PROSPECTUS SUMMARY

Our Company

We are a leading provider of business information, providing products and services in connection with the major economic events in a consumer's life. We provide information and related services in connection with:

- o Getting a job
- o Arranging a mortgage

Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-4

- o Renting an apartment
- o Buying a car
- o Buying a house, boat or airplane
- o Opening or buying a business
- o Retirement

Our largest segment is title insurance. We entered this business in 1889 and have a national market share of 23% as of December 31, 2000. We have broad geographic coverage, with strong market shares in all the states and in many foreign countries. Our title insurance revenues in 2000 were \$2.1 billion and have grown at an annual rate of 13% over the five year period ended December 31, 2000. The pre-tax margins for our title insurance segment were 4.5% in 2000. For the first nine months of 2001, title insurance revenues were \$1.9 billion compared to \$1.6 billion for the year before period. In the early 1990s, we began a more aggressive plan to develop and acquire operations that enable us to provide a range of title insurance, real estate-related services, and information services to major residential lenders and loan servicers. Given our strong relationships with these major lenders and the fact that in most refinancing transactions the lender selects the title insurer, we believe we are well positioned from a competitive standpoint to benefit from an increase in refinancing activity.

During the last decade we have developed a complete set of real estate-related services. We now provide all information and services needed to close a home sale and a mortgage, including credit information, flood zone information and real estate tax information. We offer the broadest array of services and have the first or second largest market share in almost all the product categories.

Our real estate information and services segment has experienced higher growth in revenues and higher margins than our title insurance segment. Revenues from our real estate information and services segment in 2000 were \$573 million and have grown at an annual rate of 24% over the five years ended December 31, 2000. The pre-tax margin in our real estate information and services segments was 10.4% in 2000. For the first nine months of 2001, revenues in this segment were \$555 million.

During the last decade, we developed and purchased extensive databases used in producing our real estate-related products. Included are:

- o Data Trace, the nation's largest provider of title information systems;
- o Data Tree, the nation's largest database of image recorded documents; and
- o First American RES, the nation's largest provider of real estate property characteristic and valuation information.

Our expertise that we developed in producing real estate-related products led to our entry into businesses less sensitive to real estate cycles, such as tenant screening and pre-employment screening. Most significantly, we developed a set of products used by auto lending and leasing companies to originate and service auto loans and leases. We are the nation's largest provider of specialized automotive credit reports. Between auto and mortgage credit reports, we have issued over 2 million credit reports per month in recent months. The pre-tax margin of our consumer information services segment was 13.9% in 2000. Our revenues in this segment have grown from \$80 million in 1996 to \$263 million in 2000--an annual growth rate of 33%. Revenues in this segment through the first three quarters of 2001 were \$220 million.

We have developed sophisticated systems to streamline the processes relating to title and real estate information. We have also built sophisticated electronic delivery systems.

About This Prospectus

This prospectus and each prospectus supplement (if any) is part of a registration statement on Form S-4 that we filed with the Securities and Exchange Commission using a "shelf" registration process. Under the shelf registration process, we may offer and sell, from time to time, in one or more offerings, up to a total of 3,912,764 of our common shares for use in connection with acquisitions by us of other businesses, assets or securities of other business entities. The consideration offered by us in such acquisitions, in addition to any shares of common stock offered by this prospectus, may include cash, certain assets and/or assumption by First American of liabilities of the businesses, assets or securities being acquired.

The terms of acquisitions involving the issuance of the shares of common stock covered by this prospectus are expected to be determined by direct negotiations with the owners or controlling persons of the assets, businesses or securities to be acquired. Factors taken into account in acquisitions may

Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-4

include, among other factors, the quality and reputation of the business to be acquired and its management, the strategic market position of the business to be acquired, its proprietary assets, earning power, cash flow and growth potential, and the market value of its equity securities when pertinent. It is anticipated that shares of our common stock issued in any such acquisition will be offered at approximately the then current market value of the common stock. The value will be determined either when the terms of the acquisition are tentatively or finally agreed to, when the acquisition is completed, or during a period of time before we deliver the shares.

We do not expect to pay underwriting discounts or commissions, although we may pay finders' fees from time to time in connection with certain acquisitions. Any person receiving finders' fees may be deemed to be an "underwriter" within the meaning of the Securities Act, and any profit on the resale of shares of common stock purchased by them may be considered underwriting commissions or discounts under the Securities Act.

