Each share of Series A Preferred has a stated value of \$100 per share (the Series A Stated Value ) and is initially convertible into Common Stock at a conversion price of \$4.50 per share, such that the Series A Preferred held by the Reporting Persons is initially convertible into an aggregate of 1,333,333 shares of Common Stock. In connection with the transaction, the Purchasers also received a warrant (the Unit Warrant ) to purchase an aggregate of up to 70,000 units (the Units ). Each Unit consists of one share of a newly designated Series B Convertible Preferred Stock (the Series B Preferred and, collectively with the Series A Preferred, the Preferred Stock ) and a Common Stock Purchase Warrant (a Class B Warrant ) exercisable for one-half of the number of shares of Common Stock issuable upon conversion of a share of Series B Preferred. Each share of Series B Preferred will have a stated value of \$100 per share and will be initially convertible into common stock at a conversion price of \$5.50 per share, such that, if the Unit Warrants are fully exercised, the Series B Preferred to be held by the Reporting Persons would initially be convertible into an aggregate of 1,272,727 shares of Common Stock and the Class B Warrants would be exercisable for an aggregate of 636,364 shares of Common Stock. Subject to applicable legal requirements, the Reporting Persons may purchase additional securities of the Issuer from time to time in open market or private transactions, including upon conversion of the Series A Preferred, the exercise of the Class A Warrants, the exercise of the Unit Warrants, the conversion of the Series B Preferred, the exercise of the Class B Warrants, depending on their evaluation of the Issuer's business, prospects and financial condition, the market for the Issuer's securities, other developments concerning the Issuer, the reaction of the Issuer to the Reporting Persons' ownership of the Issuer's securities, other opportunities available to the Reporting Persons, and general economic, money market and stock market conditions. In addition, depending upon the factors referred to above, the Reporting Persons may dispose of all or a portion of their securities of the Issuer at any time, subject to compliance with applicable securities laws. The Reporting Persons reserve the right to increase or decrease their holdings on such terms and at such times as each may decide.

***The Purchase***

Pursuant to the Purchase Agreement, on June 16, 2008, the Purchasers received an aggregate of 60,000 shares of Series A Preferred, and Class A Warrants exercisable for an aggregate of 666,667 shares of Common Stock at an exercise price of \$4.95 per share. Each share of Series A Preferred has a stated value of \$100 per share and is initially convertible into Common Stock at a conversion price of \$4.50 per share, such that the Series A Preferred held by the Reporting Persons is initially convertible into an aggregate of 1,333,333 shares of Common Stock. The conversion price of the Series A Preferred is subject to adjustment, as described below. Additionally, the ability of the Reporting Persons to convert the Series A Preferred Stock and exercise the Class A Warrants is limited as described below.

***Conversion***

The Reporting Persons' ability to convert the shares of Series A Preferred, and exercise the Series A Warrants and Unit Warrants is limited as follows: the Reporting Persons and any persons whose beneficial ownership would be aggregated with such holders for purposes of Section 13(d) of the Exchange Act are prohibited from owning more than 19.999% of the outstanding shares of the Issuer's Common Stock unless and until the Issuer's stockholders approve such issuances (the "Stockholder Approval"). Pursuant to the Warrant Agreement (the "Warrant Agreement"), which sets forth the terms of the Unit Warrants, the Issuer has agreed to use its reasonable best efforts to obtain the Stockholder Approval no later than 90 days after June 16, 2008.

If the Issuer, at any time while the Series A Preferred is outstanding, shall sell or grant any option to purchase or otherwise dispose of or issue any Common Stock or Common Stock equivalents entitling any person to acquire shares of Common Stock, at an effective price per share less than the then effective conversion price of the Series A Preferred, then, the conversion price shall be adjusted on a weighted average basis ("weighted-average antidilution"). Notwithstanding the foregoing, until such time as the Issuer obtains Stockholder Approval, no such adjustment shall cause the conversion price of the Series A Preferred be less than \$3.82, as adjusted for any stock dividend, stock split, stock combination, reclassification or similar transaction.

***Forced Conversion***

Beginning December 16, 2009, provided certain conditions are satisfied, if the closing price of the Common Stock equals an average of \$13.50 (subject to adjustment for stock splits, reclassifications, combinations and similar adjustments) per share for the 45 consecutive trading days, and the average daily volume of the Common Stock on The Nasdaq Global Market is at least \$1,000,000 during such measurement period, unless the Reporting Persons are prohibited from converting the Series A Preferred pursuant to the limitations set forth in the Certificate of Designations, Number, Voting Powers, Preferences and Rights of Series A Preferred Stock (the "Series A Certificate of Designations"), the Issuer shall have the right to force the Reporting Persons to convert any portion of their shares of Series A Preferred into shares of Common Stock at the then-effective conversion price.

**CUSIP No. 03662X 10 0**

***Redemption Rights***

At anytime on or after June 16, 2014, upon written request by the majority of the holders of Series A Preferred, the Issuer shall redeem all or any portion of the then outstanding Series A Preferred, for an amount in cash equal to the sum of (i) 100% of the aggregate Series A Stated Value of the Series A Preferred then outstanding and (ii) accrued but unpaid dividends (to the extent not already included in Series A Stated Value) and (iii) all liquidated damages and other amounts due in respect of the Series A Preferred.

***Rights to Participate in Future Financings***

At any time while Series A Preferred is outstanding and the Purchasers collectively hold a majority of the outstanding Series A Preferred (or the Common Stock issuable or issued upon conversion thereof) purchased by the Purchasers, each Purchaser shall have a right to participate pro rata with respect to the issuance or possible issuance by the Issuer of any future equity or equity-linked securities or debt which is convertible into or exercisable or exchangeable for equity or in which there is an equity component on the same terms and conditions as offered by the Issuer to the other purchasers of such securities.

