**Section 2 Financial Information**

**Item 2.02 Results of Operations and Financial Condition.**

On July 28, 2009, FreightCar America, Inc. (the Company) issued a press release announcing certain preliminary financial metrics for the second quarter of 2009. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

**Section 4 Matters Related to Accountants and Financial Statements**

**Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

On July 28, 2009, the Company announced that it has identified historical accounting errors in accounts payable. The Company currently estimates that this account was overstated in a range of \$10 million to \$14 million as of March 31, 2009. The accounting errors have resulted in the understatement of net earnings since the fourth quarter of 2007. The Company's review of these accounting errors and their impact on the Company's consolidated financial statements is continuing. The accounting errors did not result from any changes in the Company's accounting policies, and the Company has no evidence that the errors resulted from any fraud or intentional misconduct.

The audit committee (the Audit Committee) of the board of directors of the Company concluded on July 27, 2009 that the Company's previously issued audited consolidated financial statements as of and for the fiscal years ended December 31, 2008 and December 31, 2007, and related auditors' report, and unaudited interim consolidated financial statements as of and for the quarterly periods ended March 31, 2009, December 31, 2008, September 30, 2008, June 30, 2008, March 31, 2008 and December 31, 2007 should no longer be relied upon because of these errors in the financial statements. The Company intends to restate these financial statements. The Company's board of directors agreed with the Audit Committee's conclusions.

The Company's review indicates that the errors were attributable to flaws in the design of an internal IT and accounting process to account for receipt of certain goods that was implemented in the fourth quarter of 2007. Management identified the accounting errors in connection with the implementation of a new enterprise-wide reporting and management software platform system to improve processes and strengthen controls throughout the Company.

The Audit Committee is overseeing this review. As the review is continuing, the Company expects that it will likely not file its quarterly report on Form 10-Q for the period ended June 30, 2009 on time. The Company has not reached a final conclusion on the effect of these accounting errors on its assessment of internal control over financial reporting and disclosure controls and procedures. Given the complexity of the analysis, the Company expects that the review will be completed during the third quarter of 2009, including the filing of amended quarterly reports on Form 10-Q for the quarters ended March 31, 2009 and September 30, 2008 and an amended annual report on Form 10-K for the year ended December 31, 2008 to restate the financial statements for the periods indicated above.

---

In addition, the restatement has caused the Company to fail to comply with certain representations and covenants in each of the Second Amended and Restated Credit Agreement, dated as of August 24, 2007 (as amended), by and among Johnstown America Corporation, Freight Car Services, Inc., JAC Operations, Inc., JAIX Leasing Company and FreightCar Roanoke, Inc., as the Co-Borrowers, the lenders party thereto, LaSalle Bank National Association, as Administrative Agent and Arranger, and National City Business Credit, Inc., as Collateral Agent (the Company Credit Agreement ), and the Credit Agreement, dated as of September 30, 2008 (as amended), by and among JAIX Leasing Company, as Borrower, Bank of America, N.A., as Administrative Agent, the lenders party thereto and Banc of America Securities LLC, as Sole Lead Arranger and Sole Book Manager (the JAIX Credit Agreement ), relating to the provision of annual and quarterly financial statements. The Company does not currently have any borrowings outstanding under either of these credit facilities. The Company is actively seeking and is in advanced discussions regarding waivers of these representations and covenants from the lenders under each of the Company Credit Agreement and the JAIX Credit Agreement. The Company was otherwise in compliance with the representations and covenants contained in these agreements.

The Audit Committee and the Company's management have discussed the matters disclosed in this Item 4.02 with Deloitte & Touche LLP, the Company's independent registered public accounting firm. The Company also has contacted The Nasdaq Stock Market LLC with respect to these matters.
