Dear El Paso Stockholder:

We cordially invite you to our 2002 Annual Meeting of Stockholders. The Annual Meeting will be held on Monday, May 20, 2002, beginning at 11:00 a.m. (daylight savings time) at The Adolphus Hotel, 1321 Commerce Street, Dallas, Texas 75202.

At this year's Annual Meeting, you will vote on the election of eleven Directors, an amendment and restatement of El Paso's Employee Stock Purchase Plan, an amendment to El Paso's Restated Certificate of Incorporation, ratification of PricewaterhouseCoopers' appointment as independent auditors and two stockholder proposals.

We have attached a notice of the Annual Meeting and a proxy statement that contains more information about these items and the Annual Meeting, including:

- who can vote; and
- the different methods you can use to vote, including the telephone, Internet and traditional paper proxy card.

Whether or not you plan to attend the Annual Meeting, please vote by one of these outlined methods to ensure that your shares are represented and voted in accordance with your wishes. This will help us avoid the expense of sending follow-up letters to ensure that a quorum is represented at the Annual Meeting.

Sincerely,

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

PROXY STATEMENT

2002 ANNUAL MEETING OF STOCKHOLDERS -- MAY 20, 2002

Our Board of Directors is furnishing you with this proxy statement to solicit proxies on its behalf to be voted at the 2002 Annual Meeting of Stockholders of El Paso Corporation. The Annual Meeting will be held at The Adolphus Hotel, 1321 Commerce Street, Dallas, Texas 75202, on Monday, May 20, 2002, at 11:00 a.m., daylight savings time. The proxies also may be voted at any adjournments or postponements of the Annual Meeting.

This proxy statement, the notice of Annual Meeting and proxy card are being mailed to stockholders beginning on or about April 8, 2002. All properly executed written proxies and all properly completed proxies submitted by telephone or by the Internet that are delivered pursuant to this solicitation will be voted at the Annual Meeting. Each person who is an El Paso stockholder on March 25, 2002, the record date, is entitled to vote at the Annual Meeting, or at adjournments or postponements of the Annual Meeting.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

1. WHO CAN VOTE?

Stockholders holding shares of El Paso Corporation's common stock, par value \$3.00 per share, as of the close of business on the record date, March 25, 2002, represented by a properly executed proxy are entitled to vote at the Annual Meeting, or any adjournments or postponements of the Annual Meeting. You have one vote for each share of common stock held as of the record date which may be voted for each proposal presented at the Annual Meeting.

2. WHAT IS THE RECORD DATE AND WHAT DOES IT MEAN?

The record date for the Annual Meeting is March 25, 2002. The record date is established by the Board of Directors as required by our By-laws and Delaware law. Owners of El Paso's common stock at the close of business on the record date are entitled:

- (a) to receive notice of the Annual Meeting;
- (b) to vote at the Annual Meeting, and any adjournments or postponements of the Annual Meeting; and
- (c) to one vote for each share of common stock for each proposal presented at the Annual Meeting.

3. HOW MANY SHARES OF EL PASO COMMON STOCK WERE OUTSTANDING ON THE RECORD DATE?

There were [] shares of common stock outstanding and entitled to vote at the Annual Meeting on the record date. Common stock is the only class of stock entitled to vote.

4. HOW DO I VOTE?

You may vote by any one of three different methods:

- (a) In Writing: You can vote by signing and dating the enclosed proxy card and returning it in the enclosed envelope.
- (b) By Telephone or the Internet: You can vote your proxies by

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

touchtone telephone from the U.S., using the toll-free telephone number on the proxy card, or by the Internet using the procedures

and instructions described on the proxy card. Stockholders who own their common stock through a broker, also known as "street name" holders, may vote by telephone or the Internet if their bank or broker makes those methods available, in which case the bank or broker will enclose the instructions with the proxy statement. The telephone and Internet voting procedures, including the use of control numbers found on the proxy card, are designed to authenticate stockholders identities, to allow stockholders to vote their shares of common stock and to confirm that their instructions have been properly recorded. Stockholders voting via the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, which must be paid by the stockholder.

- (c) In Person: You may vote in person at the Annual Meeting. Street name holders must have a legal proxy from the registered holder of the El Paso common stock in order to vote in person at the Annual Meeting.

5. CAN I REVOKE OR CHANGE MY VOTE AFTER I RETURN MY PROXY CARD OR AFTER I VOTE BY TELEPHONE OR INTERNET?

Yes. At any time before the persons named on the proxy card vote your shares of common stock as you have instructed, you can change or revoke your vote either by sending a written notice to Mr. David L. Siddall, El Paso's Corporate Secretary, at El Paso Corporation, 1001 Louisiana Street, Houston, Texas 77002, or by signing, dating and returning to us a subsequently dated proxy card. We will honor the properly executed proxy card with the latest date. You may also revoke your vote by attending the Annual Meeting in person and giving notice of revocation to the inspector of election, or by following the appropriate revocation procedures by telephone or by the Internet.

6. WHAT IF I DO NOT SPECIFY A CHOICE FOR A PROPOSAL WHEN RETURNING A PROXY?

You should specify your choice for each proposal on the proxy card. If no instructions are given, proxies which are signed and returned (either physically or electronically) will be voted FOR the election of all Director nominees, FOR the amendment and restatement of the El Paso Corporation Employee Stock Purchase Plan, FOR the amendment to the El Paso Corporation Restated Certificate of Incorporation, FOR the proposal to ratify the appointment of PricewaterhouseCoopers and AGAINST each stockholder proposal.

7. WHAT IF OTHER MATTERS COME UP AT THE ANNUAL MEETING?

The matters described in this proxy statement are the only matters we know of which will be voted on at the Annual Meeting. If other matters are properly presented at the Annual Meeting, the proxy holders, William A. Wise and Peggy A. Heeg, will vote your shares at their discretion.

8. WHAT DO I DO IF MY SHARES ARE HELD IN "STREET NAME"?

If your shares of common stock are held in the name of your broker, a bank, or other nominee, that party is required to give you instructions for voting your shares.

9. WHO WILL COUNT THE VOTE?

A representative of EquiServe Trust Company, N.A., an independent tabulator

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

appointed by the Board of Directors, will count the votes and act as the inspector of election. The inspector of election will have the authority to receive, inspect, electronically tally and determine the validity of the proxies received.

10. WHAT IS A "QUORUM"?

A "quorum" is a majority of the outstanding shares of common stock and is required to hold the Annual Meeting. A quorum is determined by counting shares of common stock represented in person at the Annual Meeting or represented by proxy. If you submit a properly executed proxy, you will be considered part of the quorum even if you abstain from voting.

2

11. HOW MANY VOTES MUST EACH PROPOSAL RECEIVE TO BE ADOPTED?

- For Proposal No. 1 regarding the election of eleven directors to be approved, the eleven directors who receive the highest number of votes, represented at the Annual Meeting and entitled to vote, will be elected.
- Proposal No. 2, the approval of the amendment and restatement of the El Paso Employee Stock Purchase Plan, must receive the affirmative vote of more than 50% of the shares of the common stock represented by person or by proxy at the Annual Meeting and entitled to vote.
- Proposal No. 3, the approval of an amendment to the El Paso Restated Certificate of Incorporation, must receive the affirmative vote of more than 50% of the shares of common stock outstanding and entitled to vote.
- All other proposals must receive the affirmative vote of more than 50% of the shares of common stock represented by person or proxy at the Annual Meeting and entitled to vote.

12. HOW ARE VOTES COUNTED?

Votes are counted in accordance with El Paso's By-laws. An abstention by a stockholder is not counted in the tally of votes "FOR" or "AGAINST" each proposal other than proposal 3. A non-vote by a stockholder is counted as a vote "FOR" each proposal other than proposal 3 and is included in determining a quorum. An abstention or a non-vote by a stockholder will have the effect of a vote "AGAINST" proposal 3. A non-vote by a broker is not counted. However, a broker's non-vote and abstention are counted towards a quorum.

13. DO I HAVE TO VOTE?

No. If you do vote, you may vote for all, some or none of the director nominees. You may abstain from voting or vote "FOR" or "AGAINST" the other proposals.

14. HOW CAN I VIEW THE STOCKHOLDER LIST?

A complete list of stockholders entitled to vote at the Annual Meeting will be available at The Adolphus Hotel, 1321 Commerce Street, Dallas, Texas 75202. You may access this list at El Paso's offices at 1001 Louisiana Street, Houston, Texas 77002 during ordinary business hours for a period of ten days before the Annual Meeting.

15. WHO PAYS FOR THE PROXY SOLICITATION RELATED TO THE ANNUAL MEETING?

We do. In addition to sending you these materials, some of our employees

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

may contact you by telephone, by mail, or in person. None of these employees will receive any extra compensation for doing this. We have retained Georgeson Shareholder Communications Inc. to assist us in soliciting your proxy for an estimated fee of \$15,000 plus reasonable out-of-pocket expenses. Georgeson Shareholder Communications Inc. will ask brokerage houses and other custodians and nominees whether other persons are beneficial owners of El Paso common stock. If so, we will supply them with additional copies of the proxy materials for distribution to the beneficial owners. We will also reimburse banks, nominees, fiduciaries, brokers and other custodians for their costs of sending the proxy materials to the beneficial owners of El Paso common stock.

