As a result of an increase in the aggregate principal amount of notes offered, the Company no longer anticipates borrowing under its credit facility in order to fund in part the repurchase of 2014 notes in the concurrent tender offer. On March 1, 2011, Key Energy Services, Inc. filed a registration statement (including a base prospectus and a prospectus supplement) with the U.S. Securities and Exchange Commission (SEC) for the offering to which this communication relates, which registration statement was effective upon filing. Before you invest, you should read the preliminary prospectus supplement for this offering, the prospectus in that registration statement and any other documents the issuer has filed with the SEC for more complete information about the issuer and this offering. You may get these documents for free by searching the SEC online database (EDGAR) on the SEC web site at <http://www.sec.gov>. Alternately, the issuer, any underwriter or any dealer participating in the offering will arrange to send you the prospectus supplement and prospectus if you request it by contacting Credit Suisse Securities (USA) LLC, Prospectus Department, One Madison Avenue, New York, New York 10010, phone: (800) 221-1037; Merrill Lynch, Pierce, Fenner & Smith Incorporated, 4 World Financial Center, New York, New York 10080, Attention: Prospectus Department, email: dg.prospectus_request@baml.com; J.P.
