ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON OCTOBER 8, 2002

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed Proxy is solicited on behalf of the Board of Directors of Medix Resources, Inc., a Colorado corporation (the "Company"), for use at the Annual Meeting of Shareholders to be held on October 8, 2002, at 10:00 a.m., local time, or at any adjournment(s) thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at The Helmsley Hotel, 212 East 42nd Street, New York, NY 10017. These proxy solicitation materials were mailed on or about August 30, 2002 to all shareholders listed in the shareholder records of the Company as of the Record Date (as that term is defined below). The Company will bear the cost of this solicitation.

Record Date and Quorum

Shareholders of record at the close of business on August 22, 2002 (the "Record Date") are entitled to vote at the Annual Meeting. On the Record Date, 62,923,624 shares of the Company's common stock, \$0.001 par value per share (the "Common Stock"), were outstanding. Shareholders holding at least one-third of all shares of Common Stock represented in person or by proxy, shall constitute a quorum for the transaction of business at the Annual Meeting.

Revocability of Proxies

Any Proxy given pursuant to this solicitation may be revoked by the person or entity giving it at any time before its use by delivering to the Company a written notice of revocation or a duly executed Proxy Card bearing a later date or by attending the Annual Meeting and voting in person. An appointment of proxy is revoked upon the death or incapacity of the shareholder appointing the proxy if the Secretary or other officer or agent of the Company who is authorized to tabulate votes receives notice of such death or incapacity before the proxy exercises his authority under the appointment.

Voting and Solicitation

Each outstanding share of Common Stock shall be entitled to one (1) vote on each matter submitted to a vote at the Annual Meeting. Assuming a quorum is present, those candidates receiving the most votes shall be elected as directors of the Company. Approval of the proposed amendment to the Company's Articles of Incorporation to increase the number of shares of the Company's Common Stock authorized for issuance from 100 million to 125 million, and ratification of the appointment of our independent public accountants, will be approved by the shareholders if the number of votes cast for such proposals exceeds the number of votes cast against it, assuming a quorum is present. Where brokers have not received any instructions from their clients on how to vote on a particular proposal, brokers are permitted to vote on routine proposals but not on non-routine matters. The absences of votes on non-routine matters are "broker

non-votes." Abstentions and broker non-votes shall be counted towards the presence of a quorum. However, they will not be counted and will have no effect in the election of directors or on the other votes to be taken at the Annual Meeting.

The principal executive offices of the Company are located at 420 Lexington Ave., Suite 1830, New York, New York 10170. In addition to the use of the mails, proxies may be solicited personally, by telephone or by facsimile, and the Company may reimburse brokerage firms and other persons holding shares of the Company's Common Stock in their names or in the names of their nominees, for their reasonable expenses in forwarding proxy solicitation materials to the beneficial owners. The Company may retain the services of a professional proxy solicitation firm, in which case the Company will pay such firm its standard fees for such services and reimburse such firm for its out-of-pocket expenses.

Matters to Be Brought Before the Annual Meeting

The matters to be brought before the Annual Meeting include: (1) the election of two (2) members of the Company's Board of Directors; (2) approval of the proposed amendment to the Company's Articles of Incorporation to increase the number of shares of the Company's Common Stock authorized for issuance from 100 million to 125 million; (3) the ratification of the appointment of Ehrhardt Keefe Steiner & Hottman PC, independent public accountants, to audit the financial statements of the Company for the fiscal year ending December 31, 2002; and (4) the transaction of such other business as may properly come before the Annual Meeting or any adjournment(s) thereof.

Deadline for Receipt of Shareholder Proposals for Next Annual Meeting

Shareholders of the Company who intend to present proposals at the Company's 2003 Annual Meeting of Shareholders must deliver such proposals to us no later than March 31, 2003 in order to be included in the Proxy Statement and form of Proxy relating to the 2003 Annual Meeting of Shareholders. In addition, if we receive notice of a shareholder proposal after that date, then the persons named in that Proxy Statement and form of Proxy will have discretionary authority to vote on such shareholder proposal, without discussion of such proposal in the Proxy Statement and without such proposal appearing as a separate item on the form of Proxy.

