may be paid in the form of a lump-sum on an actuarially equivalent basis. For the year ended December 31, 2007, the Bank had total accrued plan expense of \$285,000 with respect to benefits payable under the SERP. Benefits under the SERP will be a tax deductible expense to the Bank at the time that actual benefit payments are made. The Bank has invested in various life insurance agreements (commonly known as BOLI, for bank-owned life insurance) with policy proceeds payable to the Bank in the event of the death of plan participants. Such insurance proceeds and earnings related to such investments are anticipated to exceed any plan costs related to benefit payments.

**Nonqualified Deferred Compensation.** The Company does not have any non-qualified deferred compensation arrangements.

**Potential Payments Upon Termination or Change-in-Control.** As described below, the Named Executive Officers are parties to various agreements that provide for payments in connection with any termination of their employment. The following table shows the payments that would be made to the Named Executive Officers at, following or in connection with any termination of their employment in the specified circumstances as of the last business day of the last fiscal year.

- (1) The payment represents the annual amount payable to the executive for a minimum of 2 years and a maximum of 3 years.
  - (2) Early retirement payments and normal retirement payments represent eligible annual payments under the SERP Plan for ages 55 and 60, respectively.
  - (3) These payments represent a maximum lump sum payment to the Named Executive upon termination of their contract.
  - (4) The disability payment includes insurance disability as well as Company compensation on an annual basis for the remainder of the named executive's term of employment contract (minimum of 2 years up to a maximum of 3 years).
  - (5) Death benefits represent total life insurance payments that would be paid out to the named executive's heirs.

**Employment Agreements.** The Bank has entered into an employment agreement with Mr. Pantilione. Mr. Pantilione's base salary under the employment agreement for the year ended December 31, 2007 was \$300,000. Mr. Pantilione's employment agreement has a term of three years that is automatically extended for one year on January 1st of each year, unless notice of termination of the automatic extension is given in accordance with the terms of the employment agreement. The employment agreement may be terminated by the Bank for "cause" as defined in the agreement. If the Bank terminates Mr. Pantilione's employment without just cause, he will be entitled to a continuation of his salary from the date of termination through the remaining term of the agreement. The employment agreement contains a provision stating that after Mr. Pantilione's employment is terminated in connection with any change in control, he will be paid a lump sum amount equal to the balance of the annual compensation due under the agreement plus an amount equal to 3.0 times the highest rate of bonus awarded to him during the three years prior to such termination. If payment had been made under the agreement as of December 31, 2007, the payment to Mr. Pantilione would have equaled approximately \$1,350,000. The employment agreement also grants the right of the employee, within six months following a termination without cause or a voluntary termination by the employee for good reason, to require the Company to repurchase all of the employee's shares of Common Stock, warrants and options of the Company then owned by the employee at the closing price of such stock on the business day immediately preceding the date of notice of the employee's exercise of this right. The employment agreement also grants the right of the employee, within six months following a termination without cause or a voluntary termination by the employee for good reason, to require the Company to repurchase all of the employee's shares of Common Stock, warrants and options of the Company then owned by the employee at the closing price of such stock on the business day immediately preceding the date of notice of the employee's exercise of this right. The employment agreement also contains an agreement not to

compete with the Bank which restricts certain post-employment activities of the employee within the Counties of Gloucester, Camden, Salem or Cumberland, New Jersey, for two years following termination of employment with the Bank.

**Change in Control Severance Agreements.** The Company has implemented Management Change in Control Agreements with its named executive officers (Elizabeth Milavsky, Senior Vice President, Robert Kuehl, Senior Vice President, Paul Palmieri, Senior Vice President, and David Middlebrook, Senior Vice President). Such severance benefits associated with termination of employment following a change in control will equal two and one-half times the most recent salary and bonus payment, not to exceed the tax deductible amounts under Section 280G of the Code.

Directors' fees are paid by the Bank; there are no additional fees paid by the Company.

## **RELATED PARTY TRANSACTIONS**

In the normal course of its business as a financial institution, the Bank has granted loans to its officers, directors and their affiliates. The terms of these related party loans, including interest rates, collateral and repayment terms, are similar to those prevailing for comparable transactions with other customers and do not involve more than a normal risk of collectability or other unfavorable features. At December 31, 2007, the aggregate outstanding principal balance of all such related party loans was \$17,663,000 and all such loans were current and performing in accordance with their terms.

The Company purchased in 2007 employee benefits such as medical insurance, life insurance and disability insurance from an insurance agency owned by one of its Board members, Jeffrey H. Kripitz, which amounted to \$357,000. Mr. Kripitz has beneficial ownership of 219,952 shares, or 6.81% of the Company's outstanding shares.

## **PROPOSAL II -- RATIFICATION OF APPOINTMENT OF AUDITORS**

The Board of Directors of the Company has appointed McGladrey & Pullen, LLP as the Company's independent auditor for the fiscal year ending December 31, 2008, subject to ratification by the Company's shareholders. A representative of McGladrey & Pullen, LLP is expected to be present at the Annual Meeting and available to respond to appropriate questions, and he will have the opportunity to make a statement if he so desires.

*Audit Fees.* The aggregate fees billed by McGladrey & Pullen, LLP for professional services rendered for the audit of the Company's annual consolidated financial statements and for the review of the consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q for the fiscal years ended December 31, 2007 and 2006, were \$87,000 and \$90,000, respectively.

*Audit Related Fees.* The aggregate fees billed by McGladrey & Pullen, LLP for audit and related services and assistance with Registration Statements on Form S-3 for the years ended December 31, 2007 and 2006, were \$3,500 and \$0, respectively.

*All Other Fees.* There were no fees billed by McGladrey & Pullen, LLP for professional services rendered for services or products other than those listed under the captions "Audit Fees," "Audit-Related Fees," and "Tax Fees" for the years ended December 31, 2007 and 2006.

The Audit Committee has not established pre-approval procedures and instead specifically approves each service prior to the engagement of the auditor for all audit and non-audit services. It is the Audit Committee's policy to pre-approve all audit and non-audit services prior to the engagement of the

Company's independent auditor to perform any service. All of the services listed above for 2007 and 2006 were approved by either the Company's or the Bank's Audit Committee prior to the service being rendered. There were no services that were not recognized to be non-audit services at the time of engagement that were approved after the fact. Ratification of the appointment of the independent auditor requires the affirmative vote of a majority of the votes cast, in person or by proxy, by the shareholders of the Company at the Annual Meeting. **The Board of Directors recommends that shareholders vote "FOR" the ratification of the appointment of McGladrey & Pullen, LLP as the Company's independent auditor for the 2008 fiscal year.**

#### **REPORT OF THE AUDIT COMMITTEE**

The Audit Committee's main responsibilities include establishing and reviewing the Company's internal controls and operating procedures to ensure compliance by the Company with all applicable laws, regulations, generally accepted accounting standards and customary operating procedures and practices. The Audit Committee also monitors the results of examinations by the Company's independent auditor. During the year ended December 31, 2007, this committee met nine times.
