**PROXY STATEMENT
GENERAL INFORMATION**

General

This proxy statement is furnished in connection with the solicitation by the Board of Directors of Delta Apparel, Inc., a Georgia corporation, of proxies for the Annual Meeting of shareholders to be held on November 12, 2009, at 10:00 a.m. local time. The Annual Meeting will be held at our administrative offices located at 2750 Premiere Parkway, Suite 100, Duluth, Georgia 30097. This proxy statement, form of proxy, and accompanying materials shall be first mailed on or about Friday, September 25, 2009, to all shareholders entitled to notice of, and to vote at, the Annual Meeting. We will refer to Delta Apparel, Inc. in this proxy statement as either Delta Apparel, the Company, we, or us, or words of similar effect.

All materials filed by us with the Securities and Exchange Commission can be obtained through the SEC's web site at www.sec.gov or through our web site at www.deltaapparelinc.com.

Purpose of the Annual Meeting

At our Annual Meeting, holders of our common stock will be asked:

1. To elect nine directors identified in this proxy statement to hold office until the next Annual Meeting of the Company's shareholders or until their successors are duly elected and qualified;
2. To ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending July 3, 2010; and
3. To act on such other business as may properly come before the Annual Meeting or any adjournment or adjournments thereof.

Members of our management team will be present at the meeting to respond to appropriate questions from shareholders.

Record Date and Share Ownership

The record date for the meeting is Friday, September 18, 2009. Only shareholders of record at the close of business on that date are entitled to vote at the Annual Meeting and any adjournment or postponement thereof. As of that date, there were 8,510,449 shares of our common stock, \$0.01 par value, outstanding. Each share is entitled to one vote on each matter before the meeting.

When a properly completed proxy is returned to the address indicated on the enclosed proxy card, it will be voted as directed by the shareholder on the proxy. Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. If the shares are held in the shareholder's name, the proxy may be revoked by (i) sending written notice of revocation to our Secretary, Martha M. Watson, (ii) executing and delivering to our Secretary a proxy bearing a later date, or (iii) attending the Annual Meeting and giving notice of revocation to our Secretary or giving notice of revocation in open meeting prior to the proxy being voted. Attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy. Any written notice revoking a proxy should be sent to: Delta Apparel, Inc., 322 S. Main Street, Greenville, South Carolina 29601, Attention: Martha M. Watson, Secretary. If you are a beneficial owner of shares held in street name by your broker, you should follow the directions provided by your broker regarding how to revoke your proxy.

Quorum and Voting Requirement

The presence, either in person or by proxy, of the holders of a majority of the shares of outstanding common stock at September 18, 2009 is necessary to constitute a quorum at the Annual Meeting. Directors will be elected by a majority of the votes cast at the Annual Meeting. This means that each of the nine nominees will be elected if he or she receives the affirmative vote of holders of a majority of the shares voting with respect to the election of directors. Shareholders do not have the right to cumulate their votes with respect to the election of any director. Ratification of the appointment of Ernst & Young LLP as independent registered public accounting firm will require that the number of votes cast for exceeds the number of votes cast against the issue at the Annual Meeting. Abstentions and broker non-votes, which are separately tabulated, are included in the determination of the number of shares present for quorum purposes, but have no effect on the election of directors or the ratification of the appointment of Ernst & Young as independent registered public accounting firm.

Solicitation of Proxies

We will pay the cost of soliciting proxies in the accompanying form. In addition to solicitation by mail, our directors, officers and other regular employees may solicit proxies by telephone, telecopy or personal interview for no additional compensation. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of the stock held of record by such persons, and we will reimburse such persons for reasonable out-of-pocket expenses incurred by them in so doing. We have engaged Georgeson, Inc. to assist in these contacts with brokerage houses, custodians, nominees and fiduciaries for an estimated fee of \$1,125 plus reasonable out-of-pocket expenses.

Proposals of Security Holders

Any shareholder who desires to present a proposal at the 2010 Annual Meeting of shareholders for inclusion in our proxy statement and form of proxy relating to that meeting must submit such proposal to us at our principal executive office on or before May 28, 2010. Pursuant to the requirements of our bylaws, if a shareholder desires to present a proposal at the 2010 Annual Meeting of shareholders that will not be included in our proxy statement and form of proxy relating to that meeting, such proposal must be submitted to us at our principal executive office no later than July 15, 2010 for the proposal to be considered timely.

Table of Contents

STRUCTURE AND PRACTICES OF THE BOARD OF DIRECTORS

Our Board of Directors has the professional experience, expertise and commitment to effectively oversee management's performance and act in the long-term best interests of shareholders. The Board of Directors is committed to maintaining the highest standards of corporate governance.

Code of Ethics

Our Board of Directors maintains a code of business conduct and ethics known as the Ethics Policy Statement that applies to all of our salaried employees, officers and directors, including, but not limited to, our Chief Executive Officer and our Chief Financial Officer (who is also our principal accounting officer). The Ethics Policy Statement is available on our web site at www.deltaapparelinc.com. Any amendments or waivers to provisions of our Ethics Policy Statement that are applicable to our Chief Executive Officer or our Chief Financial Officer will be posted on our web site.