Directors Compensation

In 1999, we adopted the policy of compensating non-employee Directors, \$1,000 for attending each regular quarterly Board meeting in person, and \$250 for attendance by telephone. The Board of Directors has also authorized payment of reasonable travel or other out-of-pocket expenses incurred by non-employee directors for attending Board or committee meetings. Independently, Ms Joan Herman has waived her director fees altogether, based on WellPoint company policy.

From time to time, the Board of Directors will grant non-employee Directors options to acquire shares of Common Stock as compensation for their services to the Company as Directors. During 2001, we granted options covering 200,000 shares of Common Stock each to Mr. Jeffries and Mr. Scalzi, at the time they became Directors, which are exercisable at \$.78 per share.

In January 2002, the Directors discontinued the policy of cash fees to Directors for attending Board or committee meetings. Instead, each non-employee Director (other than Ms. Herman) was compensated for their services in 2002 through the grant of options to purchase 40,000 shares of our Common Stock.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE `FOR' EACH OF THE ABOVE NOMINEES TO THE COMPANY'S BOARD OF DIRECTORS. ASSUMING A QUORUM IS PRESENT, THOSE CANDIDATES RECEIVING THE MOST VOTES WILL BE ELECTED AS DIRECTORS OF THE COMPANY.

Stock Option Awards. In August 1999, our Board of Directors approved and authorized our 1999 Stock Option Plan (the "1999 Plan"), which is intended to grant either non-qualified stock options or incentive stock options, as described below. In 2000, our shareholders approved the 1999 Plan. The purpose of the 1999 Plan is to enable our company to provide opportunities for certain officers and key employees to acquire a proprietary interest in our company, to increase incentives for such persons to contribute to our performance and further success, and to attract and retain individuals with exceptional business, managerial and administrative talents, who will contribute to our progress, growth and profitability.

Options granted under our 1999 Plan include both incentive stock options ("ISOs"), within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), and non-qualified stock options ("NQOs"). Under the terms of the Plan, all officers and employees of our company are eligible for ISOs. Our company determines in its discretion, which persons will receive ISOs, the applicable exercise price, vesting provisions and the exercise term thereof. The terms and conditions of option grants differ from optionee to optionee and are set forth in the optionees' individual stock option agreement. Such options generally vest over a period of one or more years and expire after up to ten years. In order to qualify for certain preferential treatment under the Code, ISOs must satisfy the statutory requirements thereof. Options that fail to satisfy those requirements will be deemed NQOs and will not receive preferential treatment under the Code. Upon exercise, shares will be issued upon payment of the exercise price in cash, by delivery of shares of Common Stock, by delivery of options or a combination of any of these methods. At our 2001 Annual Meeting, our shareholders approved an increase of 3,000,000 shares to 13,000,000 as the amount of total shares of our Common Stock reserved for issuance under the 1999 Plan.

As of August 1, 2002, we had issued 5,246,085 shares of our Common Stock upon exercise of options to current or former employees and directors, and have 7,308,000 shares currently covered by outstanding options held by current or former employees and directors, with exercise prices ranging from \$.19 to \$4.97. Such options have been granted under the 1999 Plan and earlier stock option plans.

The fair values calculated above use expected volatility of 132%, a risk-free rate of 5.5%, no dividend yield and anticipated exercise at the end of the term.

Board Compensation Committee Report on Executive Compensation

Edgar Filing: MEDIX RESOURCES INC - Form DEF 14A

The Compensation Committee of the Board of Directors (the "Committee") administers the Medix stock option plans and oversees our executive compensation, subject to approval of its recommendations by the Board of Directors. Executive compensation includes base salaries, annual incentives and long term stock option plans, as well as any executive benefits and/or prerequisites.