16. IF I WANT TO SUBMIT A STOCKHOLDER PROPOSAL FOR THE 2003 ANNUAL MEETING, WHEN IS IT DUE?

If you want to submit a proposal for possible inclusion in next year's proxy statement, you must submit it in writing to the Corporate Secretary, El Paso Corporation, 1001 Louisiana Street, Houston, Texas 77002, telephone (713) 420-6195 and facsimile (713) 420-4099. El Paso must receive your proposal on or before December 9, 2002. El Paso will consider only proposals meeting the requirements of applicable Securities and Exchange Commission rules.

Additionally, under El Paso's By-law provisions, a stockholder who desires to bring any matter before the Annual Meeting that is not included in the 2003 Proxy Statement must send written notice to the foregoing

3

address not less than 90 days nor more than 120 days prior to the scheduled date of such Annual Meeting. Under these criteria, stockholders must provide us with notice of a matter to be brought before the 2003 Annual Meeting between January 20, 2003 and February 19, 2003.

17. HOW CAN I RECEIVE THE PROXY MATERIALS ELECTRONICALLY?

If you want to stop receiving paper copies of the proxy materials, you must consent to electronic delivery. You can give consent by going to www.econsent.com/epg and following the instructions. Those of you that hold shares with a broker under a street name can give consent by going to www.ICSDelivery.com/epg.

18. HOW TO OBTAIN A COPY OF THE ANNUAL REPORT AND PROXY STATEMENT?

A copy of El Paso's 2001 Annual Report to Stockholders is being mailed with this proxy statement to each stockholder entitled to vote at the Annual Meeting. If you do not receive a copy of the Annual Report, you may obtain one free of charge by writing or calling Mr. David L. Siddall, Corporate Secretary, El Paso Corporation, 1001 Louisiana Street, Houston, Texas 77002, telephone (713) 420-6195 and facsimile (713) 420-4099.

INFORMATION ABOUT THE BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors held ten meetings during fiscal year 2001. Each director who served on the El Paso Board of Directors during 2001 attended at least 75% of the meetings of the Board of Directors and of each committee on which he served. The Board of Directors has five principal standing committees, which are described below.

AUDIT COMMITTEE

The Audit Committee held five meetings during the 2001 fiscal year. The Audit Committee currently consists of Malcolm Wallop (chairman), Juan Carlos Braniff, Ronald Kuehn, Jr. and J. Carleton MacNeil, Jr., each a non-employee

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

director. The Audit Committee makes a recommendation to the Board of Directors for a firm of independent certified public accountants to audit El Paso's annual financial statements. In addition, the Audit Committee reviews with management and El Paso's certified public accountants the financial statements, the adequacy of El Paso's accounting controls, the adequacy of internal accounting controls, the basic accounting and financial policies and practices and El Paso's risk management policies. The policies, mission and actions of the Audit Committee are set forth in the "Audit Committee Report" which begins on page 21 of this proxy statement.

COMPENSATION COMMITTEE

The Compensation Committee held four meetings during the 2001 fiscal year. The Compensation Committee currently consists of Byron Allumbaugh (chairman), John M. Bissell, James F. Gibbons and Joe B. Wyatt, each a non-employee director. The Compensation Committee currently administers El Paso's executive stock option plan, long-term incentive compensation plan, annual incentive compensation plan and other executive compensation plans. In addition, the Compensation Committee considers proposals with respect to the creation of and changes to executive compensation plans and reviews appropriate criteria for establishing performance targets and determining annual corporate and executive performance ratings. The policies, mission and actions of the Compensation Committee are set forth in the "Compensation Committee Report on Executive Compensation," which begins on page 17 of this proxy statement.

GOVERNANCE COMMITTEE

The Governance Committee met once during the 2001 fiscal year. The Governance Committee currently consists of Ronald L. Kuehn, Jr. (chairman), Anthony W. Hall, Jr. and Thomas R. McDade. The Governance Committee reviews the qualifications of candidates for Board membership, screens and interviews possible candidates for Board membership and communicates with members of the Board regarding Board

4

meeting format and procedures. Further, the Governance Committee considers any nominations submitted by the stockholders to the Corporate Secretary in accordance with the By-laws.

NOMINATING COMMITTEES

The El Paso Board of Directors has two nominating committees, which were created in connection with the combination with The Coastal Corporation in January 2001, and are required to remain in place through December 31, 2002. The Coastal Nominating Committee met once during the 2001 fiscal year. While the El Paso Nominating Committee did not meet during the 2001 fiscal year, it did take action by written consent.

El Paso Nominating Committee. The El Paso Nominating Committee currently consists of William A. Wise (chairman, but nonvoting member), Byron Allumbaugh, Juan Carlos Braniff, James F. Gibbons, Ronald L. Kuehn, Jr., Malcolm Wallop and Joe B. Wyatt. The primary function of the El Paso Nominating Committee is to recommend up to seven designees to stand for election as directors at each annual meeting during the existence of this committee. According to the terms of the merger agreement with Coastal, William A. Wise must be included as a designee to the Board of Directors by the El Paso Nominating Committee.

Coastal Nominating Committee. The Coastal Nominating Committee currently consists of John M. Bissell (chairman), Anthony W. Hall, Jr., J. Carleton MacNeil, Jr., and Thomas R. McDade. The primary function of the Coastal

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

Nominating Committee is to recommend up to five designees to stand for election as directors at each annual meeting during the existence of this committee.

DIRECTORS' COMPENSATION

Employee directors do not receive any additional compensation for serving on the Board of Directors. Pursuant to El Paso's 1995 Compensation Plan for Non-Employee Directors, non-employee directors receive an annual retainer of \$80,000, \$20,000 of which is required to be paid in deferred shares of El Paso common stock (including a conversion premium) and the remaining \$60,000 paid at the election of the director in cash, deferred cash or deferred shares of common stock (including a conversion premium) or any combination of cash, deferred cash or deferred shares of common stock. In addition, each non-employee director who chairs a committee of the Board of Directors (other than the Nominating Committees) receives an additional retainer fee of \$15,000, which may be paid in the same manner as the annual retainer. Each non-employee director also receives a retirement benefit credit in the form of deferred shares of El Paso common stock (without the conversion premium) equal to the amount of their annual retainer. Pursuant to El Paso's 2001 Stock Option Plan for Non-Employee Directors, non-employee directors receive a grant of 5,000 stock options upon initial election to the Board of Directors, and 3,000 stock options upon each annual reelection by the stockholders. Directors with balances in their deferred account of at least \$200,000 are eligible to participate in the Estate Enhancement Program described on page 23 of this proxy statement.

As part of El Paso's overall support to charitable organizations, the Director Charitable Award Plan provides for each eligible director to designate up to four charitable organizations to receive a maximum of \$1,000,000 in the aggregate upon the death of each director participant. A director can participate after two consecutive years of service on the Board of Directors. Currently, only Messrs. Allumbaugh, Braniff, Gibbons, Kuehn, Wallop, Wise and Wyatt are eligible to participate in the plan.

PROPOSALS

PROPOSAL NO. 1 -- ELECTION OF DIRECTORS

The Board. The entire Board of Directors, consisting of eleven members, will be elected at the Annual Meeting. All directors are elected annually, and serve a one-year term and until his successor has been duly elected and shall qualify.

Nominations. At the Annual Meeting, we will nominate the persons named in this proxy statement as directors. Although we have no reason to believe that any of the nominees will be unable or unwilling to serve, the Board of Directors will propose a substitute nominee if any nominee is not available for election. In such

5

event, unless you instruct otherwise, any votes represented by a proxy will be voted "FOR" the substitute nominee. Holders of common stock may not cumulate their votes for the election of directors.

WE RECOMMEND THAT YOU VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES NAMED BELOW.

General Information about the Nominees for Election, as of April 8, 2002. Each of the following nominees is currently a director of El Paso. Each has agreed to be named in this proxy statement and to serve as a director if elected.

- (1) The individuals named in the table have sole voting and investment power with respect to shares of El Paso common stock beneficially owned, except that each of Messrs. Allumbaugh, Gibbons, Wise, and Austin shares with one or more other individuals voting and investment power with respect to 16,830, 2,000, 11,694 and 93,575 shares of common stock, respectively. This column also includes shares of common stock held in the El Paso Benefits Protection Trust (as of December 31, 2001) as a result of deferral elections made in accordance with El Paso benefit plans. These individuals share voting power with the trustee under that plan and receive dividends on such shares, but do not have the power to dispose of, or direct the disposition of, such shares until such shares are distributed. In addition, some shares of common stock reflected in this column for certain individuals are subject to restrictions.
- (2) Mr. Braniff's beneficial ownership excludes 3,500 shares of El Paso common stock owned by his wife, of which Mr. Braniff disclaims any beneficial ownership.
- (3) Mr. Kuehn's beneficial ownership excludes 20,500 shares of El Paso common stock owned by his wife, 20 shares owned by his children, and 4,200 shares held in trust for his children, of which Mr. Kuehn disclaims any beneficial ownership.
- (4) Mr. Wise's beneficial ownership excludes 400 shares of El Paso common stock owned by his children under the Uniform Gifts to Minors Act, of which Mr. Wise disclaims any beneficial ownership.
- (5) Includes 98,000 stock options held in the William & Marie Wise Family Ltd. Partnership.
- (6) As of December 31, 2001.

- (7) The directors and executive officers have the right to acquire the shares of common stock reflected in this column within 60 days of February 28, 2002, through the exercise of stock options.