Director Independence

Our Board of Directors evaluates the independence of each director in accordance with applicable laws and regulations and the listing standards of the NYSE Amex Stock Exchange. Generally, an independent director is a director who is not also an officer or employee of the Company or any parent or subsidiary of the Company. In addition, no director qualifies as independent unless the Board of Directors affirmatively determines that the director does not have a material relationship with the Company that would interfere with the exercise of independent judgment. Our Board of Directors has reviewed the relationships between each member of the Board and the Company. Based on its review, our Board of Directors has determined that with the exception of Robert W. Humphreys, Chairman, Chief Executive Officer and President, each of our current directors is independent as required by applicable laws and meets the applicable independence requirements of the NYSE Amex Company Guide.

Communicating with the Board of Directors

It is the policy of our Board of Directors to encourage our shareholders to provide all forms of information to the Board of Directors and/or its members. All such communications should be in written form, addressed to the Board of Directors or to one or more individual members of the Board of Directors, and sent care of our Secretary, Martha M. Watson, at 322 S. Main Street, Greenville, South Carolina 29601 or via fax to 864-232-5199 or by email to martha.watson@deltaapparel.com. Such communications will be reviewed by our Secretary, who will remove communications relating to solicitations, junk mail, or other correspondence relating to customer service concerns. All other shareholder communications will be promptly forwarded to the applicable member(s) of our Board of Directors or to the entire Board of Directors, as requested in the shareholder communication.

Meetings of the Board

Directors are expected to attend all meetings of the Board and each committee on which they serve. The independent directors meet regularly in private sessions without any members of management present. In 2009, our Board of Directors had five regularly scheduled meetings. Each of the directors attended over 75% of the meetings of the Board and the committees on which he or she served. In addition to Board meetings, our directors communicate informally with management on a variety of topics, including suggestions for Board or committee meeting agenda topics, recent developments, and other matters of interest to the directors.

Directors standing for election are expected to attend the Annual Meeting of shareholders. All eight directors then in office and those who were standing for election attended our 2008 Annual Meeting.

Table of Contents**Board Committees**

Our Board of Directors has an Audit Committee, a Compensation Committee and a Corporate Governance Committee (which is our nominating committee). Each committee's activities are governed by a written committee charter. Copies of the committee charters are available through our web site at www.deltaapparelinc.com, or by sending your request in writing to our Secretary, Martha M. Watson, at 322 S. Main Street, Greenville, South Carolina 29601.

All members of these committees are independent. Annually, our Board designates the members of these committees, and the members for 2009 were as follows:

Audit	Compensation	Corporate Governance
Dr. Max Lennon, Chairperson	William F. Garrett, Chairperson	E. Erwin Maddrey, II, Chairperson
James A. Cochran	Dr. Max Lennon	David S. Fraser
David S. Fraser	E. Erwin Maddrey, II	Dr. Elizabeth J. Gatewood
Dr. Elizabeth J. Gatewood	Buck A. Mickel

If each of the nominees identified in this proxy statement are elected as directors at our Annual Meeting, the committee members for 2010 will be as follows:

Dr. Elizabeth J. Gatewood	David T. Peterson	Robert A. Staton, Sr.
E. Erwin Maddrey, II	Robert A. Staton, Sr.	
David T. Peterson		

Audit Committee

Our Audit Committee serves as an independent and objective party to oversee the financial and reporting processes of the Company, the audits of the financial statements of the Company and the Company's internal control system. Our Audit Committee appoints (subject to shareholder ratification), evaluates, and, when appropriate, replaces the independent registered public accounting firm, or outside auditors engaged to audit our financial statements and perform other audit, review, or attest services for the Company, determines the compensation and other terms of engagement of our outside auditors, and oversees their work. The outside auditors report directly to our Audit Committee. Our Audit Committee also oversees the internal audit function of the Company. In addition, our Audit Committee is responsible for establishing procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters and the confidential, anonymous submission by Company employees of concerns regarding questionable accounting or auditing matters. Our Audit Committee held four meetings during the fiscal year ended June 27, 2009.

After considering relationships between each member of the Audit Committee and the Company and our subsidiaries, and reviewing the qualifications of the members of the Audit Committee, our Board of Directors has determined that all current members of the Audit Committee are independent as required by applicable laws and as defined in the NYSE Amex Company Guide. Furthermore, our Board of Directors has determined that Dr. Max Lennon qualifies as an Audit Committee financial expert as defined by the Securities Exchange Act of 1934, as amended.

Table of Contents

Compensation Committee

Our Compensation Committee assists our Board in fulfilling its oversight responsibilities relating to senior executive and director compensation. Our Compensation Committee oversees, reviews and administers all of the Company's present and future compensation and executive benefit plans and programs, including equity compensation plans and plans pursuant to which performance-based compensation may be granted which are intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)), except that the full Board oversees, reviews and administers the Non-Employee Director Stock Plan. The Committee is authorized to delegate its responsibilities as it deems necessary or appropriate.

Our Compensation Committee reviews and determines executive officers' salaries, awards under the Delta Apparel Incentive Stock Award Plan (the Stock Award Plan), options under the Delta Apparel Stock Option Plan (the Stock Option Plan), and bonuses under our Short-Term Incentive Compensation Plan. Our Compensation Committee held four meetings during the fiscal year ended June 27, 2009.