Our general compensation philosophy for our executive officers, including our Chief Executive Officer ("CEO"), is to offer competitive compensation packages that are designed to attract and retain key executives critical to the success of the Company. At present, packages include annual cash compensation (salaries) and long-term compensation consisting of options to purchase the Company's stock, to align the interests of management with those of the Company's shareholders. Beginning with calendar year 2002, executive packages will include variable amounts of annual bonus potential, tied to specific performance goals for the Company and the individual executives. The Committee intends to review the performance and compensation of executives annually, in conjunction with the performance of the Company. Incentive Stock Option awards are based upon the Committee's judgment as to the relative rank and contribution of each executive (or other employee) to the success and survival of the Company.

In addition, the Company has entered into employment agreements with its executive officers, as outlined earlier in this report.

Compensation Committee Interlocks and Insider Participation

In 1999, we entered into agreements with WellPoint Pharmacy Management ("WPM") to implement a pilot program for the introduction of Cymedix(software to healthcare providers identified by WPM. After the required testing of the software, the agreements provide for a production program to install the software broadly among WPM managed providers. One of the agreements provides that Medix will nominate a representative of WPM to be elected to the Company's Board of Directors. Ms. Herman is that representative. Such agreement also provided that WPM would be granted warrants evidencing the right to purchase up to 6,000,000 shares of Common Stock, which vest upon the occurrence of certain performance criteria. The agreement provides for the grant of warrants covering 3,000,000 shares with an exercise price of \$0.30 per share, and warrants covering 3,000,000 shares with an exercise price of \$0.50 per share, all expiring five years from the date of grant, September 8, 2004. In February 2002, the warrant agreement was amended to revise the performance criteria and to add an additional right to purchase up to 1,000,000 additional shares at \$1.75 per share. At March 15, 2002, warrants covering 1,850,000 shares, exercisable at \$.30 per share, had vested.

COMPARISON OF CUMULATIVE TOTAL RETURNS

The following graph and data points table compare the performance of the Company's common stock with the performance of the AMEX-U.S. Index, as adjusted, and as provided by the American Stock Exchange and a Custom Composite Index (4 stocks) over the five year period extending through the end of 2001. The graph and tabular information assume that \$100 was invested on December 31, 1996 in the Company's common stock, the AMEX-U.S. Index and the Custom Composite Index, with any dividends being reinvested. The Company has provided this graph and the

tabular information using publicly available information that it has no reason to believe is not accurate. However, the Company takes no responsibility for such information.

The Custom Composite Index includes Cybear, AllScripts, WebMD and ProxyMed, companies that the Company believes are its peers and that are involved in the same or similar lines of business. The Company believes that this peer group is a better comparison than broader indices, which are publicly available. Data for Cybear, AllScripts and WebMD were not available for periods prior to 1999.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since 1996, we have had a policy that any transactions with directors or officers or any entities in which they are also officers or directors or in which they have a financial interest, will only be on terms that would be reached in an arms-length transaction, consistent with industry standards and approved by a majority of our disinterested directors. This policy provides that no such transaction shall be either void or voidable solely because of such relationship or interest of such directors or officers, or solely because such directors are present at the meeting of the Board of Directors or a committee thereof that approves such transaction, or solely because their votes are counted for such purpose. In addition, interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or a committee thereof that approves such a transaction. We have also adopted a policy that any loans to officers, directors and 5% or more shareholders are subject to approval by a majority of the disinterested directors. All of the transactions described below have been approved according to this policy.

Before Mr. Prufeta was elected to our Board of Directors in 1999, OnPoint Partners (formerly known as Creative Management Strategies) ("OPP"), a company partially owned by Mr. John Prufeta, entered into agreements with us to provide executive search services and sales and marketing services to us. In connection with those agreements, we issued a 3-year option to acquire up to 25,000 shares of our Common Stock at an exercise price of \$0.55 per share to OPP. We also paid such company \$71,000 during 1999. In addition, for Mr. Prufeta's service to us as Chief Executive Officer until he became a full-time employee, and the above services provided by the affiliated company, we have paid \$110,000 to OPP in 2000. At the time Mr. Prufeta became a full-time employee of the Company in January of 2000, such agreements with OPP were terminated. During 2001 and 2000, we have paid OPP approximately \$111,000 and \$93,000, respectively, as reimbursements for rents and services for our former New York office space, which was leased in the name of OPP. In addition, we have paid OPP employee

Edgar Filing: MEDIX RESOURCES INC - Form DEF 14A

search fees of approximately \$38,361 and \$152,000 during 2001 and 2000, respectively, for their employee search services. OPP is a recognized provider of executive and employee search services to all areas of the health care industry, and provides its services to us at standard rates. The Board of Directors, through the Audit Committee, reviews and approves of any contractual arrangements with OPP.