EXECUTIVE COMPENSATION

COMPENSATION OF EXECUTIVE OFFICERS

The following table and narrative text discusses the compensation paid in 2001, 2000 and 1999 to our Chief Executive Officer and our four other most highly compensated executive officers. They were compensated for their services provided in all capacities to El Paso and its subsidiaries. The table also identifies the principal capacity in which each of the executives named in this proxy statement served El Paso at the end of fiscal year 2001.

(1) The Compensation Committee determined that Mr. Wise's base salary, which was eliminated in 1996, be reinstated in 1999 in connection with El Paso's merger with Sonat Inc. The amount reflected is for a partial year.

(2) Under El Paso's current incentive compensation plans, executives are required to receive a substantial part of their annual bonus in restricted El Paso common stock. The amounts reflected in this column represent a combination of the market value of the restricted common stock and cash at the time awarded under the applicable El Paso incentive compensation plan. Dividends are paid directly to the holders of the restricted common stock during the four-year vesting schedule.

(3) The amount reflected for Mr. Wise in fiscal year 2001 includes, among other things, \$90,000 for a perquisite and benefit allowance and \$62,692 in value attributed to use of El Paso's aircraft. The amount reflected for Mr. Wise in fiscal year 2000 includes, among other things, \$90,000 for a perquisite and benefit allowance and \$56,734 in value attributed to use of El Paso's aircraft. The amount reflected for Mr. Wise in fiscal year 1999 includes, among other things, \$90,000 for a perquisite and benefit allowance. The amount reflected for Mr. Eads in fiscal year 2001 includes, among other things, \$42,000 for a perquisite and benefit allowance and \$10,136 in value attributed to use of El Paso's aircraft. Except as noted, the total value of the perquisites and other personal benefits received by the other executives named in this proxy statement in fiscal years 2001, 2000 and 1999 are not included in this column since they were below the Securities and Exchange Commission's reporting threshold.

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

- (4) El Paso's incentive compensation plans provide for and encourage participants to elect to take the cash portion of their annual bonus award in shares of restricted common stock. The amounts reflected in this column include the market value of restricted common stock on the date of grant. The total number of shares and value of restricted common stock (including the amount in this column) held on December 31, 2001, is as follows: Mr. Wise 550,732 and \$24,320,325; Mr. Eads 155,750 and \$6,877,920; Mr. Austin 127,852 and \$5,645,944; Mr. Somerhalder 127,852 and \$5,645,944; and Mr. White 112,740 and \$4,978,598. Most of these shares of El Paso's restricted common stock are subject to a time-vesting schedule of four years from the date (including the shares awarded as part of the annual bonus) of grant and other shares of restricted stock which are subject to both time vesting and performance-vesting. With respect to performance vesting, if the required El Paso performance targets are not met within a four-year time period, all unvested shares are forfeited. Any dividends awarded on the restricted common stock are paid directly to the holder of the El Paso common stock. These total values can be realized only if the executives named in this proxy statement remain employees of El Paso for the four years and, with respect to performance vesting, the performance goals regarding stockholder value are reached.
- (5) No long-term incentive payments were made in fiscal years 2001 and 2000. The amounts in this column for fiscal year 1999 represent the market value of common stock and/or cash payout of performance units for the four-year cycle ended on December 31, 1998, and the automatic cash payment of 25% of the performance units outstanding as a result of the change in control transaction with Sonat Inc.
- (6) The compensation reflected in this column for fiscal year 2001 includes El Paso's contributions to the El Paso Retirement Savings Plan and Supplemental Benefits Plan along with the above-market interest earned on deferred compensation. Specifically, these amounts for fiscal year 2001 were \$7,650, \$173,944 and \$90,400 for Mr. Wise; \$0, \$0, and \$102,384 for Mr. Eads; \$7,650, \$56,794 and \$11,086 for Mr. Austin; \$7,650, \$56,794 and \$7,147 for Mr. Somerhalder; and \$7,650, \$48,694 and \$32,296 for Mr. White, respectively. In addition, the amounts include the remaining one-half of the special retention payment earned by each executive awarded in connection with the completion of the Coastal transaction and successful integration of the organizations. Specifically, the retention payments were \$3,500,000 for Mr. Wise; \$875,000 for Mr. Eads; \$875,000 for Mr. Austin; \$875,000 for Mr. Somerhalder; and \$875,000 for Mr. White.
- (7) Mr. Eads joined El Paso during 1999, so the amount reflected is for a partial year.
- (8) Mr. White retired from El Paso on December 31, 2001. The amount reflected in the bonus column for him includes \$60,000 for El Paso mandated reductions to fund certain charitable organizations.

STOCK OPTION GRANTS

The following table sets forth the number of stock options granted at fair market value to each of the executives named in this proxy statement during the fiscal year 2001. In satisfaction of applicable SEC regulations, the table further sets forth the potential realizable value of such stock options in the year 2011 (the expiration date of the stock options) at arbitrarily assumed annualized rates of stock price appreciation of 5% and 10% over the full ten-year term of the stock options. As the table indicates, the annualized stock price appreciation of 5% and 10% will result in stock prices in the year 2011 of approximately \$102.58 and \$163.34, respectively, for the first (January 29,

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

2001) grant, and approximately \$75.38 and \$120.03, respectively, for the second (August 13, 2001) grant. The amounts shown in the table as potential realizable values for all stockholders' stock (approximately \$21.2 billion and \$53.8 billion for the first grant, and approximately \$15.6 billion and \$39.5 billion for the second grant), represent the corresponding increases in the market value of 536,267,944 shares of the common stock outstanding as of December 31, 2001. No gain to the executives named in this proxy statement is possible without an increase in stock price, which would benefit all stockholders proportionately. Actual gains, if any, on stock option exercises and common stock holdings are dependent on the future performance of the common stock and overall stock market conditions. There can be no assurances that the potential realizable values shown in this table will be achieved.

(1) The stock options granted in 2001 by El Paso to the executives named in this proxy statement vest as follows: the first grant vests one-third on each of the first three anniversaries of the grant date and the second grant vests one-half on each of the two anniversaries of the grant date. There were no stock appreciation rights granted in 2001. Any unvested stock options become fully exercisable in the event of a "change in control" (see page 24 of this proxy statement for a description of El Paso's 2001 Omnibus Incentive Compensation Plan and the definition of the term "change in control.") Under the terms of El Paso's 2001 Omnibus Incentive Compensation Plan, the Compensation Committee may, in its sole discretion and at any time, change the vesting of the stock options. Certain non-qualified stock options may be

- (1) The figures presented in this column have been calculated based upon the difference between the fair market value of the securities underlying each stock option on the date of exercise and its exercise price.
- (2) The figures presented in these columns have been calculated based upon the difference between \$45.10, the fair market value of the common stock on December 31, 2001, for each in-the-money stock option, and its exercise price. No cash is realized until the shares received upon exercise of an option are sold. No executives named in this proxy statement had SARs that were outstanding on December 31, 2001.
- (3) Mr. Wise realized this value by executing a regular exercise of stock options that were about to expire and he currently holds the shares acquired upon exercise.
- (4) Includes 98,000 stock options held by the William & Marie Wise Family Ltd. Partnership.
- (5) Mr. White realized this value by executing a regular exercise of incentive stock options and holding the shares of common stock.

LONG-TERM INCENTIVE AWARDS

RESTRICTED STOCK

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

The following table provides information concerning incentive awards of restricted common stock made under El Paso's 1999 Omnibus Incentive Compensation Plan. The number of shares of restricted common stock will vest if, and only if, the executives named in this proxy statement remain in the employ of El Paso for the specified time period and the required increase in total stockholder return is achieved during such time period.

(1) The indicated number of shares of restricted common stock vest at the Threshold, Target and Maximum levels only if total stockholder return equals or exceeds 40%, 65% and 90%, respectively within the indicated performance period. Total stockholder return equals stock price appreciation/depreciation, plus any dividends and distributions declared on El Paso's common stock during the relevant time.

PENSION PLAN

Effective January 1, 1997, El Paso amended its pension plan to provide pension benefits under a cash balance plan formula that defines participant benefits in terms of a hypothetical account balance. Prior to adopting a cash balance plan, El Paso provided pension benefits under a plan ("Prior Plan") that defined monthly benefits based on final average earnings and years of service. Under the cash balance plan, an initial account balance was established for each El Paso employee who was a participant in the Prior Plan on December 31, 1996. The initial account balance was equal to the present value of Prior Plan benefits as of December 31, 1996. At the end of each calendar quarter, participant account balances are increased by an interest credit based on 5-Year Treasury bond yields, subject to a minimum interest credit of 4% per year, plus

a pay credit equal to a percentage of salary and bonus. The pay credit percentage is based on the sum of age plus service at the end of the prior calendar year according to the following schedule:

AGE PLUS SERVICE	PAY CREDIT PERCENTAGE
-----	-----

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

Less than 35.....	4%
35 to 49.....	5%
50 to 64.....	6%
65 and over.....	7%

Under El Paso's pension plan and applicable Internal Revenue Code provisions, compensation in excess of \$170,000 cannot be taken into account and the maximum payable benefit in 2001 was \$140,000. Any excess benefits otherwise accruing under El Paso's pension plan are payable under El Paso's Supplemental Benefits Plan.

Participants with an initial account balance on January 1, 1997 (including each of the executives named in this proxy statement, except Mr. Eads) continue to accrue pension benefits under the Prior Plan formula through the end of 2001. Upon retirement, the pension benefit equals the greater of the cash balance formula benefit or the Prior Plan benefit accrued as of the end of 2001.