Corporate Governance Committee

Our Corporate Governance Committee identifies, interviews and recommends to the Board candidates for election to the Board. The Committee also reviews and reports to the Board as to various corporate governance matters. Our Corporate Governance Committee held two meetings during the fiscal year ended June 27, 2009.

The process for identifying and evaluating nominees for director, including nominees recommended by shareholders, involves compiling names of potentially eligible candidates, evaluating candidates' qualifications, conducting interviews with candidates, and meeting to consider and recommend final candidates to the Board of Directors. The Corporate Governance Committee considers director nominees recommended by holders of our common stock, and there is no difference in the manner in which our Corporate Governance Committee evaluates nominees for directors who are recommended by a shareholder and nominees who are recommended by the Company. The Corporate Governance Committee is authorized to retain (and terminate) search firms to assist it in identifying candidates to serve as directors of the Company and has sole authority to approve the fees payable to such search firms and other terms of their retention. The Corporate Governance Committee does not currently retain the services of any director search firm to assist in identifying and evaluating director candidates for its consideration, although it may do so from time to time in the future. Accordingly, no fees were paid to a director search firm or other third party in the past fiscal year.

Nomination of Candidates for Director

Our director nominations policy is posted on our web site at www.deltaapparelinc.com. At a minimum, a nominee for our Board must (i) be over 21 years of age at the time of election; (ii) have experience in a position with a high degree of responsibility in a business or other organization; (iii) be able to read and understand basic financial statements; (iv) possess integrity and have high moral character; (v) be willing to apply sound, independent business judgment; and (vi) have sufficient time to devote to the Company.  - (b) whether the potential nominee has experience and expertise that is relevant to the Company's business, including any specialized business experience, technical expertise, or other specialized skills, and whether the potential nominee has knowledge regarding issues affecting the Company;

Table of Contents

- (e) whether the addition of the potential nominee to our Board would assist the Board in achieving a mix of Board members that represents a diversity of background and experience;
- (f) whether the potential nominee has high ethical character and a reputation for honesty, integrity, and sound business judgment;
- (g) whether the potential nominee is independent, as defined by NYSE Amex listing standards, whether he or she is free of any conflict of interest or the appearance of any conflict of interest with the best interests of the Company and its shareholders, and whether he or she is willing and able to represent the interests of all shareholders of the Company;
- (h) whether the potential nominee is financially sophisticated, as defined by NYSE Amex listing standards, or qualifies as an audit committee financial expert, as defined by Securities and Exchange Commission rules and regulations; and
- (i) any factor affecting the ability or willingness of the potential nominee to devote sufficient time to Board activities and to enhance his or her understanding of the Company's business.

In determining whether to re-nominate an incumbent director, it is our policy that our Corporate Governance Committee review and consider the incumbent director's service to the Company during his or her term, including the number of meetings attended, level of participation, and overall contribution to the Company, in deciding whether to nominate such incumbent director for re-election.

If a shareholder desires to recommend one or more director nominees to the Corporate Governance Committee for nomination by the Company, the shareholder must provide the Company with the following information in writing:

- (i) the name, telephone number, and address of the nominating shareholder and the name(s), telephone number(s), and address(es) of his or her nominee(s);
- (ii) biographical information regarding each nominee, including each nominee's employment and other relevant experience; and
- (iii) the written consent of each nominee to serve as a director of the Company if elected.

The director candidate recommendation materials should be sent to our Secretary, Martha M. Watson, at our principal executive offices by mail to 322 S. Main Street, Greenville, South Carolina 29601, or by fax to (864) 232-5199, or by e-mail to martha.watson@deltaapparel.com. Director candidate recommendations may be submitted at any time; however, the Corporate Governance Committee is not required to consider shareholder nominees for a given Annual Meeting of shareholders unless the written notice is received no later than 120 days prior to the first anniversary of the date of the Company's proxy statement for the previous year's Annual Meeting. Accordingly, shareholder recommendations for nominees to be considered at the 2010 Annual Meeting of shareholders must be received no later than May 28, 2010.

If a shareholder desires to actually nominate one or more director candidates himself or herself, our bylaws require the shareholder to provide written notice of the intent to nominate to our Secretary, Martha M. Watson. If the shareholder desires to make the nomination at our regular Annual Meeting of shareholders, the notice must be received not less than 120 days prior to the anniversary of the preceding year's Annual Meeting of shareholders. If we move our Annual Meeting to a date more than 30 days away from the anniversary of the previous year's Annual Meeting, or if the shareholder desires to make the nomination at a special meeting of shareholders, the notice must be received no later than 10 days after we notify shareholders of, or publicly disclose, the meeting date. A shareholder's

notice must contain the following information:

Table of Contents

- (b) the class and number of shares held of record, beneficially owned and represented by proxy by the nominator as of the record date of the meeting (if the record date has been established) and as of the date of the notice, the name in which those shares are registered and a representation that the nominator intends to appear in person or by proxy at the meeting to make the nominations;
- (c) a description of all arrangements or understandings between the nominator, the nominee(s) and any other persons (whose names must be disclosed) relating to the nomination;
- (d) the same information about the nominee(s) that we would be required to include in a proxy statement under the Securities and Exchange Commission's proxy rules if we were making the nomination;
- (e) the written consent of each nominee to serve as a director of the Company; and

