**NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
to be held on Wednesday, March 16, 2011**

The 2011 Annual Meeting of Stockholders (the Meeting) of Toll Brothers, Inc. (the Company) will be held on Wednesday, March 16, 2011 at 12:00 noon EDT, at the offices of the Company, 250 Gibraltar Road, Horsham, Pennsylvania 19044, for the following purposes:

1. To elect the three directors nominated by the Board of Directors of the Company (the Board) and named in the proxy statement to hold office until the 2014 Annual Meeting of Stockholders and until their respective successors are duly elected and qualified. (The terms of office of the other directors do not expire until 2012 or 2013.)
2. To ratify, in a non-binding vote, the re-appointment of Ernst & Young LLP as the Company s independent registered public accounting firm for the 2011 fiscal year.
3. To approve an amendment to the Company s Second Restated Certificate of Incorporation, as amended, to provide for the annual election of all directors.
4. To approve, in an advisory and non-binding vote, the compensation of the Company s named executive officers as disclosed in the proxy statement.
5. To recommend, in an advisory and non-binding vote, whether a non-binding stockholder vote to approve the compensation of the Company s named executive officers should occur every one, two or three years.
6. To transact such other business as may properly come before the Meeting or any adjournment or postponement thereof.

The Board has fixed the close of business on January 18, 2011 as the record date for the Meeting. Only stockholders of record at that time are entitled to notice of and to vote at the Meeting and any adjournment or postponement thereof.

The enclosed proxy card is solicited by the Board. Reference is made to the attached proxy statement for further information with respect to the business to be transacted at the Meeting. The Board urges you to sign, date and return the enclosed proxy card promptly, although you are cordially invited to attend the Meeting in person. The return of the enclosed proxy card will not affect your right to vote in person if you do attend the Meeting.

Please note the admission policy and procedures regarding attendance at the Meeting, which are set forth on the next page.

By Order of the Board of Directors,

MICHAEL I. SNYDER
Secretary

ATTENDANCE AT ANNUAL MEETING ADMISSION POLICY AND PROCEDURES

The Meeting will be held at our offices at 250 Gibraltar Road, Horsham, Pennsylvania 19044 and will begin promptly at 12:00 noon EDT. Directions to the Meeting are available at: www.tollcareercenter.com/directions. All attendees must present a valid photo identification to be admitted to the Meeting. Cameras (including cellular phones or PDAs with photographic capabilities), recording devices and other electronic devices, and the use of cellular phones or PDAs, will not be permitted at the Meeting. Representatives will be at the entrance to the Meeting and these representatives will have the authority, on the Company's behalf, to determine whether the admission policy and procedures have been followed and whether you will be granted admission to the Meeting.

Admission Policy and Procedures

Attendance at the Meeting is limited to (A) stockholders who own shares directly with the Company ("record holders"); (B) stockholders whose shares are held for them by banks, brokerages or other intermediaries ("beneficial holders"); and (C) authorized representatives of entities who are beneficial holders. Beneficial holders must present evidence of their ownership, such as a letter from the bank, broker or other intermediary confirming ownership, or the relevant portion of a bank or brokerage firm account statement. In addition to any evidence required under (B), above, authorized representatives must present (1) a letter from the record holder certifying to the beneficial ownership of the entity they represent and (2) a letter from the entity certifying to their status as an authorized representative.

Record Holders

If you plan to vote by proxy but attend the Meeting in person, please:

1. Indicate your votes on your proxy card;
2. Mark the box on your proxy card indicating your intention to attend;
3. Return the proxy card to the address indicated therein; and

4. Follow all admissions policies set forth above.

If you plan to attend and vote at the Meeting, please:

1. Bring your proxy card with you to the Meeting;
2. Send written notice* of your intention to attend to the address below** by March 2, 2011; and
3. Follow all admissions policies set forth above.

Beneficial Holders

If you plan to vote by proxy but attend the Meeting in person, please:

1. Indicate your votes on the voting instruction card and return the card to the address indicated therein;
2. Send written notice* of your intention to attend the Meeting to the address below** by March 2, 2011; and
3. Follow all admissions policies set forth above.

If you plan to attend and vote at the Meeting, please:

1. Contact your bank or broker to obtain a written legal proxy form in order to vote your shares at the Meeting; failure to obtain a legal proxy form from your bank or broker will prevent you from voting your shares at the Meeting;
2. Send written notice* of your intention to attend the Meeting to the address below** by March 2, 2011; and

3. Follow all admissions policies set forth above.

* Written notice should include: (1) your name, complete mailing address and phone number, (2) if you are a beneficial holder, evidence of your ownership, and (3) if you are a beneficial holder who is not a natural person and will be naming a representative to attend on your behalf, the name, complete mailing address and phone number of that individual. If you do not provide the requested information by March 2, 2011, please be prepared to show it at the entrance to the Meeting in order to gain admission. Failure to provide such information either in advance or at the Meeting may result in non-admission to the Meeting.

**PROXY STATEMENT
For
Annual Meeting of Stockholders
Wednesday, March 16, 2011**

GENERAL INFORMATION

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the **Board**) of Toll Brothers, Inc., a Delaware corporation, for use at the Toll Brothers, Inc. 2011 Annual Meeting of Stockholders (the **Meeting**), which will be held on the date, at the time and place, and for the purposes set forth in the foregoing notice, and any adjournment or postponement thereof. Any reference to **Toll Brothers** or any use of the terms **Company**, **we**, **us** or **our** in this proxy statement refers to Toll Brothers, Inc. This proxy statement, the foregoing notice and the enclosed proxy card are first being sent to our stockholders on or about February 1, 2011.

The Board does not intend to bring any matter before the Meeting except as specifically indicated in the notice and does not know of anyone else who intends to do so; however, if any other matters properly come before the Meeting, Messrs. Robert I. Toll and Douglas C. Yearley, Jr., or either of them, acting as your designated proxies, will vote or otherwise act thereon in accordance with his or their judgment on such matters.

If the enclosed proxy card is properly executed and returned to and received by us prior to voting at the Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. If the enclosed proxy card is properly executed, returned and received by us prior to voting at the Meeting without specific instructions, Messrs. Robert I. Toll and Douglas C. Yearley, Jr., or either of them, acting as your proxies, will vote your shares **FOR** all nominees under Proposal One, vote **THREE YEARS** with respect to Proposal Five and **FOR** each of the other proposals.

Any proxy card may be revoked at any time before its exercise by notifying the Secretary in writing, by delivering a duly executed proxy card bearing a later date, or by attending the Meeting and voting in person.

VOTING SECURITIES AND SECURITY OWNERSHIP

Shares Entitled To Vote, Quorum and Required Vote

The record date fixed by our Board for the determination of stockholders entitled to notice of and to vote at the Meeting is January 18, 2011 (the **Record Date**). At the close of business on the Record Date, there were 166,735,842 shares of our common stock outstanding and eligible to vote at the Meeting. We have no other class of voting securities outstanding. At the Meeting, stockholders will be entitled to one vote for each share of common stock owned at the close of business on the Record Date. The presence at the Meeting, in person or by proxy, of persons entitled to cast the votes of a majority of such outstanding shares of common stock will constitute a quorum for consideration of the matters expected to be voted on at the Meeting. Abstentions and broker non-votes represented by submitted proxies will be included in the calculation of the number of the shares present at the Meeting for the purposes of determining a quorum. **Broker non-votes** means shares held of record by a broker that are not voted on a matter because the broker has not received voting instructions from the beneficial owner of the shares and lacks the authority to vote the shares in its discretion.

Proposal One: Directors are elected by a plurality of the votes cast at the Meeting on this proposal and the three nominees who receive the most votes will be elected. Under the New York Stock Exchange (NYSE) rules, your brokerage firm or other nominee is not permitted to vote your shares with respect to Proposal One without specific instructions from you as to how to vote with respect to the election of each of the three nominees for director, because the election of directors is not considered a routine matter under the NYSE rules. Abstentions

Table of Contents

and broker non-votes represented by submitted proxies will not be taken into account in determining the outcome of the election of directors.

Proposal Two: To be approved, this proposal requires an affirmative vote of a majority of the votes cast. This means that the votes that our stockholders cast **FOR** this proposal must exceed the votes that our stockholders cast **AGAINST** this proposal at the Meeting. However, your vote will not be binding on the Board or the Company. Proposal Two is considered a routine matter under the NYSE rules and, therefore, brokerage firms and nominees that are members of the NYSE have the authority under those rules to vote their customers' shares on Proposal Two if the customers have not furnished voting instructions within a specified period of time prior to the Meeting. Abstentions will not be taken into account in determining the outcome of this proposal.

Proposal Three: To be approved, this proposal requires an affirmative vote of the holders of at least 66 $\frac{2}{3}$ % of the combined voting power of all shares of the Company entitled to vote generally in the election of directors, voting together as a single class. This means that the votes that our stockholders cast **FOR** this proposal must equal at least 66 $\frac{2}{3}$ % of our outstanding shares of common stock. Proposal Three is considered a routine matter under the NYSE rules and, therefore, brokerage firms and nominees that are members of the NYSE have the authority under those rules to vote their customers' shares on Proposal Three if the customers have not furnished voting instructions within a specified period of time prior to the Meeting. Abstentions will have the effect of a negative vote on this proposal.

Proposal Four: To be approved, this proposal requires an affirmative vote of a majority of the votes cast. This means that the votes that our stockholders cast **FOR** this proposal must exceed the votes that our stockholders cast **AGAINST** this proposal at the Meeting. Because your vote is advisory, it will not be binding on the Board or the Company. Proposal Four is not considered a routine matter under the NYSE rules and, therefore, brokerage firms and nominees that are members of the NYSE will not be able to vote the shares of customers from whom they have not received voting instructions with regard to this proposal. Abstentions and broker non-votes represented by submitted proxies will not be taken into account in determining the outcome of this proposal.

Proposal Five: A plurality of the votes cast at the Meeting will determine, in a non-binding vote, whether the advisory and non-binding vote to approve the compensation of our named executive officers will occur every three years, every two years or every one year. Because your vote is advisory, it will not be binding on the Board or the Company. Proposal Five is not considered a routine matter under the NYSE rules and, therefore, brokerage firms and nominees that are members of the NYSE will not be able to vote the shares of customers from whom they have not received voting instructions with regard to this proposal. Abstentions and broker non-votes represented by submitted proxies will not be taken into account in determining the outcome of this proposal.

Table of Contents**Security Ownership of Principal Stockholders and Management**

The following table sets forth beneficial ownership, as of the Record Date, of our common stock by: (1) each person known to us to be the beneficial owner of more than 5% of our common stock; (2) each of our directors, nominees for director and named executive officers; and (3) all of our directors and executive officers as a group. To the best of our knowledge, each of the persons named in the table below as beneficially owning the shares set forth therein has sole voting power and sole investment power with respect to such shares, unless otherwise indicated.

- (9) The Board of Directors, after reviewing the functions of all of our officers, both in terms of designated function and functions actually performed, has determined that only Messrs. Robert I. Toll, Douglas C. Yearley, Jr., Zvi Barzilay and Martin P. Connor are currently deemed to be executive officers of the Company for purposes under Item 403 of Regulation S-K of the Securities and Exchange Commission (SEC).

PROPOSAL ONE

ELECTION OF DIRECTORS

At the Meeting, our stockholders will elect three directors to hold office until the 2014 Annual Meeting of Stockholders and until their respective successors have been duly elected and qualified. The directors whose terms of office expire at the Meeting are Messrs. Robert I. Toll, Bruce E. Toll and Ms. Christine N. Garvey. Mr. Joel H. Rassman, a director since 1996 whose term of office was also due to expire at the Meeting, passed away in September 2010 after an extended illness; the Board has reduced the class of directors to serve until 2014 to three.

Our Board is currently divided into three classes serving staggered three-year terms, with the term of one class of directors expiring each year. As more fully described in Proposal Three, the Board has recommended that stockholders approve an amendment to the Company s Second Restated Certificate of Incorporation, as amended, to provide for the annual election of directors beginning with the class of directors up for re-election at the 2012 Annual Meeting of Stockholders, continuing with the class of directors up for re-election at the 2013 Annual Meeting of Stockholders and culminating with the full Board up for re-election, for the first time as a group, at the 2014 Annual Meeting of Stockholders.

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has nominated Messrs. Robert I. Toll, Bruce E. Toll and Ms. Christine N. Garvey to serve again as directors until the 2014 Annual Meeting of Stockholders and until their respective successors have been duly elected and qualified. Each nominee has indicated a willingness to continue to serve as a director. Should a nominee become unavailable to accept election as a director, the persons named in the enclosed proxy will vote the shares that such proxy represents for the election of such other person as the Board may nominate on the recommendation of the Nominating and Corporate Governance Committee.

Set forth below is certain information concerning each current director, each nominee for election as a director at the Meeting and each director whose current term of office will continue after the Meeting. Our directors' experience and tenure as accomplished business leaders and their qualifications described below have led to the

Table of Contents

conclusion that each provides the Company with unique perspective, insight and skills relative to our business strategy, structure and direction, and, therefore, should serve as a director of the Company.

Mr. Toll is the founder and president of BET Investments, a commercial real estate company, and the owner of several automobile dealerships. From June 2006 through August 2009, Mr. Toll was the Chairman of Philadelphia Media Holdings, L.L.C., the parent company of the Philadelphia Inquirer and the Philadelphia Daily News, and from December 2007 through February 2009, he served on the board of directors of Fifth Street Finance Corp., a NYSE-listed company that lends to and invests in small and mid-sized companies. From 2000 until July 2006, Mr. Toll was a member of the board of directors of UbiquiTel, Inc.

Douglas C. Yearley, Jr. has been a member of our Board since June 2010. He joined us in 1990 as a direct report to the Chief Executive Officer specializing in land acquisitions from financial institutions. He has been an officer since 1994, holding the position of Senior Vice President from January 2002 until November 2005, and the position of Regional President from November 2005 until November 2009, when he was promoted to Executive Vice President. Since June 2010, he has been our Chief Executive Officer. Prior to joining us, Mr. Yearley practiced law in New Jersey as a commercial litigator.

Zvi Barzilay has been a member of our Board since June 1994. He joined our predecessor in 1980 as a Project Manager and was appointed a Vice President in 1983. He held the position of Executive Vice President from January 1992 until May 1998, when he was appointed to the additional position of Chief Operating Officer. Since November 1998, he has been our President and Chief Operating Officer.

Robert S. Blank has been a member of our Board since September 1986. He is a member of the Nominating and Corporate Governance Committee and the Public Debt and Equity Securities Committee. For more than the past five years, Mr. Blank has been Co-Chairman and Co-Chief Executive Officer of Whitney Communication Company and Senior Partner of Whitcom Partners. Whitney Communications Company and Whitcom Partners make investments in

public and non-public companies. From August 2001 until June 2007, Mr. Blank was a member of the board of directors of Advanta Corp.

Edward G. Boehne has been a member of our Board since July 2000. He is the Chair of the Nominating and Corporate Governance Committee and a member of the Audit Committee. From 1981 until his retirement in May 2000, Mr. Boehne was the President of the Federal Reserve Bank of Philadelphia. Mr. Boehne is a member of the board of directors of Beneficial Mutual Bancorp, Inc., Penn Mutual Life Insurance Co. and AAA Mid-Atlantic,

Table of Contents

Inc. Mr. Boehne is also a member of the board of directors of, and Senior Economic Advisor to, the Haverford Trust Company.

Richard J. Braemer has been a member of our Board since September 1986. He is the Chair of the Public Debt and Equity Securities Committee. Mr. Braemer is senior counsel at the law firm of Ballard, Spahr, Andrews & Ingersoll, LLP, where he was a partner from 1994 through 2008.

Christine N. Garvey has been a member of our Board since September 2009. She is a member of the Audit Committee. She was the Global Head of Corporate Real Estate Services at Deutsche Bank AG from 2001 to 2004. Prior to that, she served as Vice President of Worldwide Real Estate and Workplace Resources at Cisco Systems, Inc. and as Group Executive Vice President at Bank of America. She is also a member of the board of directors of HCP, Inc. and Maguire Properties, Inc. She has served as a member of the board of trustees of ProLogis since September 2005, when Catellus Development Corporation, where she had been a member of the board since 1995, merged into a subsidiary of ProLogis. Ms. Garvey served on the board of directors of Hilton Hotels Corporation through October 2007.

