(the Company) filed a Current Report on Form 8-K (the Original Filing) in connection with a business transaction with Chiesi Farmaceutici SpA (Chiesi), including Exhibit 10.2, License and Distribution Agreement, dated as of May 6, 2009, between Chiesi and the Company (the Exhibit). The Company is filing this Amendment No. 1 on Form 8-K/A for the sole purpose of filing a revised Exhibit, and amending Item 9.01. Accordingly, an updated Exhibit is also included with this Amendment No. 1.

The terms of the Exhibit have not changed; however, the Company has reduced the portions of text contained therein for which confidential treatment has been requested from the Securities and Exchange Commission (the Commission). The Company previously omitted such information in the Exhibit filed with the Original Filing pursuant to an application for confidential treatment submitted to the Commission in accordance with Rule 24b-2 under the Securities Exchange Act of 1934, as amended (the Exchange Act).

This Amendment No. 1 does not change any of the other disclosures contained in the Original Filing, including Item 1.01. Although Item 1.01 has not changed, in accordance with Rule 12b-15 under the Exchange Act, this Amendment No. 1 restates the complete text of Item 1.01 because Exhibit 10.2, which is incorporated by reference therein, has been revised. This Amendment No. 1 continues to speak as of the date of the Original Filing. The Company has not updated or amended the disclosures contained therein to reflect events that have occurred since the date of the Original Filing. Accordingly, this Amendment No. 1 should be read in conjunction with any filings made by the Company with the Securities and Exchange Commission subsequent to the date of the Original Filing.

Stock Purchase Agreement

On May 6, 2009, Cornerstone Therapeutics Inc. (the Company) and Chiesi Farmaceutici SpA (Chiesi) entered into a Stock Purchase Agreement (the Stock Purchase Agreement), pursuant to which the Company agreed, subject to the terms and conditions set forth in the Stock Purchase Agreement, to issue and sell 11,902,741 shares of the Company's common stock, par value \$0.001 per share (Common Stock), to Chiesi (the Company Stock Sale). The Stock Purchase Agreement provides that, in exchange for the shares to be issued to Chiesi, Chiesi will (i) grant the Company an exclusive ten-year license to distribute and market Chiesi's Curosu[®] product in the United States and (ii) pay the Company \$15,465,075 in cash. Based on a per share consideration of \$5.50, the aggregate consideration for the shares of Common Stock to be issued in the Company Stock Sale is approximately \$65,465,075.

The Stock Purchase Agreement contains customary representations and warranties of the Company and Chiesi made to each other as of specific dates. The assertions embodied in those representations and warranties were made solely for purposes of the contract between the Company and Chiesi and may be subject to important qualifications and limitations agreed to by the Company and Chiesi in connection with the negotiated terms. Moreover, some of those representations and warranties may not be accurate or complete as of any specified date, may be subject to a contractual standard of materiality different from those generally applicable to stockholders or may have been used for purposes of allocating risk between the Company and Chiesi rather than establishing matters as facts.

The Stock Purchase Agreement contains customary representations, warranties and covenants by each of the Company and Chiesi, including, among others, covenants by the Company (i) to conduct its business in the ordinary course during the period between the execution of the Stock Purchase Agreement and the closing of the Company Stock Sale (the Closing); (ii) not to engage in certain specified transactions during such period, including declaring or paying any dividends or making any other distributions in respect of its capital stock; and (iii) following the Closing, if necessary, to issue additional shares to Chiesi so that Chiesi's ownership as of the Closing equals 51% of the Common Stock on a Fully Diluted Basis (as defined in the Stock Purchase Agreement). The Company has also agreed (i) not to (x) solicit proposals relating to alternative business combination transactions or (y) subject to certain exceptions, enter into discussions or negotiations or provide confidential information in connection with any proposals for alternative business combination transactions and (ii) after the Closing, to hold a second meeting of its stockholders to approve certain amendments to the Company's charter, including amendments necessary to effect the corporate governance provisions of the Governance Agreement described below.

