**Item 1.01. Entry into a Material Definitive Agreement**

On December 22, 2010, Teledyne Technologies Incorporated ( Teledyne ) entered into an Arrangement Agreement (the Arrangement Agreement ), that provides for the acquisition of DALSA Corporation, a company organized under the laws of Ontario, Canada, by a wholly-owned subsidiary of Teledyne. Pursuant to the transaction, Teledyne will acquire all of the outstanding common shares and equity interests of DALSA for CAD \$18.25 per share payable in cash. The aggregate value for the transaction is approximately CAD \$341 million, taking into account DALSA s stock options and net cash as of September 30, 2010.

DALSA Corporation, based in Waterloo, Ontario, Canada, designs, develops, manufactures and markets digital imaging products and semiconductors. DALSA Corporation s common shares are listed on the Toronto Stock Exchange.

The transaction will be carried out by way of a statutory plan of arrangement under the Business Corporations Act (Ontario). The completion of the transaction is subject to, among other things, the approval of shareholders of DALSA Corporation constituting at least two-thirds of the common shares of DALSA Corporation represented at a special meeting of shareholders of DALSA Corporation to be called to consider the transaction and court approval. In addition, the transaction is subject to a number of additional closing conditions, including receipt of required regulatory approvals, as well as other customary closing conditions.