Carl B. Marbach has been a member of our Board since December 1991. He is the Chair of the Executive Compensation Committee and a member of the Audit Committee and the Public Debt and Equity Securities Committee. Since January 2004, Mr. Marbach has been President of Greater Marbach Airlines, Inc. and Florida Professional Aviation, Inc., companies that provide aviation and consulting services. From January 1995 to January 2004, Mr. Marbach was President of Internetwork Publishing Corp., an electronic publisher, which he founded.

Stephen A. Novick has been a member of our Board since January 2003. He is a member of the Executive Compensation Committee and the Nominating and Corporate Governance Committee. Mr. Novick serves as Senior Advisor to The Andrea and Charles Bronfman Philanthropies, a private family foundation. Until December 2006, Mr. Novick was a consultant to Grey Global Group, a marketing communications company. From 1990 until his retirement in December 2004, Mr. Novick was Chief Creative Officer-Worldwide, and from April 2000 to December 2004 was Vice Chairman, of Grey Global Group. Mr. Novick is also a member of the board of directors of Ark Restaurant Corp.

PROPOSAL TWO

**RATIFICATION OF THE RE-APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee re-appointed Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending October 31, 2011.

Ernst & Young LLP has audited our consolidated financial statements since 1984. Representatives of Ernst & Young LLP are expected to be present at the Meeting, will be afforded the opportunity to make a statement if they desire, and are expected to be available to respond to appropriate questions.

We have been advised by Ernst & Young LLP that neither the firm, nor any member of the firm, has any financial interest, direct or indirect, in any capacity in us or our subsidiaries.

Audit and Non-Audit Fees

The following table sets forth the fees paid to Ernst & Young LLP for professional services for the fiscal years ended October 31, 2010 and 2009:

	2010	2009
Audit Fees(1)	\$ 834,000	\$ 877,235
Audit-Related Fees(2)	30,000	49,500
Tax Fees(3)	69,398	266,181
	\$ 933,398	\$ 1,192,916

(1) Audit Fees include fees billed for (a) the audit of Toll Brothers, Inc. and its consolidated subsidiaries, (b) the audit of the Company's internal control over financial reporting, (c) the review of quarterly financial information, (d) the stand-alone audits of certain of its subsidiaries, and (e) the issuance of consents in various filings with the SEC.

(2) Audit-Related Fees include fees billed for audits of various joint ventures in which we have an interest.

(3) Tax Fees include fees billed for consulting on tax planning matters.

The Audit Committee meets and agrees upon the annual audit fee directly with our independent auditors. The Audit Committee also establishes pre-approved limits for which our management may engage our independent auditors for specific services. Any work that exceeds these pre-approved limits in a quarter requires the advance approval of the Audit Committee. Each quarter the Audit Committee reviews the matters worked on by the independent auditors during the previous quarter and establishes any pre-approved limits for the current quarter. All fees and services for fiscal 2010 were approved by the Audit Committee. The Audit Committee also reviewed and approved the compatibility of non-audit services, including tax services, with the independent registered public accounting firm's

independence. The Audit Committee reviewed the services provided by Ernst & Young LLP and approved the fees paid to Ernst & Young LLP for all services for fiscal 2010.

PROPOSAL THREE

**APPROVAL OF AMENDMENT TO THE TOLL BROTHERS, INC.
SECOND RESTATED CERTIFICATE OF INCORPORATION, AS AMENDED**

We disclosed in our proxy statement for the 2010 Annual Meeting of Stockholders that the Board would recommend at this Meeting that the stockholders approve measures that would permit us to take the necessary steps to ensure that all directors are elected annually, with such measures to be carried out in such a manner that would not affect the unexpired terms of any previously elected directors then in office.

After careful consideration and upon the recommendation of the Board's Nominating and Corporate Governance Committee, the Board has approved an amendment to our Second Restated Certificate of Incorporation, as amended, to provide for the annual election of all directors, in the manner described below.

Article Five, Part III of our Second Restated Certificate of Incorporation, as amended, provides that the Board shall be divided into three classes serving three-year terms, with the term of one class of directors expiring each year. The Board has approved, and recommends for approval by the stockholders, a proposed amendment to the Second Restated Certificate of Incorporation, as amended (as set forth in Annex A), that would provide, if approved, for the annual election of directors. As the amendment would not shorten the existing term of a director, the directors who have been elected to three-year terms prior to the effectiveness of the amendment (including directors elected at this Meeting) will complete those terms. Accordingly, if the amendment is approved, directors will be elected annually, beginning with the election of the class of directors whose current term is set to expire at the 2012 Annual Meeting of Stockholders, continuing with the election of the class of directors whose current term is set to expire at the 2013 Annual Meeting of Stockholders, and culminating with the election of the entire Board for the first time at the 2014 Annual Meeting of Stockholders.

Required Vote

To be approved, the votes that our stockholders cast **FOR** this proposal must equal at least 66 2/3% of our outstanding shares of common stock. We have been advised that it is the intention of Mr. Robert I. Toll and Mr. Bruce E. Toll to vote the shares of common stock they each own in favor of approval of this proposal. See **Voting Securities and Security Ownership** Security Ownership of Principal Stockholders and Management. The amendment, if adopted, would become effective upon the filing of a Certificate of Amendment with the Secretary of State of the State of Delaware incorporating the amendment, which we would expect to do as soon as practicable after the amendment is adopted.

THE BOARD RECOMMENDS THAT YOU VOTE FOR PROPOSAL THREE.

PROPOSAL FOUR

ADVISORY AND NON-BINDING VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934 (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act and the related rules of the SEC), we are including in this proxy statement a separate resolution, subject to stockholder vote, to approve, in a non-binding vote, the compensation of our named executive officers (**NEOs**) as disclosed on pages 18 to 42.

In considering their vote, stockholders may wish to carefully review our compensation policies and decisions regarding our NEOs as presented in Compensation Discussion and Analysis on pages 18 to 31.

Our Executive Compensation Committee (the Compensation Committee) has developed and maintained a compensation program that is intended to reward performance and encourage actions that drive success in our business strategy. In determining fiscal 2010 compensation for our NEOs, and as described in Compensation Discussion and Analysis Compensation Decision Making Process, the Compensation Committee took note of the difficult conditions that continued to challenge the home building industry while also considering the significant transition that we experienced at the senior management level. The following notable areas of achievement in fiscal

Table of Contents

2010 were among those noted by the Compensation Committee in light of the current economic condition of our industry and as a whole:

Sales: The value of our net contracts signed increased by approximately 13% and contract cancellations fell 69% compared to fiscal 2009;

Net Loss Reduction: Our net loss decreased from \$755.8 million in fiscal 2009 to \$3.4 million in fiscal 2010;

Land and Property Acquisition: We increased our land buying activities during fiscal 2010 and our land position grew for the first time since 2005;

Expense: We reduced general and administrative costs by 17% compared to fiscal 2009;

Access to Capital: Our entry into a new four-year \$885 million bank credit facility distinguished us as the first public home builder to obtain a new unsecured credit facility since the beginning of the financial crisis in 2008; and

Honors: During fiscal 2010, *Institutional Investor* magazine named our then-current chief executive officer and chief financial officer to the 2010 All-America Executive Team for the Homebuilders and Building Products Industry. In addition, *Fortune* magazine again named us the most admired homebuilding company.

We believe that our Compensation Committee has developed NEO compensation that is incentivizing outstanding performance and achievements in light of the current economic condition of our industry and the economy as a whole.

Accordingly, we are asking our stockholders to approve, in a non-binding vote, the following resolution in respect of this Proposal Four:

RESOLVED, that the stockholders approve, in a non-binding vote, the compensation of the Company's named executive officers as disclosed on pages 18 to 42 in the Proxy Statement relating to the Company's Annual Meeting of Stockholders to be held on March 16, 2011.

THE BOARD RECOMMENDS THAT YOU VOTE FOR PROPOSAL FOUR.

PROPOSAL FIVE

**ADVISORY AND NON-BINDING VOTE ON FREQUENCY OF VOTE REGARDING
EXECUTIVE COMPENSATION**

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934 (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act and the related rules of the SEC), we are including in this proxy statement a separate resolution to request our stockholders to recommend, in a non-binding vote, whether a non-binding stockholder vote to approve the compensation of our NEOs (that is, a vote similar to the non-binding vote in Proposal Four on pages 8 and 9) should occur every one, two or three years.

In considering their vote, stockholders may wish to carefully review the information presented in connection with Proposal Four on pages 8 and 9 and the information regarding our compensation policies and decisions regarding our NEOs presented in Compensation Discussion and Analysis on pages 18 to 31.

We believe a three-year frequency is most consistent with our approach to compensation. Our reasons include our beliefs that:

an effective compensation program should incentivize performance over the short- and long-term for example, some of our performance-based awards are tied directly to significant long-term share price growth over a sustained period;

long-term incentives should be a significant component of executive compensation, particularly because the business of home building, including evaluating and purchasing land, planning the use of that land, obtaining

Table of Contents

approvals and completing development, and many of the other actions and decisions of our NEOs, require a long time horizon before we realize a tangible financial benefit;

a three-year advisory vote cycle gives our Board sufficient time to thoughtfully consider the results of the advisory vote regarding NEO compensation and to implement any desired changes to our NEO compensation policies and procedures; and

a three-year advisory vote cycle will provide our stockholders sufficient time to evaluate the effectiveness of our short- and long-term NEO compensation strategies and our related performance.

Accordingly, we are asking our stockholders to approve, in a non-binding vote, the following resolution in respect of this Proposal Five:

RESOLVED, that the stockholders be requested to recommend, in a non-binding vote, whether a non-binding stockholder vote to approve the compensation of the Company's named executive officers should occur every one, two or three years.

THE BOARD RECOMMENDS THAT YOU VOTE THREE YEARS WITH RESPECT TO THE FREQUENCY OF A NON-BINDING STOCKHOLDER VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

CORPORATE GOVERNANCE AND BOARD MATTERS

We operate within a comprehensive plan of corporate governance for the purpose of defining independence, assigning Board committee responsibilities, setting high standards of professional and personal conduct and assuring compliance with such responsibilities and standards. We regularly monitor developments in the area of corporate governance.

Director Independence

Under the NYSE rules and the standards adopted by the Board, a director is not independent unless the Board affirmatively determines that the director has no direct or indirect material relationship with us. In addition, the director must meet the requirements for independence set forth by the NYSE rules.

The Board has established categorical standards of director independence to assist it in making independence determinations. These standards, which are described below, set forth certain relationships between the Company and the directors, and their immediate family members or entities with which they are affiliated, that the Board, in its judgment, has determined to be material or immaterial in assessing a director's independence. The standards applied by the Board in affirmatively determining whether a director is independent generally provide that a director is not independent if:

(1) the director is, or has been within the last three years, our employee or an immediate family member (defined as including a person's spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law, and anyone, other than domestic employees, who shares such person's home) of, or is, or has been within the last three years, one of our executive officers;

(2) the director has received, or has an immediate family member who has received, during any 12-month period within the last three years, more than \$120,000 per year in direct compensation from us, other than director and

committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

(3) (a) the director is a current partner or employee of a firm that is our internal or external auditor; (b) the director has an immediate family member who is a current partner of such a firm; (c) the director has an immediate family member who is a current employee of such a firm and who works on our audit; or (d) the director or an immediate family member was, within the last three years, a partner or employee of such a firm and personally worked on our audit within that time;

Table of Contents

(4) the director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of our present executive officers at the same time serves or served on that company's compensation committee;

(5) the director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to or received payments from us for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or two percent of such other company's consolidated gross revenues; and

(6) the director or an immediate family member is, or within the past three years has been, an affiliate of another company in which, in any of the last three years, any of our present executive officers directly or indirectly either:

(a) owned more than five percent of the total equity interests of such other company, or

(b) invested or committed to invest more than \$900,000 in such other company.

The Board annually reviews the independence of all directors. The Board, in applying the above-referenced standards, has affirmatively determined that all of our directors are independent, other than Messrs. Robert I. Toll, Bruce E. Toll, Yearley and Barzilay. As part of the Board's process in making such determination, each such director provided written assurances that (a) all of the above-cited objective criteria for independence are satisfied, and (b) he or she has no other material relationship with us that could interfere with his or her ability to exercise independent judgment.

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines, which describe the Board's views on a number of governance topics. The guidelines can be obtained free of charge from our website at www.tollbrothers.com.

Board Meetings

The Board held six meetings during our 2010 fiscal year.

Each director during our 2010 fiscal year attended at least 75% of the meetings of the Board and of the committees of which he or she was a member during the period that he or she served.

Our independent directors hold separate meetings. Edward G. Boehne has been acting as chair at meetings of the independent directors. During our 2010 fiscal year, the independent directors met four times.

Committees of the Board and Meetings

The Board currently has the following standing committees: Audit Committee; Executive Compensation Committee; Nominating and Corporate Governance Committee; and a Public Debt and Equity Securities Committee. During our 2010 fiscal year, a Derivative Settlement Committee was created to address settlement of certain pending litigation.

Audit Committee

The Audit Committee is currently comprised of Paul E. Shapiro (Chair), Edward G. Boehne, Christine N. Garvey and Carl B. Marbach, each of whom was a member of the Audit Committee for our entire 2010 fiscal year. Roger S. Hillas was a member of the Audit Committee until his retirement from the Board in

March 2010.

Each member of the Audit Committee has been determined by the Board to meet the standards of independence required of audit committee members by the NYSE and applicable SEC rules. For more information on the NYSE standards for independence, see [Director Independence](#) above.

The Board has also determined that all members of the Audit Committee are financially literate, and that Edward G. Boehne possesses accounting and related financial management expertise within the meaning of

Table of Contents

the listing standards of the NYSE and is an audit committee financial expert within the meaning of the applicable SEC rules. For a description of Mr. Boehne's relevant experience, see Proposal One.

The duties and responsibilities of the Audit Committee are set forth in its charter, which may be found at www.tollbrothers.com under Investor Relations: Corporate Governance, and include, among other things, acting on behalf of our Board to discharge the Board's responsibilities relating to the integrity of our financial statements, our compliance with legal and regulatory requirements, risk oversight and assessment, the qualifications and independence of the independent registered public accounting firm, and the performance of our internal audit function and independent audits.

The Audit Committee also has the responsibility and authority for the appointment, compensation, retention, evaluation, termination and oversight of the independent registered public accounting firm, and pre-approval of audit and permissible non-audit services provided by the independent registered public accounting firm.

The Audit Committee held four meetings during the 2010 fiscal year. All of its meetings were attended by representatives from Ernst & Young LLP, our independent registered public accounting firm, to consider, among other things, the scope of the annual audit and issues of accounting policy and internal control. The Chair of the Audit Committee (or, on one occasion, another Audit Committee member as his designee) also met telephonically with our management and representatives from Ernst & Young LLP five times during the 2010 fiscal year, prior to each public release of our quarterly and annual financial information.

Executive Compensation Committee

The Executive Compensation Committee (the Compensation Committee) was, for the entire 2010 fiscal year, comprised of Carl B. Marbach (Chair) and Stephen A. Novick, each of whom has been determined by the Board to meet the NYSE's standards for independence. In addition, each committee member has been determined by the Board to qualify as a Non-Employee Director as defined in Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the Exchange Act) and an outside director as defined for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code).

During its routine review of the structure of the committees of the Board, the Nominating and Corporate Governance Committee recommended to the Board, and the Board approved, the addition of Paul E. Shapiro to the Compensation Committee effective December 15, 2010. At that time, the Board also determined that Mr. Shapiro meets the NYSE standards for independence as described above, that he is a Non-Employee Director as defined in Rule 16b-3 under the Exchange Act and an outside director as defined in Section 162(m) of the Code.