Estimated annual benefits payable from the pension plan and Supplemental Benefits Plan upon retirement at the normal retirement age for each executive named in this proxy statement is reflected below (based on assumptions that each executive named in this proxy statement receives base salary shown in the Summary Compensation Table with no pay increases, receives maximum annual bonuses and cash balances are credited with interest at a rate of 4% per annum):

NAMED EXECUTIVE -----	ESTIMATED ANNUAL BENEFITS (1) -----
William A. Wise.....	\$842,452
Ralph Eads.....	\$495,070
H. Brent Austin.....	\$282,125

(1) For Messrs. Wise, Austin and White, the amounts reflected have been reduced as a result of their participation in the Estate Enhancement Program, as described on page 23 of this proxy statement.

PERFORMANCE GRAPHS

El Paso has made previous filings and may make future filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that incorporate future filings, including this proxy statement, in whole or in part. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The law firm of McDade Fogler Maines, L.L.P. provided legal services to El Paso in fiscal year 2001. Thomas R. McDade, a director of El Paso, is a senior partner of that law firm. In fiscal year 2001, El Paso paid McDade Fogler Maines, L.L.P. approximately \$230,000 for legal services rendered by that law firm to El Paso.

See "Employment Contracts, Termination of Employment and Change in Control Arrangements" starting on page 22 of this proxy statement for information related to loans to certain executive officers named in this proxy statement.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

El Paso's executive officer compensation program is administered and reviewed by the Compensation Committee. The Compensation Committee currently consists of Messrs. Allumbaugh, Bissell, Gibbons and Wyatt. Mr. Bissell became a member of the Compensation Committee on January 29, 2001, when the Coastal transaction closed. The Compensation Committee has neither interlocks nor insider participation.

17

POLICIES AND MISSION

The Compensation Committee has determined that the compensation program of executive officers should not only be adequate to attract, motivate and retain competent executive personnel, but should also be directly and materially related to the short-term and long-term objectives and operating performance of El Paso. To achieve these ends, executive compensation (including base salary, year-end bonus, restricted stock awards, stock option grants and other long-term incentive awards) is, to a significant extent, dependent upon El Paso's financial performance and the return on its common stock. However, to ensure that El Paso is strategically and competitively positioned for the future, the Compensation Committee also has the discretion to attribute significant weight to other factors in determining executive compensation, such as maintaining competitiveness, implementing capital improvements, expanding markets, pursuing growth opportunities and achieving other long-range business and operating objectives.

In order to determine appropriate levels of executive compensation, the Compensation Committee periodically conducts a thorough competitive evaluation, reviews proprietary and proxy information, and consults with and receives advice from an independent compensation consulting firm. The Compensation Committee also considers relevant industry and market changes when evaluating El Paso's performance as well as each individual executive's performance. The independent consulting firm provides data and information that compares El Paso with a peer group of companies for evaluation purposes. The peer group consists of a majority of the companies included in the S&P Natural Gas Index (reflected in the Performance Graphs found on page 16 of this proxy statement) along with certain additional companies which the consulting firm and the Compensation Committee believe represent El Paso's most direct competition for executive talent.

During 2001, the Compensation Committee requested an independent compensation consulting firm to conduct an analysis of El Paso's executive compensation and benefit plans, including a survey and comparative analysis of compensation plans of other companies of similar size, and engaged in similar businesses, taking into account the Coastal Corporation transaction. The Compensation Committee believed such an analysis and reevaluation were timely and necessary in light of the substantial increase in the size of the organization and substantially broader business scope and focus of El Paso following the combination with Coastal. After the study was completed, the Compensation Committee met with the compensation consulting firm to review its conclusions and consider its recommendations for appropriate changes. In a session with the consultant, the Compensation Committee reviewed not only the compensation levels and components of the total compensation package for the CEO and other named executives vis-a-vis similar positions in comparable companies, but also reevaluated the compensation philosophy and plans described herein to confirm that they remain consistent with, and continue to contribute to the accomplishment of, the overall business objectives of El Paso.

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

A primary mission of the Compensation Committee is to ensure that each executive officer's compensation is directly related to the performance of El Paso and its common stock, and the performance of the individual executive officer. To reach these objectives, the Compensation Committee has established an executive compensation program with a strong performance-based orientation. In particular, the Compensation Committee has determined, in consultation with the independent consulting firm, that if El Paso and the individuals have performed at an exceptional level, the value of long-term incentive awards for executive officers, including the CEO, should be targeted in the top quartile of the peer group. These long-term incentive awards should tie directly to the performance of the common stock and consist of approximately 50% in stock options and 50% in performance units (payable in cash and/or common stock with the value ranging from \$0 to \$150 per performance unit depending upon El Paso's relative total shareholder return to its peers). With respect to cash compensation, the base salary of executive officers is targeted at or near the 50th percentile of the peer group (described above). Total cash compensation under El Paso's current plans can reach approximately the 75th percentile of such peer group with the year-end incentive bonuses. Total cash and long-term incentives may reach the 90th percentile of the peer group in a year of exceptional performance. In addition, the Compensation Committee, in consultation with the independent consulting firm, determined that a retention program was necessary to ensure that the CEO and other named executives remained with El Paso during the critical integration and merger process with The Coastal Corporation organization.

18

As a result of the analysis and reevaluation process described above, the Compensation Committee determined that potential year-end bonuses should range, depending upon El Paso and individual performance, from 0% to 240% of base salary for the CEO, from 0% to 200% for Mr. Eads, 0% to 190% for Messrs. Austin and Somerhalder, and from 0% to 170% for Mr. White. Based on objectives established each year, the Compensation Committee determines the specific percentage bonus to be awarded to each recipient based upon both El Paso's and the individual executive's performance.

While Mr. Wise does have an employment agreement with El Paso, as described on page 22 of this proxy statement, his compensation and benefits are determined under El Paso plans and programs in effect from time to time in accordance with the policies described above. Except for Mr. Eads, whose employment arrangement is described on page 23 of this proxy statement, none of the other named executives received compensation governed or affected by employment agreements.

Section 162(m) of the IRC ("Section 162(m)") was enacted in 1993 and generally affects El Paso's federal income tax deduction for compensation paid to El Paso's CEO and four other highest paid executive officers. To the extent compensation is "performance-based" within the meaning of Section 162(m), the Section's limitations will not apply. Since 1993, the Board of Directors has adopted, and the stockholders have approved, certain El Paso compensation plans, which have been structured to qualify as performance-based compensation under Section 162(m). In addition to requiring and encouraging stock ownership by El Paso executives, these plans are designed to allow the Compensation Committee to provide appropriate compensation when certain performance goals have been achieved. While the Compensation Committee strives to make awards under El Paso plans that are intended to qualify as performance-based compensation under Section 162(m), it is possible under certain circumstances that some portion of the compensation paid to El Paso's CEO and other executive officers will not meet the standards of deductibility under Section 162(m). The Compensation Committee reserves the right to award compensation which does not qualify as performance-based under Section 162(m) if it determines that such awards are necessary to provide a competitive compensation package to attract and retain qualified executive talent.

EL PASO PERFORMANCE AND CHIEF EXECUTIVE OFFICER COMPENSATION

The Compensation Committee reviewed El Paso's 2001 financial goals and non-financial goals. The financial goals consisted of earnings before interest and taxes, earnings per share, after tax return on common equity, cash flow and operating and maintenance cost objectives. El Paso's 2001 non-financial goals consisted of completing the implementation of the Coastal post-merger reengineering plan and achieving certain specific goals for each business unit. For the regulated pipeline business segment, these goals consisted of optimizing assets, recontracting capacity that had been turned back to the pipeline and capitalizing on growth opportunities in the pipeline industry. For the Merchant Energy group, these goals included gaining efficiencies through merger integration, integrating facility operations, implementing certain risk management systems, developing strategic international projects and reducing the company's risk profile. For El Paso's Field Services business, these goals included infrastructure growth for the mid-stream business through El Paso Energy Partners; completion of the Field Services' integration and reengineering plan; and continuing to reduce risk profile. For the exploration and production business segment, these non-financial goals included maximizing production and adding additional low cost reserves. In addition, each business unit had specific operational goals (primarily continued enhancement of safety programs).

After analyzing these goals and the company's performance, this Committee hereby certifies that El Paso has attained the necessary performance goals for the 2001 performance period to make incentive awards under El Paso's 2001 Omnibus Incentive Compensation Plan and/or 1999 Omnibus Incentive Compensation Plan, as applicable. Although the attainment of all performance targets is not required, all such performance targets are evaluated to determine the maximum incentive award opportunity in a given year and what incentive awards are actually made. The Compensation Committee does not assign relative weights to each of the factors and criteria used in determining executive compensation. Moreover, any publication of sensitive and proprietary quantifiable targets and other specific goals for both El Paso and the CEO which are established and applied each year could adversely affect El Paso.

