PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD DECEMBER 29, 2003

SOLICITATION AND REVOCABILITY OF PROXIES

The accompanying Proxy is solicited by the Board of Directors of Zonagen, Inc. (the "Company"), to be voted at the Annual Meeting of Stockholders ("Annual Meeting") of the Company to be held on Monday, December 29, 2003, at 1:00 p.m., Central Standard Time, at La Quinta Inn, 28673 I-45 North, The Woodlands, Texas, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders, and at any adjournment(s) of the Annual Meeting. If the accompanying Proxy is properly executed and returned, the shares it represents will be voted at the Annual Meeting in accordance with the directions noted thereon or, if no direction is indicated, it will be voted in favor of the proposals described in this Proxy Statement. In addition, the Proxy confers discretionary authority to the persons named in the Proxy authorizing those persons to vote, in their discretion, on any other matters properly presented at the Annual Meeting. The Board of Directors is not currently aware of any such other matters.

Each stockholder of the Company has the unconditional right to revoke his Proxy at any time prior to its exercise, either in person at the Annual Meeting or by written notice to the Company addressed to Secretary, Zonagen, Inc., 2408 Timberloch Place, Suite B-10, The Woodlands, Texas 77380. No revocation by written notice will be effective unless such notice has been received by the Secretary of the Company prior to the day of the Annual Meeting or by the inspector of election at the Annual Meeting.

The principal executive offices of the Company are located at 2408 Timberloch Place, Suite B-10, The Woodlands, Texas 77380. This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders and Proxy are being mailed to the Company's stockholders on or about November 21, 2003.

In addition to the solicitation of proxies by use of this Proxy Statement,

Edgar Filing: ZONAGEN INC - Form DEF 14A

directors, officers and employees of the Company may solicit the return of proxies by mail, personal interview, telephone or the Internet. Officers and employees of the Company will not receive additional compensation for their solicitation efforts, but they will be reimbursed for any out-of-pocket expenses incurred. Brokerage houses and other custodians, nominees and fiduciaries will be requested, in connection with the stock registered in their names, to forward solicitation materials to the beneficial owners of such stock.

ALL COSTS OF PREPARING, PRINTING, ASSEMBLING AND MAILING THE NOTICE OF ANNUAL MEETING OF STOCKHOLDERS, THIS PROXY STATEMENT, THE ENCLOSED FORM OF PROXY AND ANY ADDITIONAL MATERIALS, AS WELL AS THE COST OF FORWARDING SOLICITATION MATERIALS TO THE BENEFICIAL OWNERS OF STOCK AND ALL OTHER COSTS OF SOLICITATION, WILL BE BORNE BY THE COMPANY.

PURPOSES OF THE MEETING

At the Annual Meeting, the Company's stockholders will be asked to consider and act on the following matters:

1. Electing a board of five directors of the Company, each to serve until the Company's next Annual Meeting of Stockholders or until their respective successors have been duly elected and qualified;
2. Ratifying and approving the appointment of PricewaterhouseCoopers LLP as the Company's independent public accountants for its fiscal year ending December 31, 2003; and
3. Acting on such other business as may properly come before the Annual Meeting or any adjournments thereof.

QUORUM AND VOTING

The close of business on October 31, 2003 has been fixed as the record date (the "Record Date") for the determination of stockholders entitled to vote at the Annual Meeting and any adjournment(s) thereof. As of the Record Date, the Company had issued and outstanding 11,479,648 shares of the Company's common stock, par value \$.001 share (the "Common Stock").

Each stockholder of record of Common Stock will be entitled to one vote per share on each matter that is called to vote at the Annual Meeting. Shares of Common Stock may not be voted cumulatively.

The presence, either in person or by Proxy, of holders of shares representing a majority of the Common Stock entitled to be cast at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining whether a quorum is present. A plurality vote is required for the election of directors. Accordingly, if a quorum is present at the Annual Meeting, the five persons receiving the greatest number of votes will be elected to serve as directors. Withholding authority to vote for a director nominee and broker non-votes in the election of directors will not affect the outcome of the election of directors. All other matters to be voted on will be decided by the vote of the holders of shares representing a majority of the votes present or represented at the Annual Meeting and entitled to vote on such matter. On any such matter, an abstention will have the same effect as a negative vote but, because shares held by brokers will not be considered entitled to vote on matters as to which the brokers withhold authority, a broker non-vote will have no effect on such vote.

