PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON DECEMBER 13, 2004

INFORMATION CONCERNING THE SOLICITATION

This Proxy Statement is furnished to the holders of Common Stock, \$.01 par value per share ("Common Stock") of Napco Security Systems, Inc. (the "Company") in connection with the solicitation of proxies on behalf of the Board of Directors of the Company for the Annual Meeting following Fiscal Year 2004, to be held on December 13, 2004, and at any adjournment thereof (the "Meeting"), pursuant to the accompanying Notice of Annual Meeting of Stockholders. Proxies in the enclosed form, if properly executed and returned in time, will be voted at the Meeting. Any stockholder giving a proxy may revoke it prior to its exercise by attending the Meeting and reclaiming the proxy, by executing a later dated proxy or by submitting a written notice of revocation to the Secretary of the Company at the Company's office or at the Meeting. Stockholders attending the Meeting may vote their shares in person. This Proxy Statement and the form of proxy were first mailed to the stockholders on or about November 1, 2004. A copy of the 2004 Annual Report of the Company, including financial statements, is being mailed herewith.

Only stockholders of record at the close of business on October 25, 2004 (the "Record Date") are entitled to notice of and to vote at the Meeting. The outstanding voting securities of the Company on the Record Date consisted of 7,090,592 shares of Common Stock.

On all matters requiring a vote by holders of the Common Stock, each share of Common Stock entitles the holder of record to one vote. At the Meeting, the holders of record of Common Stock will vote on: Item 1, the election of two (2) directors and the transaction of any other business as may properly come before the Meeting and require a vote of the stockholders.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock authorized to vote will constitute a quorum for the transaction of business at the Meeting.

The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. A properly executed proxy marked "WITHHOLD" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to certain matters. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining if there is a quorum.

THEREFORE, THE COMPANY URGES YOU TO SIGN, DATE AND RETURN THE ENCLOSED PROXY CARD.

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form DEF 14A

CORPORATE GOVERNANCE AND BOARD MATTERS

INDEPENDENCE OF DIRECTORS

The Board currently consists of seven directors, four of whom the Board has affirmatively determined have no relationship with the Company or its subsidiaries which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and are independent as defined by the applicable NASDAQ Listing Standards. The four independent directors are Paul Stephen Beeber, Randy B. Blaustein, Arnold Blumenthal and Andrew J. Wilder.

BOARD STRUCTURE AND COMMITTEE COMPOSITION

The Board maintains three standing committees: Audit, Compensation/Stock Option, and Nominating. Each Committee is composed entirely of independent directors as defined in the applicable NASDAQ Listing Standards.

During fiscal 2004, the Board held four meetings. Each director attended at least 75% of all Board meetings and meetings of committees of which such director was a member.

Directors are expected to attend the Company's annual meetings of stockholders. All directors attended the last annual meeting of stockholders on April 16, 2004.

NAPCO maintains an investors section on its website, www.napcosecurity.com, setting forth the Company's committee charters for the Audit and Nominating Committees.

AUDIT COMMITTEE

The Audit Committee has been established in accordance with Section 3(a)(58)A of the Securities Exchange Act of 1934 as amended. The Audit Committee is responsible for retaining, evaluating and, if appropriate, recommending the termination of the Company's independent auditors. The Audit Committee assists

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form DEF 14A

the Board in oversight of (1) the integrity of the Company's financial statements, (2) the Company's independent auditor's qualifications and independence, and (3) the performance of the Company's internal audit function and independent auditors. In addition, the Committee renders its report for inclusion in the Company's annual proxy statement.

The Audit Committee has the authority to obtain advice and assistance from, outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties. The Audit Committee held four meetings in fiscal year 2004. The current members of the Audit Committee are Andrew J. Wilder (Chairman), Paul Stephen Beeber (who replaced Randy B. Blaustein on March 3, 2004) and Arnold Blumenthal, each of whom meets the NASDAQ Listing Standards for the independence of audit committee members. The Board has determined that Andrew Wilder is an audit committee financial expert.

The report of the Audit Committee is included in this proxy statement on page 7. The charter of the Audit Committee adopted in April 2004 is included in this proxy statement as Appendix A.

5

COMPENSATION/STOCK OPTION COMMITTEE

The Compensation/Stock Option Committee assists the Board in discharging its responsibilities relating to compensation of the Company's chief executive officer and other executives. The Committee determines individuals to be granted options under the Employee Stock Option Plan and Non Employee Stock Option Plan, the number of options awarded and the term of the options and interprets provisions of such plans. The Committee also renders its report on executive compensation for inclusion in the Company's annual proxy statement. The current members of the Compensation Committee are Randy B. Blaustein (Chairman), Andrew J. Wilder, and Arnold Blumenthal.

The Compensation/Stock Option Committee held four meetings in fiscal year 2004. The report of the Compensation/Stock Option Committee is included in this proxy statement on page 12.