We have entered into a consulting agreement with Mr. Samuel Havens, which provides that we pay Mr. Havens \$5,000 per month for his consulting services in connection with our marketing efforts. During 2001, we paid Mr. Havens \$20,000 for his services. Mr. Havens deferred his monthly payment from May, 2001 through March, 2002. Currently, the accrued amount payable to Mr. Havens is \$55,000. Monthly payments began again in April, 2002.

See "EXECUTIVE COMPENSATION - Compensation Committee Interlocks and Insider Participation" for a description of other related party transactions.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires directors and executive officers, and persons who own more than 10% of a registered class of a company's equity securities, to file with the U. S. Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of the Company's common stock and other equity securities. Officers, directors and greater than 10% shareholders are required by Securities and Exchange Commission regulations to furnish the Company with copies of all Section 16(a) reports they file. Based solely upon such reports, we believe that none of such persons failed to comply with the requirements of Section 16(a) during 2001.

AMENDMENT TO ARTICLES OF INCORPORATION TO

Edgar Filing: MEDIX RESOURCES INC - Form DEF 14A

INCREASE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE

The Board of Directors has determined that it is in the best interest of the Company to amend the Company's Articles of Incorporation to increase the number of authorized shares of the Company's Common Stock from 100,000,000 to 125,000,000. The text of the proposed Articles of Amendment is attached hereto as Exhibit A.

As of August 8, 2002, there were 62,923,624 shares of the Company's Common Stock outstanding, leaving 37,076,376 shares of Common Stock authorized but unissued. However, as of August 8, 2002, the Company had entered into commitments to issue (i) 7,308,000 shares of its Common Stock upon the exercise of outstanding options, (ii) 18,310,312 shares of its Common Stock upon the exercise of warrants, (iii) 310,000 shares of its Common Stock upon the conversion of outstanding Preferred Stock of the Company, and (iv) 3,000,000 shares of its Common Stock upon the conversion of outstanding Promissory Notes. Further, an additional 6,330,500 shares, under the Company's 1999 Stock Option Plan, may be issued upon the exercise of options yet to be granted. These commitments, in the aggregate, obligate the Company, on a contingent basis, to issue up to 35,258,812 of the Company's Common Stock, which almost equals the 37,076,376 shares of authorized but unissued Common Stock out of which it can satisfy such obligations.

In addition to satisfying the Company's current commitments as described above, the Company will be required to raise additional capital to finance its operations and to finance the development of its subsidiary's Cymedix software products. The purpose of the proposed Amendment includes providing the Company with greater flexibility in financing these cash requirements, by providing it with adequate authorized Common Stock to commit in future financings. The Board of Directors has determined that the Company soon will be restricted in its financing options due to the limited amount of authorized but unissued shares of Common Stock provided for in its Articles of Incorporation. Therefore, the Board has determined that the Company's Articles of Incorporation must be amended to authorize additional shares of Common Stock that may then be issued as approved by the Company's Board of Directors. The Company is currently funding its operations principally by issuing common stock and warrants from time to time in private transactions at a discount to market. Failure to authorize this amendment could limit the Company's ability to raise capital to fund its operations.

The Company's shareholders will have no appraisal rights under Colorado law with respect to the Amendment or any equity financing that the Company may undertake after its adoption. In addition, shareholders do not have any preemptive rights to participate in any future issuance of Common Stock, and therefore will suffer dilution of ownership upon such issuance. The issuance of additional shares could also have the effect of diluting the earnings per share and book value of existing shares of Common Stock. Although the authorization of the additional shares is not intended as an anti-takeover device, the additional shares could be used to dilute the stock ownership of persons seeking to gain control of the Company, which could preclude existing shareholders from taking advantage of such a situation.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE 'FOR' APPROVAL OF THE ARTICLES OF AMENDMENT TO THE ARTICLES OF INCORPORATION. SUCH AMENDMENT SHALL BE APPROVED IF A PLURALITY OF THE SHARES REPRESENTED AT THE SPECIAL MEETING VOTE IN FAVOR OF THE AMENDMENT.

