Item 1.01 Entry into a Material Definitive Agreement

On March 1, 2010, Nuclear Innovation North America LLC (NINA), an 88% percent owned indirect subsidiary of NRG Energy, Inc. (the Company), entered into a Project Agreement, Settlement Agreement and Mutual Release (the Settlement Agreement), by and among the City of San Antonio acting by and through the City Public Service Board of San Antonio, a Texas municipal utility (CPS Energy), NINA Texas 3 LLC (NINA 3) and NINA Texas 4 LLC (NINA 4), and together with NINA 3, the NINA Parties), and solely for purposes of certain sections of the Settlement Agreement, by the Company and NRG South Texas LP (NRG South Texas). The Settlement Agreement memorializes NINA s February 17, 2010 agreement in principle with CPS Energy to acquire a controlling interest in the project to construct STP Units 3 and 4 through a settlement of all outstanding litigation among the parties. As part of the resolution of this dispute, on March 1, 2010, the NINA Parties and the City of San Antonio also entered into the STP 3 & 4 Owners Agreement (the Owners Agreement).

The Owners Agreement replaces the interim agreement previously reached among the parties on October 29, 2007. The Owners Agreement: (i) finalizes the ownership percentages for the STP 3 & 4 project at 92.375% for NINA and 7.625%% for CPS Energy, (ii) provides that NINA will assume all management and control of the STP 3 & 4 project, (iii) specifies that NINA will be responsible for all development costs incurred after January 31, 2010, and (iv) provides that CPS Energy will withdraw its loan guarantee application with the U.S. Department of Energy (DOE) and fully support NINA s loan guarantee application with the DOE. The Settlement Agreement dismisses all litigation with prejudice and obligates NRG to pay CPS Energy \$80 million upon the receipt by NINA of a term sheet for a conditional commitment for a loan guarantee with the DOE. The first \$40 million is due after receipt of the term sheet for a conditional commitment for a loan guarantee and the remaining \$40 million is payable six months thereafter. The Company also committed to donate \$10 million in equal installments over four years to the Residential Energy Assistance Partnership in San Antonio.

A copy of the Settlement Agreement is attached as Exhibit 10.1 and a copy of the Owners Agreement is attached as Exhibit 10.2 to the Current Report on Form 8-K. The description of the material terms of the Settlement Agreement and the Owners Agreement is qualified in its entirety by reference to such exhibits.