EMPLOYMENT AGREEMENTS

The Company has employment agreements with Richard L. Soloway, Jorge Hevia and Michael Carrieri. The agreement with Mr. Soloway, entered into on June 26,

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form DEF 14A

2003 for a five year period, provides for an annual salary of \$453,235 as adjusted by inflation, certain incentive compensation if earned according to a formula to be determined by the Board of Directors, and 100,000 stock options that vest 20% per year or upon a change in control, as defined in the agreement. In addition, if during the term there should be a change in control, then the employee shall be entitled to terminate the term and his employment thereunder, and the employer shall pay the employee, as a termination payment, an amount equal to 299% of the average of the prior five calendar years' compensation, subject to certain limitations. Mr. Hevia's agreement was extended during fiscal 2004, from October 2004 through October 2006. The agreement provides for annual salaries of \$215,000, \$225,750 and \$237,037 during fiscal 2004, 2005 and 2006, respectively as well as certain bonus provisions based on sales and profits. Mr. Carrieri's agreement was extended during fiscal 2004, from August 2004 through August 2006. The agreement provides for annual salaries of \$194,481, \$204,205 and \$214,415.00 during fiscal 2004, 2005 and 2006, respectively as well as certain bonus provisions based on sales and profits. In addition, the Company has a severance agreement with Kevin S. Buchel providing for payments equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause.

COMPENSATION/STOCK OPTION COMMITTEE REPORT

The Compensation/Stock Option Committee approves the compensation for the CEO and other executive officers and establishes the policies that govern the Company's executive compensation program.

COMPENSATION POLICY FOR EXECUTIVE OFFICERS

The Committee's policy is that the Company's executive officers should (i) be paid a salary commensurate with their responsibilities, (ii) receive short-term incentive compensation in the form of a bonus tied to the Company's sales and earnings, and (iii) receive long-term incentive compensation in the form of stock options granted from time to time.

The policy with respect to the salary of the executive officers, other than the CEO, is that such salaries should be in an amount recommended by the CEO, and the 2004 fiscal year salaries of such executive officers are in the amounts so recommended. The considerations entering into the determination by the CEO of the salary recommendation for each named executive officer other than the CEO, were the CEO's subjective evaluations of the ability and past performance of the executive and the CEO's judgment of the executive's potential for enhancing the profitability of the Company.

In addition, the Committee's policy is that executive officers, other than the CEO, should receive short term incentive compensation in the form of bonuses targeted to the Company's sales and earnings. A bonus for an executive officer is based upon the Company achieving certain targeted sales and earnings and the executive's position and the extent to which the executive could contribute to the Company's performance. For fiscal 2004, bonuses were earned by such executive officers based upon the Company achieving the targeted sales and earnings.

The Committee's policy is generally to grant options to such executives and other key employees under the Company's Stock Option Plans after consideration of the amounts recommended by the CEO.

The recommendations of the CEO for option grants reflect the subjective judgment of the CEO of the performance of such executives and the potential benefit to the Company from the grant of this form of incentive compensation.

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form DEF 14A

Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to the CEO and other named executive officers. Because of the range of compensation paid to its executive officers, the Committee has not established any policy regarding annual compensation to such executive officers in excess of \$1,000,000.

COMPENSATION OF THE CEO IN 2004

For fiscal 2004, Mr. Soloway's salary was based upon the employment agreement between the Company and Mr. Soloway which became effective June 26, 2003. As of the date of this report, no determination as to Mr. Soloway's bonus for the 2004 fiscal year as been made by the Committee. Mr. Soloway's bonus for fiscal year 2003 was based upon, but not limited to, such performance indicators as net sales, EBITDA, net income and various financial ratios and the Committee anticipates his bonus for fiscal year 2004 will also be based upon, but not limited to, such performance indicators. The Committee believes that granting the CEO stock options best aligns his interests with those of the Company's stockholders.

THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS

On December 15, 2003, the Company engaged Marcum & Kliegman LLP ("M&K") as the independent public accountants for the Company and its subsidiaries replacing KPMG LLP, who were dismissed on the same day. The Board of Directors had previously appointed KPMG LLP as the independent accountants for the Company and its subsidiaries for its 2003 fiscal year. The change was approved by the Company's audit committee and Board of Directors. The Company had not consulted with M&K during its two most recent fiscal years nor during any subsequent interim period prior to its appointment as auditor for the fiscal year 2003 regarding the application of accounting principles to a specified transaction either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statement or regarding any matter that was either the subject of a disagreement, within the meaning of Item 304(a)(1)(iv) of Regulation S-K, or any "reportable event," as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

KPMG LLP was engaged as the Company's independent accountants on July 9, 2002. KPMG LLP's report on the Company's financial statements for fiscal 2002 did not contain any adverse opinion or disclaimer of opinion and was not qualified as to uncertainty, audit scope or accounting principles. During the Company's 2002 fiscal year and the subsequent interim period preceding the date of termination, there were no disagreements between the Company and KPMG LLP on any matter of accounting principles or practices, financial statement disclosures or auditing scope or procedures, nor were there any "reportable event" within the meaning of Item 304(a)(1)(v) of Regulation S-K. The audit of the Company's fiscal 2003 financial statements, which was begun by KPMG LLP, was not completed.