Related Party Transactions

Policies and Procedures with Respect to Related Party Transactions

Our Board of Directors is committed to upholding the highest legal and ethical conduct in fulfilling its responsibilities and recognizes that related party transactions can present a heightened risk of potential or actual conflicts of interest. Our Audit Committee charter requires that members of the Audit Committee, all of whom we have determined to be independent directors, review and approve all related party transactions for which such approval is required under applicable law, including the Securities and Exchange Commission and the NYSE Amex Stock Exchange rules. COMPENSATION DISCUSSION AND ANALYSIS

Guiding Principles and Policies

Our compensation program is designed to provide levels and types of compensation that integrate compensation with the Company's annual and long-term strategic goals and reward above-average corporate performance. Such a program allows us to attract, retain, and motivate qualified executives to achieve goals which are aligned with our ultimate objective of improving shareholder value.

Our compensation program is intended to:

Provide compensation levels that reflect the competitive marketplace so that we can attract, retain and motivate talented executives;

Provide compensation levels that correspond with our financial objectives and operating performance;

Reward performance that facilitates the achievement of specific results and goals in furtherance of our business plan;

Motivate executives to make greater personal contributions to help the Company achieve its strategic operating objectives; and

Provide elements of compensation that align the interests of executives with those of shareholders to enhance shareholder value over the long-term.

Elements of Compensation

In General

The key elements of our executive compensation structure include:

Payment of base salaries at levels that are competitive with those paid by peer companies;

Annual performance-based cash incentives to reward the achievement of specific short-term company performance goals; and

Long-term equity incentives in the form of grants of stock options.

During fiscal year 2009, the Compensation Committee retained an outside compensation consultant, Towers Perrin, to assist both management and the Compensation Committee in determining if the total compensation, not just base salaries, paid to our executive officers is competitive. Towers Perrin was hired by the Compensation Committee to provide peer company comparisons on total compensation, as well as to separately analyze components of compensation, for our Chief Executive Officer and our other executive officers. Because peer companies are different in size from the Company, Towers Perrin size-adjusted the market data to allow for better comparison with the Company's compensation levels.

In developing its independent views on compensation matters, the Compensation Committee obtains input from management and from compensation consultants with respect to all aspects of compensation, including base salaries, annual incentive compensation and long-term incentive compensation. Management provides to the Compensation Committee tally sheets that show recommended amounts of compensation for each element, compensation for each element in the past five years, and amounts payable to executive officers upon different termination of employment and change of control scenarios. While recommendations of management and the compensation consultant provide valuable guidance, the Compensation Committee ultimately makes all final decisions with respect to the compensation levels and structure for the executive management team.

Table of Contents

The Company does not have a pre-established policy or target for the allocation of base salary, short-term, or long-term incentives as a percentage of total compensation, nor does it target a specified weight for cash versus equity compensation. Rather, the Compensation Committee reviews the Company's past practices, along with the information provided by compensation consultants, in determining the appropriate level and mix of each element of compensation.

Base Salary

We provide our executives with a base salary to compensate them for services rendered during the fiscal year. The base salary for each executive officer is guided by the relative salary levels for comparable positions in the industry and the assessed potential of the executive, as well as the individual's scope of responsibility, personal performance, experience and length of service to the Company. Each executive officer's base salary is reviewed annually and generally adjusted to account for inflation, the Company's financial performance, any change in the executive officer's responsibilities and the executive officer's overall performance.

Being informed of competitive industry salaries and trends through the report provided by Towers Perrin, and having reviewed the tally sheets prepared by management, the Compensation Committee sets the base salary for Robert W. Humphreys, Chairman, Chief Executive Officer and President. The Compensation Committee also sets and approves the base salary for other executive officers, after considering the Towers Perrin report, tally sheets, and base salary recommendations made by the Chief Executive Officer and the Vice President of Human Resources. The Compensation Committee reviews this information, with no single factor necessarily weighted more heavily than another. This process generally results in salary increases for the executive officers that are, on average, aligned with our salary philosophy for other salaried employees.

Annual Incentive Compensation

Cash bonuses are paid annually to executives pursuant to our Short-Term Incentive Compensation Plan. Our Short-Term Incentive Compensation Plan places a sizable percentage of annual cash compensation at risk and is designed to motivate and reward salaried employees to achieve and exceed annual business performance goals. Our Compensation Committee awards potential bonuses to executives at the beginning of each fiscal year, which are payable on the achievement during the fiscal year of objective performance goals determined by the Compensation Committee. The performance goals are objective in that a third party having knowledge of the relevant facts would be able to determine whether the performance goals have been met. No bonuses are paid until the Compensation Committee certifies that the performance goals have been achieved. The Compensation Committee may, at its discretion, adjust the actual annual incentive compensation paid to executives.

