- (a) The reason described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;

PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

On March 12, 2004, UST Inc. (UST) and certain of its subsidiaries entered into a letter agreement (the Letter Agreement) with Swedish Match North America, Inc. (Swedish Match), to settle the outstanding litigation brought by Swedish Match against UST and such subsidiaries. As part of this settlement, UST agreed to pay Swedish Match \$200 million and to transfer its cigar business to Swedish Match.

In addition, UST has reached an agreement, which is subject to court approval, to resolve a significant number of claims by indirect purchasers of its smokeless tobacco products. The proposed settlement requires UST to provide consumers with coupons redeemable on future purchases of UST's smokeless tobacco products and to pay all administrative costs of the settlement and attorneys' fees. UST intends to pursue settlement of other indirect purchaser

claims not covered by the agreement on substantially the same terms. The company has recorded a charge totaling \$40 million to resolve all the indirect purchaser claims.

Because the company agreed to resolve these cases before the filing of its Annual Report on Form 10-K, the company is required to reflect in its financial statements for the year ended December 31, 2003 (the 2003 Financial Statements) a \$280 million pre-tax charge. Given the timing of the foregoing events, the filing of the Annual Report on 10-K is being delayed to help ensure that

such matters are properly reflected. UST's inability to file its Form 10-K on March 15, 2004, the prescribed due date, could not be eliminated without unreasonable effort or expense.