This prospectus provides you with a general description of the securities we may sell. If necessary, each time we sell securities under this prospectus, we will provide a prospectus supplement that will contain specific information about the terms of that offering. The prospectus supplement may also add, update or change information contained in this prospectus. You should read this prospectus, the applicable prospectus supplement and the information incorporated by reference. See "Documents Incorporated by Reference" on page 9.

We may also permit individuals or entities who have received or will receive shares of our common stock in connection with the acquisitions described above, or their transferees or successors-in-interest, to use this prospectus to cover their resale of such shares. See "Selling Shareholders," as it may be amended or supplemented from time to time, for a list of those individuals or entities who are authorized to use this prospectus to sell their shares of our common stock.

In making your investment decision, you should rely only on the information contained or incorporated by reference in this prospectus. We have not authorized anyone to provide you with any other information. If you receive any unauthorized information, you must not rely on it. This prospectus is not an offer to sell these securities and is not soliciting an offer to buy these securities in any state or jurisdiction where the offer or sale of these securities is not permitted. You should not assume that the information contained or incorporated by reference in this prospectus is accurate as of any date other than the date on which it is released by First American.

-3-

RISK FACTORS

You should consider carefully the following risk factors, as well as the other information contained elsewhere in this prospectus, each prospectus supplement and the information incorporated by reference before deciding to purchase any of our common shares.

OUR REVENUES MAY DECLINE DURING PERIODS WHEN THE DEMAND FOR OUR PRODUCTS DECREASES

Our revenues decrease as the number of real estate transactions in which our products are purchased decreases. We have found that the number of

Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-4

real estate transactions in which our products are purchased decreases in the following situations:

- o when mortgage rates are high;
- o when the mortgage fund supply is limited; and
- o when the United States economy is weak.

We believe that this trend will recur.

CHANGES IN GOVERNMENT REGULATION COULD PROHIBIT OR LIMIT OUR OPERATIONS

Our title insurance, property and casualty insurance, home warranty, thrift, trust and investment businesses are regulated by various federal, state and local governmental agencies. Many of our other businesses operate within statutory guidelines. Changes in the applicable regulatory environment or statutory guidelines could prohibit or restrict our existing or future operations. Such restrictions may restrict our ability to implement rate increases, acquire assets or businesses or otherwise have a negative impact on our ability to increase our operating results. Such regulation may adversely affect our financial performance.

AS A HOLDING COMPANY, WE DEPEND ON DISTRIBUTIONS FROM OUR SUBSIDIARIES, AND IF DISTRIBUTIONS FROM OUR SUBSIDIARIES ARE MATERIALLY IMPAIRED, OUR ABILITY TO DECLARE AND PAY DIVIDENDS MAY BE ADVERSELY AFFECTED

First American is a holding company whose primary assets are the securities of its operating subsidiaries. Our ability to pay dividends is dependent on the ability of our subsidiaries to pay dividends or repay funds to us. If our operating subsidiaries are not able to pay dividends or repay funds to us, we may not be able to declare and pay dividends to you. Moreover, pursuant to insurance and other regulations under which our insurance subsidiaries operate, the amount of dividends, loans and advances available to us is limited. Under such regulations, the maximum amount of dividends, loans and advances available to us from our insurance subsidiaries in 2001 is \$138.2 million.

OUR EARNINGS MAY BE REDUCED IF ACQUISITION PROJECTIONS ARE INACCURATE

Our earnings have improved since 1991 in large part because of our acquisition and integration of non-title insurance businesses. These businesses generally have higher margins than our title insurance businesses. For example, pre-tax margins for our title insurance segment were 4.5% in 2000, while pre-tax margins for our real estate information and services and consumer information services segments in the same year were 10.4% and 13.9%, respectively. The success or failure of acquisitions in these lines has depended in large measure upon the accuracy of our projections. These projections are not always accurate. Inaccurate projections have historically led to lower than expected earnings.

-4-

CURRENT LEGAL PROCEEDINGS MAY HAVE A MATERIAL ADVERSE AFFECT ON OUR FINANCIAL CONDITION OR RESULTS OF OPERATIONS

On May 19, 1999, the controller and insurance commissioner of the State of California filed a class action suit in the Sacramento state court. The action seeks to certify as a class of defendants all title and escrow companies doing business in California from 1970 to the present, including certain of our

Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-4

subsidiaries. The plaintiffs allege that the defendants:

- o failed to give unclaimed property to the State of California on a timely basis;
- o charged California home buyers and other escrow customers fees for services that were never performed or which cost less than the amount charged; and
- o devised and carried out schemes, known as earnings credits, with financial institutions to receive interest on escrow funds deposited by defendants with financial institutions in demand deposits.