Performance Goals

The performance goals for the annual incentive compensation are based on return on capital employed, defined as the Company's earnings before interest and taxes as a percentage of the twelve month average capital employed. For 2009, a 15% return on capital employed was required to achieve the target value, with a 5% return on capital employed achieving 40% of the target value and a 25% return on capital employed achieving 260% of the target value. No target amount is achieved if the Company's return on capital employed is less than 5%. In addition, incentives earned are adjusted upward or downward by the sales growth or decline of the Company from fiscal year to fiscal year. For example, if the Company had a 15% return on capital employed and the Company had a 10% growth in sales, the executive would earn 110% of the target value. If performance goals are not met by the Company, there is no guaranteed bonus payment. If performance goals are exceeded, there is a maximum bonus payout of 260% of the target value. The performance goals for all of the named executive officers are based on the performance of the Company as a whole. In addition, Mr. McGhee and Mr. Spires receive a portion of their target value based on the performance of their particular business unit (Delta Activewear and M. J. Soffe, LLC, respectively). The performance goals for the business units are based on a targeted return on capital employed for the individual business unit. There is no sales growth or decline adjustment to the business unit bonus plans. If performance goals are not met by the business unit, there is no guaranteed bonus payment. If performance goals are exceeded, there is no maximum limit; however, our Short-Term Incentive Compensation Plan states that no participant in the plan shall receive compensation pursuant to the plan in excess of \$1,500,000 during any calendar year.

Table of Contents*Target Value*

The target value of our Short-Term Incentive Compensation Plan award is set at a certain dollar amount per individual. The Compensation Committee approves the aggregate target amounts for the plan, as well as the individual target amounts for all executive officers. In setting the target amounts for each executive officer, the Compensation Committee primarily takes into consideration the level and responsibility of the executive's position, the executive's performance, the executive's total compensation, the assessed potential of the executive, the recommendations from the Chief Executive Officer and the Vice President of Human Resources, and any other factors deemed relevant in accomplishing the Company's short-term goals. The 2009 target values were: \$600,000 for Mr. Humphreys; \$172,500 for Mr. Spires; \$125,000 for Mr. McGhee; \$125,000 for Ms. Merrill; and \$100,000 for Ms. Watson.

Based on the financial performance of Delta Apparel, Inc. for the fiscal year ended June 27, 2009, a bonus pool equal to 51.4% of the target amounts was earned. Because the Company accomplished many strategic goals and met its financial objectives during the year, Mr. Humphreys recommended to the Compensation Committee a bonus pool equal to 75.3% of the target amounts, an increase of 23.9% of the target amounts, for two reasons. First, in fiscal year 2008 a bonus pool equal to 43.1% of the target amounts was earned. Due to the Company's decline in profitability during fiscal year 2008, Mr. Humphreys had recommended to the Compensation Committee that they approve a total bonus pool equal to 29.2% of the target amounts, which is the amount the Compensation Committee approved with respect to fiscal year 2008. Mr. Humphreys recommended that the Compensation Committee increase the fiscal year 2009 bonus pool by 13.9% of the target amounts, the amount that the bonus pool was reduced in fiscal year 2008. In addition, Mr. Humphreys recommended an increase of 10% of the target amounts based upon the current economic conditions because the Company's cost of capital had declined but the performance goals for the fiscal year 2009 annual incentive compensation had not been adjusted. Upon Mr. Humphreys' recommendation, the Compensation Committee approved a total bonus pool equal to 75.3% of the target amounts.

Long-Term Incentive Compensation

Our equity compensation programs consist of stock option grants under our Stock Award Plan and our Stock Option Plan. These are designed to attract and retain top executive talent, and align the financial interests of the executive management group with the long-term interests of our shareholders. Stock option grants are designed to provide each executive officer with a significant incentive to manage the Company from the perspective of an owner with an equity stake in the business.

Stock Award Plan

Stock options are awarded to executives pursuant to our Stock Award Plan. The options granted under the Stock Award Plan have an exercise price of \$0.01 per share. In addition, the Company provides tax assistance on the vesting of the award whereby a cash payment is made to the executive equal to estimated taxes payable by the executive upon the exercise of the option. The Compensation Committee typically grants options under the Stock Award Plan to executives at the beginning of a fiscal year. Newly hired executive officers may receive their grant of stock options on their first date of employment with the Company. Additional options may be granted to executive officers in connection with promotions. At the beginning of fiscal year 2008, options were granted under the Stock Award Plan that were both service-based and performance-based options and vested on the date we filed our Annual Report on Form 10-K with the Securities and Exchange Commission for the 2009 fiscal year. The service-based element under the Stock Award Plan requires that the executive continue to be employed on the date the options vest. Vesting of the options is based solely on achievement of objective performance goals as determined by the Compensation Committee. The vesting of these options was based on the achievement of the two-year average return on capital employed. For the two-year award period ending with fiscal year 2009, a 15% two-year average return on capital achieved a 100% vesting of the options granted, while a 5% two-year average achieved 0% vesting and a 20% two-year average achieved a 150% vesting of the options granted. The 150% vesting of the options granted is the maximum that could be earned under the Stock Award Plan. Based on the performance of the Company for the two-year award period ended June 27, 2009, 8% of the options granted have been earned and vested on August 28, 2009, the date we filed our Annual Report on Form 10-K with the Securities and Exchange Commission for the year ended June 27, 2009.