The duties and responsibilities of the Compensation Committee are set forth in its charter, which may be found at www.tollbrothers.com under Investor Relations: Corporate Governance, and include, among other things: establishing our compensation philosophy and objectives; overseeing the implementation and development of our compensation programs; annually reviewing and approving corporate goals and objectives relevant to the compensation of the Executive Chairman of the Board and Chief Executive Officer; evaluating the job performance of the Executive Chairman of the Board and Chief Executive Officer in light of those goals and objectives and determining the Executive Chairman of the Board's and Chief Executive Officer's compensation level based on these evaluations; annually reviewing and approving all elements and levels of compensation for our NEOs and other executive officers; making recommendations to the Board with respect to incentive compensation plans and equity-based plans; and approving, overseeing and administering (in some cases, along with the Board) the Toll Brothers, Inc. Cash Bonus Plan (the Cash Bonus Plan), the Toll Brothers, Inc. Senior Officer Bonus Plan (the Senior Officer Plan), the Toll Brothers, Inc. Amended and Restated Stock Incentive

Plan for Employees (2007) (the Employee Plan), and the Toll Brothers, Inc. Supplemental Executive Retirement Plan (the SERP). The Executive Compensation Committee also administers the Toll Brothers, Inc. Stock Option and Incentive Plan (1995) (the 1995 Plan) and the Toll Brothers, Inc. Stock Incentive Plan (1998) (the 1998 Plan), which are inactive except for exercises of previously granted stock options.

In fulfilling its responsibilities, the Compensation Committee can delegate any or all of its responsibilities to a subcommittee of the committee. For a discussion concerning the process and procedures for determining

Table of Contents

executive compensation and the role of executive officers and compensation consultants in determining or recommending the amount or form of compensation, see Compensation Discussion and Analysis beginning on page 20.

The Compensation Committee held eight meetings during the 2010 fiscal year, some of which took place over multiple sessions.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is, and for the entire 2010 fiscal year was, comprised of Edward G. Boehne (Chair), Robert S. Blank and Stephen A. Novick, each of whom has been determined by the Board to meet the NYSE's standards for independence.

The duties and responsibilities of the Nominating and Corporate Governance Committee are set forth in its charter, which may be found at www.tollbrothers.com under Investor Relations: Corporate Governance, and include, among other things, identifying individuals qualified to become members of the Board and recommending to the Board the nominees for election to the Board, evaluating from time to time the appropriate size of the Board, evaluating and recommending to the Board with respect to the compensation of the non-employee directors, adopting and updating corporate governance guidelines consistent with the requirements of the NYSE, establishing procedures and policies regarding the nominating functions of the committee; reviewing the Board's committee structure; reviewing proposed changes to corporate governance instruments; reviewing and approving related party transactions; and acting on behalf of the Board with respect to certain administrative matters.

The Nominating and Corporate Governance Committee, along with the Board, administers the Toll Brothers, Inc. Amended and Restated Stock Incentive Plan for Non-Employee Directors (2007) (the Director Plan).

The Nominating and Corporate Governance Committee held five meetings during the 2010 fiscal year.

Public Debt and Equity Securities Committee

The Public Debt and Equity Securities Committee is, and for the entire 2010 fiscal year was, comprised of Richard J. Braemer (Chair), Robert S. Blank, Carl B. Marbach and Bruce E. Toll.

The duties and responsibilities of the Public Debt and Equity Securities Committee are set forth in its charter, which may be found at www.tollbrothers.com under Investor Relations: Corporate Governance, and include reviewing and approving, pursuant to authority granted by the Board, certain transactions relating to the public debt and equity securities of the Company and its affiliates.

The Public Debt and Equity Securities Committee did not hold a formal meeting during the 2010 fiscal year.

Consideration and Selection of Nominees for the Board

The Nominating and Corporate Governance Committee is authorized to consider candidates for Board membership suggested by its members and by other Board members, as well as by management and by stockholders. A stockholder who wishes to recommend a prospective nominee for membership on the Board should follow the procedures described in this proxy statement under the caption Procedures for Nominating Candidates or Recommending Candidates for Nomination to the Board. Once a prospective nominee has been identified by, or presented to, the Nominating and Corporate Governance Committee, background information

is elicited about the candidate and the candidate is investigated and evaluated by the Nominating and Corporate Governance Committee and, if deemed appropriate, interviewed. Following this process, the Nominating and Corporate Governance Committee reports to the Board and makes a recommendation regarding the prospective nominee. No distinctions are to be made as between internally-recommended candidates and those recommended by stockholders. All candidates should, at a minimum, possess a background that includes a strong education, extensive business experience and the requisite reputation, character, integrity, skills, judgment and temperament, which, in the Nominating and Corporate Governance Committee's judgment, have prepared him or her for dealing with the multi-faceted financial,

Table of Contents

business and other issues that confront a board of directors of a corporation with our size, complexity, reputation and success. The Nominating and Corporate Governance Committee does not have a policy regarding diversity.

Risk Oversight

Our Audit Committee regularly receives reports from two risk management committees comprised of representatives from various Company business functions that are charged with risk assessment and business continuity planning. These committees meet on a regular basis and select topics related to specific risks and potential vulnerabilities related to particular business functions of the Company, which topics are then presented to the Audit Committee along with a summary of the measures the Company has taken or plans to take in order to define and mitigate such risks and prepare for and address such vulnerabilities. These presentations include reports regarding risks and vulnerabilities relating to, among other things, operations, land investments, competition, personnel, credit and debt covenant compliance, joint venture relationships, litigation and information technology. In addition, our Compensation Committee oversees risks arising from executive officer compensation practices, and our Nominating and Corporate Governance Committee oversees succession risks. Each of the Audit, Compensation and Nominating and Corporate Governance Committees regularly reports to the full Board, which is ultimately responsible for overseeing risks at the enterprise level. In addition, our full Board oversees strategic risks through its focus on overall corporate strategy and execution.

The Compensation Committee has also reviewed the design and operation of the Company's compensation structures and policies as they pertain to risk and has determined that the Company's compensation programs do not create or encourage the taking of risks that are reasonably likely to have a material adverse effect on the Company.

Codes of Business Conduct and Ethics

Management has adopted a Code of Ethics for Principal Executive Officer and Senior Financial Officers, violations of which may be reported to the Audit Committee. Copies of this code and any waiver or amendment to such code can be obtained free of charge from our website at www.tollbrothers.com.

We operate under a comprehensive Code of Ethics and Business Conduct that we review annually and which applies to all directors, officers and employees and includes provisions ranging from conflicts of interest and acceptance of gifts to harassment, discrimination and other employment-related matters. Upon employment with us, all employees are required to affirm in writing their receipt and review of the code and their compliance with its provisions. Copies of the code can be obtained free of charge from our website at www.tollbrothers.com.

Leadership Structure

In connection with the appointments of Douglas C. Yearley, Jr. as Chief Executive Officer and Robert I. Toll as Executive Chairman of the Board, each effective June 16, 2010, the Board separated the roles of chief executive officer and chairman. As our Chief Executive Officer, Mr. Yearley is responsible for our day-to-day operations and for formulating and executing our long-term strategies in collaboration with the Board and Mr. Toll, as Executive Chairman of the Board. As Executive Chairman of the Board, Mr. Toll continues to play a key role and be actively involved in our business. He continues to chair the Board, act as a mentor and advisor to Mr. Yearley and be involved in planning our long-term business strategy. In the Board's view, an appropriate leadership structure depends on the opportunities and challenges facing a company at a given time. The Board believes that the current leadership

structure is appropriate for the Company at this time, as it enables us and the Board to continue to benefit from Mr. Toll's vast experience, skills, expertise and knowledge of the Company.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee during the fiscal year ended October 31, 2010 has ever been an officer or employee of the Company or its subsidiaries.

Table of Contents

Personal Loans to Executive Officers and Directors

We do not permit personal loans to or for the benefit of our directors or executive officers.

Director Attendance at Annual Meetings of Stockholders

It is the policy of our Board that all directors attend annual meetings of stockholders except where the failure to attend is due to unavoidable circumstances or conflicts discussed in advance by the director with the Executive Chairman of the Board. All members of the Board who were serving or standing for re-election attended our 2010 Annual Meeting of Stockholders.

Communication with the Board

Any person who wishes to communicate with the Board, or specific individual directors, including the chair of the independent directors meetings or the independent directors as a group, may do so by directing a written request addressed to such directors or director in care of the Office of the General Counsel, Toll Brothers, Inc., at the address appearing on the first page of this proxy statement. Communications directed to members of the Board who are management directors will be referred to the intended Board member(s) except to the extent that it is deemed unnecessary or inappropriate to do so pursuant to the procedures established by a majority of the independent directors. Communications directed to independent directors will be referred to the intended Board member(s) except to the extent that doing so would be contrary to the instructions of such independent directors. Any communication so withheld will nevertheless be made available to any independent director who wishes to review it.

Director Compensation

The Nominating and Corporate Governance Committee is responsible for evaluating and recommending compensation for non-management directors to the Board.

Elements of Director Compensation

Non-management directors are compensated in cash, stock options and restricted stock for their services as directors.

Cash. Directors receive no annual cash retainer for their service on the Board or its committees. Each non-management director, other than Bruce E. Toll, receives cash fees for each Board and Board committee meeting he or she attends that is determined to be a paid meeting. In general, telephone conferences lasting less than 30 minutes in duration are not considered paid meetings. Cash fees paid for meetings held during fiscal 2010 were as follows:

Each full day Board meeting	\$ 5,000
Each half day Board meeting	\$ 2,500
Each telephonic Board meeting	\$ 1,750
Each Board committee meeting	\$ 1,750

Equity Compensation. All non-management directors receive annual equity compensation in the form of stock options for service on the Board and on Board committees. Stock options are granted and priced on December 20 of each year (or, if December 20 falls on a weekend, options are granted as of December 20 and priced on the immediately preceding or succeeding business day) for service during the immediately preceding fiscal year. Each option grant made to a non-management director has a 10-year term and vests in equal installments

over a two-year period, with a provision for automatic vesting upon a change of control of the Company. Some option grants to non-management directors also provide for continued vesting upon death, disability or retirement of the director. In addition, non-management directors also receive restricted stock awards for service on certain Board committees. Restricted stock is granted on December 20 of each year (or the immediately preceding or succeeding business day, if December 20 falls on a weekend) for service during the immediately preceding fiscal year. Restrictions on shares of restricted stock granted as director compensation lapse in equal installments over two years, although all restrictions would

Table of Contents

immediately lapse upon a change of control of the Company or upon the death or disability of the director. In order to receive equity compensation for Board committee service, the relevant Board committee must meet at least once during the fiscal year, and such meeting must be considered a paid meeting.

Equity compensation grants under the Director Plan to non-management directors during fiscal 2010 for services rendered during fiscal 2009 were made on December 21, 2009 (in the case of restricted stock) and on December 20, 2009 (in the case of stock options) and were as follows:

Service on the Board	Option to acquire 15,000 shares
Chair of the Audit Committee	Option to acquire 1,250 shares 250 shares of restricted stock
Member of the Audit Committee	Option to acquire 1,000 shares 100 shares of restricted stock
Chair of the Nominating and Corporate Governance Committee	Option to acquire 1,000 shares 200 shares of restricted stock
Member of the Nominating and Corporate Governance Committee	Option to acquire 1,000 shares 100 shares of restricted stock
Chair of the Compensation Committee	Option to acquire 1,000 shares 200 shares of restricted stock
Member of the Compensation Committee	Option to acquire 1,000 shares 100 shares of restricted stock
Chair or Member of the Public Debt and Equity Securities Committee	Option to acquire 500 shares

Perquisites and Benefits. Our non-management directors did not receive perquisites or other benefits from the Company during fiscal 2010, except for Mr. Bruce E. Toll, as discussed in the section below entitled Other Director Compensation Arrangements.

Other Director Compensation Arrangements

A new Advisory and Non-Competition Agreement (the Advisory Agreement) was entered into as of November 1, 2010 between the Company and Mr. Bruce E. Toll. The Advisory Agreement currently expires on October 31, 2016. The purpose of the Advisory Agreement is to provide us with the valuable and special knowledge, expertise and services of Mr. Bruce E. Toll, one of our co-founders and a director of the Company since our inception, on a continuing basis, as well as to provide that Mr. Toll does not engage in specified activities. The Advisory Agreement provides, among other things, that (a) we will retain Mr. Bruce E. Toll as Special Advisor to the Executive Chairman of the Board and the Chief Executive Officer until October 31, 2016, at a compensation rate of \$675,000 for the first year of the term of the Advisory Agreement, with such compensation rate to be reduced by \$75,000 in each of the remaining five years of the term of the Advisory Agreement, and (b) during the term of the Advisory Agreement, Mr. Bruce E. Toll will be entitled to receive the health plan benefits provided to our NEOs. Mr. Bruce E. Toll is a participant in the Company's 401(k) retirement plan. Mr. Bruce E. Toll is also a participant in the SERP, which provides an annual benefit of \$230,000 for 20 years, however, no payments are to be made to him under the SERP until the expiration of the term (or termination) of the Advisory Agreement. See Executive Compensation Tables Pension Benefits at October 31, 2010 Supplemental Executive Retirement Plan for a more detailed description of the SERP. During fiscal 2010, we provided Mr. Bruce E. Toll with other benefits having an estimated value of \$7,404, which are described in greater detail under Director Compensation Table below. These benefits were reviewed by the Compensation Committee as part of its review of benefits and perquisites paid to our NEOs and were found to be reasonable and consistent with past practices.

Table of Contents***Director Compensation Table***

The following table sets forth information concerning the fiscal 2010 compensation awarded to or earned by our non-management directors. Management directors are not compensated for their service as directors. The compensation received by our management directors for their services as employees is shown in the Summary Compensation Table on page 32 of this proxy statement.

COMPENSATION DISCUSSION AND ANALYSIS

Executive Summary

This compensation discussion and analysis (CD&A) describes in detail each element of compensation that we pay or award to, or that is earned by, our named executive officers (NEOs). This CD&A includes a description of the principles underlying our executive compensation policies and our most important executive compensation decisions during our 2010 fiscal year, and provides our analysis of these policies and decisions. It is also intended to provide a context for the data we present in the compensation tables and related footnotes below, as well as the narratives that accompany the compensation tables.

Our 2010 fiscal year was notable for significant changes in several of our key leadership roles changes that, in each instance, benefited from succession planning by the Board and our management. Our 2010 fiscal year NEOs were as follows:

Robert I. Toll, Executive Chairman of the Board (Executive Chairman) Mr. Toll served as our Chairman and Chief Executive Officer since our founding in 1967 until the appointment of Douglas C. Yearley, Jr. as Chief Executive Officer in June 2010, at which time he was appointed Executive Chairman, with the expectation that he will, among other things, maintain an active role in the strategic management of the Company;

Douglas C. Yearley, Jr., Chief Executive Officer (CEO) Mr. Yearley joined us in 1990 and served as Executive Vice President from November 2009 until June 2010, at which time he was appointed CEO;

Zvi Barzilay, President and Chief Operating Officer (COO) Mr. Barzilay joined us in 1980 and served in various senior management positions from 1983 to 1998, at which time he was appointed President and COO;

Martin P. Connor, Senior Vice President, Chief Financial Officer and Treasurer (CFO) Mr. Connor joined us in 2008, was appointed a Senior Vice President in December 2009 and from that time until his appointment as CFO and Treasurer in September 2010, he served as Senior Vice President and Assistant Chief Financial Officer; and

Joel H. Rassman, our former Executive Vice President, Chief Financial Officer and Treasurer Mr. Rassman passed away in September 2010 after more than 25 years of outstanding contributions and dedicated service to the Company.

We are the nation's leading builder of luxury single-family detached and attached home communities; master planned luxury residential, resort-style golf communities; and urban low-, mid- and high-rise communities, principally on land we develop and approve. We operate our own architectural, engineering, mortgage, title, land development and land sale, golf course development and management, home security, and landscape subsidiaries. We face intense competition from a number of other home builders in each market in which we operate. It is imperative to our success and long-term viability that our business continues to be managed by highly experienced, focused and capable executives

Table of Contents

who possess the dedication to oversee our organization on a day-to-day basis and have the vision to anticipate and respond to market developments. It is also important that we concentrate on retaining and developing the capabilities of our emerging leaders to ensure that we continue to have an appropriate depth of executive talent.