19

The Compensation Committee, consistent with its policies and mission, applied the information and performance factors for 2001 to determine the appropriate compensation for Mr. Wise and other executive officers. In analyzing these performance factors, the Compensation Committee recognized the unique businesses and political challenges that the executive management team faced in 2001. These challenges included extremely volatile commodity prices, difficult financial markets; and a challenging legal, political and regulatory environment as a result of the California energy crisis and the collapse of a major competitor. Despite these challenges, the management team responded quickly and decisively to preserve and to enhance El Paso's position with respect to its customers, suppliers, creditors, employees and communities. Management, led by Mr. Wise, was proactive in anticipating and leading significant efforts to strengthen El Paso's balance sheet to, among other things, (1) reassure credit rating agencies, (2) position El Paso competitively for the future, and (3) preserve shareholder value. Management was successful in the completion of the post-Coastal and GTT merger reengineering, the creation of a liquefied natural gas strategy; the development of several strategic international projects; the deployment of state of the art merchant energy technology risk management tools; and in delivering record earnings and cash flow. In 2001, Mr. Wise displayed exceptional foresight and responsiveness to the rapidly changing industry-wide, political and general economic conditions facing El Paso. Throughout this volatile period, Mr. Wise managed the strategic direction of the company and continued to leverage El Paso's expertise and assets through a carefully planned

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

strategic growth program, which is demonstrated by the financial performance of El Paso. Having reviewed the contribution that the CEO made to El Paso's performance in 2001, the Compensation Committee believes that he continues to demonstrate the motivational, planning and leadership qualities that the executive compensation program was designed to foster and reward. Further, the Compensation Committee commends Mr. Wise, and the management team, for El Paso's exceptional financial performance during a year filled with unprecedented challenges.

In recognition of Mr. Wise's overall performance and his responsibility for El Paso's successes during 2001, the Compensation Committee determined that he should receive the highest rating, and awarded him the maximum incentive bonus available under the incentive award opportunity discussed above (240% of base salary). In support of the Compensation Committee's long-term compensation mission to provide competitive compensation incentives to retain and motivate executive officers, Mr. Wise was granted 768,250 stock options and 200,000 shares of performance-based restricted common stock during 2001. The specific amounts of these equity grants for Mr. Wise and the other named executives was determined in accordance with the targets and formulas recommended by El Paso's independent consulting firm, as described in more detail above. The Compensation Committee, in consultation with the independent consulting firm, adjusted Mr. Wise's base salary to \$1,430,000 to remain competitive for executive talent. As a result of the implementation of the retention programs discussed above, the Compensation Committee awarded the remaining one-half of the retention payment related to the Coastal transaction, which is reflected on the Summary Compensation Table.

COMPENSATION OF OTHER EXECUTIVE OFFICERS

The Compensation Committee, in consultation with the independent consulting firm, applied the information and performance factors outlined above in reviewing and approving the compensation of El Paso's other executive officers. This process resulted in a determination that, based upon individual performance and their significant individual contributions to overall El Paso performance during the fiscal year 2001, each of the other four named executive officers should be awarded the maximum incentive bonus available under the incentive award opportunity discussed above (170%, 190% or 200% of base salary, as applicable). Stock options and shares of performance-based restricted common stock were granted in 2001 to executive officers to provide continuing incentives for future performance. The number of options and performance-based restricted common stock granted to such executives was determined in accordance with the targets and formulas recommended by El Paso's independent consulting firm in light of the Coastal transaction, as described in more detail above. The remaining one-half of the retention payments granted to the other named executives for being essential to the successful integration of the Coastal organization were paid in 2001 and are reflected on the Summary Compensation Table. Base salaries were adjusted for the other named executive

20

officers, determined in consultation with the independent consulting firm, to remain competitive for executive talent, and in consideration of the increased job responsibilities associated with the Coastal transaction.

AUDIT COMMITTEE REPORT

All members of the Audit Committee are independent, as that term is defined in the New York Stock Exchange rules. Each member of the Audit Committee is also financially literate, as that qualification is interpreted by El Paso's Board of Directors in its business judgment. The Audit Committee currently consists of Messrs. Wallop, Braniff, Kuehn and MacNeil. Messrs. Kuehn and MacNeil became members of the Audit Committee on January 29, 2001, when the Coastal transaction closed.

POLICIES AND MISSION

The Audit Committee recommends the independent certified public accountants for Board of Director approval, engages in a discussion with the independent accountants regarding the objectivity and independence of the accountants, reviews the adequacy of the Audit Committee Charter, reviews El Paso's Securities and Exchange Commission filings, reviews significant financial reporting issues with the El Paso controller, reviews risk management and internal audit procedures with the head of El Paso's internal audit, and engages in any necessary private sessions with El Paso's internal audit and independent accountants.

AUDIT COMMITTEE STATEMENT

The Audit Committee, consistent with its policies and mission, has adopted a charter, which is included as Exhibit A to this proxy statement. The Audit Committee has reviewed and discussed the audited financial statements with El Paso management; discussed with the independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards), as modified or supplemented; received a written disclosure letter from El Paso's independent certified public accountants as required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as modified and supplemented, and has discussed with the independent certified public accountants the independent accountant's independence; and based on the preceding review and discussions contained in this paragraph, recommended to the Board of Directors that the audited financial statements be included in El Paso's Annual Report on Form 10-K for the 2001 fiscal year for filing with the Securities and Exchange Commission.

El Paso's management is responsible for El Paso's financial reporting process, internal audit process, and the preparation of El Paso's financial statements. El Paso's independent accountants are responsible for auditing those financial statements. The Audit Committee monitors and reviews these processes and does not conduct auditing or accounting reviews or procedures. The Audit Committee relies on El Paso's management's representation that the financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America, and on the representations of El Paso's independent accountants included in their report on El Paso's financial statements.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE IN CONTROL ARRANGEMENTS

EMPLOYMENT AGREEMENTS

El Paso entered into an employment agreement with Mr. Wise effective July 31, 1992. The Agreement was for a term of three years. It is automatically renewed at the end of every month which re-establishes a three-year term on the first of each month unless either party notifies the other that the agreement will not be renewed. Compensation and benefits for Mr. Wise are determined under El Paso's benefit plans and programs in effect from time to time. If Mr. Wise's employment is terminated involuntarily, without cause, or is voluntarily terminated by Mr. Wise for "good reason" (as defined in the Severance Plan, which is discussed below), Mr. Wise will receive his salary, a bonus equal to 50% percent of the maximum bonus, but not less than 50% of his annual salary opportunity in effect at the time of termination, and benefits through the end of the current term of the employment agreement. If Mr. Wise's employment is terminated for any reason other than a "change in control" which is defined in the Severance Plan, his salary, bonus or benefits (with the exception of the defined benefit pension plan payments) will be reduced by comparable compensation received by new employment. If Mr. Wise's employment is terminated because of death, involuntary termination for cause or is voluntarily terminated by Mr. Wise other than for "good reason," Mr. Wise's right to receive his salary shall cease on the date of termination of his employment and his right to receive benefits will be determined according to the terms of El Paso's applicable plans. In March 1999, subject to certain conditions, Mr. Wise waived his right to terminate his employment for "good reason" by reason of no longer serving as the Chairman of the Board of El Paso following the merger with Sonat. Mr. Wise's employment agreement also provides that Mr. Wise is entitled to pension benefits under the terms of El Paso's Supplemental Benefits Plan, however, such pension benefits will be based on one additional year of "age" and "service" credit for each year of the term. Upon termination of his employment, this benefit will be funded through a trust. If Mr. Wise's employment is terminated prior to the end of the term, other than as a result of either a "change in control" of El Paso or his voluntary termination of the agreement for "good reason" pursuant to six months prior written notice to El Paso of such termination, Mr. Wise will be subject to a noncompetition provision through the end of the term. Any compensation and benefits received by Mr. Wise under the Severance Plan will offset obligations of a similar nature under Mr. Wise's employment agreement. In 1999, the Compensation Committee decided to reinstate Mr. Wise's base salary (which had been eliminated in 1996) in connection with El Paso's merger with Sonat. During 2000, the Compensation Committee determined that Mr. Wise's employment agreement should be amended and restated (dated February 1, 2001) to reflect previous amendments and to provide for an incentive to retain Mr. Wise as Chairman of El Paso until he reaches age 60 by granting him a one-fourth fractional interest in a mid-size corporate jet for a period of five years (and extended to ten years if certain El Paso stock price thresholds are achieved) after his retirement as Chairman, subject to certain initial (\$3,000,000 -- \$6,000,000) and annual (not to exceed \$2,000,000) monetary limitations, as adjusted for the corporate jet fractional share market prices. El Paso will reimburse Mr. Wise for any taxes he may incur as a result of this arrangement. Any residual value of the aircraft at the end of the term shall belong to El Paso. During 1997, El Paso loaned Mr. Wise \$1,564,000 for the purchase of his residence in Houston in connection with El Paso's relocation to Houston from El Paso, Texas. The loan and interest (at 6.8%) thereon is payable at the end of ten years, or at the time of Mr. Wise's retirement from El Paso, whichever is earlier. The loan is secured by Mr. Wise's Houston residence. In the event of a "change in control" (as defined in the Severance Plan) and if Mr. Wise meets all the requirements for a severance benefit under the Severance Plan, he will not be required to repay the loan and accrued interest and he may be entitled to a payment to cover any adverse tax consequences (as provided in the Severance Plan). On January 15, 2002, 300,000 of Mr. Wise's stock options

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

were due to expire. During 2001, El Paso agreed to loan Mr. Wise the funds (in an aggregate amount up to \$7,332,195) to exercise these options and purchase shares of El Paso common stock. The loan and interest, at 4.99% thereon, are payable at the end of ten years, or at the time of Mr. Wise's retirement from El Paso, whichever is earlier. The loan is recourse to Mr. Wise and is secured by Mr. Wise's interest in the 300,000 shares (including all in-kind distributions, dividends, or otherwise), and any cash, instruments and other property received in respect of or in exchange for the shares. In the event of a "change in control" (as defined in the Severance Plan) and if Mr. Wise meets all the

22

requirements for a severance benefit under the Severance Plan, he will not be required to repay the loan and accrued interest and he may be entitled to a payment to cover any adverse tax consequences (as provided in the Severance Plan).

