Item 3.02 Unregistered Sales of Equity Securities.

On April 30, 2010, the Company issued 1,025,641 shares of its Common Stock, par value \$.01 per share (Shares), in a private placement transaction to six employees of EfficientLights, LLC (EfficientLights), a Delaware limited liability company and prior thereto a majority-owned subsidiary of the Company, in connection with the Company's acquisition of their minority ownership interest in EfficientLights. The information about this transaction set forth in the first two paragraphs of Section 8.01 is incorporated into this item by reference.

Item 8.01 Other Events

On April 30, 2010, PowerSecure, Inc., a Delaware corporation a wholly-owned subsidiary of the Company (the PowerSecure Subsidiary), which previously owned two-thirds of the equity interests in EfficientLights, exercised its option to purchase the one-third minority interest in EfficientLights. The minority interests in EfficientLights were previously owned by the founder, who is also the President, of EfficientLights and by five other key employees of EfficientLights. EfficientLights markets and sells LED-based lights that reduce the energy and maintenance costs for refrigerated cases in grocery, drug, and convenience stores, and is in the process of developing other LED-based lighting products, including additional in-store retail lighting, and LED-based parking lot lights, street lights and security lights. As a result, EfficientLights has become a wholly-owned subsidiary of the PowerSecure Subsidiary and there will no longer be a reduction in the Company's consolidated net income due to the net income attributable to the noncontrolling interest in EfficientLights.