RATIFICATION OF APPOINTMENT OF ACCOUNTANTS

The Board of Directors has appointed Ehrhardt Keefe Steiner & Hottman PC, independent public accountants, to audit the Company's financial statements for

Edgar Filing: MEDIX RESOURCES INC - Form DEF 14A

the 2002 fiscal year and recommends that the Company's Shareholders ratify such appointment. The same firm audited the Company's financial statements last year. Representatives of Ehrhardt Keefe Steiner & Hottman PC are expected to be present at the Annual Meeting, and will have the opportunity to make a statement if they desire, and are expected to be available to respond to appropriate questions.

Ehrhardt Keefe Steiner & Hottman PC billed the Company the amount of Audit Fees identified in the table below for professional services rendered for the audit of our annual financial statements for the fiscal year 2001 and the review of quarterly financial statements included in our Quarterly Reports on Forms 10-Q filed during that year. In addition, in 2001, that firm billed the amount identified as All Other Fees in the table below for tax-related consulting and other professional services.

Auditors' Fees in 2001

Audit Fees	
Annual audit	\$66,472
Quarterly reviews	\$28,039
Financial Information Systems	
Design and Implementation Fees	\$ 0
All Other Fees	\$20,085

The Audit Committee of the Board of Directors has considered whether the provision of the services represented by All Other Fees in the table above is compatible with maintaining our accountant's independence. The Audit Committee concluded that our accountant's independence was not compromised by providing these services.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE `FOR' THE RATIFICATION OF EHRHARDT KEEFE STEINER & HOTTMAN PC TO AUDIT THE COMPANY'S FINANCIAL STATEMENTS FOR THE 2001 FISCAL YEAR. SUCH APPOINTMENT SHALL BE RATIFIED IF A PLURALITY OF THE SHARES VOTED ON THE PROPOSAL AT THE ANNUAL MEETING ARE VOTED IN FAVOR OF THE APPOINTMENT.

AUDIT COMMITTEE REPORT

The Audit Committee of our Board of Directors has three members, who are independent directors as required by The American Stock Exchange. They are Ms. Joan E. Herman, Chair of the Committee, Mr. John T. Lane and Dr. David B. Skinner. They have provided this report to the shareholders.

The Committee's principal function is to oversee the Company's financial reporting process on behalf of the Board of Directors. The Company's management has the primary responsibility for preparing our financial statements and our reporting process, including the Company's system of internal controls. In carrying out its duties, the Committee provides an open avenue of communications between the Board of Directors, management and the Company's independent public accountants. Our independent public accountants are ultimately accountable to the Board and the Committee and are responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principals. The Audit Committee Charter, adopted by the Board of Directors, specifies the scope of the Audit Committee's responsibilities and how it should carry out those responsibilities. Copies of the Charter are available to its shareholders of record upon written request to the Company.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended December 31, 2001 with the Company's management and independent accountants. The Audit Committee discussed with Ehrhardt, Keefe, Steiner & Hottman PC, our independent public accounting

Edgar Filing: MEDIX RESOURCES INC - Form DEF 14A

firm, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). The Audit Committee has also received and reviewed the written disclosures and letter from that firm required by Independence Standards Board Standard No.1 (Independence Discussion with Audit Committees) and has discussed its independence with representatives of the firm.

Based upon the above review and discussions, the Audit Committee recommended to the Board of Directors the inclusion of Company's 2001 audited financial statements in our 2001 Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

OTHER MATTERS

Management knows of no other matters to be submitted to the Annual Meeting. If any other matters properly come before the Annual Meeting, it is intended that the person named in the enclosed form of Proxy will vote such Proxy in accordance with his judgment.