As part of the merger with Sonat Inc., El Paso entered into a termination and consulting agreement with Ronald L. Kuehn, Jr., dated October 25, 1999. Under this Agreement, Mr. Kuehn served as the non-executive Chairman of El Paso's Board of Directors through December 31, 2000, and received a fee of \$20,833 per month from October 25, 1999 through December 31, 2000. In addition, Mr. Kuehn received the perquisites that were available to him prior to the merger with Sonat Inc., as well as non-cash compensation available to other non-employee Directors. Starting on October 25, 1999, and for the remainder of his life, Mr. Kuehn will receive certain ancillary benefits made available to him prior to the merger with Sonat Inc., including the provision of office space and related services, and payment of life insurance premiums sufficient to provide a death benefit equal to four times his base pay as in effect immediately prior to October 25, 1999. Mr. Kuehn and his eligible dependents will also receive retiree medical coverage.

El Paso entered into a letter agreement with Mr. Eads dated June 16, 1999. As part of this agreement, Mr. Eads is entitled to an annual base salary and a one-time cash sign-on bonus for 1999 and a one-time credit to the Deferred Compensation Plan for 2000, which are reflected on the Summary Compensation Table. In addition, Mr. Eads is entitled to a bonus, performance units, stock options and restricted common stock in amounts established by the Compensation Committee. Mr. Eads is also entitled to the normal and customary perquisite allowance and other benefits and privileges accorded to him in his status as a senior executive of El Paso. Mr. Eads' employment may be terminated at any time and at will by either him or El Paso.

El Paso entered into a letter agreement with Mr. White dated February 22, 1991. As part of this agreement, Mr. White is entitled to additional years of credited service with respect to pension benefits which are payable under El Paso's Supplemental Benefits Plan if he remains employed with El Paso until the specified age set forth in the letter agreement. Mr. White retired from El Paso on December 31, 2001, and his letter agreement terminated. As part of his retirement, Mr. White entered into a consulting agreement whereby he has agreed to provide professional consulting services to El Paso through December 31, 2002. During 2002, El Paso will pay Mr. White \$45,833 per month for his consulting services. As part of his retirement, he will receive his accrued retirement benefits, deferred account balances, vested stock options, certain restricted stock as provided under applicable plans and performance units (including an additional six months of vesting). Through December 31, 2003, Mr. White is entitled to have El Paso purchase the home he acquired in connection with his transfer to Houston pursuant to the Domestic Relocation Policy, as described on page 25 of this proxy statement, and pay the costs incurred in connection with the relocation of his household goods, including a tax gross up for taxes attributed to such relocation benefits.

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

BENEFIT PLANS

Estate Enhancement Program (EEP). In 2001, Messrs. Wise, Austin and White each reduced the balance of certain compensation payable to them under the Supplemental Benefits Plan in exchange for the right to participate in the EEP. The program provides for a loan to purchase a life insurance policy under a family trust. The trust is the named beneficiary under the life insurance policy, and the loan with accrued interest will be repaid with proceeds of the policy after the participant's, or his spouse's death, whichever is later. The compensation that was reduced had been awarded in prior years and was disclosed as required in earlier proxy statements of El Paso. The cost of this program will not exceed the cost El Paso would have paid as compensation with respect to the reduced amounts. In addition to certain executive officers, non-employee directors are eligible to participate in this program if they have at least \$200,000 in deferred benefits under the 1995 Compensation Plan for Non-Employee Directors, as described on page 5 of this proxy statement.

Key Executive Severance Protection Plan. This plan provides severance benefits following a "change in control" of El Paso for certain officers of El Paso and its subsidiaries. The benefits of the plan include: (1) an amount equal to three times the participant's annual salary, including maximum bonus amounts as specified in the plan; (2) continuation of life and health insurance for an 18-month period following termination; (3) supplemental pension calculated by adding three years of additional credited pension service; (4) certain

23

additional payments to the terminated employee if the payments made under the plan are subject to a specified adverse excise tax; and (5) payment of legal fees and expenses incurred by the employee to enforce any rights or benefits under the plan. Benefits are also payable for any termination of employment for a participant in the plan within two years of the date of a change of control, except where termination is by reason of death, disability, for cause or instituted by the employee for other than good reason (as defined in the plan). A change in control has occurred if: (i) any person or entity becomes the beneficial owner of 20% or more of El Paso's common stock; (ii) any person or entity (other than El Paso) purchases the common stock by way of a tender or exchange offer; (iii) El Paso stockholders approve a merger or consolidation, sale or disposition or a plan of liquidation or dissolution of all or substantially all of El Paso's assets; or (iv) if over a two year period a majority of the members of the Board of Directors at the beginning of the period cease to be directors. A change in control has not occurred if El Paso is involved in a merger, consolidation or sale of assets in which the same stockholders of El Paso before the transaction own 80% of the outstanding common stock after the transaction is complete.

2001 Omnibus Incentive Compensation Plan. This plan provides for the grant to officers and key employees of El Paso and its subsidiaries of stock options, stock appreciation rights, limited stock appreciation rights, performance units and restricted stock. The plan administrator designates which employees are eligible to participate, the amount of any grant and the terms and conditions (not otherwise specified in the plan) of such grant. If a "change in control," as defined under the Key Executive Severance Protection Plan, occurs: (1) all outstanding stock options become fully exercisable; (2) stock appreciation rights and limited stock appreciation rights become immediately exercisable; (3) designated amounts of performance units become fully vested; (4) all restrictions placed on awards of restricted common stock automatically lapse; and (5) the current year's maximum incentive award for each officer participating in the plan becomes fully payable within 30 days.

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

1999 Omnibus Incentive Compensation Plan. This plan provided for the grant to officers and key employees of El Paso and its subsidiaries of stock options, stock appreciation rights, limited stock appreciation rights, performance units and restricted stock. This plan was replaced by the 2001 Omnibus Incentive Compensation Plan. Although this plan has been terminated with respect to new grants, certain shares of restricted common stock remain outstanding under it. If a "change of control" of El Paso occurs, all restrictions placed on restricted common stock lapse. For purposes of the plan, the term "change in control" has the same meaning given such term in the Key Executive Severance Protection Plan.

1995 Incentive Compensation Plan. This plan provided that awards of cash and/or shares of restricted common stock could be granted to eligible officers of El Paso and its subsidiaries. Although this plan has been terminated with respect to new grants, certain shares of restricted common stock remain outstanding under it. If a "change of control" of El Paso occurs, all restrictions placed on restricted common stock lapse. For purposes of the plan, the term "change in control" has the same meaning given such term in the Key Executive Severance Protection Plan.

1995 Omnibus Compensation Plan. This plan provided that stock options, stock appreciation rights, limited stock appreciation rights, performance units and restricted stock could be granted to officers and key employees of El Paso and its subsidiaries. Although this plan has been terminated with respect to any new grants, certain stock options remain outstanding under it. If a "change of control" of El Paso under this plan occurs, all outstanding stock options become fully exercisable. For purposes of this plan, the term "change of control" is defined in the Key Executive Severance Protection Plan.

Omnibus Compensation Plan. This plan provided for the grant of stock options, stock appreciation rights, limited stock appreciation rights, performance share units and restricted common stock to officers and key employees of El Paso and its subsidiaries. Although this plan has been terminated with respect to any new grants, certain stock options remain outstanding under it. Pursuant to the terms of the plan, if a "change in control" of El Paso occurs, all outstanding stock options become fully exercisable. For purposes of the plan, the term "change in control" has the same meaning given such term in the Key Executive Severance Protection Plan, except that the definition does not contain the exclusion dealing with mergers, consolidations or sales of assets of El Paso in connection with a corporate restructuring of El Paso.

24

Strategic Stock Plan. This plan provides for the grant of stock options, stock appreciation rights, limited stock appreciation rights and shares of restricted common stock to officers and key employees of El Paso and its subsidiaries primarily in connection with El Paso's strategic acquisitions. The Plan Administrator determines which employees are eligible to participate, the amount of any grant and the terms and conditions (not otherwise specified in the plan) of such grant. If a change in control, as defined earlier under the Key Executive Severance Protection Plan, occurs: (1) all outstanding stock options become fully exercisable; (2) stock appreciation rights and limited stock appreciation rights become immediately exercisable; and (3) all restrictions placed on awards of restricted common stock automatically lapse.

Supplemental Benefits Plan. This plan provides for certain benefits to officers and key management employees of El Paso and its subsidiaries. The benefits include: (1) a credit equal to the amount that a participant did not receive under El Paso's Pension Plan because the Pension Plan does not consider deferred compensation (whether in deferred cash or deferred restricted common

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

stock) for purposes of calculating benefits and eligible compensation is subject to certain Internal Revenue Code limitations; and (2) a credit equal to the amount of El Paso's matching contribution to El Paso's Retirement Savings Plan that cannot be made because of a participant's deferred compensation and Internal Revenue Code limitations. The plan may not be terminated so long as the Pension Plan and/or Retirement Savings Plan remain in effect. The management committee of this plan designates who may participate and also administers the plan. Benefits under El Paso's Supplemental Benefits Plan are paid upon termination of employment in a lump-sum payment, in annuity or in periodic installments. In the event of a change in control (as defined under the Key Executive Severance Protection Plan), the supplemental pension benefits become fully vested and nonforfeitable.