Edgar Filing: ZONAGEN INC - Form DEF 14A

All Proxies that are properly completed, signed and returned prior to the Annual Meeting will be voted. Any Proxy given by a stockholder may be revoked at any time before it is exercised by the stockholder by (i) filing with the Secretary of the Company an instrument revoking it, (ii) executing and returning a Proxy bearing a later date or (iii) attending the Annual Meeting and expressing a desire to vote his shares of Common Stock in person. Votes will be counted by Computershare Investor Services, LLC, the Company's transfer agent and registrar.

DIRECTORS' MEETINGS AND COMPENSATION

The Company's operations are managed under the broad supervision of the Board of Directors, which has ultimate responsibility for the establishment and implementation of the Company's general operating philosophy, objectives, goals and policies. During 2002, the Board of Directors convened on three regularly scheduled occasions and took certain additional actions by unanimous written consent in lieu of meetings. In addition, the Board of Directors formed a special committee for the purpose of discussing and negotiating the now terminated merger agreement with Lavipharm, and this special committee met 10 times. All directors attended at least 75% of the meetings held by the Board and any committee of the Board on which he served during his tenure in 2002, except that Mr. McInerney did not attend any meetings of the Board of Directors or any committee at which the merger agreement with Lavipharm was discussed as a result of his firm's interest in the transaction with Lavipharm.

Employee directors do not receive additional compensation for service on the Board of Directors or its committees. The Company reimburses each non-employee director for travel expenses incurred in connection with attendance at Board meetings. For board and Committee meetings attended in person or telephonically, non-employee directors currently receive \$1,000.00 per meeting in cash. Employee directors are eligible to participate in the Company's 1994 Employee and Consultant Stock Option Plan and the Company's Amended and Restated 1993 Employee and Consultant Stock Option Plan (the "Incentive Plans"). Non-employee directors are entitled to participate in the Company's 2000 Non-employee Directors' Stock Option Plan (the "2000 Director Plan").

Under the 2000 Director Plan, (i) each non-employee director who is first elected to the Board is entitled to receive an option to purchase 40,000 shares of the Company's Common Stock on the date on which he first becomes a non-employee director, and (ii) each non-employee director in office immediately after the Company's annual meeting of stockholders will receive an option to purchase 5,000 shares of Common Stock effective on such date. Additionally under the 2000 Director Plan, the Chairman of the Board (if a non-employee) who is first elected to the Board is entitled to receive an option to purchase 10,000 shares of Common Stock on the date on which he first becomes Chairman, and the Chairman (if a non-employee) in office immediately after each of the Company's annual meetings of stockholders will receive an option to purchase 10,000 shares of Common Stock effective on such date. In 2002, the Company granted options to acquire an aggregate of 53,360 shares of Common Stock to non-employee directors under the 2000 Director Plan. During 2002, the Company paid \$13,000 to one director, issued stock awards totaling 11,572 shares of Common Stock to two directors, and granted options to purchase an aggregate of 23,360 shares of Common Stock to one director, for their attendance at Board and committee meetings.

BOARD COMMITTEES

Pursuant to delegated authority, various Board functions are discharged by the standing committees of the Board. The Board of Directors has appointed four principal standing committees: the Executive Committee, the Compensation and Option Committee, the Nominating Committee and the Audit Committee.

The Executive Committee, currently comprised of Messrs. Sutter and Podolski, is authorized to exercise, to the extent permitted by law, the power of the full Board of Directors when a meeting of the full Board is not practicable or necessary. The Executive Committee did not meet in 2002.

The Compensation and Option Committee, currently comprised of Messrs. Blasnik and McInerney, selects the employees to whom stock options are to be granted, determines the terms and conditions provided for in each option grant and reviews and recommends to the Board of Directors the amount of compensation to be paid to officers of the Company. The Compensation and Option Committee convened once in 2002 and took certain additional actions by unanimous written consent in lieu of meetings.

The Nominating Committee, currently comprised of Messrs. Sutter and Podolski, makes recommendations to the Board with respect to qualified candidates to be nominated for election to the Board. The Nominating Committee does not typically consider candidates nominated by stockholders. The Nominating Committee did not meet in 2002.

