This proxy statement is furnished in connection with the solicitation of proxies for use at the annual meeting of stockholders of Hemispherx Biopharma, Inc. ("Hemispherx" or the "Company") to be held on Wednesday, September 10, 2003, and at any adjournments. The accompanying proxy is solicited by the Board of Directors of Hemispherx and is revocable by the stockholder by notifying Hemispherx's Corporate Secretary at any time before it is voted, or by voting in person at the annual meeting. This proxy statement and accompanying proxy will be distributed to stockholders beginning on or about July 21, 2003. The principal executive offices of Hemispherx are located at 1617 JFK Boulevard, Philadelphia, Pennsylvania 19103, telephone (215) 988-0080.

OUTSTANDING SHARES AND VOTING RIGHTS

RECORD DATE; OUTSTANDING SHARES

Only stockholders of record at the close of business on July 14, 2003, the record date, are entitled to receive notice of, and vote at the annual meeting. As of the record date, the number and class of stock outstanding and entitled to vote at the meeting was 35,821,275 shares of common stock, par value \$.001 per share. Each share of common stock is entitled to one vote on all matters. No other class of securities will be entitled to vote at the meeting. There are no cumulative voting rights.

The five nominees receiving the highest number of votes cast by the holders of common stock represented and voting at the meeting will be elected as Hemispherx's directors and constitute the entire board of directors of Hemispherx. The affirmative vote of at least a majority of the shares represented and voting at the annual meeting at which a quorum is present (which shares voting affirmatively also constitute at least a majority of the required quorum) is necessary for approval of Proposal No. 2. The affirmative vote of at least a majority of the issued and outstanding shares as of the record date is necessary for approval of Proposal No.3. A quorum is representation in person or by proxy at the annual meeting of a majority of the outstanding shares of Hemispherx on the record date.

1

REVOCABILITY OF PROXIES

If you attend the meeting, you may vote in person, regardless of whether you have submitted a proxy. Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before it is voted. It may be revoked by filing, with the corporate secretary of Hemispherx at its principal offices, 1617 JFK Boulevard, Suite 660, Philadelphia, PA 19103, a written notice of revocation or a duly executed proxy bearing a later date, or it may be revoked by attending the meeting and voting in person.

VOTING AND SOLICITATION

Every stockholder of record is entitled, for each share held, to one vote on each proposal or item that comes before the meeting. There are no cumulative voting rights. By submitting your proxy, you authorize William A. Carter and Ransom W. Etheridge and each of them to represent you and vote your shares at the meeting in accordance with your instructions. Messrs. Carter and Etheridge and each of them may also vote your shares to adjourn the meeting from time to time and will be authorized to vote your shares at any adjournment or postponement of the meeting.

Edgar Filing: HEMISPHERX BIOPHARMA INC - Form DEF 14A

Hemispherx has borne the cost of preparing, assembling and mailing this proxy solicitation material. The total cost estimated to be spent and the total expenditures to date for, in furtherance of, or in connection with the solicitation of stockholders is approximately \$40,000. Hemispherx may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding soliciting materials to beneficial owners. Proxies may be solicited by certain of Hemispherx's directors, officers and employees, without additional compensation, personally, by telephone or by facsimile.

We have hired the firm of MacKenzie Partners, Inc. to assist in the solicitation of proxies on behalf of the Board of Directors. MacKenzie has agreed to perform this service for a proposed fee of \$5,000.00 plus out-of-pocket expenses.

ADJOURNED MEETING

The chair of the meeting may adjourn the meeting from time to time to reconvene at the same or some other time, date and place. Notice need not be given of any such adjournment meeting if the time, date and place thereof are announced at the meeting at which the adjournment is taken. If the time, date and place of the adjournment meeting are not announced at the meeting which the adjournment is taken, then the Secretary of the Corporation shall give written notice of the time, date and place of the adjournment meeting not less than ten (10) days prior to the date of the adjournment meeting. Notice of the adjournment meeting also shall be given if the meeting is adjourned in a single adjournment to a date more than 30 days or in successive adjournments to a date more than 120 days after the original date fixed for the meeting.

TABULATION OF VOTES

The votes will be tabulated and certified by Hemispherx's transfer agent.

VOTING BY STREET NAME HOLDERS

If you are the beneficial owner of shares held in "street name" by a broker, the broker, as the record holder of the shares, is required to vote those shares in accordance with your instructions. If you do not give instructions to the broker, the broker will nevertheless be entitled to vote the shares with respect to "discretionary" items but will not be permitted to vote the shares with respect to "non-discretionary" items (in which case, the shares will be treated as "broker non-votes").