The board of directors of the Company has determined the Company Stock Sale to be fair to and in the best interest of the Company and its stockholders and adopted resolutions approving the Company Stock Sale and recommending the Company's stockholders approve the Company Stock Sale.

The Closing is subject to various customary closing conditions, including, among others, (i) approval by the Company's stockholders of the Company Stock Sale, (ii) expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 and (iii) concurrent consummation of the Initial Stock Sale described below.

The Stock Purchase Agreement contains certain termination rights for both the Company and Chiesi, and further provides that, upon termination of the Stock Purchase Agreement under certain circumstances, the Company may be obligated to pay Chiesi a termination fee of \$2.5 million.

Table of Contents

The Stock Purchase Agreement contemplates that the Company's certificate of incorporation and bylaws will be amended to incorporate certain corporate governance provisions consistent with the terms of the Governance Agreement described below.

Concurrently with the execution and delivery of the Stock Purchase Agreement, Chiesi and two stockholders of the Company entered into a separate stock purchase agreement, pursuant to which two stockholders that are entities controlled by Craig A. Collard, the President and Chief Executive Officer of the Company, and Steven M. Lutz, the Executive Vice President, Manufacturing and Trade of the Company, agreed, among other things, to sell to Chiesi 1.6 million shares of Common Stock owned by such stockholders (the Initial Stock Sale). Following the closing of the Initial Stock Sale and the Closing, Chiesi will own approximately 51% of the outstanding Common Stock on a Fully Diluted Basis (as defined in the Stock Purchase Agreement).

A copy of the Stock Purchase Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference. The foregoing description of the Stock Purchase Agreement is qualified in its entirety by reference to the full text of the Stock Purchase Agreement.

License and Distribution Agreement

In connection with and concurrently with the execution and delivery of the Stock Purchase Agreement, the Company and Chiesi entered into a License and Distribution Agreement (the Distribution Agreement), pursuant to which Chiesi will license and grant to the Company the exclusive distribution rights to Chiesi's Curosurf® treatment in the United States for a ten-year term beginning, at Chiesi's election, on one of three dates during the third or fourth quarters of 2009 (whether or not the Closing under the Stock Purchase Agreement has occurred by then), which will automatically renew for successive one-year periods unless specified prior written notice is given. Under the Distribution Agreement, the supply price for Curosurf® will equal the greater of a specified percentage of the net sales price for such product or the applicable floor price set forth in the Distribution Agreement. If the Closing contemplated by the Stock Purchase Agreement does not occur, Chiesi will have the right to terminate the Distribution Agreement.

A copy of the Distribution Agreement is attached hereto as Exhibit 10.2 and is incorporated herein by reference. The foregoing description of the Distribution Agreement is qualified in its entirety by reference to the full text of the Distribution Agreement.

Governance Agreement

In connection with and concurrently with the execution and delivery of the Stock Purchase Agreement, the Company, Chiesi and, solely with respect to certain sections identified therein, certain stockholders of the Company entered into a Governance Agreement (the Governance Agreement), which sets forth certain rights and obligations of the Company, Chiesi and such stockholders concerning, among other things, certain corporate governance matters, the voting of Chiesi's shares of Common Stock, certain limitations on future acquisitions and dispositions of shares of Common Stock by Chiesi and certain rights of first offer to distribute and market the other party's products. The Governance Agreement will become effective upon the Closing.

On the date the Governance Agreement becomes effective, the Company's board of directors will be reconstituted to consist of its chief executive officer, three independent directors under the NASDAQ Marketplace Rules and four

Table of Contents

persons designated by Chiesi. The number of persons Chiesi is entitled to designate for consideration for election to the Company's board of directors to the Company's nominating committee will thereafter depend on the percentage of beneficial ownership of the Company held by Chiesi and its affiliates on a Fully Diluted Basis (as defined in the Governance Agreement), with a maximum of four persons so designated at any time. The Company's nominating committee will nominate the Company's chief executive officer and three independent directors.