The Audit Committee, currently comprised of Messrs. Bentsen, Blasnik and McInerney, provides assistance to the Board of Directors in fulfilling its responsibilities relating to corporate accounting and reporting practices, recommends to the Board of Directors the engagement by the Company of its independent public accountants, approves services performed by the Company's independent public accountants, including fee arrangements and the range of audit and non-audit services, maintains a direct line of communication between the Board of Directors and the Company's independent public accountants and performs such other functions as may be prescribed with respect to audit committees under applicable rules, regulations and policies of The Nasdaq Stock Market, Inc. The Audit Committee also evaluates the Company's system of internal controls, the internal audit function and other related areas. The Audit Committee meets quarterly and convened 5 times in 2002 and once per quarter for the quarters ended March 31, June 30 and September 30, 2003.

As required by Nasdaq Stock Market and Securities and Exchange Commission (the "Commission") rules regarding audit committees, the Board of Directors has reviewed the qualifications of its Audit Committee and has determined that none of the current members of the Audit Committee have a relationship with the Company that might interfere with the exercise of their independence from the Company or its management.

AUDIT COMMITTEE REPORT

The Audit Committee includes three directors who are independent, as defined by the standards of the Nasdaq Stock Market. The Audit Committee assists the Board in overseeing matters relating to the Company's accounting and financial reporting practices, the adequacy of its internal controls and the quality and integrity of its financial statements. On May 23, 2000, the Audit Committee adopted, and the Board of Directors ratified, a new Audit Committee Charter.

The Audit Committee met 5 times during the year ended December 31, 2002. The Audit Committee reviewed with management and the independent auditors the interim financial information included in the Company's quarterly reports on Form 10-Q for the fiscal quarters ended March 31, June 30 and September 30, 2002 prior to their being filed with the Commission as well as for the fiscal quarter and year ended December 31, 2002, as filed with the Company's Form 10-K for the year ended December 31, 2002.

Edgar Filing: ZONAGEN INC - Form DEF 14A

The independent auditors provided the Audit Committee with a written statement describing all the relationships between the Company and its auditors that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Audit Committee also discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence.

The Audit Committee discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement of Auditing Standards No. 61, as amended, "Communication with Audit Committees."

With and without management present, the Audit Committee discussed and reviewed the results of the independent auditors' examination of the Company's December 31, 2002 financial statements. The discussion included matters related to the conduct of the audit, such as the selection of and changes in significant accounting policies, the methods used to account for significant or unusual transactions, the effect of significant accounting policies in controversial or emerging areas, the process used by management in formulating particularly sensitive

5

accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates, significant adjustments arising from the audit and disagreements, if any, with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

The Audit Committee reviewed the Company's audited financial statements as of and for the year ended December 31, 2002, and discussed them with management and the independent auditors. Based on such review and discussions, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2002 for filing with the Commission.

FEES PAID TO PRINCIPAL ACCOUNTING FIRM

The following table sets forth the aggregate fees billed to the Company by its principal accounting firm, PricewaterhouseCoopers LLP, for the 2002 audit of its financial statements for the fiscal year ended December 31, 2002 and additional services rendered during such fiscal year:

Audit Fees	\$ 91,675
Financial Information Systems and Design and Implementation Fees	\$ 0
All Other Fees	\$ 72,543
Total Fees	\$ 164,218

The services provided under the caption, "All Other Fees," relate to certain services performed in connection with the Company's tax returns and in connection with the Company's now-terminated transaction with Lavipharm. The Audit Committee considered whether the provision of the services reflected under

Edgar Filing: ZONAGEN INC - Form DEF 14A

"All Other Fees" above might have affected PricewaterhouseCoopers' independence with respect to their audit of the Company's financial statements, and the Audit Committee believes that such services did not affect, and were compatible with, PricewaterhouseCoopers' independence.

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended (the "Securities Act"), or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

PROPOSAL NUMBER 2: RATIFICATION AND APPROVAL OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors has appointed the firm of PricewaterhouseCoopers LLP as the Company's independent public accountants to make an examination of the accounts of the Company for the fiscal year ending December 31, 2003, subject to ratification by the Company's stockholders. The Company anticipates that representatives of PricewaterhouseCoopers LLP will be present at the Annual Meeting and will have an opportunity to make a statement, if they desire to do so. They will also be available to respond to appropriate questions from stockholders attending the Annual Meeting.