QUORUM; ABSTENTIONS; BROKER NON-VOTES

The required quorum for the transaction of business at the annual meeting is a majority of the shares of common stock entitled to vote at the annual meeting, in person or by proxy. Shares that are voted "FOR," "AGAINST" or "WITHHELD FROM" a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares represented and voting the votes cast at the annual meeting with respect to such matter.

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, Hemispherx believes that abstentions should be counted for purposes of determining both: (i) the presence or absence of a quorum for the transaction of business; and (ii) the total number of votes cast with respect to a proposal (other than the election of directors). In the absence of controlling precedent to the contrary, Hemispherx intends to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote against the proposal (other than the election of

Edgar Filing: HEMISPHERX BIOPHARMA INC - Form DEF 14A

directors).

Under current Delaware case law, while broker non-votes (i.e. the votes of shares held of record by brokers as to which the underlying beneficial owners have given no voting instructions) should be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of votes cast with respect to the particular proposal on which the broker has expressly not voted. Hemispherx intends to treat broker non-votes in this manner. Thus, a broker non-vote will make a quorum more readily obtainable, but the broker non-vote will not otherwise affect the outcome of the voting on a proposal.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Proposals of stockholders to be considered for inclusion in the Proxy Statement and proxy card for the 2004 Annual Meeting of Stockholders must be received by the Company's Secretary, at Hemispherx Biopharma, Inc., 1617 JFK Boulevard, Philadelphia, PA 19103 no later than March 25, 2004.

Pursuant to the Company's Restated and Amended Bylaws all stockholder proposals may be brought before an annual meeting of stockholders only upon timely notice thereof in writing having been given the Secretary of the Company. To be timely, a stockholder's notice, for all stockholder proposals other than the nomination of candidates for director, shall be delivered to the Secretary at the principal executive offices of the Company not less than sixty (60) nor more than ninety (90) days prior to the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, that in the event that the annual meeting is called for a date that is not within thirty (30) days before or after such anniversary date, the stockholder's notice in order to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting was made, whichever first occurs. Provided, however, in the event that the stockholder proposal relates to the nomination of candidates for director and the number of directors to be elected to the Board of Directors of the Company at an annual meeting is increased and there is no public announcement by the Company naming all of the nominees for director or specifying the size of the increased Board of Directors at least one hundred days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Company not later than the close of business on the tenth day following the day on which such public announcement is first made by the Company. All stockholder proposals must contain all of the information required under the Company's Bylaws, a copy of which is available upon written request, at no charge, from the Secretary. The Company reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

However, Mr. Piani is a Businessman and has 40 years of experience of working with budgets, analyzing financials and dealing with financial institutions. The Company believes Mr. Piani, Dr. Mitchell and Iraj-Eqhbali Kiani to be independent of management and free of any relationship that would interfere with their exercise of independent judgement as members of this committee. The principal functions of the Audit Committee are to serve as an independent and objective party to assist the Board of Directors in monitoring the integrity of the financial statements of the Company, the compliance by the Company with legal and regulatory requirements, and the independence and performance of the Company's auditors.

Audit Committee Report.

The Audit Committee of the Board of Directors was composed of three independent directors and operates under a written charter prepared and adopted by the Board of Directors. One of these members, Ransom Etheridge, as a result of his increased activity with the Company, no longer deemed independent. The Committee recommends to the Board of Directors, subject to stockholders' ratification, the selection of the Company's independent accountants.

Management is responsible for the Company's internal controls and financial reporting process. The Company's independent accountants, BDO Seidman, LLP ("BDO"), are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America, and for expressing an opinion on the conformity of the financial statements to accounting principles generally accepted in the United States of America. The Committee's responsibility, as the representative of the Board of Directors, is to monitor and oversee the processes.

In this context, the Committee met and held discussions with management and BDO. Management represented to the Committee that the Company's audited financial statements were prepared in accordance with accounting principles generally accepted with the United States of America, and the Committee has reviewed and discussed the audited financial statements with management and BDO. In addition, the Committee has discussed with BDO the matters required to be discussed by Statement on Auditing Standards No. 61 Communication with Audit Committees. The Audit Committee also has received the written disclosures and letter from BDO required by Independence Standards Board Standard No. 1 Independence Discussions with Audit Committees, and has discussed with BDO its independence from the Company.

Based on reviews, discussions and other matters referred to in the preceding paragraph, the Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report Form on Form 10-K for the fiscal year ended December 31, 2002.

