**Item 8.01 Other Events**

We have revised our reporting segments to reflect how our chief operating decision makers decide to allocate resources and assess performance effective for the quarter ended March 31, 2006. Specifically, we have consolidated our previously reported GMAC Residential and GMAC-RFC segments into one reportable segment: ResCap, and we have reclassified our GMAC Commercial Mortgage segment into our Other segment.

The information in this Current Report on Form 8-K affects only disclosures related to segment results, and does not impact the consolidated financial position, results of operations or cash flows for the years ended December 31, 2005, 2004 and 2003 of General Motor's Acceptance Corporation and its consolidated subsidiaries (GMAC) as reported in the 2005 Annual Report on Form 10-K filed on March 28, 2006.

As required by Statement of Financial Accounting Standards 131, *Disclosures about Segments of an Enterprise and Related Information*, consolidated financial statements issued by GMAC in the future will reflect modifications to our reportable segment information resulting from this revision, including reclassifications of all comparative prior period segment information. In this Current Report on Form 8-K, we are providing the reclassification of our segment information for the years ended December 31, 2005, 2004 and 2003.