In determining fiscal 2010 compensation for our senior executives, the Executive Compensation Committee of the Board (the "Compensation Committee") took note of the difficult conditions that continued to challenge the home building industry, while also considering the transition that we experienced at the senior management level. As a result, the Compensation Committee sought to compensate our NEOs in a way that would enable us to retain them as our senior management team through the current downturn, appropriately recognize their individual experience, roles and skill sets and their efforts on behalf of the Company during fiscal 2010 and that would be consistent with our overall business objectives and our stockholders' best interests. The Compensation Committee paid particular attention to the following notable areas of achievement in fiscal 2010 in light of the current economic condition of our industry and the economy as a whole:

Sales: The value of our net contracts signed increased by approximately 13% and contract cancellations fell 69% in fiscal 2010, as compared to fiscal 2009.

Net Loss Reduction: Our net loss decreased from \$755.8 million in fiscal 2009 to \$3.4 million in fiscal 2010.

Land and Property Acquisition: We significantly increased our land buying activities during fiscal 2010, announcing notable land acquisitions in Florida and North Carolina and the purchase of a desirable development property in New York City. Our land position grew for the first time since 2005.

Expense: General and administrative costs were reduced by approximately 17% during fiscal 2010, as compared to fiscal 2009.

Access to Capital and Extended Public Debt: Our entry into a new four-year \$885 million bank credit facility in fiscal 2010 distinguished us as the first public home builder to obtain a new unsecured credit facility since the beginning of the financial crisis in 2008. In addition, as of December 1, 2009, we had repurchased, redeemed or acquired by tender offer an aggregate of approximately \$543 million of our outstanding public debt using cash on hand, which extended the average maturity of our outstanding public debt from 3.5 years to 6.1 years and pushed our earliest maturity to fiscal 2013.

Continued Financial Stability: Once again, we maintained significant liquidity during fiscal 2010, remained comfortably within our debt covenants and retained our investment grade rating at two of the three top rating agencies during the current downturn.

Strategic Initiatives: We announced the formation of Gibraltar Capital and Asset Management LLC ("Gibraltar Capital") to pursue a broad range of real estate acquisition and investment opportunities, which may include the acquisition and disposition of distressed loan and property portfolios; the development of sites for sale to other builders; providing assistance to banks and developers in the workout of troubled real estate; and a myriad of other potential investments where our capabilities and capital access can add value. Shortly after the announcement of its formation, Gibraltar Capital, in a joint venture with two well-known asset management and fund groups, consummated a multi-billion dollar structured transaction in partnership with the Federal Deposit Insurance Corporation for the purchase of an approximately \$1.7 billion portfolio consisting of approximately 200 loans and 80 real estate properties located in 17 states.

Honors: During fiscal 2010, *Institutional Investor* magazine named our then-current chief executive officer and chief financial officer to the 2010 All-America Executive Team for the Homebuilders and Building

Products Industry. The same magazine also recognized our executive team as the top team in our industry during fiscal 2010. In addition, *Fortune* magazine again named Toll Brothers the most admired homebuilding company.

Consistent with our historical compensation practices, our fiscal 2010 compensation program, which is discussed in detail in this CD&A, once again featured the following attributes:

A balanced mix of annual cash and long-term equity incentives that reward our NEOs for current performance and align their compensation with longer term performance and stockholder value creation;

No NEO severance plans or agreements, no NEO employment agreements for any of our current NEOs, and, except with respect to the SERP, no golden parachute cash payouts for the NEOs conditioned upon a change of control.

A structure for NEO compensation that attempts to comply with Internal Revenue Code (Code) requirements for tax deductibility.

Compensation Governance

Role of Executive Officers

The Compensation Committee worked with management to establish meeting agendas and determine who should have been invited to attend meetings. Throughout the year, the Compensation Committee requested various types of information from management, including information about other home building companies and other companies in the home building industry. At various times during fiscal 2010, our chief financial officer was invited by the Compensation Committee to attend relevant portions of the Compensation Committee meetings in order to provide information and answer questions regarding the Company's strategic objectives and financial performance related to the Compensation Committee's functions. Our Executive Chairman, CEO and COO were also all available to members and meetings of the Compensation Committee. Our CEO submitted recommendations to the Compensation Committee regarding equity compensation, performance goals and overall compensation levels for the COO and chief financial officer. The Compensation Committee then exercised its discretion in determining actual awards to the COO and chief financial officer. The Executive Chairman submitted recommendations to the Compensation Committee regarding equity compensation, performance goals and overall compensation for the CEO; the Compensation Committee then acted independently in determining CEO compensation.

Use of Compensation Consultants

During fiscal 2010, the Compensation Committee engaged Compensation Advisory Partners LLC (CAP) to serve as its compensation consultant. CAP received instructions from, and reported to, the Compensation Committee on an independent basis. CAP was also authorized by the Compensation Committee to share with and request and receive from management specified information in order to prepare for meetings. The Compensation Committee requested CAP's advice on a variety of issues, including compensation strategy, market comparisons, pay and performance

alignment versus industry peers, executive pay trends, compensation best practices and potential compensation plan designs and modifications. The Compensation Committee met with CAP, both with and without one or more members of our management, on several occasions during fiscal 2010 and thereafter.

Compensation Philosophy and Objectives

The Board and the Compensation Committee believe that our ability to retain and motivate NEOs who possess the skills, experience and capacity to succeed in our competitive industry has been essential to the long-term success

Table of Contents

of our Company and a significant factor in creating long-term value for our stockholders. Base salaries, annual incentive bonuses, long-term equity compensation and competitive benefits are the primary tools used to retain and motivate our NEOs to deliver superior performance and to enhance value to our stockholders. Our compensation philosophy recognizes the value of rewarding our NEOs for their past performance and motivating them to continue to excel in the future. The Compensation Committee has developed and maintains a compensation program that is intended to reward outstanding performance and encourage actions that successfully deliver on our business strategy.

The compensation policies for our NEOs are based on the philosophy that compensation should reflect both our Company's financial and operational performance and the individual performance of the executive. The Compensation Committee also believes that long-term incentives should be a significant factor in the determination of compensation, particularly because the business of home building, including evaluating and purchasing land, planning the use of that land, obtaining approvals and completing development, and many of the other actions and decisions of our NEOs, require a long time horizon before we realize a tangible financial benefit.

The Compensation Committee's primary objectives when setting compensation for our NEOs are:

Set compensation levels that are sufficiently competitive such that they will retain, motivate and reward the highest quality individuals to contribute to our goals and overall financial success. By keeping compensation competitive during times of growth as well as contraction, the Compensation Committee attempts to achieve these objectives.

Retain executives and encourage continued service. The Compensation Committee seeks to attract and maintain the continuity of excellent management. The Compensation Committee believes our stockholders have greatly benefited from the continued employment of our NEOs over an extended period of time—the Executive Chairman since he co-founded our predecessor operations in 1967 (43 years), the CEO, who joined the Company in 1990 and has served in various senior management positions during the 20 years preceding his appointment as CEO, and the COO who joined the Company in 1980 (30 years) and has served in that role since 1998. Before passing away in September 2010, Mr. Rassman had served as our chief financial officer since 1984 (26 years). Mr. Rassman, with the support of Mr. Robert I. Toll, the Board and the Audit Committee, had prepared Mr. Connor and the Company for transition in the chief financial officer position. Our NEOs are highly talented individuals who have been leaders in contributing to the Company's goals, objectives and overall success. Our Executive Chairman has been consistently recognized as a leader in our industry by various publications and industry groups, and in 2010 our executive team was recognized by a leading institutional investor publication as the top team in our industry. The long-term knowledge of the home building industry that our NEOs possess and the respect they have earned within our industry and the financial community is invaluable to us, particularly during economic downturns, such as that currently being experienced by home builders. We are fortunate to have NEOs who have experienced prior housing downturns (in or around 1973, 1977, 1981, 1991 and 2001), successfully guided us through those periods and are well qualified to lead us through the current downturn.

Incentivize executives to manage risks appropriately while attempting to improve our financial results, performance and condition over both the short-term and the long-term. The Compensation Committee attempts to provide both short-term and long-term compensation for current performance, as well as to provide incentives to achieve short- and long-term goals. Short-term compensation is typically in the form of base salary and annual incentive bonuses under stockholder-approved plans, and long-term compensation is typically in the form of equity awards. Because of the current condition of the economy, the nature of our business and the way we operate our business and implement our strategies, we may not witness for several years—in some cases, three to five years or longer—the positive results of many decisions made or actions taken by our NEOs in the current fiscal year, including strategies implemented to manage risks and position us for

future growth. Accordingly, the Compensation Committee, by seeking a balance of short-term and long-term compensation, seeks to motivate and reward NEOs for decisions made today that may not produce immediate or short-term results, but will likely have a positive long-term effect.

Align executive and stockholder interests. The Compensation Committee believes that the use of equity compensation as a key component of executive compensation is a valuable tool for aligning the interests of our NEOs with those of our stockholders; this would include the use of such compensation to reward

Table of Contents

actions that demonstrate long-term vision. When management and stockholder interests are aligned, the Compensation Committee believes management's focus on creating long-term growth and value is increased.

Obtain tax deductibility whenever appropriate. The Compensation Committee believes that tax deductibility for the Company is generally a favorable feature for an executive compensation program. Although the Compensation Committee, where it deems appropriate, may award compensation to NEOs that will not be tax-deductible, it generally attempts to structure compensation for NEOs to comply with the Code requirements for deductibility, including deductibility of compensation awarded under performance-based compensation plans.

Elements of Compensation

The Compensation Committee seeks to be creative, as well as cognizant of changing economic and industry conditions, in its choice of methods to achieve these objectives, using a variety of compensation elements described below.

Element	Purpose	Characteristics
<i>Base Salary</i>	Provide a basic level of compensation to the NEOs for performing their roles and assuming their levels of executive responsibility.	Fixed cash component. Annually reviewed by the Compensation Committee and adjusted upwards or downwards, from time to time.
<i>Annual Incentive Bonuses</i>	Promote improvement of our financial results, performance and condition; intended to be a short-term incentive to drive achievement of performance goals in a particular fiscal year, without incentivizing inappropriate risk-taking or deterring achievement of our long-term goals and initiatives.	Annual incentive bonuses have been primarily paid in cash. Performance-based bonus opportunity based on the achievement of specified goals, which may be Company performance goals, individual performance goals or a combination of the two, pursuant to stockholder-approved plans. Where applicable, goals are typically established annually, and bonus amounts awarded vary based on performance.
<i>Long-Term Incentive Compensation</i>	Promote the achievement of our long-term financial goals and stock price appreciation by aligning NEO and stockholder interests, promoting NEO retention and rewarding NEOs for superior performance over time.	Equity awards granted annually by the Compensation Committee pursuant to stockholder-approved plans. Long-term incentive compensation may be in the form of stock options, stock appreciation rights, and stock awards and units, which may be restricted, unrestricted or performance-based.

Benefits ultimately realized by each
NEO will vary and will depend on
our stock price.

Table of Contents

Element	Purpose	Characteristics
<i>Benefits and Perquisites, Including Retirement Benefits</i>	Provide health and welfare benefits during employment and replacement income upon retirement. Designed to retain and reward NEOs by providing an overall benefit package competitive with those provided by comparable companies.	Health and welfare benefits are a fixed component that may vary based on employee elections. Perquisites and other benefits may vary from year to year. Retirement benefits also vary based on compensation and years of service.

Compensation Decision Making Process

The Compensation Committee reviews and determines base salary, incentive bonuses and long-term incentive compensation, as well as benefits and perquisites, on an annual basis. For compensation relating to fiscal 2010, the steps taken by the Compensation Committee to establish and award compensation to our NEOs were as follows:

December 2009	Set fiscal 2010 base salaries and performance goal for fiscal 2010 bonuses (where applicable) Recommended the Board's adoption, subject to stockholder approval, of a new, tax-deductible bonus program for executive officers (the resulting Senior Officer Plan was subsequently approved by the stockholders at the 2010 annual meeting) Determined and granted equity compensation awards for fiscal 2009 service
December 2009 October 2010	Monitored Company performance and progress toward meeting fiscal 2010 performance goal; monitored Company performance in other areas; monitored individual performance of NEOs
May 2010	Determined not to recommend changes to the base salaries of Messrs. Toll and Yearley at the time of their respective appointments to the roles of Executive Chairman and CEO
June 2010	Reviewed executive compensation at peer companies
September 2010	Determined Mr. Connor's base salary in connection with his appointment as CFO
October 2010	Reviewed executive compensation at peer companies Reviewed each NEO's individual performance during fiscal 2010 Determined fiscal 2010 bonuses
December 2010	Reviewed fiscal 2010 performance goal Certified that performance goal was attained Reviewed overall Company performance relative to industry peers

Portions of the compensation decision-making process are more fully described below.

Establish Performance Goals

The Compensation Committee, when setting performance goals, reviews the Company's financial condition, current industry and national economic factors, compensation practices and trends at other companies within our industry, and our market capitalization, and attempts to set goals that will effectively motivate the NEOs to achieve the Company's most important business objectives, while limiting risk. The establishment of performance goals does not automatically entitle any NEO to a bonus or require that the Compensation Committee award a bonus if the relevant performance goals are met. Rather, the establishment of performance goals permits the Compensation Committee, in its discretion, to determine to award bonuses to our NEOs that will be tax-deductible by us if the performance goals are met. The Compensation Committee has historically awarded bonuses that were well below the maximum range of amounts payable under the related plans. The Compensation Committee reserves the

Table of Contents

authority to reduce the minimum and maximum range of amounts payable and any resulting amounts payable to any participant based upon such facts and circumstances that the Compensation Committee deems relevant.

At the beginning of fiscal 2010, the Compensation Committee, mindful of the severe downturn the housing industry was continuing to experience, believed that the achievement of revenues was once again an important goal that each of our NEOs should focus on during fiscal 2010. At the same time, the Compensation Committee determined that Messrs. Yearley, Barzilay and Rassman would be participants in a new Senior Officer Plan for fiscal 2010, subject to stockholder approval at the 2010 annual meeting, and determined that potential bonuses for fiscal 2010 under the new Senior Officer Plan, would be conditioned upon our achievement of a specified level of net revenues in fiscal 2010. The Compensation Committee also determined that the total bonus payable to any participant for fiscal 2010 under the Senior Officer Plan would be subject to an \$8.5 million cap. The Committee then established that eligibility for the full bonus available under the Senior Officer Plan and under the Plan Year Performance Bonus component of the Cash Bonus Plan would be conditioned upon our achievement of at least \$900 million in consolidated revenues in fiscal 2010, and eligibility for 80% of the full bonus available under the Senior Officer Plan and under the Plan Year Performance Bonus component of the Cash Bonus Plan would be conditioned upon our achievement of at least \$720 million in consolidated revenues in fiscal 2010. The Compensation Committee established \$900 million in revenues as the goal after reviewing, among other things, market conditions, our backlog (homes under contract but not yet delivered) at the end of fiscal 2009, the average sales price of those homes, the number of homes in backlog which were projected to be delivered during fiscal 2010, and trends in cancellation rates and delivery delays that we were experiencing at the time.

Review Market Comparisons

Although the Compensation Committee does not believe that it is appropriate to establish compensation levels based solely on market comparisons or industry practices, it believes that information regarding pay practices at other companies is useful in two respects. First, marketplace information is one of the many factors that the Compensation Committee considers in assessing the reasonableness of compensation. Second, it recognizes that our compensation practices must be generally competitive for executive talent in the home building industry and the market overall. Additionally, the Compensation Committee recognizes that most of our NEOs have more tenure with our Company and more combined years of experience than most other executive teams in our industry. While the Compensation Committee factors peer compensation levels and practices into its compensation decisions, it does not target compensation at any particular point within a range established by a comparison of the financial performance or compensation levels of our peer companies.

When setting fiscal 2010 salaries, performance goals and ultimate bonus amounts, and equity compensation awards, the Compensation Committee, with assistance from our independent compensation consultant, compared our NEOs compensation against a peer group of publicly-traded home building companies. Based on these comparisons, which included the use of tally sheets, the Compensation Committee noted that, on a three-year basis, our compensation for the chief executive officer and chief operating officer positions was below, and for the chief financial officer position (when occupied by Mr. Rassman), was above, the Company's relative performance level against the homebuilding peer group for fiscal 2010 (Peer Group). The Peer Group consisted of the following companies with whom the Compensation Committee believes we primarily compete for talent and market share.

