The above financial results have been approved by the Board of Directors at its meeting held on May 3, 2017. The auditors have issued unmodified opinion on the unconsolidated and consolidated financial statements for FY2017.

In accordance with RBI guidelines on 'Basel III Capital Regulations' read together with the RBI circular dated July 2.1, 2015, the consolidated Pillar 3 disclosure (unaudited) at March 31, 2017 including leverage ratio and liquidity coverage ratio is available at http://www.icicibank.com/regulatory-disclosure.page.

As per the RBI circular on 'Guidelines on compliance with Accounting Standard (AS) 11 [The Effects of Changes in Foreign Exchange Rates] by banks - clarification' dated April 18, 2017, on repatriation of accumulated profits or retained earnings from overseas operations, banks are not permitted to recognise the proportionate exchange gains or losses, held in the foreign currency translation reserve, in the profit and loss account. The Bank has therefore reversed foreign exchange gain amounting to Rs 288.41 crore in Q4-2017, which was recognised as other income in 9M-2017. Accordingly, other income includes net foreign exchange gain relating to overseas operations amounting to Rs 82.35 crore in Q3-2017 (reversed in Q4-2017), Rs 261.59 crore in Q4-2016, Nil in FY2017 and Rs 941.19 crore in FY2016.

During Q2-2017, the Bank sold a part of its shareholding in ICICI Prudential Life Insurance Company Limited in the initial public offer (IPO) for a total consideration of Rs 6,056.79 crore. The unconsolidated financial results 4. include a gain (before tax and after IPO related expenses) on this sale of Rs 5,682.03 crore for FY2017 and consolidated financial results include a gain (before tax and after IPO related expenses) on this sale of Rs 5,129.88 crore for FY2017.

The unconsolidated financial results include a gain (before tax) of Rs 617.27 crore for Q4-2016 and Rs 1,859.83 crore for FY2016 and the consolidated financial results include a gain (before tax) of Rs 535.21 crore for Q4-2016 and Rs 1,614.88 crore for FY2016 on sale of shares of ICICI Prudential Life Insurance Company Limited. Further, the unconsolidated financial results include a gain (before tax) of Rs 1,508.54 crore for Q4-2016 and FY2016 and the consolidated financial results include a gain (before tax) of Rs 1,234.85 crore for Q4-2016 and FY2016 on sale of shares of ICICI Lombard General Insurance Company Limited.

The Reserve Bank of India, through its circular dated April 18, 2017, has required banks to disclose the divergences in the asset classification and provisioning, arising from RBI's annual supervisory process, in their notes to accounts 5.to the financial statements. The Bank has accordingly included this disclosure in its Notes to the audited financial statements for FY2017. Further, as per the normal process followed by the Bank, all the concerned accounts have been classified as non-performing and requisite provisions have been made in FY2017.

During FY2016, the weak global economic environment, the sharp downturn in the commodity cycle and the gradual nature of the domestic economic recovery adversely impacted the borrowers in certain sectors like iron and steel, mining, power, rigs and cement. In view of the above, the Bank had on a prudent basis made a collective 6. contingency and related reserve in FY2016, amounting to Rs 3,600.00 crore towards exposures to these sectors. This was over and above provisions made for non-performing and restructured loans as per RBI guidelines. The Bank utilised an amount of Rs 1,528.61 crore in Q4-2017, Rs 526.49 crore in Q3-2017 and Rs 3,600.00 crore in FY2017 from collective contingency and related reserve.

During Q2-2017, the Bank had made floating provision of Rs 1,515.00 crore which had been reduced from the gross 7.non-performing loans while computing the net NPAs. The Bank has subsequently utilised this amount during Q4-2017 by allocating it to specific non-performing assets.

During FY2017, pursuant to the press release dated July 6, 2016 issued by the Ministry of Finance, the Bank has 8. reversed the tax provision and corresponding deferred tax amounting to Rs 462.41 crore created in FY2016 on account of Income Computation and Disclosure Standards (ICDS). ICDS is applicable from FY2018, therefore the tax provision and deferred tax for Q3-2017, Q4-2017 and FY2017 have been computed after considering its impact.

9. During Q4-2017, the Bank has allotted 3,870,855 equity shares of Rs 2 each pursuant to exercise of employee stock options.

The Board of Directors has recommended a dividend of Rs 2.50 per equity share for FY2017 pre-bonus issue. The declaration and payment of dividend is subject to requisite approvals. The Board of Directors has also recommended a dividend of Rs 100 per preference share on 350 preference shares of the face value of Rs 1 crore each for FY2017.

According to the revised AS 4 - 'Contingencies and events occurring after the balance sheet date' as notified by the Ministry of Corporate Affairs through amendments to Companies (Accounting Standards) Amendment Rules, 2016, the Bank has not accounted proposed dividend (including dividend distribution tax) as a liability for FY2017. However, the Bank has reduced proposed dividend for determining capital funds for computing capital adequacy ratio at March 31, 2017.

The Board of Directors at its meeting held on May 3, 2017 approved issue of bonus shares, in the proportion of 1:10, i.e. 1 (One) bonus equity share of 2 each for every 10 (Ten) fully paid-up equity shares held (including 11.shares underlying ADS) as on the record date, subject to approval by the Members of the Company. Subsequent to the bonus issue, the ratio of ADSs to equity shares will remain unaffected and each ADS after the bonus issue will continue to represent two equity shares of par value of 2 per share.

- 12. Previous period/year figures have been re-grouped/re-classified where necessary to conform to current period classification.
- $^{13}$ . The amounts for Q4-2017 are balancing amounts between the amounts as per audited accounts for FY2017 and  $^{9}$ M-2017.
- 14. The above unconsolidated and consolidated financial results are audited by the statutory auditors, B S R & Co. LLP, Chartered Accountants.

15. Rs 1 crore = Rs 10.0 million.

ANNEXURE A to the Independent Auditor's Report of even date on the Consolidated Financial Statements of ICICI Bank Limited

Report on the Internal Financial Controls under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

In conjunction with our report of the consolidated financial statements of ICICI Bank Limited, its subsidiary companies and its associate companies (collectively referred to as 'the Group') as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting of ICICI Bank Limited (hereinafter referred to as the 'Holding Company'), its subsidiary companies and associate companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companies and its associates companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the 'Act').

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, its subsidiary companies and its associates companies, which are companies incorporated in India based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing (the 'Standards'), issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company, its subsidiary companies and its associates companies, which are companies incorporated in India,.

ANNEXURE A to the Independent Auditor's Report of even date on the Consolidated Financial Statements of ICICI Bank Limited

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Holding Company, its subsidiary companies and its associate companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

#### **Other Matters**

The auditors of ICICI Prudential Life Insurance Company Limited have reported, 'The Actuarial valuation of liabilities for life policies in force is the responsibility of the Company's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at

31 March 2017 has been duly certified by the Appointed Actuary and in her opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory and Development Authority of India ('IRDAI' or 'the Authority') and the Institute of Actuaries of India in concurrence with the Authority. We have relied upon the Appointed Actuary's certificate in this regard for forming our opinion on the valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists, as contained in the standalone financial statements of the Company'.