In February 2000, we entered into an administrative settlement with the California Department of Insurance, known as the DOI. The DOI released us from any further claim of liability as to its receipt of earnings credits or any alleged overcharges for miscellaneous escrow fee items, such as courier or wire service fees. The DOI further agreed to direct the California attorney general to dismiss the insurance commissioner as a plaintiff from the lawsuit. In the settlement with the DOI, we were directed by the insurance commissioner and agreed to make a contribution to a consumer education fund and accept a new regulation in the form drafted by the DOI, whereby earnings credit programs will be authorized and regulated by the DOI and rate filings will be required for escrow fees. In July 2000, then insurance commissioner Chuck Quackenbush, who had approved the administrative settlement, resigned. The new insurance commissioner has not yet indicated whether he will re-examine the previously agreed upon administrative settlement. We do not believe our settlement will be affected.

Subsequent to the filing of this lawsuit, our subsidiary First American Title Insurance Company was named and served as a defendant in two private class actions in California courts. The allegations in those actions include some, but not all, of the allegations contained in the lawsuit discussed above. The private class actions independently seek injunctive relief, attorneys' fees, damages and penalties in unspecified amounts. One of the private class actions has been dismissed. The remaining private class action was stayed by court order pending settlement negotiations relating to the class action filed by the California controller and insurance commissioner. The stay was recently lifted.

An adverse decision in these lawsuits may have a material adverse effect on our financial condition or results of operations.

CERTAIN PROVISIONS OF OUR CHARTER AND RIGHTS PLAN MAY MAKE A TAKEOVER OF OUR COMPANY DIFFICULT EVEN IF SUCH TAKEOVER COULD BE BENEFICIAL TO SOME OF OUR SHAREHOLDERS

Our restated articles of incorporation authorize the issuance of "blank check" preferred stock with such designations, rights and preferences as may be determined from time to time by our board of directors. Accordingly, our board is empowered, without further shareholder action, to issue shares or series of preferred stock with dividend, liquidation, conversion, voting or other rights that could adversely affect the voting power or other rights, including the ability to receive dividends, of our common shareholders. The issuance of such preferred stock could be utilized, under certain circumstances, as a method of discouraging, delaying or preventing a change in control. In conjunction with the rights plan discussed below, we have authorized the issuance of our Series A Junior Participating Preferred Shares. Although we have no present intention of issuing any additional shares or series of preferred stock, we cannot guarantee that we will not make such an issuance in the future.

We have adopted a rights plan which could, alone or in combination with

Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-4

our restated articles of incorporation, discourage transactions involving actual or potential changes of control, including transactions that otherwise could involve payment of a premium over prevailing market prices to our shareholders for their common shares.

All consolidated results reflect the 1999 acquisition of National Information Group accounted for under the pooling-of-interests method of accounting.

- (1) In December 1999, First American adopted Staff Accounting Bulletin No. 101 (SAB), "Revenue Recognition in Financial Statements." The SAB, which became effective January 1, 1999, applies to First American's tax service operations and requires the deferral of the tax service fee and the recognition of that fee as revenue ratably over the expected service period. The amortization rates applied to recognize the revenues assume a 10-year contract life and are adjusted to reflect prepayments. First American periodically reviews its tax service contract portfolio to determine if there have been changes in contract lives and/or changes in the

-6-

number and/or timing of prepayments. Accordingly, First American may adjust the rates to reflect current trends. The SAB finalizes a series of changes instituted by the Securities and Exchange Commission concerning revenue recognition policies. As a result of adopting the SAB, in 1999, First American reported a charge of \$55.6 million, net of income taxes and minority interests, as a cumulative change in accounting principle, reduced net income by \$10.9 million, or \$0.16 per diluted share and restated its quarterly information. During the year ended December 31, 2000, First American recognized \$38.6 million in revenues that were included in the cumulative effect adjustment. Revenues earned by the other products in the real estate information segment are recognized at the time of delivery, as First American has no significant ongoing obligation after delivery.