***Registration Rights***

The Purchasers have also been granted certain registration rights pursuant to a Registration Rights Agreement dated as of June 16, 2008, between Issuer and the Purchasers, (the Registration Rights Agreement). Under the Registration Rights Agreement, the Issuer is required to file with the SEC a registration statement for the resale of the common stock underlying the Securities within 60 days of June 16, 2008. The Purchasers also received customary piggyback registration rights, which would allow them to include shares of Common Stock underlying the Securities in future registration statements filed by the Issuer, subject to certain exceptions.

***Voting***

The Series A Preferred Stock votes on an as converted basis with the Issuer's Common Stock. Additionally, so long as any shares of Series A Preferred Stock are outstanding, the Issuer shall not, without the affirmative vote of the holders of a majority of the shares of the Series A Preferred Stock then outstanding (each holder of Series A Preferred Stock, a Holder and collectively, the Holders), (a) alter or change adversely the powers, preferences or rights given to the Series A Preferred Stock or alter or amend the Series A Certificate of Designations (whether by merger, consolidation or otherwise), (b) authorize or create any class of stock, including securities exercisable for or convertible into such stock, ranking as to dividends, redemption or distribution of assets upon a liquidation senior to or otherwise pari passu with the Series A Preferred Stock, except for any series of Preferred Stock issued to the Holders, (c) amend its certificate of incorporation or other charter documents (whether by merger, consolidation or otherwise) so as to affect adversely any rights of the Holders, (d) increase or decrease the authorized number of shares of Series A Preferred Stock, or (e) enter into any agreement with respect to the foregoing. Additionally, the holders of a majority of the outstanding Series A Preferred Stock have the right to appoint an individual to serve as a voting member of the Issuer's Board of Directors.

***Dividends***

The Series A Preferred Stock will accrue cumulative dividends at a rate of 6% per annum whether or not dividends have been declared by the Board of Directors and whether or not there are profits, surplus or other funds available for the payment of such dividends. Dividends may be payable in kind at the option of the Issuer upon satisfaction of certain conditions.

***Liquidation Preference***

Upon any liquidation, dissolution or winding-up of the Issuer, whether voluntary or involuntary (a Liquidation), the Holders shall be entitled to receive out of the assets of the Issuer, whether such assets are capital or surplus, for each share of Series A Preferred Stock an amount equal to greater of (i) the Series A Stated Value per share plus any accrued and unpaid dividends thereon and any other fees or liquidated damages owing thereon before any distribution or payment shall be made to the holders of any junior securities or (ii) such amount per share as would have been payable had all shares of Series A Preferred Stock been upon any such Liquidation converted to common stock immediately prior to such Liquidation, in any case, and if the assets of the Issuer shall be insufficient to pay in full such amounts, then the entire assets to be distributed to the Holders shall be distributed among the Holders ratably in

accordance with the respective amounts that would be payable on such shares if all amounts payable thereon were paid in full.

**CUSIP No. 03662X 10 0**

***The Unit Warrants and Series B Preferred Stock***

In connection with the transaction, the Purchasers also received the Unit Warrant to purchase an aggregate of up to 70,000 Units. Each Unit consists of one share of a newly designated Series B Preferred Stock and a Class B Warrant exercisable for one-half of the number of shares of Common Stock issuable upon conversion of a share of Series B Preferred. Each share of Series B Preferred will have a stated value of \$100 per share and will be initially convertible into common stock at a conversion price of \$5.50 per share, such that, if the Unit Warrants are fully exercised, the Series B Preferred to be held by the Reporting Persons would initially be convertible into an aggregate of 1,272,727 shares of Common Stock and the Class B Warrants would be exercisable for an aggregate of 636,364 shares of Common Stock. The rights of the of the Series B Preferred is subject to weighted-average antidilution adjustment, similar to the Series A Preferred. Additionally, the ability of the Reporting Persons to exercise the Unit Warrants is limited as described above until Stockholder Approval is received.

***Board Representation***

Simultaneously with the closing of the transaction, and pursuant to the rights of the Holders to designate a director to the Issuer's Board of Directors, the Issuer appointed W. Allen Beasley, a managing director of RO LLC, a director of Issuer. Additionally, Mr. Beasley will serve on the Compensation Committee of the Board of Directors of the Issuer. As a new non-employee director of the Issuer, Mr. Beasley was granted a stock option to purchase 28,700 shares of the Issuer's Common Stock, with 25% of the shares subject to the option vesting on June 16, 2009 and 1/36th of the remaining shares subject to the option vesting monthly thereafter. The option has an exercise price of \$3.90 per share, based on the closing price of the Issuer's stock on The Nasdaq Global Market on June 13, 2008.

If the Purchasers exercise their rights under the Unit Warrants, and for so long as the Purchasers' beneficial ownership percentage interest in the Issuer is at least 19%, the Purchasers shall have the right to appoint an additional individual to serve as a voting member of the Issuer's Board of Directors.

***Plans or Proposals of the Reporting Persons***

Other than as described above in this Item 4, none of the Reporting Persons have any plan or proposal relating to or that would result in: (a) the acquisition by any person of additional securities of the Issuer or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any change in the Board of Directors or management of the Issuer, including any plans or proposals to change the number or terms of directors or to fill any existing vacancies on the Board of Directors of the Issuer; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) any changes in the Issuer's charter, by-laws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person; (h) a class of securities of the Issuer being delisted from a national securities exchange or ceasing to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act; or (j) any action similar to those enumerated above.