Table of Contents

The number of options granted by an award is determined by the level and responsibility of the executive's position, the executive's performance, the executive's total compensation, the assessed potential of the executive, the recommendation of the Chief Executive Officer and the Vice President of Human Resources, and any other factors deemed relevant in accomplishing the Company's long-term goals. In addition to these factors, the number of options granted to the executive under the plan is evaluated in the context of our historical and anticipated future stock appreciation.

Stock Option Plan

Option grants under the Stock Option Plan have an exercise price equal to the closing price of our stock on the grant date and have an expiration date of up to 10 years after the grant date. Generally, options subject to the Stock Option Plan become exercisable in a series of installments over a three or four year period of time, contingent upon the executive's continued employment with the Company. Accordingly, the option grant will provide a positive return to the executive only if he or she remains employed by the Company during the vesting period, and then only if the market price of the shares appreciates over the option term.

The number of options granted by the Compensation Committee is determined at a level that is intended to create a meaningful opportunity for stock ownership based upon the executive's current position, the assessed potential of the executive, the executive's performance, the executive's other forms of compensation, and any other factors that were deemed relevant to accomplish the long-term goals of the Company. Options are granted by the Compensation Committee as deemed appropriate; however, grants typically are made on the first day of a fiscal year. Newly hired executive officers receive their grant of stock options on their first date of employment with the Company. Additional options may be granted to executive officers in connection with promotions.

Total Compensation

In making decisions with respect to any element of an executive officer's compensation, the Compensation Committee considers the total compensation that may be awarded to the executive, including base salary, annual incentive compensation and long-term incentive compensation. In addition, in reviewing and approving employment agreements for executive officers, the Compensation Committee considers the other benefits to which the officer is entitled under the agreement, including compensation payable upon termination of the agreement under a variety of circumstances. The Compensation Committee's goal is to award compensation that is reasonable when all elements of potential compensation are considered.

Perquisites and Other Personal Benefits

The Company does not provide its executives with any perquisites or other personal benefits that are not provided to its other employees.

Tax and Accounting Considerations

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), generally limits the tax deductibility of each covered employee's compensation that exceeds \$1 million per year unless the compensation is commission-based or qualifies as performance-based compensation (as defined in the Code), which includes a requirement that the plan has been approved by shareholders. We believe that the cash bonuses paid to the covered employees in fiscal year 2009 under the Short-Term Incentive Compensation Plan qualify as performance-based compensation exempt from the \$1 million cap. The options granted subsequent to November 2001 under the Company's Stock Option Plan and Stock Award Plan may not qualify as performance-based compensation as the plans have not been approved by Delta Apparel, Inc.'s shareholders. We do not believe that this will cause the aggregate non-exempt compensation paid to any covered employee in fiscal year 2009 to exceed the \$1 million limit. However, this may cause the aggregate non-exempt compensation paid to covered employees in future years to exceed the \$1 million limit and therefore compensation amounts in excess of \$1 million for any covered employee may not be deductible by the Company for federal income tax purposes.

Merrill, our Vice President, Chief Financial Officer and Treasurer, and Martha M. Watson, our Vice President and Secretary and President of Junkfood Clothing Company, are both parties to employment agreements with Delta Apparel, Inc. dated January 29, 2007. William T. McGhee, the President of Delta Activewear, has an employment agreement with Delta Apparel, Inc. dated April 27, 2007. Kenneth D. Spires, the President of M. J. Soffe, LLC, has an employment agreement with M. J. Soffe, LLC dated January 29, 2007, but his agreement provides that he cannot be terminated by M. J. Soffe, LLC without the approval of Delta Apparel's Chief Executive Officer.

Employment Agreement with Robert W. Humphreys

The agreement provides that Mr. Humphreys will receive a base annual salary of at least \$690,000, subject to upward adjustment at the discretion of the Compensation Committee of the Company's Board of Directors and confirmed by the full Board of Directors. Mr. Humphreys will participate in the Company's Short-Term Incentive Compensation Plan with a base of \$600,000 during fiscal year 2010, \$625,000 during fiscal year 2011, and \$650,000 during fiscal year 2012, with the maximum payout of \$1,500,000 for any single fiscal year. The calculation of Mr. Humphreys' compensation under the Short-Term Incentive Compensation Plan will be the same as conducted annually by the Board of Directors for the other participants in the plan.

Mr. Humphreys will also participate in the Stock Award Plan. The agreement provides that under the service portion of the Plan, Mr. Humphreys will receive a grant on June 29, 2009 that provides a two year award of options exercisable for 30,000 shares of Delta Apparel, Inc. stock per year upon the filing with the Securities and Exchange Commission of the Company's Form 10-K for each of the fiscal years 2010 and 2011. Also under the service portion of the Plan, Mr. Humphreys will receive an annual grant on June 27, 2011 that provides an annual award of options exercisable for 30,000 shares of Delta Apparel, Inc. stock upon the filing with the Securities and Exchange Commission of the Company's Form 10-K for fiscal year 2012. If shares are not available on the date of the award, a cash award will be made to Mr. Humphreys in the amount of the value of the award as of the close of the market on the date of the award. Pursuant to the Plan, the Company shall pay in cash an amount which will be approximately sufficient, after the payment of all applicable federal and state income taxes attributable to such payment, to pay the federal and state income taxes which Mr. Humphreys will incur by virtue of the vesting of such award (or portion thereof) whether received in the form of stock or cash.

