ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

SECURITIES PURCHASE AGREEMENT

On May 18, 2005, OMNI Energy Services Corp. (the "Company") announced that it had entered into a Securities Purchase Agreement (the "Securities Purchase Agreement") dated as of May 17, 2005, among the Company, The Dennis R. Scotto Family Trust Dated December 19, 1994, Edward E. Colson, III Family Trust Dated January 2, 1995, Jimit Mehta, James C. Eckert and G. Darcy Klug (collectively, the "Purchasers").

Pursuant to the terms of the Securities Purchase Agreement, the Company agreed to issue to the Purchasers (i) an aggregate of up to 5,000 shares of Series C 9% Convertible Preferred Stock, no par value (the "Series C Preferred Stock"), and (ii) warrants (the "Warrants") representing the right to purchase up to an aggregate of 6,550,000 shares of the common stock of the Company, par value \$0.01 per share ("Common Stock"), for the exercise prices described therein.

The transactions contemplated by the Securities Purchase Agreement close in two tranches. On May 17, 2005, the closing date of the first tranche, the Company issued an aggregate of 3,500 shares of Series C Preferred Stock and Warrants to acquire up to 4,585,000 shares of Common Stock, in exchange for \$3,500,000. Subject to the terms and conditions set forth in the Securities Purchase Agreement, the second tranche is scheduled to close on August 15, 2005, at which time the remainder of the Series C Preferred Stock and Warrants will be

issued.

The Series C Preferred Stock is convertible into shares of Common Stock at an initial conversion price of \$1.95 per share. The 5,000 shares of Series C Preferred Stock converts into approximately 2,564,103 shares of Common Stock. Cumulative dividends will accrue on the Series C Preferred Stock at 9% per annum and will be payable in equal quarterly installments. Beginning on May 17, 2009, the Company will have the right to redeem the shares of Series C Preferred Stock, in whole or in part, at a price equal to \$1,000 per share plus an amount equal to all dividends (whether or not declared or due) accrued and unpaid on each such share up to the date of the redemption, subject to the Purchaser's right to convert the Series C Preferred Stock into Common Stock.

The Warrants issued in the first tranche, which together are estimated to be exercisable into 4,585,000 shares of Common Stock, will be issued as follows: (i) 3,360,000 five-year warrants exercisable at a price per share of \$1.95 (the "Series A Warrants"); (ii) 875,000 five-year warrants exercisable at a price per share of \$2.50 (the "Series B Warrants"); and (iii) 350,000 five-year warrants exercisable at a price per share of \$3.50 (the "Series C Warrants").

The foregoing discussion is only a summary and is qualified in its entirety by reference to the Securities Purchase Agreement, the Warrants, the Articles of Amendment to the Articles of Incorporation of the Company filed by the Company in connection with the foregoing transactions (the "Articles of Amendment"), the Registration Rights Agreement and the press release filed as exhibits hereto and incorporated herein by reference.

### CREDIT FACILITIES

On May 18, 2005, the Company announced it had completed \$65 million of senior credit facilities (the "Senior Credit Facilities") with a syndicate of lenders including General Electric Capital Corporation and Webster Business Credit Corporation. The proceeds will be used to re-finance certain long-term debt and provide working capital.

The Senior Credit Facilities include a \$50 million equipment Term A Loan and a \$15 million working capital revolver. Borrowing under the asset based Term A Loan is determined by advance rates on the agreed upon value of the Company's unencumbered aviation, seismic drilling and environmental equipment. The Term A Loan matures in 60 months, with level amortization over 120 months. Principal

payments will be made quarterly, with interest accruing at an initial rate of 30-day LIBOR plus 6.5%, also payable quarterly, in arrears.

The Company also announced that it has increased its working capital revolver (the "Revolver") with Webster Business Credit Corporation to \$15 million from \$12 million, pursuant to the Amended and Restated Credit and Security Agreement (the "Revolver Agreement"). Availability under the Revolver is based upon the Company's level of eligible accounts receivable and inventories of spare parts. The Revolver matures in 60 months and will initially accrue interest at a rate of prime plus 2.5%, or at the Company's option, LIBOR plus 5%, payable monthly in arrears.

The foregoing discussion is only a summary and is qualified in its entirety by reference to the Credit Agreement and the Revolver Agreement, copies of which are attached as exhibits hereto and incorporated herein by reference.

### SETTLEMENT AGREEMENTS

## Edgar Filing: OMNI ENERGY SERVICES CORP - Form 8-K

On May 18, 2005, the Company announced that it had entered into settlement agreements (the "Settlement Agreements") with all of the holders of its 6.5% Subordinated Convertible Debentures (the "Debenture Holders"). The Settlement Agreements provide for (i) the payment to the Debenture Holders of approximately \$4.0 million in cash, (ii) the issuance of 2 million shares of Common Stock to the Debenture Holders; and (iii) the issuance of approximately \$4.3 million of 8% subordinated notes, payable over 3 years, to the Debenture Holders. The Company has also agreed to register the 2 million shares of Common Stock under a new Registration Rights Agreement with each of the Debenture Holders, copies of which are attached as exhibits hereto. Pursuant to the terms of the Settlement Agreements, in exchange for the full and complete extinguishment of the Debentures and the release of all claims against the Company, the Company has agreed to dismiss the Debenture Holders from certain litigation recently filed by the Company against the Debenture Holders alleging violations of Section 16(b) of the Securities Exchange Act of 1934, among other things.

In addition, the Surrender of Note Agreement cancels \$1 million of a \$3 million earnout note also issued in connection with the Trussco, Inc. acquisition (the "Earnout Note").

Under the terms of the Surrender of Note Agreement, OMNI will pay to the holders of the subordinated debt, \$1 million cash on or before August 16, 2005, and will issue the subordinated debt holders 200,000 shares of Common Stock in full and complete satisfaction of \$2 million of subordinated debt and cancellation of \$1 million of the Earnout Note. The terms of the balance of the \$1 million of the subordinated debentures and \$2 million of the Earnout Note will remain unchanged.
