- (1) Assumes conversion of all of the notes at a conversion rate of 7.9318 shares of the common stock of Verizon Communications per \$1,000 principal amount at maturity of the notes. This conversion rate is subject to adjustment, however, as described under "Description of Notes and Support Obligations - Conversion Rights" in the Prospectus. As a result, the number of shares of the common stock of Verizon Communications issuable upon conversion of the notes may increase or decrease in the future.
- (2) Calculated based on Rule 13d-3(d)(i) of the Securities Exchange Act of 1934, using 2,751,650,484 shares of common stock of Verizon

Edgar Filing: VERIZON COMMUNICATIONS INC - Form 424B3

Communications outstanding as of September 30, 2002. In calculating this amount for each selling securityholder, we treated as outstanding the number of shares of the common stock of Verizon Communications issuable upon conversion of all of the selling securityholder's notes, but we did not assume conversion of any other selling securityholder's notes.