This report is submitted by the Audit Committee of the Company's Board of Directors.

Compensation Committee Report on Compensation

The Compensation Committee makes recommendations concerning salaries and compensation for employees of and consultant to Hemispherx. In general, the Compensation Committee seeks to link the compensation paid to each executive officer to the performance of such executive officer. Within these parameters, the executive compensation that is competitive with companies of comparable size and with similar market and operating characteristics.

The Company's policy is that executive compensation should be directly and materially related to the short-term and long-term operating performance and objectives of the Company. As such, the Compensation Committee has determined that compensation of executive officers should include a mixture of short and long range compensation elements which are intended to attract, motivate and retain competent executive personnel, increase executive ownership interests in the Company and improve operating performance of the Company.

There are three elements in Hemispherx's executive compensation program, all determined by individual and corporate performance:

- o Base salary
- o Annual incentive
- o Long-term incentive

Base Salary

In establishing base salary levels for individual executives, the Compensation Committee will consider factors such as the executive's scope of responsibility, current and future potential performance, and overall competitive positioning relative to comparable positions at other companies. The objective of the Company is to structure salaries that are competitive with those of similarly situated companies.

The Summary Compensation Table shows amounts earned during 2002 by our executive officers. The base salary compensation for each of Dr. William A. Carter and Robert E. Peterson is set by the terms of the employment engagement agreement entered into with each Executive Officer. Hemispherx established the base salary for its Chief Executive Officer, Dr. William A. Carter under an employment agreement dated December 31, 1998 (as amended on August 14, 2002) for a base salary of \$361,586 until May 8, 2008. Hemispherx also extended its engagement agreement with Robert E. Peterson, Chief Financial Officer, which provides for a base fee of \$155,988 until December 31, 2003. Dr. Carter's and Mr. Peterson's agreements provide for annual cost of living increases. Dr. Carter's compensation also includes funds previously paid to Dr. Carter by Hahnemann Medical University where he served as a professor until 1998. This compensation was continued by company and totaled \$79,826 in each of 2000 and

Edgar Filing: HEMISPHERX BIOPHARMA INC - Form DEF 14A

2001. In 2002, this compensation was \$82,095.

Annual Incentives

Annual incentive bonus awards are granted from time to time to executives in recognition of their contribution to the Company's business and operations, as measured against competitors of the company and the Company's internal budgets and operating plans.

Under the terms of their respective agreements with the Company, our Chief Executive Officer and President, Dr. William A. Carter, and our Chief Financial Officer, Robert E. Peterson, may receive an annual incentive bonus as determined by the Compensation Committee based on such executive officer's performance during the previous calendar year. The cash bonus awarded to the Company's Chief Executive Officer in 1999 and 2000 was determined on provisions of his employment agreement.

Long-Term Incentives

The Company grants long-term incentive awards periodically to align a significant portion of the executive compensation program with stockholder interests over the long-term through encouraging and facilitating executive stock ownership. Executives are eligible to participate in the Company's incentive stock option plans. In connection with extending Dr. Carter's employment agreement in 2002, the Compensation Committee approved a grant of 1,000,000 warrants to our Chief Executive Officer and President, Dr. William Carter. These warrants are exercisable at \$2.00 per share. All warrants expire on August 13, 2008 unless previously exercised. Also, our Chief Financial Officer, Robert E. Peterson was granted 200,000 warrants to purchase common stock at \$2.00 per share which expires August 13, 2008 unless previously exercised.

Chief Executive Officer Compensation

The Summary Compensation Table shows that during the year 2002 the Company's Chief Executive Officer and President, Dr. William A. Carter earned \$376,782 in base compensation pursuant to the terms of his employment agreement. In addition, Dr. Carter's compensation in 2002 also includes funds previously paid by Hahnemann University where he served as a Professor until 1998. In 2002, Dr. Carter also received an aggregate of \$12,486 in short term advances bearing interest at 6% per annum, of which were repaid by December 31, 2002.

The Compensation Committee believes that Dr. Carter's total compensation is consistent with the median compensation for CEO's in comparable companies. Factors reviewed by the Compensation Committee's assessment of the Company's and the CEO's performance include individual performance, growth in revenue and expense management and implementation of the Company's business strategy.

Compliance With Internal Revenue Code Section 162(m).