Deferred Compensation Plan. This plan allows eligible executives and key management employees of El Paso and its subsidiaries to defer all or a portion of their base salaries and any other deferrals (including certain equity awards) made in accordance with certain of El Paso's compensation plans. The management committee of this plan designates the executives and key management employees who may participate. Amounts deferred are payable upon termination of employment in a lump-sum payment or in periodic installments, except that the management committee may, in its discretion, accelerate payments. Any amounts deferred shall be credited with interest, gains/losses based on investments or other indices specified by the management committee.

Senior Executive Survivor Benefits Plan. This plan provides certain senior executives of El Paso and its subsidiaries, who are designated by the management committee of this plan with survivor benefit coverage in lieu of the coverage provided generally for employees under El Paso's group life insurance plan. The amount of benefits provided, on an after-tax basis, is two and one half times the executive's annual salary. Benefits are payable in installments over 30 months beginning within 31 days after the executive's death, except that the management committee may, in its discretion, accelerate payments.

Domestic Relocation Plan. El Paso had a Domestic Relocation Plan, under which El Paso is obligated, upon the termination of employment of the executives named in this proxy statement (as a result of death, retirement, or permanent disability) or in the event of a "change in control," as defined earlier under the Key Executive Severance Protection Plan, to purchase their residences in Houston which they acquired during El Paso's relocation from El Paso to Houston in 1997.

Non-Telecommunications Executive Investment Program. In February 2001, sixteen El Paso executives, including Messrs. Wise, Eads, Austin and Somerhalder, purchased shares (the "Subject Shares") representing approximately 3.35% of El Paso's consolidated telecommunications subsidiary, El Paso Global Networks Company ("Global Networks"). Messrs. Wise, Eads, Austin and Somerhalder invested \$5,000,000, \$1,500,000, \$500,000, and \$1,000,000, respectively. Of such amount, El Paso loaned (at a 5.07% interest rate and 40% recourse to the executive) Messrs. Wise, Eads, Austin, and Somerhalder \$4,000,000, \$1,200,000, \$400,000, and \$800,000 respectively, to enable the executive to purchase the Subject Shares. In October 2001, El Paso refocused its telecommunications strategy and, to give itself greater flexibility in the operations of Global Networks, sought to reacquire all outstanding common stock and stock options of Global Networks. Following approval of El Paso's Compensation Committee of the Board of Directors, El Paso exercised its

right to repurchase the Subject Shares for fair value from Messrs. Wise, Eads, Austin and Somerhalder for \$5,400,000, \$1,620,000, \$540,000 and \$1,080,000, respectively. The sale proceeds, net of the loan amounts, were remitted to the

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

executives. In addition, the executives paid to El Paso an amount equal to the full accrued, but unpaid, interest on the loans. Specifically, Messrs. Wise, Eads, Austin and Somerhalder paid interest to El Paso in the amounts of \$142,238, \$42,671, \$14,224 and \$28,448, respectively.

PROPOSAL NO. 2 -- APPROVAL OF AN AMENDMENT AND RESTATEMENT OF THE EMPLOYEE STOCK PURCHASE PLAN TO INCREASE THE NUMBER OF SHARES AUTHORIZED FOR ISSUANCE

Since its adoption by El Paso on January 20, 1999, the Employee Stock Purchase Plan (the "Plan") has assisted El Paso in attracting and retaining highly talented employees and has provided eligible employees an opportunity to invest in the future of El Paso and share in El Paso's growth through any increases in stock value and through any dividends. Our stockholders approved the Plan on April 22, 1999.

A total of 2,000,000 shares of El Paso's common stock are reserved for purchase under the Plan. Shares reserved under the Plan are issued from El Paso's treasury or from authorized but unissued shares. As of December 31, 2001, employees have purchased a total of 799,318 shares of common stock under the Plan. On January 29, 2002, the Board of Directors approved an amendment and restatement of the Plan, thereby providing for an increase in the number of shares authorized for issuance under the Plan (subject to stockholder approval) and the inclusion of previous plan amendments. In order to provide adequate shares for sale to the employees, the Board of Directors now seeks your approval to amend and restate the Plan to increase the number of shares authorized under the Plan by 3,000,000 shares for a total of 5,000,000 shares of common stock. Neither the number nor the value of future option awards to particular participants or groups of participants is presently determinable. On March , 2002, the per share market value of our common stock was \$.

The Plan is a broad-based plan that provides employees with an opportunity to purchase shares of common stock of El Paso at a 15% discount through convenient payroll deductions. These amounts are applied to the purchase of El Paso common stock on designated investment dates. The Plan is entitled to qualify as an "Employee Stock Purchase Plan" within the meaning of Section 423 of the Internal Revenue Code (the "Code") and employees will be afforded favorable tax treatment under Section 421 and 423 of the Code, if the participant holds the stock for the required holding period (two years from the beginning of the offering period and one year from the purchase date).

AN AFFIRMATIVE VOTE OF A MAJORITY OF SHARES OF COMMON STOCK REPRESENTED AT THE ANNUAL MEETING IN PERSON OR BY PROXY AND ENTITLED TO VOTE ON THE PROPOSAL WILL CONSTITUTE APPROVAL.

The following description of the material provisions of the Plan is qualified by reference to the full provisions of the amended and restated Plan (taking into account the amendment for which approval is sought in this proposal), a copy of which is set forth on Exhibit B to this proxy statement. Capitalized terms not defined herein shall have the same meanings ascribed to such terms in the plan document.

Purpose. The purpose of the Plan is to permit employees to purchase El Paso common stock over a period of time at a discount from market prices and to increase employee stock ownership in order to continue to attract and retain dedicated and reliable employees. The Board of Directors believes that the Plan aligns employees' interest with those of stockholders and provides an attractive incentive to the employees and promotes a greater interest of such employees in the future growth and success of El Paso.

Administration. The Plan is administered by the "Committee," meaning the management committee and, with respect to officers subject to Section 16 of the

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

Securities Exchange Act, the Compensation Committee of the Board of Directors. The Committee has full and exclusive discretionary authority to construe, administer and interpret the Plan, including the authority to determine who is eligible to participate and to make any rules and other determinations necessary to administer the Plan. The Committee has designated EquiServe Trust as the record keeper/custodian of the Plan. El Paso pays for all expenses incurred in connection with the administration of the Plan except for the costs associated with the sale of shares, which is borne by the participants.

Eligible Employees. Active, full-time employees and certain part-time employees of designated El Paso affiliates are eligible to participate in the Plan. However, no employee is eligible to participate who would own,

26

after purchasing common stock under the Plan, shares of capital stock equaling 5% or more of the total combined voting stock of El Paso. Enrollment is voluntary and employees elect to enroll in the Plan during the annual open enrollment period. For 2002, 12,006 employees are eligible to participate and 4,137 employees are participating in the Plan.

Purchase of Shares. Participants in the Plan are granted options to purchase common stock of El Paso on the first trading (business) day of the Plan year (the "Grant Date"). A participant's options to purchase shares of common stock are automatically exercised on the last trading day of each calendar quarter (the "Exercise Date") to the extent of the participant's contributions by payroll deductions. The purchase is made in whole and fractional shares at 85% of the lower of two prices (i) the average of the high and low trading share prices on the Grant Date, or (ii) the average of the high and low trading share prices on the Exercise Date. The common stock purchased is then recorded in an account in the participant's name and held until the participant elects to receive it in the form of a stock certificate or sells the shares and receives the proceeds.

The maximum annual payroll deduction for the purchase of shares is \$21,250 per participant. Participants may elect to change the amount of their payroll deduction during each annual open enrollment period. The change will become effective the next calendar year. Participants may cancel their participation in the Plan at any time during the year. However, if a participant elects to cancel his or her participation in the Plan, the participant cannot resume participation in the Plan until the next annual enrollment. Interest is not paid on the cash accumulated during the quarter.

Termination of Employment. Termination of a participant's employment with El Paso or a designated company for any reason, including retirement, disability or death, or the failure of a participant to remain an employee eligible to participate in the Plan, will terminate the participant's participation in the Plan. Any funds deposited by the employee prior to such termination will be used to purchase common stock on the next Exercise Date or refunded, without interest to such employee, as required by the Plan.

Non-Transferability. A participant's rights under the Plan are not transferable, except by will or the laws of descent and distribution, and are exercisable only by the participant during the participant's lifetime. No rights or payroll deductions of a participant will be subject to execution, attachment, levy, garnishment or similar process.

Amendment or Termination of Plan. The Plan will continue until December 31, 2009, or until terminated by the Board of Directors, or until all shares authorized for issuance under the Plan have been used up, whichever occurs first. The Board may amend or terminate the Plan at any time except that any

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

such amendment or termination may not adversely affect the purchase rights previously granted under the Plan. An amendment authorizing the issuance of more than 5,000,000 shares under the Plan (other than due to a recapitalization, stock split, stock dividend, exchange of shares, merger, reorganization, change in corporate structure or shares of El Paso or similar event) must be approved by the stockholders of El Paso within 12 months of the adoption of such amendment.

Federal Income Tax Consequences. The following discussion of certain federal income tax consequences of the Plan is based on the Code provisions in effect on the date of this proxy statement, current regulations thereunder, and existing administrative rulings of the Internal Revenue Service. The discussion is limited to the United States tax consequences and the tax consequences may vary depending on the personal circumstances of individual employees.

A participant does not recognize taxable income as a result of commencing participation in the Plan or purchasing shares of El Paso's common stock under the terms of the Plan. However, amounts deducted from a participant's paycheck in order to purchase shares under the Plan are taxable as part of the participant's compensation and deductible to El Paso.