As previously reported in Item 4 of its Current Report on Form 8-K dated June 18, 2002 (the "8-K"), the Company dismissed Arthur Andersen LLP ("Andersen") as the Company's principal accountant and engaged PricewaterhouseCoopers LLP as the principal accountant for the fiscal year ending December 31, 2002. The change in principal accountant was approved by the Audit Committee of the Company's Board of Directors.

Andersen's reports on the Company's financial statements for each of the years ended December 31, 2001 and 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal year ended December 31, 2001 and through the interim period between December 31, 2001 and the date of Andersen's termination, there were no disagreements between the Company and Andersen on any matter of accounting principles or practices, financial statement

6

disclosure of auditing scope or procedure which, if not resolved to Andersen's satisfaction, would have caused them to make reference to the subject matter of the disagreement in connection with their report for such years; and there were no reportable events as defined in Item 304(a)(2) of Regulation S-K. The Company provided Andersen with a copy of the disclosures made in Item 4 of the 8-K and requested that Andersen furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agreed with the statements made by the Company in Item 4 of the 8-K and, if not, stating the respects in which it did not agree. A copy of the letter from Andersen to the Commission agreeing with the statements made by the Company was attached to the 8-K as Exhibit 16 thereto.

During the fiscal year ended December 31, 2001 and through the date of the

Edgar Filing: ZONAGEN INC - Form DEF 14A

engagement of PricewaterhouseCoopers LLP, the Company did not consult PricewaterhouseCoopers LLP regarding any of the items described in Item 304(a)(2) of Regulation S-K.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" RATIFICATION AND APPROVAL OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDED DECEMBER 31, 2003, AND PROXIES EXECUTED AND RETURNED WILL BE SO VOTED UNLESS CONTRARY INSTRUCTIONS ARE INDICATED THEREON.

COMPENSATION AND OPTION COMMITTEE OF THE BOARD OF DIRECTORS REPORT

The Compensation and Option Committee (the "Committee") of the Board of Directors of the Company currently consists of Messrs. Blasnik and McInerney, neither of whom is an officer or employee of the Company. The Committee is responsible for evaluating the performance of management and determining the compensation for executive officers of the Company and for administering the Company's Incentive Plans under which grants may be made to employees of the Company. The Committee has furnished the following report on executive compensation for 2002:

Under the supervision of the Committee, the Company has developed a compensation policy which is designated to attract and retain key executives responsible for the success of the Company and motivate management to enhance long-term stockholder value. The annual compensation package for executive officers primarily consists of (i) a cash salary which reflects the responsibilities relating to the position and individual performance, (ii) variable performance awards payable in cash or stock and tied to the achievement of certain personal and corporate goals or milestones and (iii) long-term stock-based incentive awards which strengthen the mutuality of interests between the executive officers and the Company's stockholders.

In determining the level and composition of compensation of each of the Company's executive officers, the Committee takes into account various qualitative and quantitative indicators of corporate and individual performance. Although no specific target has been established, the Committee generally seeks to set salaries comparable to those of peer group companies. In setting such salaries, the Committee considers its peer group to be certain companies in the biotechnology industries with market capitalizations similar to that of the Company. Such competitive group does not necessarily include the companies comprising the indexes reflected in the performance graph in this Proxy Statement. Because the Company is still developing technologies, the use of certain traditional performance standards (e.g., profitability and return on equity) is not currently appropriate in evaluating the performance of the Company's executive officers. Consequently, in evaluating the performance of management, the Committee takes into consideration such factors as the Company's achieving specified milestones or goals in its clinical development programs and the general progress of the Company's clinical trials. In addition, the Committee recognizes performance and achievements that are more difficult to quantify, such as the successful supervision of major corporate projects and demonstrated leadership ability. Finally, as a result of the Company's earlier decision to indefinitely suspend further development efforts in VASOMAX and the related decision to seek strategic alternatives, the Committee took into account the performance of management in fostering the goal of completing a strategic alternative to the benefit of the Company and its stockholders.