The Governance Agreement also provides that during the period beginning on the date of Closing and ending 24 months thereafter (the Blackout Period), Chiesi will not directly or indirectly acquire or offer to acquire any shares of Common Stock except (i) with the approval of the Company's board and a majority of its independent directors, (ii) effected solely to the extent necessary to maintain the beneficial ownership of Chiesi and its affiliates at an amount equal to 51% of the shares of Common Stock on a Fully Diluted Basis (as defined in the Governance Agreement), (iii) pursuant to open market purchases in the same number of shares as certain stockholders of the Company transfer during the same period (iv) in order to effect the acquisition of all of the outstanding capital stock of the Company by Chiesi and/or any of its affiliates, in accordance with the provisions of the Governance Agreement, and (v) pursuant to a mandatory tender offer by Chiesi that Chiesi will be required to make if Chiesi and its affiliates beneficially own 85% or more of the Company's capital stock on a Fully Diluted Basis (as defined in the Governance Agreement). Also, during the Blackout Period, Chiesi will be prohibited from selling or otherwise transferring any shares of Common Stock except pursuant to a bona fide acquisition of the Company by a third party through a merger, consolidation, stock exchange or tender offer that was not solicited by Chiesi or its affiliates and that was approved by the Company's board and a majority of its independent directors. The Governance Agreement further imposes certain standstill obligations on Chiesi during the Blackout Period, pursuant to which Chiesi and certain related persons are prohibited from soliciting proxies from the Company's stockholders, participating in a group of persons that would be required to file a statement with the Securities and Exchange Commission (the SEC) if the group beneficially owned 5% or more of any class of the Company's voting stock, granting proxies or entering into voting agreements and seeking additional representation on the Company's board. The Governance Agreement also provides that (i) the Company has a right of first offer with respect to the distribution and marketing in the United States of any pharmaceutical products owned or controlled by Chiesi or any of its affiliates that Chiesi makes available for distribution in the United States and (ii) Chiesi has a right of first offer with respect to the distribution and marketing outside the United States of any pharmaceutical products owned or controlled by the Company that the Company makes available for the distribution in any territory outside the United States.

The Governance Agreement, including each party's right of first offer on the other party's products, will terminate (i) if the Stock Purchase Agreement is terminated prior to Closing; (ii) on the second anniversary of the effective date of the Governance Agreement; or (iii) at the earliest of (A) such time as Chiesi and its affiliates beneficially own Common Stock constituting 100% of all of the outstanding Common Stock on a Fully Diluted Basis (as defined in the Governance Agreement), (B) such time as Chiesi and its affiliates beneficially own Common Stock constituting less than 10% of all of the Common Stock on a Fully Diluted Basis (as defined in the Governance Agreement) or (C) the effective time of a Change in Control (as defined in the Governance Agreement) of the Company. In addition, the Governance Agreement will terminate with respect to any stockholder party thereto at such time as the stockholder is no longer employed by the Company.

A copy of the Governance Agreement is attached hereto as Exhibit 10.3 and is incorporated herein by reference. The foregoing description of the Governance Agreement is qualified in its entirety by reference to the full text of the Governance Agreement.

