Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

The Board of Directors of WESCO International, Inc. (the Company) approved an amendment and restatement of the Company s By-Laws to be effective as of September 28, 2009 (the Amended and Restated By-Laws). The principal differences between the Amended and Restated By-Laws and the Company s prior By-Laws are as follows:

Advance Notice Requirements

Section 1.02 of the Amended and Restated By-Laws is a new section which requires stockholders intending to bring business other than a director nomination at a stockholders meeting to have provided the Company advance written notice of such nominations or business, generally between 90 and 120 days before the stockholders meeting. Section 1.02 (i) explicitly provides that, other than nominations of directors (which must be made in compliance with Section 2.15 of the Amended and Restated By-Laws), Section 1.02 is the exclusive means for a stockholder to submit such business, other than proposals governed by Rule 14a-8 of the federal proxy rules (which provides its own procedural requirements) and (ii) sets forth the required disclosure regarding the stockholders making such proposals, which include, among other things, all ownership interests, hedges, economic incentives (including synthetic and temporary stock ownership) and rights to vote any shares of any security of the Company. In addition, the amended bylaws provide that a stockholder bringing business at a stockholders meeting must not only be a stockholder at the time of the notice, but also at the time of the meeting.

Section 2.15 of the Amended and Restated By-Laws is a new section which requires stockholders intending to make a director nomination at a stockholders meeting to have provided the Company advance written notice of such nominations or business, generally between 70 and 90 days before the stockholders meeting. Section 2.15 (i) explicitly provides that it is the exclusive means for a stockholder to make such nominations and (ii) sets forth the required disclosure regarding (A) the stockholders making such nominations, which include, among other things, all ownership interests, hedges, economic incentives (including synthetic and temporary stock ownership) and rights to vote any shares of any security of the Company and (B) the nominee, which include, among other things, all information relating to such person that would be required to be disclosed in solicitations of proxies for elections of directors and a description of compensation and other material arrangements between the nominee and the stockholder making the nomination. In addition, the amended bylaws provide that a stockholder making a director nomination at a stockholders meeting must not only be a stockholder at the time of the notice, but also at the time of the meeting.

Director Removal

Section 2.12 of the Amended and Restated By-Laws clarifies that directors may be removed in accordance therewith only for cause.

Miscellaneous

The Amended and Restated By-Laws contain a number of conforming changes and other non-material changes, such as providing for electronic transmission of communications and

clarifying the applicability of certain provisions to uncertificated shares and various other

The Amended and Restated By-Laws, and a copy marked to show changes from the prior By-Laws, are included as Exhibits 3.1 and 3.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.
