SCHEDULE 13D

Preliminary Statement

This Amendment No. 3 amends the Statement on Schedule 13D filed on October 13, 2004 (the Original Schedule 13D), as amended by Amendment No. 1 filed on October 19, 2004 and Amendment No. 2 filed on December 23, 2004, by the entities identified on the cover pages of this Schedule 13D (collectively, the Reporting Persons). This amendment relates to the preferred shares, no par value (*ações preferenciais*), of Telesp Celular Participações S.A., a corporation organized under the laws of the Federative Republic of Brazil, or TCP. The address of the principal executive office of TCP is Avenida Roque Petroni Júnior, 1,464 Morumbi, 04707-000 São Paulo, SP, Brazil, and the company's phone number is (55) 11-5105-1207.

The Reporting Persons are filing this Amendment No. 3 to revise information previously reported in light of the completion of the reoffering rounds of TCP's previously announced rights offering and the related public auction.

Item 3. Source and Amount of Funds or Other Consideration.

The last paragraph of Item 3 is hereby replaced in its entirety by the following three paragraphs:

On November 9, 2004, TCP commenced an offering of preemptive rights to holders of its existing preferred shares and common shares. The rights exercise period for holders of ADSs representing preferred shares expired on December 10, 2004, and the rights exercise period for holders of preferred shares in Brazil expired on December 17, 2004. Brasilcel subscribed for 133,077,526,590 new preferred shares of TCP (including 252,369 preferred shares subscribed for on behalf of its wholly owned subsidiary Portelcom Participações and 28,543,637,500 preferred shares represented by ADSs) in the initial rights exercise period for a total price of R\$665,387,632.95 plus, with respect to the preferred shares represented by ADSs, currency conversion expenses, ADS issuance fees and Brazilian financial transaction taxes. In connection with the initial rights exercise period, Portelcom Participações ceded to Brasilcel the right to subscribe for preferred shares on its behalf.

On December 21, 2004 and December 27, 2004, TCP commenced the first and second reoffering rounds, respectively, for holders of preferred shares, and such reoffering rounds expired on December 23, 2004 and December 29, 2004, respectively. On January 4, 2004, TCP held an action at the São Paulo Stock Exchange with respect to shares that remained unsubscribed after the two reoffering rounds. During the first reoffering round, Brasilcel subscribed for 2,238,762,424 new preferred shares of TCP for a total price of R\$11,193,812.12. During the second reoffering round, Brasilcel subscribed for 148,344,295 new preferred shares of TCP for a total price of R\$741,721.48. In addition, Portelcom Participações subscribed for 3,888,608 new preferred shares of TCP for a total price of R\$27,025.83 at the auction held on January 4, 2004.

Brasilcel obtained the necessary funds from a capital increase from its controlling shareholders Portugal Telecom and Telefónica Móviles, except that the consideration for a portion of the 252,369 preferred shares acquired on behalf of Portelcom Participações was a tax credit accrued by Portelcom Participações in 2003 relating to the premium it paid for the acquisition of shares of TCP when it was privatized in 1998. Under Brazilian securities regulations, a controlling shareholder may use such a tax credit as consideration for shares subscribed for in a capital increase, so long as preemptive rights are granted to minority shareholders. Portugal Telecom obtained the necessary funds for its portion of the capital contribution to Brasilcel from available funds including issuances of commercial paper under an existing commercial paper facility available for general corporate purposes. Telefónica Móviles obtained the funds for its portion of the capital contribution to Brasilcel from Telefónica, which obtained the funds from existing working capital credit lines. The new preferred shares were delivered by TCP beginning on January 12, 2005, and the new

ADSs related to the preemptive rights period and the first and second reoffering rounds are expected to be delivered on or about January 14, 2005.

Item 4. *Purpose of the Transaction.*

The last paragraph of Item 4 is hereby amended and restated in its entirety as follows:

Table of Contents

On October 8, 2004, TCP announced a capital increase in an amount of up to R\$2,054 million, to be effected through offerings of preemptive rights, first and second reoffering rounds and the action described in Item 3 above. Brasilcel, on behalf of itself and Portelcom Participações, fully exercised the rights it received in the rights offering and acquired additional preferred shares in the first and second reoffering rounds, and Portelcom Participações purchased additional preferred shares in the auction held on January 4, 2005 at the São Paulo Stock Exchange, in order to participate in the capital increase and to avoid the dilution of their ownership interest in TCP.