On July 9, 2002 the Board of Directors of Company dismissed Arthur Andersen LLP ("Andersen") as its independent public accountants and appointed KPMG to serve as its independent public accountants. These actions were taken at the recommendation of the Company's Audit Committee. Andersen had served as the Company's independent public accountants since 1993. None of Andersen's reports on the Company's consolidated financial statements for the fiscal years ended June 30, 2001 and 2000 contained an adverse opinion or disclaimer of opinion, nor was any such report qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended June 30, 2001 and 2000 and through the date of dismissal, there were no disagreements between the Company and Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Andersen's

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form DEF 14A

satisfaction, would have caused them to make reference to the subject matter in connection with their report on the Company's consolidated financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

During the fiscal years ended June 30, 2001 and 2000 and through the date of engagement of KPMG, the Company did not consult KPMG with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or (ii) any matter that was either the subject of a disagreement, within the meaning of Item 304(a)(1)(iv) of Regulation S-K, or any "reportable event," as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

The Company provided Andersen with a copy of the Company's annual report on Form 10-K for the year ended June 30, 2002 and requested that Andersen furnish a letter addressed to the Securities and Exchange Commission stating whether it agrees with the statements made by the Company in such report, and if not, stating the respects in which it does not agree. Andersen had indicated to the Company that Andersen no longer issues such letters.

M&K has been retained for fiscal year 2005. A representative of M&K will be present at the Annual Meeting to make a statement if he desires and to respond to appropriate questions presented at the Meeting.

PRINCIPAL ACCOUNTANT FEES

The fees billed by the Company's independent auditors for professional services for 2004 and 2003 fiscal years were as follows:

	Fiscal Year 2004 -----	Fiscal Year 2003 -----	
	M&K ---	KPMG (2) -----	M&K (3) -----
Audit Fees	\$82,500	\$237,000	\$150,000
Audit Related Fees	0	0	0
Tax Fees	0	0	0
All Other Fees (1)	\$ 7,500	\$ 15,000	0

- (1) Includes services related to the audit of the Company's employee benefit plan.
- (2) The Company has paid \$70,000 to KPMG for professional services for fiscal year 2003.
- (3) The Company was billed \$150,000 by M&K for professional services rendered for the audit of the Company's financials for fiscal years 2003 and 2002.

The Audit Committee has considered whether the provision of the services described above under the headings "Audit Related Fees", "Tax Fees" and "All Other Fees" is compatible with maintaining the auditor's independence and determined that it is. In fiscal year 2004 100% of "All Other Fees" were approved by the Audit Committee.

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form DEF 14A

POLICY ON AUDIT COMMITTEE PRE-APPROVAL OF AUDIT AND PERMISSIBLE NON-AUDIT SERVICES OF INDEPENDENT AUDITORS

The Audit Committee specifically pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval may be provided for up to one year. Each pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date.

SUBMISSION OF FUTURE STOCKHOLDER PROPOSALS AND NOMINATION OF DIRECTORS

From time to time stockholders present proposals that may be proper subjects for inclusion in the Proxy Statement and for consideration at an annual meeting. Stockholders who intend to present proposals at the 2005 Annual Meeting, and who wish to have such proposals included in the Company's Proxy Statement for the 2005 Annual Meeting, must be certain that such proposals are received by the Company's Secretary at the Company's executive offices, 333 Bayview Avenue, Amityville, New York 11701 not later than June 27, 2005. Such proposals must meet the requirements set forth in the rules and regulations of the Securities and Exchange Commission in order to be eligible for inclusion in the Proxy Statement. Stockholders who intend to present a proposal at the 2005 Annual Meeting but who do not wish to have such proposal included in the Company's Proxy Statement for such meeting must be certain that notice of such proposal is received by the Company's Secretary at the Company's executive offices not later than September 10, 2005.

Pursuant to the Company's by-laws, any nominations for director by a stockholder must be delivered or mailed to and received by the principal executive offices of the Company not less than sixty (60) days prior to the date of meeting.

EXPENSES OF SOLICITATION

The Company will bear all costs in connection with the solicitation by the Board of Directors of proxies of the Meeting. The Company intends to request brokerage houses, custodial nominees and others who hold stock in their names to solicit proxies from the persons who beneficially own such stock. The Company will reimburse brokerage houses, custodial nominees and others for their out-of-pocket expenses and reasonable clerical expenses. It is estimated that these expenses will be nominal. In addition, officers and employees of the Company may solicit proxies personally or by telephone, telegram or letter; they will receive no extra compensation for such solicitation.