- (2) Return on average stockholders' equity for 1999 excludes the cumulative effect of a change in accounting for tax service contracts from both net income and stockholders' equity.
- (3) Per share information relating to net income is based on weighted-average number of shares outstanding for the years presented. Per share information relating to stockholders' equity is based on shares outstanding at the end of each year.
- (4) Title order volumes are those processed by the direct title operations of First American and do not include orders processed by agents.

SELLING SHAREHOLDERS

In general, the persons to whom we issue shares of common stock under this prospectus will be able to resell such shares in the public market without further registration and without being required to deliver a prospectus. However, certain persons who receive our common shares may want to resell those securities in distributions that would require the delivery of a prospectus. With our consent, this prospectus may be used by certain shareholders who wish to sell our common stock. As used in this prospectus, "selling shareholders" may include shareholders who receive our common shares hereunder in connection with an acquisition and donees and pledgees selling shares received from such people. We may limit our consent to a specified time period and subject our consent to certain limitations and conditions, which may vary by agreement.

Selling shareholders may sell our common shares in any combination of the following:

- o through the New York Stock Exchange or any national securities exchange on which our common stock has been approved for listing in the future;
- o directly to purchasers in negotiated transactions;
- o by or through brokers or dealers, in ordinary brokerage transactions or transactions in which the broker solicits purchases;
- o in block trades in which the broker or dealer will attempt to sell securities as an agent but may position and resell a portion of the block as principal;
- o in a transaction in which a broker or dealer purchases as principal for resale for its own account; or
- o through underwriters or agents.

Resales by selling shareholders may be made directly to investors or through securities firms acting as underwriters, brokers or dealers. The fees earned by or paid to the securities firm may be the normal stock exchange commission or negotiated commissions or underwriting discounts to the extent permissible. Shares of our common stock may be sold at a fixed offering price, which may be changed, at the prevailing market price at the time of sale, at prices related to such prevailing market price or at negotiated prices. The securities firm may resell the shares through other securities dealers, and commissions or concessions to those other dealers may be allowed. Such selling shareholders may indemnify any securities firm participating in such transactions against certain liabilities, including liabilities under the Securities Act and to reimburse them for any expenses in connection with an offering or sale of securities.

The selling shareholders and any broker-dealers who act in connection with the sale of shares hereunder may be deemed to be an "underwriter" within the meaning of the Securities Act. Any commissions received by them and profit on any resale of such shares as principal may be deemed to be underwriting discounts and commissions under the Securities Act.

Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-4

Selling shareholders may also offer shares of common stock covered by this prospectus by means of prospectuses under other registration statements or pursuant to exemptions from the registration requirements of the Securities Act, including sales that meet the requirements of Rule 144 or Rule 145(d) under the Securities Act. Selling shareholders should seek the advice of their own counsel about the legal requirements for such sales.

This prospectus will be amended or supplemented, if required by the Securities Act and the rules of the SEC, to disclose identity of the selling shareholders, the number of shares to be sold by the selling shareholders, any material relationship a selling shareholder may have with us, and other details of the resale to the extent appropriate.

We will not receive any part of the proceeds from the resale by the selling shareholders of any shares under this prospectus. We will bear all expenses other than selling discounts and commissions and fees and expenses of the selling shareholders in connection with the registration of the shares being reoffered by the selling shareholders.

PART II

Information Not Required in Prospectus

Item 20. Indemnification of Directors and Officers.

Subject to certain limitations, Section 317 of the California Corporations Code provides in part that a corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any proceeding (other than an action by or in the right of the corporation to

Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-4

procure a judgment in its favor) by reason of the fact that the person is or was an agent (which term includes officers and directors) of the corporation, against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with the proceeding if that person acted in good faith and in a manner the person reasonably believed to be in the best interests of the corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of the person was unlawful.

The California indemnification statute, as provided in Section 317 of the California Corporations Code (noted above), is nonexclusive and allows a corporation to expand the scope of indemnification provided, whether by provisions in its Bylaws or by agreement, to the extent authorized in the corporation's articles.

The Restated Articles of Incorporation of the Registrant provide that: "The liability of the directors of the Corporation for monetary damages shall be eliminated to the fullest extent permissible under California law." The effect of this provision is to exculpate directors from any liability to the Registrant, or anyone claiming on the Registrant's behalf, for breaches of the directors' duty of care. However, the provision does not eliminate or limit the liability of a director for actions taken in his capacity as an officer. In addition, the provision applies only to monetary damages and is not intended to impair the rights of parties suing on behalf of the Registrant to seek equitable remedies (such as actions to enjoin or rescind a transaction involving a breach of the directors' duty of care or loyalty).