Mr. Humphreys will also be entitled to receive such perquisites as are provided by the Company from time to time to executives of the Company in comparable positions and such other benefits as are customarily available to executives of the Company.

The agreement requires that Mr. Humphreys give the Company 180 days' prior written notice of his voluntary termination of employment. The Company may terminate Mr. Humphreys' employment with or without cause upon written notice. If the Company terminates Mr. Humphreys' employment without cause or Mr. Humphreys terminates his employment because of a material breach of the agreement by the Company, the Company, for a period of 12 months, will continue to pay Mr. Humphreys' base salary, will pay 100% of his Short-Term Incentive Compensation base amount for the fiscal year in which his employment was terminated, and will continue to provide the life, medical, and disability insurance provided to him prior to termination or, if different, the life, medical, and disability insurance provided to other executives during such 12 month period. The agreement provides for 6 months of base salary continuation to Mr. Humphreys' estate following his death, and provides for base salary and benefits continuation for 6 months following termination of employment because of disability.

Table of Contents

If within one year of a Change of Control (as defined in the agreement), Mr. Humphreys terminates his employment for Good Reason (as defined in the agreement) or the Company terminates Mr. Humphreys' employment for any reason other than Cause (as defined in the agreement), death, or disability, then the Company must pay to Mr. Humphreys (i) an amount equal to his annual base salary in effect on the termination date, (ii) an amount equal to the full amount of the cash Short-Term Incentive Compensation target during the fiscal year in which the termination occurs, (iii) all benefits under the Company's various welfare and benefit plans for 12 months after the date of termination at levels and rates substantially equal to those applicable to him prior to such termination, and (iv) outplacement assistance.

The agreement continues until the date of the filing with the Securities and Exchange Commission of the Company's Form 10-K for fiscal year 2012.

Employment Agreements with other Named Executive Officers

The employment agreements with the other Named Executive Officers are otherwise identical except for the employees' initial job titles and initial base salaries set forth below:

Deborah H. Merrill Vice President, Chief Financial Officer and Treasurer	\$ 180,000
Martha M. Watson Vice President and Secretary	\$ 175,000
William T. McGhee President, Delta Activewear	\$ 215,000
Kenneth D. Spires President, M.J. Soffe, LLC	\$ 275,000

Each agreement entitles the employee to (i) the initial base salary set forth above (subject to upward adjustment), (ii) participate in the Company's Short-Term Incentive Compensation Plan, and (iii) receive the fringe benefits provided to executives in comparable positions including vacations and life, medical and disability insurance. The agreements all have terms that expire on December 30, 2009.

If the employee dies during the term of the agreement, we will continue to pay his or her base salary in effect at the time of death to his or her estate for six months. If the employee becomes disabled (as defined in the agreement) during the term, he or she will continue to receive base salary and benefits for a period of six months. If the Company terminates the employee's employment without cause (as defined in the agreement) or the employee terminates employment because the Company has breached the agreement and in each case no change of control (as defined in the agreement) has occurred, then the employee is entitled to receive base salary and incentive compensation ranging from 3 months base salary and 25% of the Short Term Incentive Plan award for the most recent full fiscal year if the employee was employed for less than one year up to 12 months base salary and 100% of the Short Term Incentive Plan award for the most recent full fiscal year if the employee was employed for three or more years, in all cases paid out in equal monthly payments over the period of base salary continuation. To the extent permitted under Internal Revenue Code (IRC) Section 409A, the sum of applicable base salary and incentive compensation shall be divided into equal monthly payments and paid to the executive over the applicable payout period, depending on the executive's years of service at the time of termination. The Company will also make the employee's COBRA payments for medical insurance for the applicable payout period unless the employee receives reasonably comparable benefits from another employer.

If within one year after a change of control (as defined in the agreement), the employee terminates employment for good reason (as defined in the agreement) or the Company terminates the employee's employment for any reason other than cause, death or disability, then the employee is entitled to receive an amount equal to one year's base salary for the fiscal year prior to termination plus the cash incentive compensation received by the

Table of Contents

employee for the most recent fiscal year. The Company must also provide out-placement assistance and continue coverage under the Company's various welfare and benefit plans in effect at the time of termination for 12 months.

Each agreement contains an IRC Section 280G golden parachute payment savings clause that reduces severance payments if the total amount of payments the employee would receive from the Company would require the Company to report an excess parachute payment. The agreements include non-competition, non-solicitation (with respect to both employees and customers), non-disclosure and non-disparagement provisions.

The potential payments under employment agreements for Mr. Humphreys, Ms. Merrill, Ms. Watson, Mr. McGhee and Mr. Spires are described in more detail under the heading "Employment Agreements and Severance and Change in Control Benefits" in this proxy statement.