Beazer Homes USA, Inc.
D. R. Horton, Inc.
Hovnanian Enterprises, Inc.
KB Home

Lennar Corporation
M. D. C. Holdings, Inc.
M/I Homes, Inc.
Meritage Homes Corporation

NVR, Inc.
Pulte Homes, Inc.
The Ryland Group, Inc.
Standard Pacific Corp.

Our independent compensation consultant also provided the Compensation Committee with compensation data for companies outside of the home building sector for the Compensation Committee's consideration.

Review Company Performance

Throughout the fiscal year, the full Board monitored our financial performance in relation to our historical performance and, to the extent reliable data was available, in relation to our peers. The Compensation Committee

Table of Contents

reviewed our performance data during the fiscal year, which it considered when making final fiscal 2010 compensation decisions.

Fiscal 2010 Compensation Elements***Total Cash Compensation***

Total cash compensation (base salary and annual incentive bonus) paid to or earned by each of our NEOs for fiscal 2010 is set forth below. Details on total compensation, presented in the format required by the SEC, can be found in the Summary Compensation Table on page 32 of this proxy statement.

	Base Salary	Annual Incentive Bonus	Total Fiscal 2010 Cash Compensation
Robert I. Toll	\$ 1,300,000	\$ 1,000,000	\$ 2,300,000
Douglas C. Yearley, Jr.	\$ 1,000,000	\$ 1,000,000	\$ 2,000,000
Zvi Barzilay	\$ 1,000,000	\$ 1,500,000	\$ 2,500,000
Martin P. Connor	\$ 509,808	\$ 200,000	\$ 709,808
Joel H. Rassman	\$ 1,017,307	\$ 1,000,000	\$ 2,017,307

The amounts included in the Base Salary and Total Fiscal 2010 Cash Compensation columns for Mr. Rassman include \$101,923 paid to his estate for accrued vacation days in connection with the termination of his employment upon his death on September 14, 2010.

Base Salary

For fiscal 2010, the Compensation Committee restored the annual base salary for Mr. Toll, who at the time was chief executive officer, to \$1,300,000. Mr. Toll's base salary had been reduced by 10% in fiscal 2009 in the interest of conserving our cash resources. Fiscal 2010 base salaries for Messrs. Barzilay and Rassman remained at \$1,000,000, while Mr. Yearley's base salary was set at \$1,000,000, which represented an increase to his prior base salary in connection with his promotion to Executive Vice President in November 2009. When establishing annual base salaries, the Compensation Committee takes into account each NEO's performance of his role and responsibilities and the compensation of comparable executives within our Peer Group. The Compensation Committee believes that its compensation objectives are more effectively met when the majority of an executive's compensation package is comprised of performance-based bonuses and long-term incentive compensation, rather than fixed compensation such as base salaries. Except with respect to the restoration of Mr. Toll's salary in fiscal 2010, the Compensation Committee has not raised Mr. Toll's (as chief executive officer) base salary since fiscal 2004, Mr. Barzilay's (as COO) since fiscal 2003 and Mr. Rassman's (as chief financial officer) since fiscal 2005. In connection with the appointments in June 2010 of Messrs. Toll and Yearley to Executive Chairman and CEO, respectively, the Compensation Committee determined not to recommend any changes to Mr. Toll's or Mr. Yearley's base salaries, citing the Compensation Committee's belief that Mr. Toll's duties as Executive Chairman would require him to remain fully engaged in our day-to-day affairs and assume a mentoring and oversight role. In September 2010, upon the appointment of Mr. Connor to CFO, the Compensation Committee determined that an appropriate base salary for him would be \$650,000.

Annual Incentive Bonus Robert I. Toll

An annual incentive bonus is payable to Mr. Toll if and when earned under the terms of the stockholder-approved Cash Bonus Plan. Amounts payable under the Cash Bonus Plan are designed to be performance-based compensation and, therefore, exempt from the limitations on tax deductibility under Section 162(m) of the Code, as discussed below under Tax and Accounting Implications.

Description of the Cash Bonus Plan. The Cash Bonus Plan was approved by our stockholders at the 2008 annual meeting. The purpose of the Cash Bonus Plan is to provide a tax-deductible, performance-based bonus for Mr. Toll, paid partly in accordance with a formula that is based on our financial success and partly on the basis of one or more performance goals, all as part of an integrated compensation program which is intended to assist us in motivating and retaining the leadership of our co-founder, Robert I. Toll.

Table of Contents

The Cash Bonus Plan has two components – a Company performance component (Company Performance Bonus) and an individual performance component (referred to in the Cash Bonus Plan and this CD&A as the Plan Year Performance Bonus). The formula for determining the Company Performance Bonus is set forth in the Cash Bonus Plan and is equal to 2.0% of our pre-tax income before bonus for the applicable fiscal year.

The Plan Year Performance Bonus under the Cash Bonus Plan is determined on an annual basis by the Compensation Committee, based on the achievement of one or more performance goals established by the Compensation Committee at the beginning of each fiscal year based upon various business criteria as set forth in the Cash Bonus Plan. In no event can the total amount of the Plan Year Performance Bonus exceed the greater of \$5.2 million or 1/10 of 1% of our gross revenues for the applicable fiscal year. The Compensation Committee, in its sole discretion, has the power to reduce or completely eliminate, but not increase, the Plan Year Performance Bonus.

Bonuses under the Cash Bonus Plan may be paid in cash, in shares of our common stock or both; the method of payment is determined by the Compensation Committee. In addition, in no event may the sum of the Company Performance Bonus and the Plan Year Performance Bonus (cash and fair market value of stock) exceed \$8.5 million in any fiscal year.

Fiscal 2010 Company Performance Bonus Determination. In fiscal 2010, we did not have pre-tax income; therefore, Mr. Toll was not entitled to a Company Performance Bonus under the terms of the Cash Bonus Plan.

Fiscal 2010 Plan Year Performance Bonus Determination. At the beginning of fiscal 2010, the Compensation Committee established that eligibility for the full amount available to Mr. Toll under the Plan Year Performance Bonus was conditioned upon our achievement of at least \$900 million in consolidated revenues in fiscal 2010, and eligibility for 80% of the amount available to Mr. Toll under the Plan Year Performance Bonus was conditioned upon our achievement of at least \$720 million in consolidated revenues in fiscal 2010. The Compensation Committee met in October 2010 and determined that we had achieved at least \$900 million in consolidated revenues (our actual fiscal 2010 consolidated revenues were \$1.49 billion) during fiscal 2010 and, therefore, the maximum amount (\$5.2 million) was available for the Plan Year Performance Bonus. The Compensation Committee then made a subjective evaluation of Mr. Toll's overall performance during fiscal 2010, in light of the difficult industry conditions during this period, and concluded that he had performed exceptionally well in not only continuing to steer the Company through the worst downturn our industry has ever experienced, but also in effectively managing the transition of the role of chief executive officer to Mr. Yearley while remaining active in the Company's strategic initiatives and day-to-day affairs. Specific Company performance factors noted by the Compensation Committee were: the increase in our net contracts during fiscal 2010, as compared to fiscal 2009; the decrease of our net loss from \$775.8 million in fiscal 2009 to \$3.4 million in fiscal 2010; the formation of Gibraltar Capital followed by its prompt consummation of a multi-billion dollar structured transaction; the maintenance of our strong balance sheet and significant liquidity; our increased land buying activities; the replacement of our expiring credit line with an \$885 million bank credit facility unique to our industry; his selection to the 2010 All-Executive Team for the homebuilding industry by *Institutional Investor* magazine; and the Company's recognition as the most admired homebuilding company by *Fortune* magazine. The Compensation Committee also determined that Mr. Toll's performance in fiscal 2010 merited long-term incentive compensation awards, which were granted in December 2010 and are further described below under Looking Ahead Fiscal 2011 Compensation.

Messrs. Yearley, Barzilay, Connor and Rassman

Description of Senior Officer Plan. At the beginning of our 2010 fiscal year, the Board and the Compensation Committee developed the Senior Officer Plan as a replacement for the Executive Officer Bonus Plan. In doing so, they determined that the Senior Officer Plan should be sufficiently flexible to allow the Compensation Committee to make awards in appropriate amounts and with appropriate performance periods and performance goals to whichever

officers the Compensation Committee designates as plan participants. The Senior Officer Plan, subsequently approved by our stockholders at the 2010 annual meeting, was in effect during fiscal 2010. The awards paid under the Senior Officer Plan are designed to be qualified performance-based compensation under Section 162(m) of the Code for participants.

The Senior Officer Plan is designed to permit us to pay participants incentive compensation based upon the achievement of one or more pre-established performance goals. At the time the Senior Officer Plan was adopted, the

Table of Contents

Compensation Committee initially designated Messrs. Yearley, Barzilay and Rassman as participants. At the same time, the Compensation Committee concluded that it will not designate Robert I. Toll as a participant in the Senior Officer Plan as long as he is the participant in the Cash Bonus Plan. The Compensation Committee subsequently designated Mr. Connor as a participant in the Senior Officer Plan in connection with his appointment as CFO. At or after the end of each performance period, the Compensation Committee determines whether and to what extent the performance goals have been achieved and calculates the amount of the award to be paid to each participant, if any, based upon the levels of achievement of the relevant performance goals and the objective formula or method established with respect to such performance period. In order to ensure tax deductibility of all awards under the Senior Officer Plan, the Compensation Committee has established that no award payable under the Senior Officer Plan can exceed \$8.5 million (the "Award Cap"). Additionally, in no event will the maximum aggregate amount payable to any participant with respect to awards that have performance periods that end in the same fiscal year exceed two times the Award Cap, regardless of the number of awards that would otherwise be payable in that fiscal year (the "Annual Payment Cap"). Awards that are limited under the Annual Payment Cap may not be carried over and paid during a subsequent fiscal year. The Compensation Committee has no discretion to increase the amount of any awards beyond the Award Cap or the Annual Payment Cap, as applicable, but may, in its sole discretion, reduce or completely eliminate an award based on such facts and circumstances as it deems relevant. Awards under the Senior Officer Plan may be paid in cash, equity or a combination of the two. The equity portion of any award under the Senior Officer Plan may be paid in shares of restricted stock, shares of unrestricted stock or restricted or unrestricted stock units, all of which will be issued from the Employee Plan or a successor plan. To the extent an award is settled with equity, the equity is valued as of the end of the performance period for the award.

Fiscal 2010 Performance Goal. For fiscal 2010, the Compensation Committee established that eligibility for the full amount available to each of Messrs. Yearley, Barzilay, Connor and Rassman under the Senior Officer Plan was conditioned upon our achievement of at least \$900 million in consolidated revenues in fiscal 2010 and eligibility for 80% of the amount available to each of Messrs. Yearley, Barzilay and Rassman under the Senior Officer Plan was conditioned upon our achievement of at least \$720 million in consolidated revenues in fiscal 2010. The Compensation Committee met in October 2010 and determined that we had achieved the requisite consolidated revenues (our actual fiscal 2010 consolidated revenues were \$1.49 billion) during fiscal 2010 and, therefore, the maximum amount was potentially available to each of Messrs. Yearley and Barzilay and, on a pro-rata basis, to Mr. Connor and the Estate of Joel H. Rassman, taking into consideration, in the cases of Messrs. Rassman and Connor, the period in fiscal 2010 during which each served in his respective office. In determining the actual bonus amounts to be paid, the Compensation Committee then made a subjective evaluation regarding the overall individual performance of each of Messrs. Yearley, Barzilay, Connor and Rassman during fiscal 2010, in light of the current difficult industry conditions, and noted that each executive had performed exceptionally well in fiscal 2010.

With respect to Mr. Yearley, the Compensation Committee particularly noted the following: his effective and seamless transition into the role of CEO during fiscal 2010; the decrease of our net loss from \$755.8 million in fiscal 2009 to \$3.4 million in fiscal 2010; the increase in our net contracts during fiscal 2010, as compared to fiscal 2009; our increased land buying activities; the maintenance of our strong balance sheet and significant liquidity; the replacement of our expiring credit line with an \$885 million bank credit facility unique to our industry; and his role in the formation of, followed by the prompt consummation of a multi-billion dollar structured transaction by, Gibraltar Capital.

With respect to Mr. Barzilay, the Compensation Committee particularly noted the following: his continued oversight of the strategic expansion of the Company as we increased our land buying activities during fiscal 2010, including notable land acquisitions in Florida, North Carolina and Connecticut, and the purchase of a desirable development property in New York City; his instrumental role in leading us to an increase in net contracts in fiscal 2010, as compared to fiscal 2009; the decrease of our net loss from \$755.8 million in fiscal 2009 to \$3.4 million in fiscal 2010; and a 17% reduction in our general and administrative costs during fiscal 2010, as compared to fiscal 2009.

With respect to Mr. Connor, the Compensation Committee particularly noted the following: his effective transition into the role of CFO; his efforts in closing our new four-year \$885 million bank credit facility in fiscal 2010, which distinguished us as the first public home builder to obtain a new unsecured credit facility since the beginning of the financial crisis in 2008; the decrease of our net loss from \$755.8 million in fiscal 2009 to \$3.4 million in fiscal 2010; the successful management of asset dispositions and related tax strategies; our continued

Table of Contents

compliance with our debt covenants; a 17% reduction in our general and administrative costs during fiscal 2010; and his assumption of an executive leadership role with respect to risk management.

With respect to Mr. Rassman, the Compensation Committee cited his leadership role prior to his death in September 2010 in the negotiation of a new four-year \$885 million bank credit facility in fiscal 2010, which, when consummated, distinguished us as the first public home builder to obtain a new unsecured credit facility since the beginning of the financial crisis in 2008; the decrease of our net loss from \$755.8 million in fiscal 2009 to \$3.4 million in fiscal 2010; our continued compliance with our debt covenants; a 17% reduction in our general and administrative costs during fiscal 2010; and his selection to the 2010 All-Executive Team for the homebuilding industry by *Institutional Investor* magazine.

The Compensation Committee believed that, by surpassing the established minimum financial performance goal and by individually performing in an outstanding manner in fiscal 2010, Messrs. Yearley, Barzilay, Connor and Rassman merited bonuses for fiscal 2010 performance of \$1,000,000, \$1,500,000, \$200,000 and \$1,000,000, respectively. The Committee also determined that such amounts were reasonable in light of current economic conditions and comparisons within our industry. In addition, the Compensation Committee believed the individual performances of Messrs. Yearley, Barzilay and Connor in fiscal 2010 merited long-term incentive compensation awards, which were granted in December 2010 and are further described below under Elements of NEO Compensation for Fiscal Year 2011.

Long-Term Incentive Compensation

The Compensation Committee does not use constant criteria from year to year in the granting of equity compensation. The Compensation Committee makes a subjective determination of the effectiveness of each NEO and the extent of his contributions to our success and, based on that determination, awards equity compensation.

Equity compensation to any of our employees, including our NEOs, may be either in the form of stock options, stock appreciation rights, stock awards or stock units (which may be restricted, unrestricted or performance-based), in accordance with the terms of our stockholder-approved Employee Plan.

Stock options for all employees, including NEOs, are granted and priced on December 20 of each year (or, if December 20 falls on a weekend, options are granted as of December 20 and priced on the immediately preceding or succeeding business day); all determinations with regard to such grants have been made in advance of that date. We grant equity compensation on a set date each year, and we do not time or plan the release of material, non-public information for the purpose of affecting the value of executive compensation.

The Compensation Committee's primary purposes and objectives when granting equity compensation to our NEOs under the Employee Plan are to:

- constitute a part of our overall compensation program for NEOs and to serve as a particular incentive for NEOs to devote themselves to our future success;

- give overall NEO compensation an appropriate balance between long-term and short-term compensation;

- provide NEOs with an opportunity to increase their proprietary interest in the Company;

- retain NEOs in our employ; and

protect us by providing for forfeiture of the grant in the event that the NEO retires, or otherwise leaves our employ, and competes with us.