The Bylaws of the Registrant provide that, subject to certain qualifications, "(i) The corporation shall indemnify its Officers and Directors to the fullest extent permitted by law, including those circumstances in which indemnification would otherwise be discretionary; (ii) the corporation is required to advance expenses to its Officers and Directors as incurred, including expenses relating to obtaining a determination that such Officers and Directors are entitled to indemnification, provided that they undertake to repay the amount advanced if it is ultimately determined that they are not entitled to indemnification; (iii) an Officer or Director may bring suit against the corporation if a claim for indemnification is not timely paid; (iv) the corporation may not retroactively amend this Section 1 in a way which is adverse to its Officers and Directors; (v) the provisions of subsections (i) through (iv) above shall apply to all past and present Officers and Directors of the corporation." "Officer" includes the following officers of the Registrant: Chairman of the Board, President, Vice President, Secretary, Assistant Secretary, Chief Financial Officer, Treasurer, Assistant Treasurer and such other officers as the board shall designate from time to time. "Director" of the Registrant means any person appointed to serve on the Registrant's board of directors either by its shareholders or by the remaining board members.

Each of the Registrant's 1996 Stock Option Plan, 1997 Directors' Stock Plan, 401(k) Savings Plan, Pension Plan, Pension Restoration Plan and Employee Profit Sharing and Stock Ownership Plan (for purposes of this paragraph only, each individually, the "Plan") provides that, subject to certain conditions, the Registrant may, through the purchase of insurance or otherwise, indemnify each member of the Board (or board of directors of any affiliate), each member of the committee charged with administering the Plan, and any other employees to whom any responsibility with respect to the Plan is allocated or delegated, from and against any and all claims, losses, damages, and expenses, including attorneys' fees, and any liability, including any amounts paid in settlement with the Registrant's approval, arising from the individual's action or failure to act, except when the same is judicially determined to be attributable to the gross negligence or willful misconduct of such person.

Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-4

The Registrant's Deferred Compensation Plan (for purposes of this paragraph only, the "Plan") provides that, "To the extent permitted by applicable state law, the Company shall indemnify and save harmless the Committee and each member thereof, the Board of Directors and any delegate of the Committee who is an employee of the Company against any and all expenses, liabilities and claims, including legal fees to defend against such liabilities and claims arising out of their discharge in good faith of responsibilities under or incident to the Plan, other than expenses and liabilities arising out of willful misconduct. This indemnity shall not preclude such further indemnities as may be available under insurance purchased by the Company or provided by the Company under any bylaw, agreement or otherwise, as such indemnities are permitted under state law."

Each of the Registrant's Management Supplemental Benefit Plan and Executive Supplemental Benefit Plan (for purposes of this paragraph only, each individually, the "Plan") provides that, subject to certain conditions, the Registrant may, through the purchase of insurance or otherwise, indemnify and hold harmless, to the extent permitted by law, the members of the Board of Directors and any other employees to whom any responsibility with respect to the administration of the Plan has been delegated against any and all costs, expenses and liabilities (including attorneys' fees) incurred by such parties in performing their duties and responsibilities under the Plan, provided that such party or parties were not guilty of willful misconduct.

The Registrant has a policy of liability insurance which insures its directors and officers against the cost of defense, settlement or payment of a judgment under certain circumstances.

Item 22. Undertakings.

The undersigned Registrant hereby undertakes:

(1) To file, during the period in which offers or sales are being made, a post-effective amendment to this Registration Statement to:

(i) include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and

(iii) include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

(2) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.

(3) That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this Registration Statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(4) That every prospectus: (i) that is filed pursuant to paragraph (3) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the Registration Statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.

Edgar Filing: FIRST AMERICAN FINANCIAL CORP - Form S-4

(5) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described in Item 20 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(6) To respond to requests for information that is incorporated by reference into this prospectus pursuant to Item 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such

II-3

request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the Registration Statement through the date of responding to the request.

(7) To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the Registration Statement when it became effective.

(8) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

For the purposes of rendering this opinion, we have examined originals or certified photo static copies of such corporate records, agreements, instruments and other documents of the Company as we have deemed relevant and necessary as a basis for the opinion hereinafter set forth.
