**Item 1.01 Entry into a Material Definitive Agreement.**

On September 27, 2006, Service Corporation International (the Company) entered into a purchase agreement (the Purchase Agreement) pursuant to which it agreed to sell \$500 million aggregate principal amount of unsecured senior notes, consisting of \$250 million aggregate principal amount of 7% Senior Notes due 2014 and \$250 million aggregate principal amount of 7% Senior Notes due 2018 (collectively, the notes), to the initial purchasers named therein in a private placement. The aggregate proceeds from the offerings, net of initial purchasers' discounts and offering expenses, will be used, together with available cash and other financings, to consummate the acquisition of Alderwoods Group, Inc. and refinance certain other indebtedness. The closing of the sale of the notes is expected to occur on October 3, 2006, subject to customary closing conditions.

The net proceeds of each series of notes will be held in separate escrow accounts pending the consummation of the acquisition of Alderwoods and related transactions. All outstanding notes are subject to special mandatory redemption in the event that the acquisition and related transactions are not consummated on or prior to December 31, 2006. All of the outstanding notes may also be redeemed at the Company's option, in whole, but not in part, at any time prior to December 31, 2006, if, in the Company's sole judgment, the acquisition and related transactions will not be consummated by that date. The redemption price in either case will be 100% of the issue price of each series of the notes set forth above, respectively, plus accrued and unpaid interest to the redemption date. Concurrently with the closing of the offerings, the Company will deposit the net proceeds of each series of notes into separate escrow accounts, together with an amount of cash or treasury securities, so that the escrowed funds are sufficient to fund the redemption of the notes, if required.

The notes will be resold by the initial purchasers pursuant to Rule 144A and Regulation S under the Securities Act of 1933. The notes will not initially be registered under the Securities Act of 1933 or the securities laws of any state and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements under the Securities Act and any applicable state securities laws.

**Item 7.01 Regulation FD Disclosure.**

On September 27, 2006, the Company issued a press release announcing that it has priced the private offering of the notes. The full text of the press release is attached hereto as Exhibit 99.1.