In addition, the Stock Award Plan has provisions that in the case of death or disability, the participant receives a pro-rata share of the options earned based on the number of days in the performance

period. The estimated value of the Stock Award Plan is calculated based upon the number of unexercisable shares under the Stock Award Plan at June 27, 2009 multiplied by \$6.84, which is the closing price of the Company stock on June 26, 2009 less the \$0.01 exercise price. The resulting amount is then grossed up by 75%, the estimated value of the tax assistance that the Company pays on the Award Plan.

- (2) The Company's retirement policy states that employees must have reached the age of 62 in order to receive retirement benefits. As the executive is not 62 years of age as of June 27, 2009, no retirement benefits are available.

Compensation of Directors

On an annual basis, each of our non-employee directors received an annual cash retainer of \$18,000 and received 1,000 shares of our common stock for fiscal year 2009 pursuant to our 2004 Non-Employee Director Stock Plan. Payments were pro-rated for new directors during fiscal year 2009. Our Board members were also paid an annual fee for committee meetings. Each Audit Committee member was paid a fee of \$3,000 (\$5,000 for the committee chair), and each of the Compensation and Corporate Governance committee members was paid a fee of \$1,500 (\$2,000 for the committee chair). Each director was also reimbursed for reasonable travel expenses in attending each meeting.

For fiscal year 2010, we expect the annual cash retainer to each non-employee Board member to be \$20,000 and, pursuant to the 2004 Non-Employee Director Stock Plan, we expect that each director will receive 1,000 shares of the Company's common stock. We expect payments for committee meetings in fiscal year 2010 to be the same as in fiscal year 2009.

Directors who are also employees of the Company do not receive additional compensation for their service as directors.

(1) The information set forth above is based on a Schedule 13F-HR that was filed by FMR Corporation (FMR) with the Securities and Exchange Commission on August 14, 2009 with respect to our common stock. In Amendment No. 5 to Schedule 13G that was filed by FMR with the Securities and Exchange Commission on February 17, 2007 with respect to the Company's common stock, FMR reported that Fidelity Management & Research Company (Fidelity), which has the same

business address as FMR, is a wholly-owned subsidiary of FMR and is an investment adviser registered under Section 203 of the Investment Advisers Act of 1940. As a result of acting as investment adviser to various investment companies registered under Section 8 of the Investment Company Act of 1940, Fidelity is the beneficial owner of all of the shares reported above. The Schedule 13G/A reported that one investment company, Fidelity Low Priced Stock Fund, owns all shares set forth above. The Schedule 13G/A reported that Edward C. Johnson III and FMR Corp., through its control of Fidelity, and the funds each has sole power to dispose of the 859,700 shares. Members of the family of Edward C. Johnson III are the predominant owners, directly or through trusts, of Series B shares of

common stock of FMR Corp. The Johnson family group and all other Series B shareholders have entered into a shareholders voting agreement with the other holders of all of the other Series B shares under which all Series B shares will be voted in accordance with the majority vote of Series B shares. Accordingly, through their ownership of voting common stock and the execution of the shareholders voting agreement, they may be deemed to form a controlling group with respect to FMR. The Schedule 13G/A indicates that neither FMR nor Edward C. Johnson III has the sole power to vote or direct the voting of the shares owned directly by the Fidelity Funds, which power resides with the Funds Boards of Trustees. Fidelity carries out the voting of the shares under written guidelines established by the Funds Boards of

Trustees.

- (2) The information set forth above is based on a Schedule 13F-HR that was filed by Franklin Resources, Inc. (FRI) with the Securities and Exchange Commission on August 12, 2009 with respect to the Company's common stock. In Amendment No. 5 to Schedule 13G that was filed by FRI with the Securities and Exchange Commission on February 6, 2009 with respect to the Company's common stock, FRI reported that the shares are beneficially owned by one or more investment companies or other managed accounts that are advised by direct and indirect investment advisory subsidiaries of FRI. The Schedule 13G/A reported that the advisory contracts grant to the applicable investment advisory subsidiary(ies) all investment and/or voting power over

the securities owned by their investment advisory clients. Accordingly, such subsidiary(ies) may be deemed to be the beneficial owner of the shares shown in the table. The Schedule 13G/A reported that Charles B. Johnson and Rupert H. Johnson, Jr. (the FRI Principal Shareholders) (each of whom has the same business address as FRI) each own in excess of 10% of the outstanding common stock and are the principal shareholders of FRI and may be deemed to be the beneficial owners of securities held by persons and entities advised by FRI subsidiaries. The Schedule 13G/A reported that one of the investment advisory subsidiaries, Franklin Advisory Services, LLC (whose address is One Parker Plaza, Sixteenth Floor, Fort Lee, New Jersey 07024), has sole voting and dispositive power with respect to all of the shares

shown. FRI, the FRI Principal Shareholders and the investment advisory subsidiaries disclaim any economic interest or beneficial ownership in the shares and are of the view that they are not acting as a group for purposes of the Securities Exchange Act of 1934, as amended. The Schedule 13G/A reported that Franklin Microcap Value Fund, a series of Franklin Value Investors Trust, a company registered under the Investment Company Act of 1940, has an interest in more than 5% of the class of securities reported.