One of the factors the Compensation Committee considers in connection with compensation matters is the anticipated tax treatment to Hemispherx and to the executives of the compensation arrangements. The deductibility of certain types of compensation depends upon the timing of an executive's vesting in, or exercise of, previously granted rights. Moreover, interpretation of, and changes in, the tax laws and other factors beyond the Compensation Committee's control also affect the deductibility of compensation. Accordingly, the Compensation Committee will not necessarily limit executive compensation to that deductible under Section 162(m) of the Code. The Compensation Committee will consider various alternatives to preserving the deductibility of compensation payments and benefits to the extent consistent with its other compensation objectives.

At the Annual Stockholder's Meeting on August 14, 2002 and pursuant to the recommendation of the Audit Committee of the Board of Directors, stockholders ratified the appointment of the firm of BDO Seidman, LLP, as independent accountants, to audit the financial statements of the Company for the year end December 31, 2002.

Edgar Filing: HEMISPHERX BIOPHARMA INC - Form DEF 14A

All audit and professional services provided by BDO Seidman, LLP are approved by the Audit Committee. The total fees billed by BDO Seidman, LLP were \$104,885 in 2001 and \$178,429 in 2002. The fees for work in 2001 and 2002 are summarized below in terms of audit work and other work. BDO Seidman, LLP did not perform any tax work for the company in 2001 or 2002.

Audit Fees - The aggregate fees billed by BDO Seidman, LLP for professional services rendered for the audit of the Company's financial statements for the year ending December 31, 2001 and 2002 were approximately \$96,707 in 2001 and \$131,284 in 2002. These fees included review of the Company's quarterly filings with the SEC.

Other Fees - The aggregate fees billed by BDO Seidman, LLP for other fees was \$8,178 in 2001 and \$47,145 in 2002. These fees basically reflect BDO Seidman, LLP's work on reviewing Form S-3 registration statements and acquisition due diligence.

The Audit Committee has determined that BDO Seidman, LLP's rendering of these non-audit services is compatible with maintaining auditors independence. The Board of Directors considers BDO Seidman, LLP to be well qualified to serve as the independent public accountants of the Company. If, however, the stockholders do not ratify the appointment of BDO Seidman, LLP, the Board of Directors may, but is not required to, reconsider the appointment. It is anticipated that a representative of BDO Seidman, LLP will be present at the Annual Meeting and will be available to respond to appropriate questions.

The affirmative vote of at least a majority of the shares represented and voting at the Annual Meeting at which a quorum is present (which shares voting affirmatively also constitute at least a majority of the required quorum) is necessary for approval of Proposal No. 2. Under Delaware law, there are no rights of appraisal or dissenter's rights, which arise as a result of a vote to ratify the selection of auditors.

THE BOARD OF DIRECTORS DEEMS PROPOSAL NO. 2 TO BE IN THE BEST INTERESTS OF HEMISPHERX AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL THEREOF.

PROPOSAL NO. 3

APPROVAL OF THE COMPANY'S PROPOSAL TO AMEND THE ARTICLES OF INCORPORATION

The Board of Directors is proposing the approval and adoption of an amendment to the Company's Certificate of Incorporation, which increases the number of common shares authorized for issuance. The complete text of the proposed Amendment to the Certificate of Incorporation is attached as Appendix A to this Proxy Statement.

The Company's Articles currently authorize the issuance of 50,000,000 common shares, \$.001 par value, and 5,000,000 Preferred Shares, \$.001 par value per share. In May, 2003, the Board of Directors adopted a resolution proposing that the Articles be amended to increase the authorized number of common shares to 100,000,000 subject to stockholder approval of the Amendment to the Articles. The Board of Directors has determined that adoption of the Amendment is in the best interest of the Company and unanimously recommends approval by the stockholders.

As of July 14, 2003, the Company had 35,821,275 common shares outstanding and 13,294,527 common shares reserved for future issuance under

Edgar Filing: HEMISPHERX BIOPHARMA INC - Form DEF 14A

the Company's existing stock option plans and outstanding options, warrant and convertible debentures, leaving 884,198 common shares available for future grants.

The Board of Directors believes that the proposed increase in authorized common shares will benefit the Company by providing flexibility to issue common shares for a variety of business and financial objectives in the future without the necessity of delaying such activities for further stockholder approval, except as may be required in particular cases by the Company's charter documents, applicable law or the rules of any stock exchange or national securities association trading system on which the Company's securities may be listed or quoted. In addition, the Company's Board of Directors could issue large blocks of Company Common Stock to fend off unwanted tender offers or hostile takeovers without further stockholder approval.