If a participant disposes of shares purchased under the Plan within two years of the Grant Date or within one year of the Exercise Date ("Disqualifying Disposition"), the participant will recognize ordinary income in the year of such disposition equal to the amount by which the fairmarket value of the shares on the date the shares were purchased exceeds the purchase price. The amount of the ordinary income will be added to the participant's basis in the shares, and any additional gain or resulting loss recognized on the disposition of the

27

shares will be a capital gain or loss. A capital gain or loss will be long-term if the participant holds the shares for more than 12 months. El Paso is entitled to a deduction in the year of a Disqualifying Disposition equal to the amount of ordinary income recognized by the participant as a result of the disposition.

If a participant disposes of shares purchased under the Plan at least two years after the Grant Date or at least one year after the Exercise Date, the Participant will realize ordinary income in the year of disposition equal to the lesser of (i) the excess of the fair market value of the shares on the date of disposition over the purchase price, or (ii) 15% of the fair market value of the shares on the Grant Date. The amount of any ordinary income will be added to the participant's basis in the shares, and any additional gain recognized upon the disposition will be a long-term capital gain. If the fair market value of the shares on the date of disposition is less than the purchase price, there will be no ordinary income and any loss recognized will be a long-term capital loss.

WE RECOMMEND THAT YOU VOTE "FOR" APPROVAL OF THE AMENDMENT AND RESTATEMENT OF THE EMPLOYEE STOCK PURCHASE PLAN TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AVAILABLE FOR EMPLOYEES UNDER THE PLAN.

PROPOSAL NO. 3 -- APPROVAL OF AN AMENDMENT TO THE EL PASO RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF SHARES AUTHORIZED

The Board of Directors proposes to amend ARTICLE 4 of El Paso's Restated Certificate of Incorporation to increase the number of authorized shares of common stock from 750,000,000 shares of common stock to 1,500,000,000 shares of common stock. Neither the par value of the common stock nor any rights presently accruing to holders of common stock will be affected by this increase. As of March 25, 2002, El Paso had [] shares of common stock issued and outstanding, and approximately [] shares reserved for issuance for El

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

Paso's various benefit plans as well as other outstanding obligations. The proposed increase ensures that a sufficient number of shares of common stock will be available for future transactions, including acquisitions, stock splits, stock dividends, employee benefit plans, stock bonus and award plans, satisfaction of debt, and other general corporate purposes. The proposed amendment would give the Board of Directors the authority to issue additional shares of common stock without requiring future stockholder approval of such issuances, except as may otherwise be required by applicable law.

AN AFFIRMATIVE VOTE OF A MAJORITY OF SHARES OF COMMON STOCK OUTSTANDING AND ENTITLED TO VOTE ON THE PROPOSAL WILL CONSTITUTE RATIFICATION.

The first paragraph of ARTICLE 4 of El Paso's Restated Certificate of Incorporation, as amended, would read as follows:

"4.1 The total number of authorized shares of all classes of stock of this corporation consists of 1,500,000,000 shares of common stock having a par value of \$3.00 per share (the "Common Stock") and 50,000,000 shares of preferred stock having a par value of \$0.01 per share ("Preferred Stock"). Authority is hereby expressly granted to the Board of Directors to fix by resolution or resolutions any of the designations and the powers, preferences and rights, and the qualifications, limitations or restrictions which are permitted by the General Corporation Law of the State of Delaware in respect of any class or classes of stock or any series of any class of stock of the corporation."

If the amendment to the Restated Certificate is approved, it will become effective upon filing with the Secretary of State of the State of Delaware.

WE RECOMMEND THAT YOU VOTE "FOR" THE APPROVAL OF THE AMENDMENT TO EL PASO'S RESTATED CERTIFICATE OF INCORPORATION.

PROPOSAL NO. 4 -- RATIFICATION OF APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Board of Directors is seeking stockholder ratification of the resolution appointing PricewaterhouseCoopers LLP, 1201 Louisiana Street, Suite 2900, Houston, Texas 77002, as independent certified public accountants for El Paso for fiscal year 2002. PricewaterhouseCoopers LLP has served continuously as El Paso's independent certified public accountants since 1983.

AN AFFIRMATIVE VOTE OF A MAJORITY OF SHARES OF COMMON STOCK REPRESENTED AT THE ANNUAL MEETING IN PERSON OR BY PROXY AND ENTITLED TO VOTE ON THE PROPOSAL WILL CONSTITUTE APPROVAL.

If the appointment is not ratified by a majority of the votes cast, the adverse vote will be considered as an indication to the Board of Directors that it should consider selecting other independent certified public accountants for the following fiscal year. Given the difficulty and expense of making any substitution of accountants after the beginning of the current fiscal year, it is contemplated that the appointment for the fiscal year 2002 will be permitted to stand unless the Board of Directors finds other good reason for making a change.

PricewaterhouseCoopers LLP examined El Paso's and its affiliates' financial statements for fiscal year 2001. During fiscal year 2001, PricewaterhouseCoopers LLP billed El Paso in the amounts listed below for services rendered in the following categories:

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

CATEGORY -----	AMOUNT -----
Audit Fees.....	\$ 4,300,000
Financial Information Systems Design and Implementation.....	\$ 1,500,000

The Audit Committee has considered whether the provision of non-audit services by PricewaterhouseCoopers LLP is compatible with maintaining auditor independence and has determined that auditor independence has not been compromised. A representative of PricewaterhouseCoopers LLP will be at the Annual Meeting and available to answer appropriate questions.

WE RECOMMEND THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS FOR EL PASO FOR THE FISCAL YEAR 2002.

PROPOSAL NO. 5 -- STOCKHOLDER PROPOSAL: CANCELLATION OF RESTRICTED STOCK GRANT PROGRAM

Ms. Stephanie Carpenter, 9839 Cash Mountain Rd., Helotes, Texas 78023, the owner of 2,350 shares of common stock, has indicated that she will present a proposal for action at the 2002 Annual Meeting as follows:

"I propose that El Paso Energy cancel the restricted stock grant program that is currently in place for executives. The executive compensation program includes both restricted stock grants and stock option grants. The corporation has awarded 2.8 million shares of restricted stock to executives over the past three years. Restricted stock is given away to executives for free, and the market value of restricted stock is charged against earnings as a compensation expense. This depresses current

earnings per share, and the increased number of shares outstanding will also lower future earnings per share, which will have a negative effect on the stock price. I feel that executives should have to pay for company stock, just like investors. I also feel that this restricted stock grant program is excessive, and an unnecessary dilution of shareholders equity. Furthermore, there are a total of 12,994,454 shares of stock in the employee stock option plan, with an average exercise price of \$26.71 per share. With the current stock price of about \$52 per share, this amounts to an unrealized gain of \$328,680,321.70. Therefore, I believe that the employee stock option plan is already generous enough to motivate executives, and I do not see the need to dilute shareholders equity even more, by giving shares

Edgar Filing: EL PASO CORP/DE - Form PRE 14A

of restricted stock to executives at no cost."

THE AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST ON THE PROPOSAL IS REQUIRED FOR APPROVAL OF THIS PROPOSAL. ABSTENTIONS AND BROKER NON-VOTES ARE NOT COUNTED AS VOTES CAST, AND THEREFORE DO NOT AFFECT THE OUTCOME OF THE PROPOSAL.

STATEMENT OF THE BOARD OF DIRECTORS IN OPPOSITION TO THE STOCKHOLDER PROPOSAL

Your Board of Directors believes that the proposal is contrary to the interests of El Paso and our stockholders and, accordingly, is recommending that our stockholders vote AGAINST the proposal for the following reasons:

Qualified and capable executive officers and key employees are essential to the success of El Paso and to building value for our stockholders. In order to attract and retain such qualified employees, El Paso must provide a competitive level of total compensation. A generally accepted principle of contemporary executive compensation practice is that a substantial portion of an executive officer's compensation should be related to the long-term objectives and operating performance of a company. The proposal to eliminate restricted stock grants is completely at odds with this principle and therefore should be rejected.

El Paso's Compensation Committee is comprised of four independent directors. As more fully described in the Compensation Committee Report On Executive Compensation on page 17 of this proxy statement, the Compensation Committee has determined that the compensation of El Paso's executive officers should be directly and materially related to the short-term and long-term objectives and operating performance of El Paso. The Compensation Committee consults with an independent executive consulting firm when deciding what executive compensation, including the grant of restricted stock, is necessary and appropriate to attract, retain and remain competitive for executive talent.

One of the objectives of El Paso's long-term incentive program is to align the interests of executive officers with the interests of stockholders in the form of shares of common stock. In this regard, shares of restricted stock granted to executive officers are often subject to performance vesting, in addition to time vesting. If the required performance targets are not achieved within the required time period, all unvested shares will be forfeited. Accordingly, the executive officers are compensated only if our stockholders realize significant increases in stock price appreciation.

Given the necessity of providing competitive levels of total compensation for executive officers, limiting the type of long-term incentive compensation available would not result in a decrease in total compensation, but merely a decrease in the portion linked to long-term performance. The proposal would frustrate El Paso's objectives by decreasing the amount of an officer's compensation and net worth that is dependent upon the long-term performance of El Paso and the value of our common stock. It is difficult to see how this would be in the best interests of El Paso's stockholders.

Finally, if El Paso were to implement the proposal, it would have to develop alternative compen