Item 5. *Interest in Securities of the Issuer.*

Item 5 is hereby amended and restated in its entirety as follows:

(a) Each of Brasilcel, Portugal Telecom, TMN Telecomunicações Móveis Nacionais S.A., or TMN, and PT Móveis, SGPS, S.A., or PT Móveis, may be deemed to be beneficial owners pursuant to the Exchange Act of the 515,084,066,790 preferred shares of TCP, or 50.0%, of TCP's preferred shares, that are held directly or indirectly by Brasilcel. For the purposes of this calculation, the Reporting Persons have assumed an outstanding preferred share number of 1,029,666,595,649 (or 762,400,487,973 preferred shares outstanding prior to the rights offering plus 267,266,107,676 preferred shares issued to all shareholders in connection with the initial rights exercise period, the first and second reoffering rounds and the auction). Of the preferred shares held by Brasilcel, 109,966,910,000 are in the form of 43,986,764 ADSs, each of which represents 2,500 preferred shares of TCP. Each of Brasilcel, Portugal Telecom, TMN, PT Móveis and Portelcom Participações may be deemed to be beneficial owners pursuant to the Exchange Act of the 4,608,516 preferred shares of TCP that are held directly by Portelcom Participações, which shares are included in the number of shares disclosed in the first sentence of this Item 5(a). Telefónica and Telefónica Móviles may be deemed to be beneficial owners pursuant to the Exchange Act of the shares of TCP that Brasilcel and Portelcom Participações hold and may be deemed, together with Portugal Telecom, TMN, PT Móveis, Brasilcel and Portelcom, to comprise a group within the meaning of Section 13(d)(3) of the Exchange Act. However, the Reporting Persons disclaim membership in a group within the meaning of Section 13(d)(3) of the Exchange Act. To the knowledge of the Reporting Persons, none of the persons listed on Schedule 1 to the Original Schedule 13D beneficially owns any preferred shares of TCP.

(b) Brasilcel has sole power to vote or to dispose of the preferred shares of TCP it holds (subject to customary limitations on voting pursuant to the applicable deposit agreement with respect to preferred shares held in the form of ADSs). Portelcom Participações and its parent Brasilcel each may be deemed to have sole power to vote or to dispose of preferred shares of TCP that Portelcom Participações holds directly. Pursuant to the joint venture arrangement described in Item 6 to the Original Schedule 13D, Portugal Telecom and PT Móveis, on one hand, and Telefónica Móviles, on the other hand, have equal voting rights in Brasilcel. Portugal Telecom, TMN and PT Móveis (which is a wholly owned subsidiary of TMN) therefore each may be deemed to share the power to vote or to dispose of preferred shares of TCP held directly and indirectly by Brasilcel.

Pursuant to Item 5(b) of the instructions to Schedule 13D, the Reporting Persons are required to provide certain information regarding Telefonica Moviles, with whom they may be deemed to share the power to vote or to dispose of preferred shares of TCP held directly and indirectly by Brasilcel. The information contained in Item 2 to Amendment No. 1 to the Schedule 13D filed by Telefonica, Telefonica Moviles and Brasilcel on October 13, 2004 with respect to the preferred shares of TCP (except for the information in such Item 2 relating to Brasilcel and its directors and officers) is hereby incorporated by reference into this document. However, the Reporting Persons have not independently verified that information and take no responsibility therefor.

(c) None of the Reporting Persons has effected any transaction in the preferred shares of TCP in the past 60 days other than those transactions described in Items 3 and 4 above. To the knowledge of the Reporting Persons, none of the persons listed on Schedule 1 hereto has effected any transactions in the preferred shares of TCP in the past 60 days.

Table of Contents

(d) No person other than the Reporting Persons is known to have the right to receive or the power to direct the receipt of the dividends from, or the proceeds from the sale of the preferred shares of TCP held directly or indirectly by Brasilcel, except for the rights and powers of Telefónica Móviles under the joint venture arrangement described in Item 6 to the Original Schedule 13D and the rights and powers of Telefónica as the controlling shareholder of Telefónica Móviles.

(e) Not applicable.

Item 6. *Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.*

Item 6 is hereby amended by adding the following at the end thereof:

Transfer of Right to Participate in TCP Rights Offering

In connection with the initial rights exercise period of the rights offering of TCP described in Item 3 above, Portelcom Participações ceded to Brasilcel the right to subscribe for preferred shares on its behalf.
