GMAC Financial Services and Residential Capital Renew Funding Facilities

NEW YORK GMAC Financial Services and its real estate finance subsidiary, Residential Capital, LLC (ResCap), today announced the renewal of five syndicated bank facilities totaling approximately \$20 billion. The committed drawable credit facilities are an important source of liquidity and provide additional flexibility in the cash management strategies of each company.

GMAC's unsecured revolving credit facilities total \$6 billion and are comprised of a \$3 billion 364-day facility and a \$3 billion 5-year term facility. The secured facility for the New Center Asset Trust (NCAT) totals \$12 billion.

ResCap also renewed its \$1.8 billion of unsecured revolving credit facilities, which include an \$875 million 364-day facility and an \$875 million 3-year term facility.

We are pleased that our targets were reached and these five facilities were successfully renewed, reflecting continued confidence from our banking partners in GMAC as an independent, diversified global financial services company, said GMAC Chief Financial Officer Sanjiv Khattri. The facilities are a key part of our strong liquidity profile and will provide additional financial flexibility to the companies.

At the end of the first quarter of 2007, GMAC reported \$12.8 billion of consolidated cash and marketable securities, which included \$2.6 billion of cash and cash equivalents held at ResCap.

GMAC Financial Services is a global, diversified financial services company that operates in approximately 40 countries in automotive finance, real estate finance, insurance and other commercial businesses. GMAC was established in 1919 and currently employs about 31,000 people worldwide.