Stock Options. During fiscal 2010, the Compensation Committee granted stock options to the NEOs (other than Mr. Toll), as set forth in the Outstanding Equity Awards at October 31, 2010 table on page 35 in this proxy statement. These grants were awarded at the beginning of fiscal 2010 in recognition of the respective NEO's service during fiscal 2009. The Compensation Committee chose to grant these options to Messrs. Yearley, Barzilay, Connor and Rassman in order to further the Compensation Committee's objectives of motivating these NEOs to achieve long-term financial results such as improved financial or other performance that may ultimately cause an increase in the market price of our stock. Because the options were granted with exercise prices equal to the fair market value of the underlying common stock on the date of the grant, any value that ultimately accrues to the

Table of Contents

grantee is based entirely upon our future performance, as perceived by investors who establish the market price of our common stock. The Compensation Committee chose not to grant stock options to Mr. Toll in fiscal 2010; rather, it chose to award performance-based equity compensation to Mr. Toll, as further described below.

The term of these options is 10 years from the date of the grant and the options vest in equal amounts over a four year period, beginning on the first anniversary of the date of the grant. Options would continue to vest and be exercisable for the remainder of the 10-year term upon death, disability or (except in the case of Mr. Connor) retirement, and would fully vest upon a change of control of the Company. Mr. Rassman's options continue to vest pursuant to their normal vesting schedule under the terms of the Employee Plan. In addition, all stock options, vested and unvested, granted to NEOs are subject to forfeiture in the event that, after the NEO retires or otherwise leaves our employ, the NEO competes with us.

Performance-Based Restricted Stock Unit. During fiscal 2010, the Compensation Committee awarded Mr. Toll performance-based Restricted Stock Units (RSUs) relating to 200,000 shares of our common stock in lieu of granting stock options to him. The award was valued based on the closing price of our common stock on the NYSE on December 21, 2009. The RSU is performance-based and will only vest if (1) the average closing price of our common stock on the NYSE, measured over any 20 consecutive trading days ending on or prior to December 21, 2014, increases 30% or more over the closing price of our common stock on the NYSE on December 21, 2009 and (2) Mr. Toll continues to be employed by us or serve as a member of our Board until December 21, 2012. The performance-based RSUs will also vest if Mr. Toll dies or becomes disabled, or we experience a change of control prior to satisfaction of the aforementioned performance criteria. The Compensation Committee chose to award these performance-based RSUs and selected the increase in stock price and continued service as its vesting criteria in an effort to retain Mr. Toll to motivate him to continue to lead us in such a manner that will cause a sustained increase in our stock price and to further align his financial interests with those of our stockholders. As of the date of this proxy statement, none of the vesting criteria have been satisfied.

Benefits and Perquisites

We provide all of our employees (after 60 days of service with us), including our NEOs, with specified employee benefits. These include the opportunity to save for retirement through the Toll Brothers 401(k) Savings Plan (the 401(k) Plan), which is more fully described below, and various health and welfare benefit programs, including medical, dental, life and long-term disability insurance. We share the cost of the above benefit programs with our employees. Our NEOs participate in these programs on the same terms as our other employees. These programs are intended to promote the health and financial security of our employees and are provided at competitive market levels to attract, retain and reward employees.

Retirement Benefits. We provide various plans to meet the retirement needs of our NEOs. Retirement plans are an important part of the overall compensation scheme because we seek to provide our NEOs with the ability to plan for their future while keeping them focused on our present success.

401(k) Savings Plan. All employees, including our NEOs, after 60 days of service with us, are eligible to participate in the 401(k) Plan. The 401(k) Plan is a qualified retirement savings plan under Section 401(k) of the Code. Participants in the 401(k) Plan may contribute a portion of their compensation, subject to Internal Revenue Service (IRS) regulations and specified limitations applicable to highly compensated employees, as such term is defined in the Code. After a year of service, we may match a portion of each participant's contribution and also may make an annual discretionary contribution to each active participant's account. All of the NEOs are participants in the 401(k) Plan. In January 2009, as an additional cash-conservation measure, we suspended the matching 401(k) contribution for all employees, including the NEOs.

Supplemental Executive Retirement Plan (SERP). We also maintain a SERP, which provides retirement benefits to our NEOs. The Board's intention when adopting the SERP was to provide competitive retirement benefits, to protect against reductions in retirement benefits due to tax law limitations on qualified plans and to encourage continued employment or service with us. For a discussion of the material terms of the SERP, please see Executive Compensation Tables Pension Benefits at October 31, 2010 Supplemental Executive Retirement Plan.

Table of Contents

Perquisites. Perquisites did not constitute a material portion of the compensation paid to our NEOs for fiscal 2010. We provide our NEOs with limited perquisites and personal benefits that we and the Compensation Committee believe are consistent with our executive compensation philosophy and objectives. Each fiscal year, the Compensation Committee reviews and approves those perquisites which are to be provided to our NEOs. The Compensation Committee believes the perquisites for fiscal 2010 which included auto and gas allowances, insurance, and tax and financial statement preparation as more fully described in the Summary Compensation Table in this proxy statement are reasonable and consistent with our past practices and consistent with general practices in our industry.

Deferred Compensation Plan. Our NEOs may elect to defer receipt of all or part of their cash compensation pursuant to the Toll Bros., Inc. Nonqualified Deferred Compensation Plan (the "Deferred Compensation Plan"). The Deferred Compensation Plan is open to certain management and highly compensated employees; all NEOs are eligible to participate in the Deferred Compensation Plan. Under the Deferred Compensation Plan, NEOs may elect, prior to the beginning of the year, to defer a portion of their cash compensation during any calendar year. They may select a fixed payment date or dates for payment of the deferred amounts, or elect to have such amounts paid upon termination of employment. We have the right under the Deferred Compensation Plan to make discretionary contributions for the benefit of any participant in the plan. We did not make any discretionary contributions under the Deferred Compensation Plan for any NEO in fiscal 2010.

Interest earned during fiscal 2010 on any NEO deferred compensation is included under "Change in Pension Value and Nonqualified Deferred Compensation Earnings" in the Summary Compensation Table in this proxy statement, and further information about NEO deferred compensation is contained in the Nonqualified Deferred Compensation at October 31, 2010 table in this proxy statement.

Employment Agreements, Change of Control Provisions and Severance Payments

Other than a 1988 agreement (the "Rassman Agreement") with our former chief financial officer, Joel H. Rassman (described below), none of our NEOs has an employment agreement with us. We do not have a severance plan for our NEOs. Our equity compensation plans and our SERP provide for the acceleration of specified benefits in the event we experience a change of control.

Agreement with Joel H. Rassman

Under the terms of the Rassman Agreement, we paid Mr. Rassman's widow \$166,667 (two months of Mr. Rassman's base salary) in connection with his death in September 2010.

Change of Control Provisions

We have no change of control agreements relating to employment benefits or discrete benefits that arise simply from the change of control or severance related thereto; however, under our equity compensation plans and our SERP, awards and benefits are generally subject to special provisions upon a defined "change of control" transaction. Upon a change of control, any outstanding options, restricted stock, deferred cash or other plan awards will generally immediately vest and any restrictions will immediately lapse. Under the SERP, if there is a change of control of the Company, all participants in the SERP shall be fully vested in their SERP benefits and potentially eligible for a lump sum payout.

Tax and Accounting Implications

Tax Regulations. Section 162(m) of the Code generally disallows a tax deduction to a public company for compensation over \$1 million paid to specified "covered employees" (its chief executive officer and to any of its three

other most highly-compensated executive officers other than its chief financial officer). Performance-based compensation will not be subject to the deduction limitation if certain requirements set forth in the Code and applicable Treasury Regulations are met. We generally structure our compensation plans for our NEOs to comply with the performance-based compensation exemption requirements of Section 162(m) of the Code; however, since corporate objectives may not always be consistent with the requirements for full deductibility, the Board and the Compensation Committee may award non-deductible compensation to our NEOs as they deem appropriate.

Table of Contents

Accounting Considerations. When making decisions about executive compensation, the Compensation Committee also considers how elements of compensation will impact our financial results. We accrue our NEOs' salaries and cash bonus awards as an expense when earned by the NEO. For equity compensation grants, Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 718 Compensation-Stock Compensation (ASC 718) requires us to recognize compensation expense for all share-based payment arrangements based upon the grant date fair value of those awards and period of vesting. In the Summary Compensation Table contained in this proxy statement, we are required to show the grant date fair value of the equity awards made to our NEOs in each fiscal year and to include this amount as part of the NEOs' total compensation. This number, while required by the SEC rules and important for understanding the impact of granting equity on our financial statements, may not accurately represent the value received by the NEO. For example, stock options have a compensation expense for accounting purposes, but do not have any value to an NEO unless the market value of our stock increases above the exercise price of the stock option. In fact, options granted over the past five years to our NEOs were under water as of October 31, 2010 (that is, the exercise price of these options was higher than the closing price of our common stock on the NYSE on October 31, 2010). Similarly, stock awards and units fluctuate in value based on the market price of our common stock and may be worth more or less than the associated grant date fair value. Performance-based stock awards and units, which do have grant date fair value, may never have any value to the recipient because the performance criteria may never be met.

Looking Ahead Fiscal 2011 Compensation

Base Salaries. In October 2010, the Compensation Committee determined that our NEOs would not receive base salary increases. Accordingly, our NEOs will receive the same base salaries in fiscal 2011 as they had received in fiscal 2010.

Annual Incentive Bonuses. Pursuant to the terms of the Cash Bonus Plan, Mr. Toll will be entitled to a Company Performance Bonus under the Cash Bonus Plan for fiscal 2011 equal to 2.0% of our fiscal 2011 income before taxes and will be eligible to receive a Plan Year Performance Bonus, which will be determined by evaluating Mr. Toll's performance in light of one or more performance goals established by the Compensation Committee in a manner consistent with prior periods. Similarly, pursuant to the terms of the Senior Officer Plan, Messrs. Yearley, Barzilay and Connor will be eligible to receive annual incentive bonuses for fiscal 2011 based upon our achievement of one or more performance goals established by the Compensation Committee in a manner consistent with prior periods.

Long-Term Incentive Compensation. The Compensation Committee met in December 2010 and decided to grant options to acquire 100,000 shares of common stock to Mr. Toll, options to acquire 120,000 shares of common stock to each of Messrs. Yearley and Barzilay, and options to acquire 20,000 shares of common stock to Mr. Connor. Such grants were made as of December 20, 2010, have an exercise price equal to the closing price of our common stock on the NYSE on December 20, 2010 and will vest in equal installments over four years. The Compensation Committee also determined to award performance-based RSUs to some of our NEOs relating to 200,000 shares to Mr. Toll, 100,000 shares to Mr. Yearley, and 6,000 shares to Mr. Connor, respectively. The RSUs were valued based on the closing price of our common stock on the NYSE on December 20, 2010. Each RSU will only vest if the average closing price of our common stock on the NYSE, measured over any 20 consecutive trading days ending on or prior to December 20, 2015, increases 30% or more over the closing price of our common stock on the NYSE on December 20, 2010, and provided Mr. Toll, Mr. Yearley and Mr. Connor, as applicable, continues to be employed by us, or, in the case of Messrs. Toll and Yearley, serve as a member of our Board until December 20, 2013. Each RSU would also vest upon death or disability of the grantee, or if we experience a change of control prior to satisfaction of the performance criteria.

Table of Contents**EXECUTIVE COMPENSATION COMMITTEE REPORT**

The Executive Compensation Committee has reviewed and discussed with our management the Compensation Discussion and Analysis section of this proxy statement. Based on such review and discussion, the Executive Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and in the Company's Annual Report on Form 10-K for the fiscal year ended October 31, 2010.

Respectfully submitted by the members of the Executive Compensation Committee of the Board of Directors.

- (1) These columns present the aggregate grant date fair value of RSUs and stock options, respectively, granted in the indicated fiscal year, calculated in accordance with ASC 718 utilizing the assumptions discussed in Note 9 in the Notes to Consolidated Financial Statements in our Annual Report on Form 10-K for the year ended October 31, 2010. The calculation of these amounts disregards the estimate of forfeitures related to time-based vesting conditions. In December 2009, the SEC changed its rules relating to the calculation of amounts reported in the Stock Awards and Option Awards columns to require the full grant date fair value of awards to be reported and the recalculation of amounts previously reported for prior fiscal years on the same basis. As a result, the amounts reported in the Stock Awards, Option Awards and Total columns for fiscal 2009 and fiscal 2008 differ from the amounts previously reported in the Company's 2010 and 2009 proxy statements. The amounts shown in these columns do not reflect compensation actually received by the NEOs. The actual value, if any, that a NEO may realize from an award is contingent upon the satisfaction of the conditions to vesting in that award, and for stock options, upon the excess of the share price over the exercise price, if any, on the date the options are exercised. Thus, there is no assurance that the value, if any, eventually realized by the NEOs will correspond to the amount shown in the table.
- (2) The award to Mr. Toll for fiscal 2010 represents a Plan Year Performance Bonus determined by the Compensation Committee under the terms of the Cash Bonus Plan, as described on pages 25 and 26 of this

proxy statement. Mr. Toll did not earn an award for fiscal 2009 or fiscal 2008 under the terms of the Cash Bonus Plan. The awards for Messrs. Yearley, Barzilay, Connor and Rassman for fiscal 2010, fiscal 2009 and fiscal 2008, as applicable, were earned based upon the terms of the Senior Officer Plan, as described on pages 26 and 27 of this proxy statement, and the predecessor to that plan, the Executive Officer Bonus Plan. Mr. Barzilay elected to defer 20% of each of these awards into his account in the Deferred Compensation Plan (see Nonqualified Deferred Compensation During Fiscal 2010 in this proxy statement).

- (3) The amounts in this column represent the increase in the actuarial present value of accumulated benefits under the SERP for each NEO and the amount of above-market interest earned on their respective balances, if applicable, in the Deferred Compensation Plan. Messrs. Toll, Yearley and Connor did not participate in the Deferred Compensation Plan during the fiscal years indicated in the table above. The exact amounts attributed to the increase in actuarial present value of SERP benefits and above-market interest on deferred compensation are as follows:

- (1) The Executive Compensation Committee met on December 7, 2009, and made determinations regarding bonuses and equity compensation grants for fiscal 2009 performance and service. All grants of equity compensation were made on December 20, 2009 (options) and December 21, 2009 (RSUs), which is consistent with our practice of awarding equity compensation described under Compensation Discussion and Analysis Fiscal 2010 Compensation Elements Long-Term Incentive Compensation.
- (2) Awards to Mr. Toll are made pursuant to the terms of the Cash Bonus Plan. The Cash Bonus Plan does not include a threshold amount; awards in any fiscal year, whether pursuant to the formula contained in the Cash Bonus Plan or pursuant to the Plan Year Performance Bonus (as described in the Cash Bonus Plan) could be as low as \$0. The maximum award amount has been reduced to \$8.5 million.
- (3) The Cash Bonus Plan does not include a target amount. When the Executive Compensation Committee met on December 7, 2009, to establish performance criteria for fiscal 2010 under the Plan Year Performance Bonus contained in the Cash Bonus Plan, it did not establish a target amount for the fiscal 2010 award. See Compensation Discussion and Analysis Fiscal 2010 Compensation Elements Long-Term Incentive Compensation for further information.
- (4) The Executive Compensation Committee awarded an RSU under the Employee Plan relating to 200,000 shares of our common stock to Mr. Toll on December 21, 2009. See Compensation Discussion and Analysis Fiscal 2010

Compensation Elements Long-Term Incentive Compensation for further information.

- (5) See Compensation Discussion and Analysis Fiscal 2010 Compensation Elements Long-Term Incentive Compensation for a discussion of these option grants. The exercise price of the options granted in 2010 is the closing price of our common stock on December 21, 2009, the business day immediately succeeding the grant date.
- (6) Awards to Messrs. Yearley, Barzilay, Connor and Rassman were made pursuant to the terms of the Senior Officer Plan. The plan does not include a threshold amount; awards in any fiscal year could be as low as \$0.
- (7) The Senior Officer Plan does not include a target amount and, when the Executive Compensation Committee met on December 7, 2009 to establish performance goals for fiscal 2010 for each of Messrs. Yearley, Barzilay, and Rassman, it did not establish a target amount for fiscal 2010 awards. For a detailed discussion of the formula and criteria applied for such performance-based awards, please see Compensation Discussion and Analysis Fiscal 2010 Compensation Elements Annual Incentive Bonus Messrs. Yearley, Barzilay, Connor and Rassman in this proxy statement.