On March 12, 2003, we issued an aggregate of \$5,426,000 in principal amount of 6% Senior Convertible Debentures due January 31, 2005 and an aggregate of 743,288 warrants to two investors in a private placement for aggregate gross proceeds of \$4,650,000. The Debentures mature on January 31, 2005 and bear interest at 6% per annum, payable quarterly in cash or, subject to satisfaction of certain conditions, common stock. Pursuant to the terms and conditions of the Senior Convertible Debentures, we have pledged all of our assets including the assets acquired from Interferon Sciences, Inc. other than intellectual property, as collateral and are subject to comply with certain financial and negative covenants, which include but are not limited to the repayment of principal balances upon achieving certain revenue milestone.

The Debenture are convertible at the option of the investors at any time through January 31, 2005 into shares of our common stock. The conversion price under the Debentures is fixed at \$1.46 per share, subject to adjustment for anti-dilution protection for issuance of common stock or securities convertible or exchangeable into common stock at a price less than the conversion price then in effect.

The investors also received warrants to acquire at any time through March 12, 2008 an aggregate of 743,288 shares of common stock at a price of \$1.68 per share. On March 12, 2004, the exercise price of the warrants will reset to the lesser of the exercise price then in effect or a price equal to the average of the daily price of the common stock between March 13, 2003 and March 11, 2004 (but in no event less than \$1.176 per share). The exercise price (and the reset price) under the warrants also is subject to similar adjustments for anti-dilution protection.

As of July 14, 2003, the debenture holders have converted \$1,790,222 of debt into 1,126,179 shares of common stock and exercised all of the 743,288 warrants, which produced \$1,248,724 in additional operating funds for the Company.

On July 10, 2003, we issued a second set of 6% Senior Convertible Debentures in the aggregate principal amount of \$5,426,000 and 507,103 warrants to the same investors. These Debentures are due on July 31, 2005 unless converted prior to that date. The terms of the Debentures are similar to those issued to the investors in March, 2003.

To assure that there are adequate shares available to be reserved for issuance pursuant to conversion of the Debentures, as payment of interest on the Debentures and upon exercise of the Warrants related thereto, Dr. William A. Carter, the Company's Chairman, President and Chief Executive Officer, has agreed to waive his right to exercise an aggregate of 3,006,650 Company options and warrants (collectively, hereinafter referred

Edgar Filing: HEMISPHERX BIOPHARMA INC - Form DEF 14A

to as "Options") held by him unless and until the Company's authorized shares are increased by the stockholders as presented in Proposal No. 3. For this waiver of rights and for the possible diminution in value of these Options that could result in the event that this proposal is not approved, we plan to compensate Dr. Carter. An independent valuation firm will be engaged to assist the independent directors in determining the monetary value of this waiver and the possible loss, if any.

For a more complete description of this transaction, please refer to the Form 8-K and Exhibits filed with the SEC on July 14, 2003.

Other than reserving shares issuable upon exercise of certain options and warrants, which shares were needed for the recent Debenture offering, the Company has no specific plans with regard to its use of the authorized but unissued/unreserved shares; however, it anticipates that it will (i) attempt to raise capital through the sale of its common stock or securities convertible into or exercisable for Common Stock: and/or (ii) acquire additional assets.

The Board of Directors has no specific plans, understandings, agreements or commitments to issue additional common shares for capital raising transactions or acquisitions. Failure to obtain stockholders approval of this proposal will not impact the Company's existing agreements to issue common shares.

The Board believes that the Company will be adversely impaired if this proposal is not approved.

Recommendation and Required Vote

The affirmative vote of at least a majority of the issued and outstanding shares as of the record date is necessary for approval of Proposal No. 3. Under Delaware law, there are no rights of appraisal or dissenter's rights, which arise as a result of a vote to amend the Certificate of Incorporation.

THE BOARD OF DIRECTORS DEEMS PROPOSAL NO. 3 TO BE IN THE BEST INTERESTS OF HEMISPHERX AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL THEREOF.

GENERAL

Unless contrary instructions are indicated on the proxy, all shares of common stock represented by valid proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted FOR the election of all directors nominated and FOR Proposal No. 2 and 3.

The Board of Directors knows of no business other than that set forth above to be transacted at the meeting, but if other matters requiring a vote of the stockholders arise, the persons designated as proxies will vote the shares of common stock represented by the proxies in accordance with their judgment on such matters. If a stockholder specifies a different choice on the proxy, his or her shares of common stock will be voted in accordance with the specification so made.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. WE URGE YOU TO FILL IN, SIGN AND RETURN THE ACCOMPANYING FORM OF PROXY IN THE PREPAID ENVELOPE PROVIDED, NO MATTER HOW LARGE OR SMALL YOUR HOLDINGS MAY BE.

By Order of the Board of Directors,