Base compensation is established through negotiation between the Company and the executive officer at the time the executive is hired, and then subsequently adjusted when such officer's base compensation is subject to review or reconsideration. While the Company has entered into employment agreements with certain of its executive officers, such agreements provide that base salaries after the initial year will be determined by the Committee after

Edgar Filing: ZONAGEN INC - Form DEF 14A

review. When establishing or reviewing base compensation levels for each executive officer, the Committee, in accordance with its general compensation policy, considers numerous factors, including the responsibilities relating to the position, the qualifications of the executive and the relevant experience the individual brings to the Company, strategic goals for which the executive has responsibility, and compensation levels of

7

companies at a comparable stage of development who compete with the Company for business, scientific and executive talents. As stated above, such comparable companies are generally those with similar market capitalizations and are not necessarily among the companies comprising the industry or broad market indexes reflected in the performance graph in this Proxy Statement. No pre-determined weights are given to any one of such factors. The base salaries for the executive officers generally, and the Chief Executive Officer specifically, for fiscal 2002 were comparable to the Company's peer group companies.

In addition to each executive officer's base compensation, the Committee may award cash bonuses and the Committee may grant awards under the Company's Incentive Plans to chosen executive officers depending on the extent to which certain defined personal and corporate performance goals are achieved. Such corporate performance goals are the same as discussed above.

All employees of the Company, including its executive officers, are eligible to receive long-term stock-based incentive awards under the Company's Incentive Plans as a means of providing such individuals with a continuing proprietary interest in the Company. Such grants further the mutuality of interest between the Company's employees and its stockholders by providing significant incentives for such employees to achieve and maintain high levels of performance. The Company's Incentive Plans enhance the Company's ability to attract and retain the services of qualified individuals. Factors considered in determining whether such awards are granted to an executive officer of the Company include the executive's position in the Company, his or her performance and responsibilities, the amount of stock options, if any, currently held by the officer, the vesting schedules of any such options and the executive officer's other compensation. While the Committee does not adhere to any firmly established formulas or schedules for the issuance of awards such as options or restricted stock, the Committee will generally tailor the terms of any such grant to achieve its goal as a long-term incentive award by providing for a vesting schedule encompassing several years or tying the vesting dates to particular corporate or personal milestones.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), added by the Revenue Reconciliation Act of 1993, places a \$1.0 million cap on the deductible compensation that can be paid to certain executives of publicly-traded corporations. Amounts that qualify as "performance based" compensation under Section 162(m)(4)(c) of the Code are exempt from the cap and do not count toward the \$1.0 million limit. Generally, stock options will qualify as performance based compensation. The Committee has discussed and considered and will continue to evaluate the potential impact of Section 162(m) on the Company in making compensation determinations, but has not established a set policy with respect to future compensation determinations.

COMPENSATION OF CHIEF EXECUTIVE OFFICER

The annual base salary of Joseph S. Podolski, the Company's President and Chief Executive Officer, was increased to \$285,000 for 2002. In increasing Mr. Podolski's annual base salary for 2002, the Committee evaluated a number of factors, including Mr. Podolski's responsibilities, his general background and

Edgar Filing: ZONAGEN INC - Form DEF 14A

qualifications, his achievement of various corporate and personal milestones set by the Committee from time to time, and compensation levels for executives in Mr. Podolski's position and with his background at peer group companies. The Committee has not attached any particular relative weighting to the foregoing factors (or any other factors which the Committee may also consider in reaching compensation decisions for the Company's executive officers).

In 2002, Mr. Podolski did not receive a cash bonus, but the Committee did adopt a bonus plan under which he will receive year end bonuses that will equal 2% of the amount of milestone payments received by the Company during such year. Such plan terminates after December 31, 2003, unless prior thereto there is either a change of control or a termination of Mr. Podolski's employment. If either such even occurs prior to such date, the bonus plan will terminate upon the occurrence of such event. No payments were made for 2002 under the bonus plan.

The foregoing report is given by the following members of the Committee:

Timothy McInerney, Chairman
Steven Blasnik

The report of the Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or under the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

the potential realizable value or present value of each grant. The disclosure assumes the options will be held for the full 10-year term prior to exercise. Such options may be exercised prior to the end of such 10-year term. The actual value, if any, an executive officer may realize will depend on the excess of the stock price over the exercise price on the date the option is exercised. There can be no assurance that the stock price will appreciate at the rates shown in the table.