The options that are reflected in the above table as exercisable vested in equal installments on the first four anniversaries of the original grant date.

- (1) 100% of the options vest on December 20, 2010.
- (2) 50% of the options vest on each of December 20, 2010 and 2011.
- (3) 33.33% of the options vest on each of December 20, 2010, 2011 and 2012.
- (4) 25% of the options vest on each of December 20, 2010, 2011, 2012 and 2013.
- (5) 200,000 performance-based RSUs were awarded to Mr. Toll on December 18, 2008. These RSUs will only vest if the average closing price of our common stock on the NYSE, measured over any 20 consecutive trading

Table of Contents

days ending on or prior to December 19, 2013, increases 30% or more over \$21.70, the closing price of our common stock on the NYSE on December 19, 2008, and provided Mr. Toll continues to be employed by us or serve as a member of our Board until December 19, 2011. These RSUs will also vest if Mr. Toll dies or becomes disabled, or if we experience a change of control prior to satisfaction of the aforementioned performance criteria.

- (6) 200,000 performance-based RSUs were awarded to Mr. Toll on December 21, 2009. The RSUs will only vest if the average closing price of our common stock on the NYSE, measured over any 20 consecutive trading days ending on or prior to December 21, 2014, increases 30% or more over \$18.38, the closing price of our common stock on the NYSE on December 21, 2009, and provided Mr. Toll continues to be employed by us or serve as a member of our Board until December 21, 2012. These RSUs will also vest if Mr. Toll dies or becomes disabled, or if we experience a change of control prior to satisfaction of the aforementioned performance criteria.
- (7) The value of performance-based RSUs was calculated based on the closing price of the NYSE on October 29, 2010 of \$17.94 per share.
- (8) 33% of the options vest on each of January 5, 2011, 2012 and 2013.

Option Exercises and Stock Vested During Fiscal 2010

Name	Option Awards	
	Number of Shares Acquired on Exercise #(1)	Value Realized on Exercise \$(2)
Robert I. Toll	1,000,000	8,176,200
Douglas C. Yearley, Jr	58,246	743,445
Zvi Barzilay	279,750	3,187,859
Martin P. Connor		
Joel H. Rassman	194,849	2,797,835

- (1) Messrs. Toll, Yearley, Barzilay and Rassman held each of these options for virtually their entire 10-year term prior to exercise.
- (2) Value Realized on Exercise equals the difference between the closing price of our common stock on the NYSE on the various dates of exercise and the exercise price, multiplied by the number of shares of our common stock acquired upon exercise of the stock options. The amount shown above under Value Realized on Exercise is subject to ordinary income tax at the time of exercise.

Pension Benefits at October 31, 2010

The following table provides information regarding the pension benefits for our NEOs under the SERP.

Name	Plan Name(1)	Number of Years of Credited Service #(1)	Present Value of Accumulated Benefit \$(2)	Payments During Last Fiscal Year (\$)
------	--------------	---	--	--

Robert I. Toll	SERP	20	8,307,130

Martin P. Connor	SERP	1.8	531,955
Joel H. Rassman	SERP	20	4,153,565

- (1) In order to be vested in benefits under the SERP, participants must have 20 years of service with us. The SERP does not provide for partial benefits for less than 20 years of service or increased benefits based solely upon the completion of more than 20 years of service.
- (2) For a description of the SERP and the assumptions used in the calculation of the present value of plan benefits, see Note 12, Employee Retirement and Deferred Compensation Plans in the notes to the Consolidated

Table of Contents

Financial Statements contained in our Annual Report on Form 10-K for the fiscal year ended October 31, 2010. The increase in the actuarial present value of accumulated benefits under the SERP is due to the 10% annual increase in some NEO's annuity amounts described herein, a change in the discount rate used for actuarial purposes and the passage of time. Since the inception of the SERP, we have used the 15-20 year Moody's AA Bond rate as our discount rate for actuarial purposes. This rate, which was used for calculating the actuarial present value of accumulated SERP benefits, was 5.69% for fiscal 2004 and fiscal 2005 calculations, 5.65% for fiscal 2006 calculations, 6.01% for fiscal 2007 calculations, 7.21% for fiscal 2008 calculations, 5.30% for fiscal 2009 calculations, and 4.99% for fiscal 2010. The significant increase in this rate in fiscal 2008 was directly associated with the September 2008 financial market meltdown. When the discount rate increases, as it did in fiscal 2008, the actuarial present value of accumulated SERP benefits decreases because the actuarial present value is computed using a higher discount factor. When the discount rate decreases, as it did in fiscal 2009 and subsequently in fiscal 2010, the actuarial present value of accumulated SERP benefits increases.

Supplemental Executive Retirement Plan

The SERP, which is an unfunded plan, generally provides for an annual benefit, payable for 20 years following retirement, once a participant has completed 20 years of service with us and has reached normal retirement age, which is age 62 under the SERP. Beginning in fiscal 2008 and continuing through fiscal 2010, the SERP also provided for increases in annual retirement benefits to the NEOs for each year of service to the Company after age 62. Accordingly, for each NEO who has already reached retirement age under the SERP, on his birthday during fiscal 2010, annual retirement benefits under the SERP increased by 10% of the applicable original annual benefit amount (set forth below). In order to be eligible for the annual increase in any given year, the NEO must be employed by us on his birthday during such year, have completed 20 years of service with us on or prior to his birthday during such year, and have reached normal retirement age on or prior to his birthday during such year. During fiscal 2010, the Company discontinued any 10% increases beyond fiscal 2010; except that Mr. Yearley's annual benefit amount will be subject to such increase for the first three years of service to the Company after he reaches age 62. The original annual benefit amounts, the fiscal 2010 increase and the annual benefits to our NEOs under the SERP as of the end of fiscal 2010 are set forth in the table below.

Participant	Original Annual Benefit Amount	Fiscal 2010 Increase	Annual Benefit Amount at October 31, 2010
Robert I. Toll	\$ 500,000	\$ 50,000	\$ 650,000
Douglas C. Yearley, Jr.	\$ 150,000		\$ 150,000
Zvi Barzilay	\$ 260,000	\$ 26,000	\$ 338,000
Martin P. Connor	\$ 100,000		\$ 100,000
Joel H. Rassman	\$ 250,000	\$ 25,000	\$ 325,000

Messrs. Toll and Barzilay have completed the requisite 20 years of service with us and have reached normal retirement age and are, therefore, fully vested in their SERP benefits. Mr. Yearley has completed the requisite 20 years of service with us, but has not reached normal retirement age and is not fully vested in his SERP benefits. Mr. Connor has not completed the requisite 20 years of service with us, nor has he reached normal retirement age and is, therefore, not fully vested in his SERP benefits. Mr. Rassman had completed the requisite 20 years of service with us and had reached normal retirement age and was, therefore, fully vested in his SERP benefits at the time of his death in September 2010. Benefits under the SERP will cease if any participant competes with us following retirement.

Nonqualified Deferred Compensation at October 31, 2010

On December 19, 2008 each of the NEOs (other than Mr. Connor), were granted RSUs corresponding to a reduction in base salary or incentive bonus of the NEO, as applicable, as follows: Mr. Toll (5,991 RSUs; \$130,000 grant date value); Mr. Yearley (1,153 RSUs; \$25,000 grant date value); Mr. Barzilay (7,005 RSUs; \$152,000 grant date value); and Mr. Rassman (5,622 RSUs; \$122,000 grant date value). These RSUs were considered to have vested upon grant but the underlying shares of common stock had not been delivered at October 31, 2010. The RSUs will be delivered at the four-year anniversary of the grant date, or earlier in the event of death, disability, retirement or change of control of the Company. At October 31, 2010, the values of the RSUs for Messrs. Toll, Yearley, Barzilay and Rassman were \$107,479, \$20,685, \$125,670 and \$100,859, respectively.

Table of Contents

The table below provides information regarding contributions, earnings, and balances for our NEOs under the Deferred Compensation Plan, as described below.

	Executive Contributions in Last	Registrant Contributions in Last	Aggregate Earnings in Last	Aggregate Withdrawals/ Distributions	Aggregate Balance at Last
Name	FY (\$)(1)	FY (\$)	FY (\$)(2)	(\$)	FYE (\$)(3)

Martin P. Connor					
Joel H. Rassman			140,748		1,928,021

- (1) Executive Contributions in Last FY column represents the portion of fiscal 2009 bonus paid in fiscal 2010 that the NEO elected to defer. All of the amount shown in this column for Mr. Barzilay was reported as compensation in 2010 in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table on page 32.
- (2) Aggregate Earnings in Last FY column represents the unrealized earnings on the NEO's account balance in the Deferred Compensation Plan as described below. \$54,343 and \$45,692 of the amounts shown under this column for Mr. Barzilay and Mr. Rassman, respectively, represent above-market earnings and were accordingly reported as compensation in 2010 in the Change in Pension Value and Nonqualified Deferred Compensation Earnings column of the Summary Compensation Table on page 32.
- (3) Aggregate Balance column represents the net balance of compensation that was earned and deferred in prior years and the interest accrued on such deferred amounts. For Mr. Barzilay, of the amount shown, \$54,343, \$41,384, \$28,507 of above-market interest was included in his fiscal 2010, 2009 and 2008 compensation, respectively, in the Summary Compensation Table. For Mr. Rassman, of the amount shown, \$45,692, \$38,146 and \$28,921 of above-market interest was included in his fiscal 2010, 2009 and 2008 compensation, respectively, in the Summary Compensation Table.

Deferred Compensation Plan

Under the Deferred Compensation Plan, NEOs may elect, six months prior to the end of the calendar year for which any bonus may be earned, to defer a portion of their cash compensation. Compensation that is deferred under the Deferred Compensation Plan earns various rates of return, depending on the length of time of the deferral. Interest rates are established by a majority of the board of directors of Toll Bros., Inc., our wholly owned subsidiary that administers the Deferred Compensation Plan, and are reviewed and adjusted annually for new deferrals. When establishing interest rates, the directors review the rates charged to us for borrowings, as well as interest rates generally available in the market. During fiscal 2010, interest rates for amounts deferred under the Deferred

Compensation Plan ranged from 5% to 8%, based upon when the compensation was deferred and the length of time it had been or was to be deferred. For more information on the Deferred Compensation Plan, see Compensation Discussion and Analysis Benefits and Perquisites Deferred Compensation Plan in this proxy statement.

Potential Payments upon Termination or Change of Control

None of our NEOs has an employment agreement with us, nor are any of them entitled to any sort of cash severance payment upon termination or separation from us, other than under the Rassman Agreement which provides for specified payments and benefits upon a termination or separation, as further described herein. We do maintain equity compensation plans and retirement plans that provide for the continuation or acceleration of benefits in the event of specified separations from employment with us or a change of control of the Company.

The dollar amounts or dollar values of the potential payments or benefits to the NEOs in the event of a termination of employment or change of control of the Company are disclosed in the following tables. Except with respect to Mr. Rassman, the amounts and values shown assume that such termination of employment or change of control occurred on October 29, 2010, the last business day of our 2010 fiscal year, and are based, as applicable, on a share price of \$17.94, the closing price of our common stock on the NYSE on October 29, 2010. These amounts and values do not necessarily reflect the actual amounts and values that would be paid to the NEOs upon an actual termination of employment or a change of control in the future. The actual amounts and values can only be determined at the time of such NEO's separation or a change of control. For Mr. Rassman, the amounts reflect amounts of payment or values of benefits triggered by his death on September 14, 2010.

Below is a description of the assumptions that were used in creating the tables that follow. Unless otherwise noted, the descriptions of the payments below are applicable to all of the tables. In accordance with SEC regulations, we do not report in the tables below any amount to be provided to an NEO under any arrangement which does not discriminate in scope, terms or operation in favor of our NEOs and which is available generally to all salaried employees. We also do not report in the tables below any distributions of plan balances under our 401(k) plan and the Deferred Compensation Plan, including the value of shares underlying RSUs that had been considered vested in a prior fiscal year. See the Compensation Discussion & Analysis for information about the Company's 401(k) plan and the Executive Compensation Tables Nonqualified Deferred Compensation Plan at October 31, 2010.

Termination of Employment

Vesting of Equity Compensation Plan Awards. Generally, unvested equity awards held by any of our employees, including the NEOs, are cancelled upon termination of employment with the Company, and the right to exercise vested stock options terminates within a specified period of time (depending on the terms of the applicable grant documents and the manner of termination) after termination of employment. However, under specified circumstances, such as retirement, death, disability or a change of control, special vesting rules apply, as described below. All equity awards, whether vested or unvested, held by an NEO terminate immediately upon a termination of employment for cause.

Special Vesting upon Retirement. With respect to stock options granted after December 20, 2001, if an NEO retires from service with us after reaching age 62, he is entitled to continued vesting and exercisability of any unvested and/or unexercised options (stock options granted to Messrs. Yearley and Connor to date will expire prior to the respective NEO's attainment of the retirement age of 62). Options do not automatically vest upon retirement, but will continue to vest on their normal vesting schedule as if the NEO were still employed by us. In addition, the NEO will have the remainder of the option term to exercise the option, rather than being forced to exercise within a specified period of time following retirement. This continued vesting and exercisability is conditioned upon the NEO refraining from competing with us at any time. The tables below do not reflect an amount for unvested options with respect to retirement because vesting is not accelerated at retirement.

Special Vesting Upon Death or Disability. If an NEO's employment with us terminates due to death or disability, he (or his estate) is entitled to continued vesting and exercisability of any unvested and/or unexercised options. Options

do not immediately vest upon death or disability, but will continue to vest on their normal vesting schedule as if the NEO were still employed by us. In addition, the NEO will have the remainder of the option term to exercise the option, rather than being forced to exercise within a specified period of time following termination of employment. This continued vesting and exercisability are conditioned upon, in the event of the NEO's disability, the NEO refraining from competing with us at any time. The tables below do not reflect an amount for unvested options with respect to termination due to death or disability because vesting is not accelerated upon these events.

Table of Contents

Shares subject to performance-based RSUs held by an NEO fully vest and all restrictions immediately lapse upon the NEO's termination of his employment with us due to death or disability. The amounts in the table below for Mr. Toll are the amounts that would have been recognized by him if his employment with us had terminated due to death or disability and all of his previously unvested shares subject to performance-based RSUs were vested and delivered to him and sold on October 29, 2010.

Vesting of SERP Benefits. Under the SERP, participants become 100% vested in their retirement benefits once they complete 20 years of service with us and reach age 62. As of October 31, 2010, Messrs. Robert I. Toll and Zvi Barzilay had reached age 62 and had completed 20 years of service with us; as a result, they were all fully vested in their SERP benefits. The tables below do not include benefits payable to Messrs. Toll and Barzilay under the SERP. See Supplemental Executive Retirement Plan and Pension Benefits at October 31, 2010. If a SERP participant is terminated for cause, all SERP benefits are subject to forfeiture, regardless of whether the participant is fully vested.

Change of Control

Upon a change of control of the Company, all unvested outstanding stock options will fully vest and become exercisable. In addition, all shares subject to performance-based RSUs fully vest and all restrictions lapse. Under the SERP, if there is a change of control of the Company, all participants in the SERP would become fully vested in their SERP benefits (if not already fully vested) and be potentially eligible for a lump sum payout. The tables below reflect the amounts that would have been recognized by each NEO (other than Mr. Rassman) if a change of control had occurred on October 29, 2010, and he had exercised and sold all of his previously unvested in-the-money stock options, and with respect to Mr. Toll, the table below reflects the amount of previously unvested performance-based RSUs that would have vested if a change of control had occurred on October 29, 2010. In addition, with respect to Messrs. Yearley and Connor, the tables below also reflect the benefits payable in a lump sum under the SERP as if a change of control had occurred on October 29, 2010.

Tables***Robert I. Toll***

The following table describes the potential payments and benefits to Robert I. Toll upon termination of his employment or a change of control of the Company had such termination or change of control occurred on October 29, 2010.

