**Section 1 Registrant's Business and Operations**

**Item 1.01 Entry into a Material Definitive Agreement**

Cambrex Corporation is reporting under Item 1.01 that on November 2, 2006, the Compensation Committee of the Board of Directors (the Board) of Cambrex Corporation (the Company) approved the lifting of all sales restrictions on all vested stock options that are held by current employees and all executive officers granted under The 1996 Performance Stock Option Plan, The 1998 Stock Option Plan, The 2000 Non-Executive Stock Option Plan, The 2001 Performance Stock Option Plan, The 2003 Performance Stock Option Plan and The 2004 Omnibus Incentive Plan. Options to purchase approximately 1,077,578 shares of the Company's common stock (of which approximately 350,235 are options held by executive officers) are subject to the lifting of these sales restrictions, which is effective November 2, 2006. A portion of such options were the subject of the Board's approval on June 1, 2005 (see below) to accelerate certain unvested options.

As previously disclosed (see Cambrex Corporation Current Report on Form 8-K dated June 7, 2005) on June 1, 2005 the Board had approved the acceleration of the vesting of unvested stock options that were held by current employees and all executive officers having an exercise price of \$18.675 or greater granted under The 1996 Performance Stock Option Plan, The 1998 Stock Option Plan, The 2000 Non-Executive Stock Option Plan, The 2001 Performance Stock Option Plan, The 2003 Performance Stock Option Plan and The 2004 Omnibus Incentive Plan. At that time the Committee also imposed a holding period that would require all employees and executive officers to refrain from selling shares acquired upon the exercise of the options subject to acceleration until the date on which the exercise would have been permitted under the option's original vesting terms or, if earlier, the expiration date due to retirement. Since June 1, 2005, some of the sales restrictions have lapsed and pursuant to the Compensation Committee's November 2, 2006 approval to lift the sales restriction, the holding periods on the remaining options subject to the Board's June 1, 2006 approval have no further force and effect.

The form of notice to executive officers regarding the lifting of the sales restriction is attached hereto as Exhibit 99.1.

**Section 8 Other Events**

**Item 8.01 Other Events**

---