Option Exercises and Holdings

The following table sets forth information concerning option exercises and the value of unexercised options held by the President and Chief Executive Officer and the other Named Executive Officer of the Company named in the Summary Compensation Table as of the end of the last fiscal year:

Equity Compensation Plan Information

The following table provides information as of December 31, 2002, regarding compensation plans (including individual compensation arrangements) under which equity securities are authorized for issuance:

Total 1,531,710 \$6.76

(1) Consists of shares of Common Stock issued or remaining available for issuance under the Incentive Plans and the 1996 Director Plan and 2000 Director Plan. The material terms of the 2000 Director Plan are described above under "Directors' Meetings and Compensation." The 2000 Director Plan was originally approved by the Company's stockholders. The Company amended the 2000 Director Plan without stockholder approval as permitted by the terms of the 2000 Director Plan on October 24, 2002.

EMPLOYMENT AGREEMENTS

The Company has employment agreements with Messrs. Podolski and Ploth which provide for current annual salaries of \$285,000 and \$150,000, respectively. The agreements provide that the Company will pay Messrs. Podolski and Ploth an annual incentive bonus as may be approved by the Board of Directors and that they are entitled to participate in all employee benefit plans sponsored by the Company.

Mr. Podolski's employment agreement was amended in October 2002 and provides for a renewal term expiring in January 2004, with automatic annual renewals unless terminated by either party. The October 2002

amendment clarified the provisions described below relating to the lump sum payment following a change of control but did not change the economics of the Rabbi Trust. If terminated for reasons other than cause, Mr. Podolski is entitled to receive his annual base salary and certain employment benefits for 1 year following termination. In addition, he is entitled to the following severance payments in the event he is terminated without cause or resigns for good reason within 12 months following a change of control: a cash lump sum payment equal to the present value of the aggregate amount of payments set forth below, in which the present value is determined as of the closing date of the change of control transaction (as if he was terminated or had resigned on such date). Mr. Podolski has agreed to defer payment of such amount, and in lieu of such lump sum payment, he will receive the payments listed in the following table. All of the payments listed below, other than the first payment made at the closing of a change of control, would be made out of an irrevocable Rabbi Trust which would be funded by the Company immediately prior to the closing of a change of control transaction:

AMOUNT OF PAYMENT -----	PAYMENT DUE DATE -----
Current base salary	On the closing of the change of control transaction
\$150,000	1st anniversary after closing
\$150,000	2nd anniversary after closing
\$150,000	3rd anniversary after closing
\$150,000	4th anniversary after closing
\$125,000	5th anniversary after closing
\$75,000	6th anniversary after closing

Finally, Mr. Podolski is entitled to acceleration of all unvested options and an extension of the period of exercisability of his options for a 2 year

Edgar Filing: ZONAGEN INC - Form DEF 14A

period following the closing of a change of control and is entitled to receive benefits coverage for a period of 12 months following his termination.

Mr. Ploth, the Company's chief financial officer, is entitled to receive a lump sum payment upon the closing of a change of control transaction, regardless of whether he is terminated or continues with the combined company, in an amount equal to his current base salary at the time of the closing. This was amended in October 2002 and replaces his previous change of control payment of 1/2 of his current base salary plus an additional \$25,000 cash payment for the consummation of a change of control transaction. In addition, Mr. Ploth is entitled to acceleration of all unvested options and an extension of the period of exercisability of his options for a 2 year period following the closing of a change of control, and he is entitled to receive benefits coverage for a period of 12 months following closing. The benefits coverage was increased from the 6 month period in place prior to the October 2002 amendment.

Mr. Ploth's employment agreement expires in October 2004 with automatic annual renewals unless otherwise terminated by either party. If terminated for reasons other than cause, Mr. Ploth is entitled to salary and certain employment benefits for 6 months following termination.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Zsolt Lavotha, who is standing for election to the Company's Board of Directors for the first time at the Annual Meeting, previously served as President and Chief Executive Officer and a director of Lavipharm. The Company entered into a definitive merger agreement with Lavipharm in October 2002. In addition, immediately following execution of the definitive merger agreement, the Company loaned \$1 million to Lavipharm. The merger agreement terminated in March 2003, and Lavipharm paid off the loan with interest in its entirety in April 2003. Mr. Lavotha served in the capacities described above during these transactions.