Stockholders Agreement

In connection with and concurrently with the execution and delivery of the Stock Purchase Agreement, the Company, Chiesi and certain stockholders of the Company (Craig A. Collard, the Company's President and Chief Executive Officer, and Steven M. Lutz, the Company's Executive Vice President, Manufacturing and Trade, and certain related entities) entered into a Stockholders Agreement (the Stockholders Agreement) pursuant to which the stockholders agreed not to sell or otherwise transfer a number of shares equal to approximately 80% of the shares of Common Stock held by them as of May 6, 2009 (the Covered Shares), subject to certain exceptions described in the Stockholders Agreement. In addition, the stockholders agreed they would not, directly or indirectly, acquire or offer to acquire any shares of Common Stock, subject to certain exceptions described in the Stockholders Agreement. The Stockholders Agreement also provides that beginning on the date on which the restrictions on transfers by the stockholders of the Covered Shares lapse and for a 30 day period thereafter, Chiesi will have the option, exercisable in whole but not in part on a single occasion, to acquire all the stockholders' Covered Shares, at a price per share of \$12.00 (subject to adjustment for any stock split, stock dividend, reverse stock split or similar adjustment). Each stockholder also agreed, subject to certain conditions, that at any meeting of the stockholders of the Company called to consider a transaction in which Chiesi or its affiliate will acquire all the outstanding capital stock of the Company, the stockholder will vote all shares of Common Stock owned by such stockholder at the applicable record date set for such meeting in the same proportions that the shares of Common Stock owned by the other stockholders of the Company (other than Chiesi and its affiliates) are voted on such matter. The Stockholders Agreement will become effective upon the Closing.

A copy of the Stockholders Agreement is attached hereto as Exhibit 10.4 and is incorporated herein by reference. The foregoing description of the Stockholders Agreement is qualified in its entirety by reference to the full text of the Stockholders Agreement.

Registration Rights Agreements

In connection with and concurrently with the execution and delivery of the Stock Purchase Agreement, the Company and Chiesi entered into a Registration Rights Agreement (the Chiesi Registration Rights Agreement), pursuant to which the Company agreed to provide registration rights to Chiesi with respect to the shares of Common Stock to be acquired in the Company Stock Sale. Under such agreement, following the Blackout Period, Chiesi will be entitled to require the Company to file with the SEC certain registration statements under the Securities Act of 1933, as amended, (each a Demand Registration) with respect to the resale of the shares of Common Stock acquired pursuant to the Initial Stock Purchase Agreement and the Stock Purchase Agreement up to four times, and to include its shares of Common Stock in any registration the Company proposes for its own account or for the account of one or more of its stockholders.

In connection with and concurrently with the execution and delivery of the Stock Purchase Agreement, the Company and the stockholders of the Company who entered into the Stockholders Agreement also entered into a Registration Rights Agreement (the Stockholders Registration Rights Agreement) substantially similar to the Chiesi Registration Rights Agreement. Under such agreement, such stockholders will be entitled to two Demand Registrations during the Blackout Period and three Demand Registrations thereafter. The stockholders will also have the right to include their shares of Common Stock in any registration the Company proposes for its own account or for the account of one or more of its stockholders.

Voting Agreements

In connection with and concurrently with the execution and delivery of the Stock Purchase Agreement, the Company and Chiesi entered into a Voting Agreement (the Chiesi Voting Agreement), pursuant to which Chiesi agreed to vote all of its shares of Common Stock in favor of the approval and adoption of the proposed amendment to the Company's certificate of incorporation.

In connection with and concurrently with the execution and delivery of the Stock Purchase Agreement, the Company also, on May 6, 2009, entered into a voting agreement with Chiesi and certain stockholders of the Company named therein (the Stockholders Voting Agreement), solely with respect to Section 2(b) thereof, which provides that the Company shall not, and is unconditionally instructed not to, permit on its books and records transfers by, issue new certificates to or record any vote of such stockholders, unless such stockholder has complied with the terms of the Stockholders Voting Agreement. Pursuant to the Stockholders Voting Agreement, the stockholders named therein have granted to Chiesi irrevocable proxies over the shares of Common Stock owned by them and agreed to vote the shares of Common Stock owned by them in favor of the Company Stock Sale and approval and adoption of the proposed amendment to the Company's certificate of incorporation, subject to the terms and conditions of the Stockholders Voting Agreement.

Copies of the Chiesi Voting Agreement and the Stockholders Voting Agreement are attached hereto as Exhibits 10.7 and 10.8, respectively, and are incorporated herein by reference. The foregoing description of the Chiesi Voting Agreement and the Stockholders Voting Agreement is qualified in its entirety by reference to the full text of the Chiesi Voting Agreement and the Stockholders Voting Agreement.