Payments and Benefits	Termination of Employment (\$)					Change in Control (\$)
	Voluntary	Involuntary			Disability	
		Normal Retirement	Not for Cause	For Cause		
Accelerated vesting of unvested equity awards:						
Stock option(2)						
RSU shares(3)					7,176,000	7,176,000
Payment of SERP Benefits(4)						
Total:					7,176,000	7,176,000

- (1) For purposes of this table, Voluntary means a termination of employment that is not in accordance with our normal retirement policy, which includes an agreement not to compete with the Company.
- (2) Mr. Toll did not have any in-the-money options that were unvested at October 29, 2010.
- (3) See footnotes 5 and 6 to the Outstanding Equity Awards at October 29, 2010 table in this proxy statement. Had Mr. Toll terminated his employment at October 29, 2010, the value of his shares subject to performance-based RSUs, based upon the closing price of our common stock on the NYSE on October 29, 2010, would have been \$7,176,000.

Table of Contents

- (4) The amount of Mr. Toll's SERP benefits, in which he has already fully vested as described above, would be paid in bi-weekly installments over a 20-year period, except in the event of a change in control. Upon a change in control, the amount of the benefit shown would be paid in a single lump sum, equal to the actuarial equivalent present value of Mr. Toll's SERP benefits as of the date of payment, unless prohibited by applicable tax regulations (see Pension Benefits at October 31, 2010).

Douglas C. Yearley, Jr.

The following table describes the potential payments and benefits to Douglas C. Yearley upon termination of his employment or a change of control of the Company had such termination or change of control occurred on October 29, 2010.

Termination of Employment (\$)						Change in Control (\$)
Payments and Benefits	Voluntary Retirement	Involuntary				Disability
		Normal Cause	for Cause	Involuntary Cause	Death	
Accelerated vesting of unvested equity awards						
Stock option(2)						
RSU shares						
Payment of SERP Benefits(3)					3,000,000	3,000,000
Total:					3,000,000	3,000,000

- (1) For purposes of this table, Voluntary means a termination of employment that is not in accordance with our normal retirement policy, which includes an agreement not to compete with the Company.
- (2) Mr. Yearley did not have any in-the-money options that were unvested at October 29, 2010.
- (3) The amount of the benefit shown would be paid in bi-weekly installments over a 20-year period, except in the event of a change in control. Upon a change in control, the amount of the benefit shown would be paid in a single lump sum, equal to the actuarial equivalent present value of Mr. Yearley's benefits as of the date of payment, unless prohibited by applicable tax regulations (see Pension Benefits at October 31, 2010).

Zvi Barzilay

Upon termination of Zvi Barzilay's employment or a change of control of the Company, had such termination or change of control occurred on October 29, 2010, Mr. Barzilay would have been entitled to the payment of benefits under the SERP, in which, as described above, he has already fully vested and which would be paid in bi-weekly installments over a 20-year period, except in the event of a change of control. In the event of a change of control, the amount of SERP benefit would be paid in a single lump sum, equal to the actuarial equivalent present value of Mr.

Barzilay's SERP benefits as of the date of payment, unless prohibited by applicable tax regulations (see Pension Benefits at October 31, 2010). Mr. Barzilay did not have any in-the-money options that were unvested at October 29, 2010.

Table of Contents***Martin P. Connor***

The following table describes the potential payments and benefits to Martin P. Connor upon termination of his employment or a change of control of the Company had such termination or change of control occurred on October 29, 2010.

Payments and Benefits	Termination of Employment (\$)					Change in Control (\$)
	Involuntary					
	Normal	Not for Cause	Involuntary			
			For Cause	Death	Disability	
	Voluntary	Retirement				
Accelerated vesting of unvested equity awards						
Stock option(2)						
Payment of SERP Benefits(3)						2,000,000
Total:						2,000,000

- (1) For purposes of this table, "Voluntary" means a termination of employment that is not in accordance with our normal retirement policy, which includes an agreement not to compete with the Company.
- (2) Mr. Connor did not have any in-the-money options that were unvested at October 29, 2010.
- (3) Upon a change in control, the amount of the benefit shown would be paid in a single lump sum, equal to the actuarial equivalent present value of Mr. Connor's benefits as of the date of payment, unless prohibited by applicable tax regulations (see "Pension Benefits at October 31, 2010").

Joel H. Rassman

In addition to the payment of benefits under the SERP and Deferred Compensation Plan, which would be payable in accordance with the terms of such Plans, an amount of \$264,039 was payable to Mr. Rassman's widow in connection with Mr. Rassman's death on September 14, 2010, \$166,667 of which represented a cash severance payment under Mr. Rassman's employment agreement with us and the remaining \$97,373 of which represented the value of his shares subject to RSUs, based upon the closing price of our common stock on the NYSE on September 14, 2010.

REPORT OF THE AUDIT COMMITTEE

As described under Corporate Governance and Board Matters Committees of the Board and Meetings Audit Committee, the Audit Committee of the Board oversees the Company's financial reporting process on behalf of, and reports to, the Board. Company management has primary responsibility for preparation of the financial statements and the overall reporting process, including the Company's system of internal control.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the Company's audited financial statements for the year ended October 31, 2010 with management, including a discussion of the quality, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Audit Committee also discussed with Ernst & Young LLP, the Company's independent registered public accounting firm, the matters required to be discussed by the Statement on Auditing Standards No. 114, as amended (AICPA, *Professional Standards*, Vol. AU section 380), as adopted by the Public Company Accounting Oversight Board.

In addition, the Audit Committee received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence and discussed with Ernst & Young LLP its independence from the Company and the Company's management.

Based on the reviews and discussions described in the preceding paragraphs, the Audit Committee recommended to the Board that the audited financial statements of the Company be included in the Annual Report on Form 10-K for the fiscal year ended October 31, 2010 for filing with the SEC.

Respectfully submitted by the members of the Audit Committee of the Board of Directors.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act and the regulations thereunder require certain of our officers, as well as our directors and persons who own more than 10% of a registered class of our equity securities (collectively, the reporting persons) to file reports of ownership and changes in ownership with the SEC and to furnish us with copies of these reports. Based solely on our review of the copies of these reports within a prescribed period of time and written representations we received from the reporting persons, with the exception noted in the following sentence, we believe that all other filings required to be made by the reporting persons during or with respect to the period November 1, 2009 through October 31, 2010 (Reporting Period) were made on a timely basis. One Form 5 filing to report a single transaction that occurred during the Reporting Period and which related solely to a charitable gift of shares from Mr. Robert I. Toll to an educational institution was not filed on a timely basis.

CERTAIN TRANSACTIONS

We have a written Related Party Transaction Policy (Policy), which provides guidelines applicable to any transaction, arrangement or relationship between us and a related party that is or may be required to be disclosed pursuant to Item 404 of the SEC's Regulation S-K (each, a related party transaction). Under the Policy, the Nominating and Corporate Governance Committee (the Governance Committee) of the Board is responsible for reviewing and determining whether to approve or ratify any related party transaction. In making its determination to approve or ratify a related party transaction, the Governance Committee considers such factors as (1) the extent of the related party's interest in the transaction, (2) if applicable, the availability of other sources of comparable products or services, (3) whether the terms of the related party transaction are no less favorable than terms generally

Table of Contents

available in unaffiliated transactions under like circumstances, (4) the benefit to us and whether there are business reasons for us to enter into the transaction, (5) the aggregate value of the transaction and (6) any other factors the Governance Committee deems relevant. The Policy requires that all proposed or potential related party transactions be reported to our legal department prior to consummation. The legal department is required to evaluate each transaction to determine if it is, in fact, a related party transaction and, if so, to report the transaction to the Governance Committee, or its designee (the Chairperson or another member of the Governance Committee, or another committee of the Board), for review. The legal department maintains a list of all related parties and periodically distributes that list to our officers and employees to help facilitate compliance with the Policy and the proper reporting of proposed related party transactions. Under the Policy, all related party transactions that continue for more than one fiscal year are required to be reviewed and approved annually by the Governance Committee.

All transactions disclosed below were approved or ratified in accordance with the terms of the Policy.

During fiscal 2010, Robert I. Toll, Executive Chairman of the Board, paid approximately \$263,036 to us for personal services, including legal and investment services, car service, office space for personal use and home improvement services. These services were provided by us or our employees, and such amounts were billed at rates based on the relevant employee's compensation or the cost to the Company, as applicable, and paid throughout the year with monies deposited with us in advance by Mr. Toll.

Toll Brothers Realty LP ("Toll Realty LP") is a partnership which effectively owns or controls the commercial real estate that comprises the assets of Toll Brothers Realty Trust (the "Trust"). We formed the Trust in 1998 to take advantage of commercial real estate opportunities. Toll Realty LP is effectively owned one-third by us, one-third by Robert I. Toll, Executive Chairman of the Board, Bruce E. Toll, Vice Chairman of the Board (and trusts established for the benefit of members of his family), Zvi Barzilay, our President and Chief Operating Officer (and trusts established for the benefit of members of his family), the Estate of Joel H. Rassman, Douglas C. Yearley, Jr., our Chief Executive Officer, and other current and former members of our senior management, and one-third by the Pennsylvania State Employees Retirement System. At October 31, 2010, our investment in Toll Realty LP and the Trust was \$182,355. We earned fees from Toll Realty LP and the Trust of \$3,268,000 in fiscal 2010 under the terms of various development, finance and management services agreements. We believe that these transactions were on terms no less favorable than we would have agreed to with unrelated parties. Under such agreements, we also incur certain costs on behalf of Toll Realty LP and the Trust for which we are reimbursed by Toll Realty LP and the Trust. These fees and reimbursements were paid to us throughout the year.

Ballard, Spahr, Andrews & Ingersoll, LLP, the law firm at which Richard J. Braemer, one of our directors, is senior counsel, acted as counsel to us in various matters during fiscal 2010 and received aggregate fees of approximately \$512,890 for their services during fiscal 2010.

Adam Barzilay, the son of Zvi Barzilay, is employed on a full-time basis by the Company as a Land Acquisition Manager in California. During fiscal 2010, Adam Barzilay received \$204,737 in total compensation (salary, benefits, bonus and options to acquire shares of the Company's common stock). The Company believes that the compensation paid to Adam Barzilay during his employment with the Company was consistent with the compensation it would have paid to an unrelated individual in a similar position with the Company.

In addition, in fiscal 2010, BET Investments, a company owned and operated by Bruce E. Toll, used our engineering and integrated systems departments to provide services in connection with the construction of various commercial real estate properties. The total amounts paid by Bruce E. Toll and BET Investments for these materials and services provided during fiscal 2010 were \$79,832 and \$166,500, respectively. The rates charged to Bruce E. Toll and BET Investments are comparable to what we would have charged to an unrelated third party, and it is expected that Bruce E. Toll and BET Investments may continue to purchase additional materials and services from us in fiscal 2011.

We are also party to an advisory and non-competition agreement with Bruce E. Toll. For information regarding this agreement, see Corporate Governance and Board Matters Director Compensation.

STOCKHOLDER PROPOSALS FOR THE 2012 ANNUAL MEETING OF STOCKHOLDERS

Stockholders interested in submitting a proposal to be considered for inclusion in our proxy statement and form of proxy for the 2012 Annual Meeting of Stockholders may do so by following the procedures prescribed by Rule 14a-8 under the Exchange Act. To be eligible for inclusion, proposals must be submitted in writing and received by us at the address appearing on the first page of this proxy statement on or before October 4, 2011.

A stockholder may wish to have a proposal presented at the 2012 Annual Meeting of Stockholders, but not to have the proposal included in our proxy statement and form of proxy relating to that meeting. Under our bylaws, except as otherwise prescribed by the presiding officer, no business may be brought before the annual meeting unless it is specified in the notice of meeting or is otherwise brought before the meeting at the direction of the Board, by the presiding officer, or by a stockholder entitled to vote who has delivered written notice to us (containing certain information specified in the bylaws about the stockholder and the proposed action) not less than 45 or more than 75 days prior to the first anniversary of the date on which the Company first mailed its proxy materials for the preceding year's annual meeting—that is, with respect to the 2012 Annual Meeting of Stockholders, between November 18, 2011, and December 18, 2011.

A stockholder who wishes to submit a nomination for director to the Board (other than a nomination brought pursuant to and in accordance with any proxy access rules adopted by the SEC subsequent to the date of this proxy statement and effective for the 2012 Annual Meeting of Stockholders) must deliver written notice of the nomination within the time period set forth in the previous sentence and comply with the information requirements in the bylaws relating to stockholder nominations. These requirements are separate from and in addition to (a) the SEC requirements referenced above for inclusion of a stockholder proposal in our proxy statement, (b) any requirements adopted by the SEC subsequent to the date of this proxy statement and effective for the 2012 Annual Meeting of Stockholders relating to the inclusion of a stockholder nominee for director in our proxy statement and (c) the requirements set forth below for having our Nominating and Corporate Governance Committee consider a person, who has been recommended by certain stockholders, for nomination as a director. If notice of any such proposal is not submitted in writing and received by us at the address appearing on the first page of this proxy statement by December 18, 2011, then such proposal shall be deemed untimely for purposes of Rule 14a-4 promulgated under the Exchange Act and, therefore, the persons appointed by our Board as its proxies will have the right to exercise discretionary voting authority with respect to such proposal.

**PROCEDURES FOR NOMINATING CANDIDATES OR RECOMMENDING CANDIDATES FOR
NOMINATION TO THE BOARD OF DIRECTORS**

Any stockholder may submit a nomination for director by following the procedures outlined in Section 2-8 of our bylaws. In addition, the Nominating and Corporate Governance Committee has adopted a policy permitting stockholders to recommend candidates for director under certain circumstances. The Nominating and Corporate Governance Committee will only consider nominating a candidate for director who is recommended by a stockholder who has been a continuous record owner of at least 1% of our common stock for at least one year prior to submission of the candidate's name and who provides a written statement that the holder intends to continue ownership of the shares through the annual meeting of stockholders. Notice must be given to the Nominating and Corporate Governance Committee with respect to a stockholder nominee no more than 150 days and no less than 120 days prior to the anniversary date of this proxy statement.

HOUSEHOLDING INFORMATION

The SEC permits companies and intermediaries (such as brokers and banks) to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report to those stockholders. This process, which is commonly referred to as

householding, is intended to reduce the volume of duplicate information stockholders receive and also reduce expenses for companies. While we do not utilize householding, some intermediaries may be householding our proxy materials and annual report. Once you have received notice from your broker or another intermediary that it will be householding materials to your address, householding will continue until you are

Table of Contents

notified otherwise or until you revoke your consent. If you hold your shares through an intermediary that sent a single proxy statement and annual report to multiple stockholders in your household, we will promptly deliver a separate copy of each of these documents to you if you send a written request to the Director of Investor Relations at our address appearing on the cover page of this proxy statement or call the Director of Investor Relations at (215) 938-8000. If you hold your shares through an intermediary that is utilizing householding and you want to receive separate copies of our annual report and proxy statement in the future, or if you are receiving multiple copies of our proxy materials and annual report and wish to receive only one, you should contact your bank, broker or other nominee record holder.

SOLICITATION OF PROXIES

The enclosed form of proxy is being solicited by our Board. We will bear the cost of the solicitation of proxies for the Meeting, including the cost of preparing, assembling and mailing proxy materials, the handling and tabulation of proxies received, and charges of brokerage houses and other institutions, nominees and fiduciaries in forwarding such materials to beneficial owners. In addition to the mailing of the proxy materials, proxy solicitation may be made in person or by telephone, facsimile, e-mail, telegraph or telecopy by our directors, officers or employees, or by a professional proxy solicitation firm that we engage.

ANNUAL REPORT ON FORM 10-K

We make available free of charge on our website, www.tollbrothers.com, our Annual Report on Form 10-K as filed with the SEC. We will provide without charge to each person whose proxy is being solicited by this proxy statement, upon written request, a copy of our Annual Report on Form 10-K as filed with the SEC for our most recent fiscal year. Such written requests should be directed to the Director of Investor Relations at our address appearing on the cover page of this proxy statement.

OTHER BUSINESS

The Board does not know of any other matters to be brought before the Meeting. If other matters are presented, the proxy holders have discretionary authority to vote all proxies in accordance with their best judgement.
